*We are Proud* to serve you  
through our Junior Councillors and Executives

G. HURLBURT

E. ROGERS

Each year, Eaton's selects a crew of enthusiastic, alert Councillors and Executives to represent you and your fellow pupils in the schools and colleges of Greater Winnipeg . . . academic, vocational and technical.

We meet with these bright young lads and lassies every Saturday morning. They bring us news of what goes on at school, tell us your ideas, fads and fancies. We in turn plan interesting events for them.

They go on informative educational tours, hear lectures on all phases of merchandising and what goes on behind the scenes of a great department store. They gain selling experiences by working with the salesclerks behind the counters . . . selling everything from scissors to sportswear. Every year we stage a big fashion show to bring the hi-crowd up to date on what's new and fashionable to wear. And, our band boy entertains you at school dances and social get-togethers. Through our Junior Council and Junior Executive we get to know more about you—so we can serve you better through Eaton's—The Store for Young Canada!

## EDITORIAL

The purpose of this Year Book is to set down informally the highlights of "G.C.I." in 1952-'53. With this goal always in mind, the GLENMORIES Editorial Staff has worked conscientiously to bring you the Fifth Edition.

We are indebted to Ken Regier and Gerry Kendall of the Student Council for their keen interest in making ours a successful school project. The untiring effort of Miss V. Fryer, along with Mr. W. Nowosad, earned them an honored reputation as teacher-advisors.

Special thanks are expressed to the people whose capable service was invaluable to us. Mr. A. Mensforth and Mr. G. Simpson of Garry Press, and Mr. E. S. Longstaffe of Rapid Grip and Batten Ltd.,

are especially deserving of our gratitude for their expert advice in the practical field.

Mr. R. Wright of National School Studios, and Gordon Young, a former Glenlawnite, are responsible for the photography which illustrates the book. Snaps were also donated by picture-wise students.

But above all, this book is directed to the lawyers, businessmen, government officials, housewives, doctors and nurses, scientists and stenographers of the future: the people whose background includes a well-spent 1952-1953 school year at Glenlawn. When the road runs rugged and rough, may they renew their old dreams and inspirations by flipping through the reminiscent pages of GLENMORIES.

## The Principal's Message

Another issue of Glenmories will soon be in the hands of the pupils of G.C.I. May this Year Book long be a reminder of your high school years, and bring back memories of the happy, carefree days.

We welcome two new teachers to our staff this year—Mr. Walter Nowosad and Mr. Harold Serebrin. We hope they have enjoyed working with us and that it may be possible for them to remain.

May I express my gratitude to the staff and pupils for the co-operation which they have shown in our various undertakings. It has been satisfying to note the interest, the effort, and achievements of most of the pupils enrolled.

Strive for a high standard of scholastic attainment, and participate in extra-curricular activities if you return in the fall. Be loyal and polite to your teachers, parents and fellow pupils, and this way ensure that Glenlawn will be respected and honored in St. Vital and in Canada as a whole.

*Lives of great men all remind us  
We should make our lives sublime,  
And departing, leave behind us  
Footprints on the sands of time.*

To the graduates, in bidding you farewell, let me say that you leave G.C.I. with the best wishes of your teachers. Play your part well, put your very best effort into all things you do, and know that society demands the utmost from all of us.

W. S. YARWOOD.

### A MESSAGE FROM THE STUDENT COUNCIL

It is our sincere hope that the extra-curricular activities sponsored by the Council have been enjoyable to all. Included in the 1952-1953 affairs were the Theatre Nite, dances, Queen Contest, basketball games, Fund Fest, and Pine Falls tour. Both financially and socially, these projects were notably successful, a fact largely due to the closely harmonious relationships between Staff and Students.

Glenlawn has welcomed two new Staff members, Mr. W. Nowosad and Mr. H. Serebrin, during the past year, and has been saddened by the long absence of Mr. R. Laurie, to whom we wish a speedy return to the best of health.

