As another school year draws to a close, we leave behind us many happy times and many friends. With this in mind the sixth edition of GLENMORIES has been organized.

To the editors, managers, room representatives and all who contributed by writing, photography and soliciting of advertisements, we wish to express hearty thanks for their assistance. Miss V. Fryer and Mr. W. Nowosad, our teacher advisors, deserve our sincere appreciation for their advice and untiring efforts. We would further make special mention of President Bob Keith and Vice-President Ted Poulter, and the entire Student Council, who are to be congratulated for their keen interest in the Year Book's production, and financial aid to GLENMORIES.

We also wish to thank Mr. A. Mensforth and Mr. G. Simpson of Garry Press, and Mr. E. G. Longstaffe of Rapid Grip and Batten Ltd., for their expert advice and invaluable help.

In the years to come, whether we are Parliament officials or laborers, career women or housewives, let us remember our happy and carefree days by browsing through the pages of GLENMORIES.

Mr. R. Wright of National School Studios and Mr. Harold Luebeck are our photographers this year, while the snaps were donated by students.

The
PRINCIPAL'S MESSAGE

THE school year is drawing to a close and a backward look at the months we have spent together should be both entertaining and rewarding. Such a survey is, of course, the chief purpose of a year book. It will serve to remind us of the joys and sorrows we have experienced and the difficulties we have encountered and overcome. Problems that seemed important at the time can now be thought of lightly because they belong to the past.

A year book helps us to look back, but it also helps us to look forward. As we reflect on our efforts, successful and otherwise, we lay plans for better results next year, better approaches to the tasks involved, and new ideas to be tested and tried. We are bound to feel that each new year will be better than the previous one, and this is as it should be. Optimism is a quality necessary for human progress. True, it should be optimism tempered by caution, but it should be present. The pessimist admits defeat before he attempts the struggle, and thus ensures the defeat he fears.

I have been pleased to note from observation of the student body that, in common with youth generally, its members are not greatly addicted to pessimism, and that, instead of the lethargy which results from a pessimistic outlook, a great deal of vitality is generally prevalent in our Collegiate. To keep this vitality in the correct channels is essential, of course, and this can be done by acquiring a correct conception of the meaning of true democracy and an upward-seeking outlook on life. It is not enough to refer with pride to our democracy and point out its many privileges and opportunities. We must have as well, humility, and faith, and a sense of individual responsibility. The best way for us, young and old, to preserve the privileges which we value, is to remain worthy of them. The democratic way of life imposes a great trust on all who have a part in it, and it can be successfully maintained only when each individual realizes fully the responsibility it places upon him, and acts accordingly.

A Message from the Student Council . . .

We sincerely hope that the school term of '53-'54 has been an enjoyable one for all Glenlawnites. The events which were included in our year were dances, Theatre Night, Queen Contest, Variety Show, basketball games, and the annual Spring Tea. In all these efforts, Teaching Staff and Students worked side by side. We would like to offer our warmest thanks for their co-operation.

Two sports items are of particular note. The Student Council extends congratulations to both the girls' and the boys' basketball teams who, once again, captured the Suburban trophies, although, unfortunately, neither team won in the Provincial Tournament. We would like to thank the coach, Mr. A. Leach, and the manager, Mr. J. Thistlethwaite. Then congratulations are further in order for the girls' bowling teams, for bringing the Manitoba Championship Bowling Trophy to Glenlawn.

Miss Glenlawn of '54, Dawn Anderson, and her two princesses, Laine Carswell and Pat Devlin, deserve our recognition too. We express great appreciation for the work done by Miss H. Elliott in connection with the Queen Contest.

The Spring Tea, under the capable direction of Miss V. Fryer, was a great success. We would like to thank all those generous people who devoted their time to help this big affair along to its triumphant ending.

In conclusion, we hope that all 1954 graduates achieve success in their chosen fields, and that next year's Council will get the sort of support that we have received. Our closing wish is that the students of Glenlawn may remember the school term of '53-'54 as one of the very best of their school lives.

BOB KEITH, President.

It is a striking fact that many of the outstanding athletes train on chocolate because it is a food and an energy producer.

Chocolate is a creator of vigor and nerve force and supplies the body with that extra energy—that added punch—that is necessary to win.

Jersey Milk Chocolate is the finest of all milk chocolate. Experts say the habit of eating a bar of Jersey Milk Chocolate every day is a healthful one to form.

#### A LIMERICK

There was a young man from afar—  
To a fire he did race in a car;  
On being asked what was there,  
He replied, "I don't care,  
I had gone just to light my cigar!"

So long to school's wild ways.  
Now is the time to pause and think:

most

Find my question funny.  
They are the ones who gaily boast,

RED CROSS

Back Row: Beverly Booth, Richard Higginson, Dorothy Curtis, Robert Keith, Doreen Gibson, Tommy Johnson.  
 Front row: Eloise Rogers, Miss Kelly, Barbara Patterson, Barbara Brown.