A worthwhile venture was the reunited, pre-Christmas tea and bazaar, which proved to be a smash success, earning more money than any previous event of a comparable nature. Council invested most of the proceeds in a new Public Address system, which, it is felt, will ease the undertakings of future Councils.

Sponsorship of basketball was another new venture. Congratulations to Glenlawn's basketball teams: to the boys for winning their second consecutive Provincial Championship, and to the girls for reaching the Provincial finals for the second successive year. Heartiest thanks to Mr. A. Leach and to Mr. A. Heaney, and a special word of praise to an attractive and well trained cheer-leading group headed by Claudette Riel. Council feels that the contributions of these people have invaluable increased Glenlawn's prestige.

Thanks to an efficient Social Committee,—the organization of which was a special development of the past year,—school dances have been exceedingly successful, with crowds of consistently over three hundred in attendance. An event of particular interest was the Theatre Nite, which proved satisfactory from both social and monetary points of view. Another popular occasion was Glenlawn's third annual Queen Contest, held at Christmas.

Bouquets to our Queen Lois Lambert and to Princesses Marilyn Agar and Yvonne Perrault. We thank Miss H. Elliott for her help in preparing the candidates.

In conclusion, good luck to all, and may next year's Council have such a co-operative Student Body as we had. We hope that this year's Graduates will prosper in whatever fields they enter, and that they may remember 1952-1953 as one of the most outstanding years in their careers.

KEN REGIER, President.

*"MY LIFE DEVOTED TO YOUR SERVICE"*

## "I SERVE"

On my 21st birthday I welcome the opportunity to speak to all peoples of the British Commonwealth and Empire, wherever they live, whatever race they come from and whatever language they speak. Let me begin by saying "Thank you" to all the thousands of kind people who have sent me messages of goodwill.

This is a happy day for me, but it is also one that brings serious thoughts—thoughts of life looming ahead with all its opportunity. At such a time it is a great help to know that there are multitudes of friends all round the world who are thinking of me and who wish me well.

Now that we are coming to manhood and womanhood, it is surely a great joy to us all to think that we shall be able to take some of the burden off the shoulders of our elders who have fought and worked and suffered to protect our childhood. We must not be daunted by the anxieties and hardships that the war has left behind for every nation of our Commonwealth.

If we all go forward together with an unwavering faith, a high courage and a quiet heart, we shall be able to make of this ancient Commonwealth which we all love so dearly an even grander thing—more free, more prosperous, more happy and a more powerful influence for good in the world—than it has been in the greatest days of our forefathers.

To accomplish that we must give nothing less than the whole of ourselves. There is a motto which has been borne by many of my ancestors, a noble motto—"I serve."

Those words were an inspiration to many bygone heirs to the Throne when they made their knightly dedication as they came to manhood. I cannot do quite as they did, but through the inventions of science I can do what was not possible for any of them.

### ACT OF DEDICATION

I can make my solemn act of dedication with a whole Empire listening. I should like to make that dedication now. It is very simple.

I declare before you all that my whole life, whether it be long or short, shall be devoted to your service and the service of our Great Imperial Family to which we all belong, but I shall not have strength to carry out this resolution alone unless you join in it with me, as I now invite you to do.

I know that your support will be unfailingly given. God help me to make good my vow, and God bless all of you who are willing to share in it.

*(From Text of Broadcast from Capetown to the Empire by Princess Elizabeth on 21st April, 1947.)*

"At my Coronation, I shall dedicate myself anew to your service. I shall do so in the presence of a great congregation drawn from every part of the Commonwealth and Empire, while millions outside Westminster Abbey will hear the promises and the prayers being offered up within its walls, and see much of the ancient ceremony in which kings and queens before me have taken part through century upon century.

"You will be keeping it as a holiday: but I want to ask you all, whatever your religion may be, to pray for me on that day—to pray that God may give me wisdom and strength to carry out the solemn promises that I shall be making, and that I may faithfully serve Him and you all the days of my life."

*(From Text of Queen Elizabeth's first Christmas Broadcast.)*

Noted for his comprehensive sentences (three or four pages each), Jack is always good for a "lighter moment". Enjoys sports, and participates in several.

### EXAMINATIONS

Too soon the end doth come, the Final Fray;  
All efforts must be bent toward that day.  
It is a challenge! "To Arms!" resounds the cry,  
As Students to their work-worn Books do fly;  
Faces once gay, now filled with mirth no more  
As bleary eyes o'er printed page must pour  
In quest of knowledge that will stand the test;  
While weary heads at night can find no rest,  
Until, at last, the Solemn Days are o'er,  
And Spring claims Youth with carefree fun once more.  
Thus Students should in June bear this in mind:  
If Exam-week come, can joy be far behind?

—Marion Mayes, XII.

### ODE TO THE ROCKIES

High above the wandering plains  
They sit like gods upon a throne,  
Sharing with cloud and sun and wind  
A stratum belonging to these alone.

The snow lies deep on their pagan spires,  
Which view our world with distant scope,  
From whence all mankind may discern  
Both the setting sun and tomorrow's hope.

—Gerry Kendall, XII.

#### RED CROSS

**Front Row:** Diane Parker, Miss Kelly, Beverly Baker.

**Second Row:** Sheila Rowdon, Marilyn Ackroyd, Corinne Williams, Beverly Booth.

**Back Row:** Herb Drake, Edith Addy, Ken Regier.

Glenlawn has again had a successful Junior Red Cross branch. Miss Kelly acted as director, with Bev. Baker as president and Diane Parker filling the position of secretary. The big event of the year was the MacLean-Hunter project from which we presented a hundred dollars to the Convalescent Unit Fund of the New Children's Hospital. The girls of Room Eight, along with the president, also gave the same fund six dollars and fifty-five cents which was the result of a Candied Apple Sale. The packing of the annual Christmas Hampers finished the work for the first term. This was a big success; seven well-filled boxes of food were distributed.

In the New Year, Junior Red Cross staged a School Kit Drive. The supplies were donated by the students.

Two Glenlawnites appeared on the Junior Red Cross Radio Program. Bev. Baker broadcast about her trip to Fort Qu-

Appelle, where she attended the Junior Red Cross Leadership Camp last August. In April, Jean Slobodian was interviewed. She helped a special committee distribute advertising material for the Red Cross Drive.

We hope that Glenlawn Junior Red Cross is as successful next year as it has been in 1952-53.

## SOCIAL SCENE

Glenlawn's social calendar flipped open at an item on a high plane: a special performance of the Winnipeg Symphony Orchestra, conducted by Walter Kaufmann. The audience generously and sincerely showed their appreciation of this well-planned programme.

Room 2 "jumped the gun" with regard to parties, by holding the term's first class social. The girls brought their supper to school, and after a good "gab-fest", topped off the evening by attending a local theatre.

A crisp fall night, the banks of the Red River, and soft moonlight provided the setting for Room 1's weiner roast. After refreshments of hot dogs and soft drink, the weary but happy troop turned their steps homeward.

Glenlawn's Theatre Nite, held on October 21, was the first money-making project of the year. The proceeds of over \$100.00 were a clear proof of the evening's success.

The Harvest Hop was planned expressly for the reunion of old classmates and the debut of new friends from the "Junior Highs". The evening of dancing and prize-presentations turned out to be just right for making everyone feel at home.

The Harvest Hop's dream-dust had hardly been brushed from their eyes when Rooms 7 and 9 joined forces for a scavenger hunt and dance. On their return to home base, the Collegiate, with their collection of moths, blond hairs, bus drivers' signatures, and several other unusual items, the revellers indulged in volleyball, followed by dancing (with prizes) and refreshments to round out a most enjoyable evening.

On November 6, Room 10 sped their part on its way with films, volleyball, and a dodgeball tournament. Entertainment was provided by Mr. Serebrin and Brian Gravenor, with a duet and impersonations, and by piano-playing of Ellen McLean and Mr. H. Newbold, supplemented by records, which brought the evening to a very pleasant close.