## *Junior Red Cross . . .*

Due to the delay in school opening, the Glenlawn Red Cross Committee was rather late with its first meeting. Miss N. Kelly was director, with Eloise Rogers chairman, and Barbara Patterson secretary-treasurer. The initial task is always the enrolment of students in the Canadian Junior Red Cross. This year, as in previous years, the whole student body was enrolled as a unit with the payment of the nominal fee of one dollar. This fee is used for supplies like memberships, literature, magazines and buttons. As an innovation, high school students could buy a special pin at a small cost if they wished. In Glenlawn the idea was quite popular, many members choosing the attractive pins.

The group's first venture in fund raising was a collection of homemade candy which was sold at the "Fall Frolic".

At Christmas, following our school tradition, eight bountiful hampers were made, one packed from each room. They were displayed to good advantage at the Christmas program before being distributed.

During the winter, three Glenlawnites offered their services for outside school

activities. Jean Slobodian for the second time helped in the advertising of the Red Cross Drive, and earned the thanks of the committee. On a few Saturday mornings, Marlene McKinnon and Carol Baker went down to Red Cross headquarters, where they carried out general tasks.

To bolster the sorrowfully low fund, a school-wide collection was taken in March. Then, when the Spring Tea proceeds were allocated, a donation of fifty dollars was made by cheque to Red Cross benefit funds.

We hope that Glenlawnites appreciate the importance of at least one completely charitable organization, for the wholesomeness of a school as busy as ours, and that the Junior Red Cross will grow to be one of the more earnestly supported school activities.

## SOCIAL SCENE

With only the last few touches of Time to be added to another School Year's social scene, GLENMORIES offers a picture of class and school activities that is characteristically varied and energetic. Because of the late start of classes, no major school affair was organized until November, but smaller gatherings were very popular.

Glenlawn's first class party of the term was staged by Room 7, on September 30. Dancing, pie-eating contests, and wheelbarrow races were featured, with food and drinks aplenty for all. Then, under a new October moon, Room 2 roasted weiners and buns alongside the Red River, after their trek to St. Vital Park. While they were busily engaged, Room 9 went on a vigorous hayride, and Room 8 indulged in a scavenger hunt. Later, Rooms 8 and 9 congregated in the auditorium to round out the evening with dancing and refreshments. Another weiner roast, on October 9, was a chance for Rooms 1 and 5 to join forces and hike to St. Vital Park by way of the dike,—and back again! What a way to burn up atoms! But kindly weather and congenial company made the occasion a very successful one. Finally, Room 10 finished the cycle of hikes and fall parties with their class celebration on October 22. After a very amusing scavenger hunt, all were ready to enjoy the programme of dancing and refreshments that awaited them in the gymnasium.

The Fall Frolic, first dance of the school year, gave the Freshies an opportunity to become better acquainted with the Seniors and to be whirled into the swing of social activities. Held during the first week of November, this affair drew such a large crowd that dancing space was at a premium. However, the Social Committee was gleefully rubbing its hands over the receipts,—\$102.00! Special thanks were expressed to Glenwood Canteen for the use of their records, and to Dawn Anderson, Social Committee President, for the splendid work of herself and her helpers.

In no time at all, Christmas celebrations were being planned. On the afternoon of Tuesday, December 22, Staff and Students gathered in the tastefully decorated auditorium for a varied and interesting pro-

gramme, "With Gift and Song." Featuring carol singing by all, Christmas legends told by Miss V. Fryer, the playing of a recording of the tale, "Why the Chimes Rang", and the showing of a film about that land "down under", Australia, from which the Queen was so soon to send Christmas greetings, this programme was received by a most attentive and appreciative audience. Then the Maclean-Hunter awards were presented, Jean Cheetham being the lucky girl to take home the giant panda bear; winners of prizes for top sales were Barbara Fowler, Helen Fujishige, Donna Watanabe, Bruce Johnston, and Jim Houston. Barbara's sales, amounting to over fifty dollars, gained her the coveted top award, a radio. There were other distinctions marked, too, on this occasion: for their proficiency in typing, Underwood certificates of merit and pins were presented to Joyce Remillard and to Sonjia Carlson. To conclude the afternoon, there was a preview of the Queen contestants, followed by the judging. In the evening, results were to be made known.

The Holly Hop that night saw the crowning of Queen Dawn Anderson of Glenlawn, 1953-'54, by Lois Lambert, queen during the preceding year. Attending Princesses were Laine Carswell and Patricia Devlin. Gay decorations added the right festive touch to this scene, while the merry-making reached its heights during the visit of jolly St. Nick (Barry Hutchings), well armed with gifts. The Social Committee again reported an outstandingly successful financial result; the satisfaction evident everywhere among the guests rounded the picture.