Room 4 produced some novel ideas for a class party. The girls went swimming, leaving the boys at home base to prepare the dinner. The menu featured spaghetti

—eaten with chopsticks—ice cream, and chocolate milk. Consumers were admitted only if they wore large shirts backwards, ties, and woollen socks. These unique ideas, together with some final games, gave the "round-up" that extra bit of spice.

Next came the highlight, Glenlawn's Fund Fest, with its tea, bazaar, sale of home cooking and candy auction, and its variety concert, all reported under separate coverage.

Pre-holiday celebration was memorable for an auditorium programme, with carol-singing, items from the variety concert, the presentation of the Junior Red Cross cheque to a Provincial representative, and the Revue of the Glenlawn Queen contestants. That evening, at the Holly Hop, Past President of Council Dave Williamson had the enviable task of crowning Room 10's Lois Lambert Queen of Glenlawn, 1952-'53. Her charming Princesses were Room 2's Yvonne Perreault and Room 5's Marilyn Agar. Jolly old St. Nick (Bill De Vries) extended the excitement with a visit and presents all 'round; finally, two hours' dancing concluded a gay evening.

Room 10's January 29 party featured both sports and comedy movies, followed by refreshments and dancing. Then on February 3, the weather co-operated to make Rooms 4 and 8's tally-ho a snowy success. This party, with refreshments and dancing complete, had the novel idea of a spot-dance prize for the couple farthest from the chosen spot!

The next big social event was the St. Vitus Dance, held on February 6. An attendance of 275 made things a bit crowded, but all Glenlawnites were pleased with news of the net proceeds, approximately \$65.00.

Next came Rooms 1 and 5's toboggan party at Niakwa Golf Course. When the weary troop trailed back to the Collegiate, they were regaled with refreshments that

# FUND FEST

The traditional School Tea and Bazaar took place, with extra attractions, on December 10, 1952, in the seasonably decorated auditorium. Success was assured long before the doors opened, for, thanks to Mr. Yarwood's prize offer of a half-holiday to the Room which sold most tickets, more than 1,600 prospective visitors had generously contributed to the Fund Fest! At least, that number of tickets had been sold; we are not overlooking, however, the unnumbered friends and well-wishers who very kindly donated, in kind and in services, the sort of assurance that was bound to spell success. And that was exactly what the Fund Fest turned out to be: both financially and socially, it was the year's highlight at Glenlawn.

Space affords but a swift review of the many, many details of that busy day. After the "Box Office", presided over by Mr. W. Yarwood, Ken Regier, and Gerry Kendall, with publicity aided by Gordon Stark and the Poster Committee, we recall the bazaar activities, guided by Mrs. W. Yarwood and Mrs. L. Elliott; the home cooking and candy department, headed by Mrs. R. Laurie and Miss N. Kelly respectively; the very valuable efforts of Mr. A. Heaney and his team of Canvassers; the Book Bureau, supervised by Mr. W. Nowosad and Ken Regier; and the highly popular Show, organized by Mr. H. Serebrin, and "emceed" by Chuck McOuat;—winding up our recollections with the major event, the tea, capably convened by Miss H. Elliott, with "Ways and Means" smoothly engineered by Mr. R. Laurie and his crew; decorations by Leona Bjarnason and Committee, and the final auction under the genial hammer of Mr. Nowosad. General Convenor, Miss V. Fryer, reported an outstandingly high degree of co-operation from all, in this, the "big effort" of the Glenlawn year's extracurricular activities. It was pleasing to note that the musical offerings of the students were generously given, and well received: in the tea room, incidental music was played by pianists Edith Addy, Amy Fujishige, Janice Marks, Marion Mayes, and Miriam Mayfield; while on the variety programme, Bruce Tod, Ken Gee and Rudy Smith banded to-

gether with piano, violin and piano accordion. The Grade Twelve Vocal Sextet was another innovation. And in every other direction, from the Baby-Keeping Department to the Stock Room, help was cheerfully volunteered, a notable example being the adept tea-serving of the boys, and the graciously efficient tea-pouring of the ex-Presidents of Council and other male graduates, on the evening "shifts".

But this is all in retrospect. Glenlawnites of the present year may well be pleased with what the Fund Fest helped to realize for the future also, as they begin and end their school days to the inspiring music brought to their classrooms by the public address system purchased with proceeds of that event, or dance to its tunes at parties. Once more, well done, and thanks to all who helped!

## ● SOCIAL SCENE—Con'td. from Page 35

included copious supplies of delicious home-made cake, cookies and candy, as well as weiners with relish, helped down with soft drinks. A dance program wound up a truly sociable success.

The Pine Falls Tour, April 25, while not exclusively "social", turned out to be a very friendly and worthwhile venture. Nearly fifty Glenlawnites, including the basketball team, made the journey by bus and auto, first inspecting the power plant at Powerview, then the paper mill at Pine Falls. A picnic supper at the Recreational Centre was followed by a closely fought basketball game, with a victory for Glenlawn. Thanks are extended to Mr. F. G. Sellers of Pine Falls, and to Mr. W. Yarwood, Mr. A. Heaney and Mr. A. Leach, for making the trip possible.

GLENMORIES wishes, in conclusion, to express appreciation of the tireless work of President Ken Regier, Vice-President Gerry Kendall, and their very able helpers, the Social Committee,—a new departure this year. Headed by Gloria De Vries, this Committee has taken charge of all the School dances with such success that we can indeed look back upon an outstanding Social Scene.

# THE GHOST AND I

I do not believe in ghosts. Had I done so, my uninteresting life might have gone on uninterrupted. But I do not, and for that reason I had a very curious experience one sunny afternoon.

It was very sunny and very hot that day, when I decided to walk in the shade of the trees which are found not more than half a mile from my house on the prairie. I had no sooner reached them than the skies darkened and rain began to fall. I raced for the nearest shelter, which was a deserted house, once owned by a solitary old man. I could have avoided it by going to a friend's place not far away, but I did not.

There is a queer tale surrounding the memory of that long dead hermit: a tale of how he came with a young bride, to farm there; of how his bride died mysteriously, one year later; of how a coroner's jury debated ten hours before returning a verdict of death by natural causes. But these things occurred many years ago, the hermit himself dying a few months later. The house is, of course, said to be haunted.

However, it is a strange world,—and I do not believe in ghosts anyway. Thus, ignoring the old story, I hurried inside. That was my undoing. In my haste I tripped on an overturned chair, fell, and knew no more.

Everything was hazy when I awoke. To my surprise, I perceived a dim figure in the middle of the room. The resemblance to the old hermit was undeniable. The figure did not apparently notice me. It seemed to be mumbling something to itself, something that sounded like "No, no! . . . No! No!"—not the ordinary "No" that one says in answer to a simple question, but

a "No!" of anguish and of pain, a "No!" that one might use had one done something evil and immediately repented.

At this moment I noticed that the figure held something out in front of it. It was a weed. I cannot remember the name, only that it had been disposed of after a great cattle-sickness in the surrounding country. After I had remarked this, everything became hazy once more, and blackness returned. As this happened the figure dissolved, and something seemed to drop to the floor.

I awoke to the sun shining through broken window. At once I thought of the figure, but laughed it off as a dream. Then I stared, and stared again. Lying on the floor, on top of the dust, was a piece of that weed.

Even to this day I wonder about the strange happenings of that afternoon. Was it all a dream, or was it real? Did I see a ghost, or didn't I? I do not know; do you?

## THE CANYON

A dull, roaring sound fills the air, adding a tantalizing touch to anticipation. Only a few feet more and, ah! a scene of the wildest splendor bursts upon the eye. A thousand feet down, sparkles a long, living, glowing emerald, wriggling snakelike along the canyon floor. Steep sides of the most delightful colorings, running from lightest yellow to deepest red, with here and there patches of green, rival the rainbow and put ordinary mountains to shame.

Lonely pinnacles, touched by the brush of a master artist, stand out in brilliant relief from the background. The sun sparkles off the sides, in winking red, yellow and green shadings, dazzling the eyes, overcoming the mind with visions of color grandeur, too magnificent to comprehend.

Just below, foaming and steaming like an enraged but securely caged tiger, are the falls, three hundred feet of mighty magnificence. Through the spray, baiting the monster, fly heedless, sparkling wisps of butterflies, winging their careless way scant feet from the prodigious, destroying torrent.

Tourists, happy, laughing people, crowd the little structure erected immediately above the falls. Pictures are snapped, children laugh, babies cry, as life goes on. Predominating all, however, is a rush of sound, the fall of each individual drop adding to a terrific, ear-shattering crescendo.

Downstream, the walls are gentler, less jagged, more hospitable. Little springs come tinkling down amongst the rocks. The clear, pine scented air is refreshing,

the spot one of quiet contentment. There, on the opposite bank, are a herd of elk, grazing peacefully. The young gambol about, happy, carefree.

Now it is evening; the sun sinks in a crimson blaze of glory, giving to the canyon the somber brooding hues of an old castle. Towers, pillars rise row on row, the tops alight, all the hidden splendor brought out by the final, searching rays of the sun. Wind sighs through the pine trees, in a last expiring gasp.

Look, those moving shadows below, are they the ghosts of old invaders, coming back to lay siege to this impenetrable fortress? Flaming arrows touch the walls, only to fade away, as darkness settles in. Now, just before night draws its curtain across the wonders of the canyon, it is time for a last goodbye.

The giddy precipice is cloaked in familiarizing darkness, hiding the abyss below. The elk have departed, seeking shelter, rest for the night. Upstream, the cataract rushes on its interminable way, the only sound to be heard in this wilderness. Farewell, splendor of nature; farewell, dear old timeless rocks. Even the roaring waterfall sounds faint in the distance as the content, completely satisfied soul speeds away into the night.

—Jim Houston.

## CHEER LEADERS . . .

The corps of pretty Cheerleaders who ran into the basketball court frequently during every game in which Glenlawn took part, earned a fine reputation during this exciting year. Their leader, Claudette Riel, is to be commended for training an effective team with much box-office appeal. The girls were so good in action that they even startled the fans into hushed admiration.

Besides actual cheering, the girls busied themselves with two radio appearances, representing Glenlawn on the Orange Crush Hi-Revue. They furthered other school projects by helping at the Fund Fest and ushering at the Theatre Nite.

Pictured above, to lead this section, the Cheerleaders are: (left to right): Yvonne Perreault, Marilyn Winslow, Naida Black, Wilda Gordon, Claudette Riel, Wilma Cheyne, Joan Box, Gerry Wakefield, Lenore Buss.

## SPORTS EDITORIAL

The year 1952-'53 has been one of varied and interesting outcomes, with more than one new venture. First, we welcome Mr. H. Serebrin to the Glenlawn athletic scene, and thank him warmly for his untiring leadership, especially in connection with the new Athletic Association. Then we note with tremendous satisfaction the Glenlawn Basketball Teams' triumphs, recorded elsewhere, and again heartily thank Coach Mr. A. Leach and Manager Mr. A. Heaney for their splendid work. Special bouquets to the Cheerleaders, now; their picture prefaces the Sports Section, this year, as a gesture of GLENMORIES' recognition of their outstanding services.

Subsequent pages offer the details of most sports featured at Glenlawn during the past year. We regret that no report has been forthcoming on what seems to have been a very enjoyable golf event of 1952; further, we regret that time does

not permit a detailed account of track and field achievements. We proudly note, however, that School Letters were presented at the 1952 Graduation ceremony to: Leona Bjarnason, Elaine Hanley, Helen Steenson, Pat Stogan, Alex Morrison, Ron Sandstrom, Richard Smith, and Bruce Stouffer.

Meanwhile, the neighboring sports grounds are being developed, to be the scene of the local Field Day. The Parks Board is maintaining the track; Don Fawcett, assisted by Glen Boire and Ted Mayor, have prepared the jump pits, and Ken Gee, Bruce King, and Alan Goard have made a pit for discus and shot put. A new departure in training sees last year's winners of the Local, Suburban and Provincial Meets helping Mr. H. Serebrin and Mr. A. Heaney with the coaching, as follows:—Track events: Richard Smith, Don Morris, Bob Keith, Allan Hawkins, Bob Chant, Jack Robertson; Field events:

Adelaide Oddleifson, Phyllis Seddon, Ron Sandstrom, Ron Leibl, Jack Trueman, Jack Grant, John Bering, Don Wilkins.

A brief look at other sports activities would include volleyball. Here the girls did not have a triumphant season; the boys were partly successful, reaching the semi-finals. They bowed to Norwood in a best-of-three contest. Then there was soccer, as yet handicapped by lack of training in fundamentals in the Junior High year. An effort to correct this difficulty was made by bringing in an Old

Country coach, Mr. Robertson of Norberry maintenance staff; under his care the boys improved to the point where they almost polished off last year's champions,—East Kildonan. We shall look for a gleaming outcome, next year.

The continued success of basketball has been in a large measure due to the wise and co-operative working of the Student

Council with the Coach and the Manager, as well as to the very fine effort put forth by the players themselves. Concluding with the long anticipated visit to Pine Falls, this has indeed been a banner year for basketball.

To all, good luck, and a cheer:

## BOYS' BASKETBALL

With but one first string holdover, all the critics were counting Glenlawn out of the Championship race for this year. It was with quiet determination that the local boys set about to build themselves into a team worthy of the Glenlawn tradition. When St. Vital rolled past Selkirk and then West Kildonan, the critics were still unimpressed, for Norwood had been doing the same thing at the other end of the schedule. An exhibition late in November saw Norwood trounce Glenlawn. To many this meant that the prophecy was true; it was Norwood's year. To the St. Vital boys it meant work, a long winter of it.

When playoff time came, Glenlawn was again in first place thanks to the efforts of seasoned veterans and inspired freshmen. Norwood took the first game of the final, but Glenlawn came back to take two

straight wins with splendid performances. Ron Sandstrom and Jack Dunn supplied the flavor of experience as they worked effectively around the boards. The contributions of Gordon Monro and Ken Regier as first year men were outstanding, and drew praise from every quarter. Reliable service from Bobby Noyes, master of the "freeze", and Richard Smith built strength into the backcourt. Bert Cadotte shone as one of the best general utility men in the league, while every player on the bench was ready to do his job when required. This strong bench holds the key to the 1953-54 season, for there are many reserves that would be first string material elsewhere.

The top thrill of the year was saved for an Easter present, as Glenlawn Lions roared through to take the Manitoba title for the second consecutive year. Portage,

Mr. A. Leach

Mr. A. Heaney

Boys Basketball Varsity Trophy

St. Paul's, and Daniel MacIntyre all fell before Glenlawn as they won in convincing fashion. The credit must go to the leaders and the boys who exhibited such faith, courage, and determination when all that could be seen ahead was work. Their loyalty and steadfast effort produced a championship team.

#### INTER-ROOM BASKETBALL

Thanks for a successful and well planned season of inter-room basketball go to Mr. H. Serebrin and to Ron Sandstrom; their fine co-operation is appreciated. The league, organized to give the boys a knowledge of basketball and to provide clean fun in the gym, consisted of eight teams, each having five players. Ron Sandstrom was appointed league president.

Gordon Monro led his team to the championship in two straight games, with scores of 43-26, 41-27. Captained by Gordon, the team included: Gerry Kendall, Boyd Helps, Allan Moon, Laurence Lobos.

An All-Star Team, exclusive of Collegiate team personnel, was as follows: Barry Hutchings, Bob Keith, Jack Robertson, Jack Trueman, Don Morris. Bob Keith was top scorer, with 25 points garnered in one game, and winner of total points scored, 98 in number, from the whole season. Jack Trueman was voted the most valuable player.

## GIRLS' BASKETBALL

The 1952-53 Glenlawn Girls' Basketball Team captured the Suburban Championship for the second consecutive year. In winning the league title the girls also established some new records. A new single game total was set as Glenlawn defeated East Kildonan 63-13. A season total of 182 points or average of 36.4 per game also went into the books, while Dorie Astley's single game of 31 was another mark set.

The annual summary would not be complete without paying tribute to the individual contributions that went to make Glenlawn's finest girls' team. Dorie Astley shone at pivot, as did Maxine Dixon in the backcourt. Their polished performance formed the nucleus of strength about which the team was built. Phyllis Seddon, Mae Clark, Grace Clint and Adelaide Oddleifson rounded out the backcourt. The school will be happy to see this group of experienced players return next year. The big surprise came from Sharon "Stonewall" Hewitson, whose dependable play added much to Glenlawn's strength. Judy Bjarnason showed steady improvement over the season, and should be a power next fall. Joann Barker was the faithful understudy of Dorie Astley, and should come into her own in the 1954 season. The team was delighted with the return of Joan Canfield, who came back after a serious illness.

The playoff record was a tribute to both the character and the skill of the girls. In the Suburban final Norwood tied the game with seconds left to play. With all its rebound strength off, Glenlawn rallied to win in overtime for one of the highlights of the season. Again, in the semifinal of the Provincial, Kelvin Seniors were threatening to overtake Glenlawn, but the local girls put on a determined and skillful display of ball-handling to hold the city team at bay until the final whistle. The entire season's only loss was the game won by Flin Flon, in the final match of the

tournament, when the girls from the north played absolutely Provincial Championship basketball. The Glenlawn girls were disappointed, but their loyal supporters were proud of the way in which their favorites took the loss. They may not be Provincial Champions, but they're our Champions!

# Glenlawn Athletic Association

During the past winter months, an extensive program of body--building was carried on at Glenlawn. Consisting of weight-lifting, wrestling, volleyball and tumbling, this course was intended to produce fine bodies and greater physical strength with co-ordination. It also proved a great conditioner for other sports, and for this reason almost twenty boys "worked out" daily.

With Mr. H. Serebrin as Director, the classes began at 4:05 p.m., in Room Ten. Desks and chairs having been pushed back, all members were soon in action. Weight-lifting opened proceedings, which concluded with wrestling and volleyball to loosen strained, tired muscles.

It should be noted that the boys themselves procured their gym suits, and some of the weights used. With an Athletic Council allotment, they purchased a set

of bar-bells and some wrestling and tumbling mats.

Climaxing their year's work, the members financed the complete program by presenting a combined wrestling and weight-lifting show. Held on March 15, in the Collegiate Auditorium, this exhibition not only gained the much-needed proceeds, but also proved successful in displaying what the boys had accomplished throughout the winter. A capacity crowd viewed the spectacle, which was the first of its kind to be produced at Glenlawn. Those participating were: Mr. H. Serebrin, John Bering, Jim Bowles, Barry Hutchings, Joe Impey, Brian Johnston, Albert Kowalski, Bob Regent, Alvin Rich, Don Wilkins, and Bill Wingert.

Commendations on a sound and well run venture, Athletic Association! Next year this organization should be stronger, —and in more ways than one.

The sharpest sleuth knows . . .

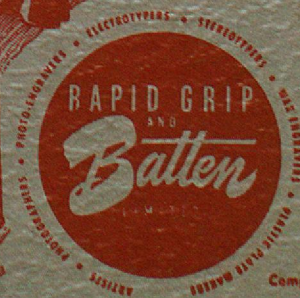

. . . it's the really cued crowd that shops at The Bay for the latest in teener's fads and fashions. Girls, for a really smooth date dress it's the Teeners' Shop, on the Fashion Floor. And guys, for a sharp new suit or sport jacket, try the Boys' Wear, Second Floor, at The Bay. Both departments carry a full steck of students' sizes.