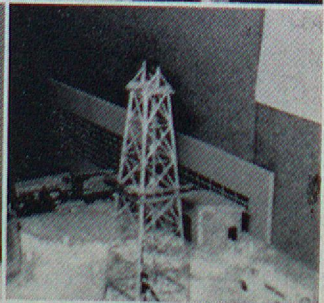

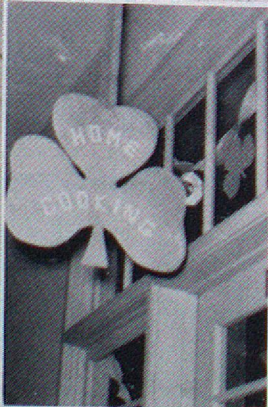

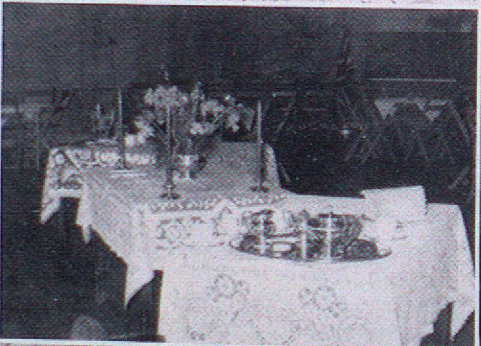

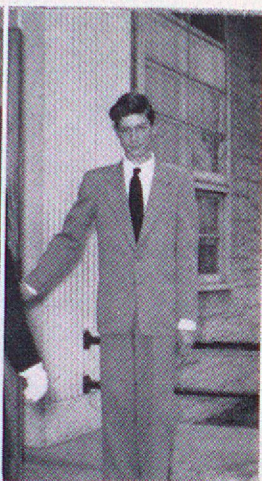

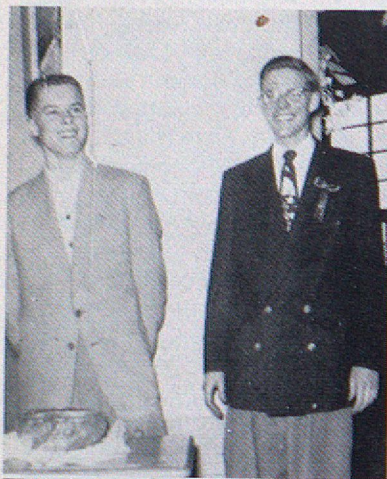

After the Christmas holidays, Rooms 7 and 9 had a joint Class Social. This was originally to have been a toboggan party, but an early thaw changed it into an evening of dancing. Then, on February 9, a particularly successful Theatre Night made necessary two shows. This event was a preliminary exercise in the kind of group effort that was to be climaxed in the Spring Tea. But first came two other highlights, both sponsored by Sports Council: the school dance, Cupid Capers, and the

Shamrocks, the wearing of the green, and all the Irish trimmings provided suitable scenery for Glenlawn's St. Patrick Day Tea.

Officiating as patrons and patronesses, in welcoming the guests, pouring tea, and superintending in various departments were: Chief Inspector C. K. Rogers and Mrs. Rogers, Inspector H. Connolly, Mrs. Barker, Mrs. H. Beck, Mrs. W. Booth, Miss Burland, Mrs. J. Chivers, Miss K. Clarkin, Mrs. W. Collyer, Mrs. A. Daviss, Miss L. Dunn, Mrs. J. D. Finlay, Mrs. P. Houston, Mrs. W. Metcalfe, Mrs. M. Oddie, Mrs. G. Poulter, Mrs. H. Waylett, and Mrs. W. S. Yarwood.

Junior hostesses were: Beverley Colwell, Helen Fujishige, Pat Griffith, Lila Holland, Joyce Remillard, Jean Slobodian, Bette Wallis, and Marilyn Winslow, convened by Miss H. Elliott.

A musical program was supplied by Frances Barta, Terry Churcher, Brenda Fraser, Amy Fujishige, Elaine Paluk, David Hunt and Bill Kane.

Mrs. Barker, Mrs. Booth, Miss Dunn and Adelaide Oddleifson efficiently managed the supplies; Mr. Thistlethwaite made tea so competently that even the busiest rush passed without calamity.

Under the direction of Miss N. Kelly and her assistants, Mrs. W. Collyer and Mrs. G. Poulter, the home-cooking department netted \$59.70. The home baking was donated by the mothers. The candy sales, under the supervision of Mrs. L. Elliott and Fern Gray, amounted to \$29.95.

A silver collection of \$27.30, and the ticket sales of \$282.15 added to the results, grossed approximately \$390.00.

The ticket sales and the publicity were looked after by Mr. W. S. Yarwood, Ariene Agar, Bob Keith and Ted Poulter. Barbara Hogan's committee consisting of Barbara Brown, Barbara Fowler and Wendy Woods, also publicized the tea with eye-catching and well-painted posters.

Winners for the sale of the most Spring Tea tickets were Bette Wallis, who sold 86, Phyllis Seddon with 55, and Jack Grant with 46. Room 2 won the half day holiday for selling the most tickets, on the average of all the classrooms. On the same sales basis, the Commercial girls were closely followed by Room 8.

On the great day, the white and green streamers hung in the auditorium and in the tea room, the home-cooking sign, and leprechauns, decorating the walls of a few

# VARIETY SHOW

The "extravaganza" which brought worthwhile dividends in stage experience as well as needed income for the Collegiate's sports' requirements was Glenlawn's Variety Show, of March 4 and 5. Presented by Sports Council under the direction of Mr. H. Serebrin, the programme drew capacity crowds on both evenings.

The fare was indeed varied, for it included offerings by the school orchestra, piano-accordion, and violin solos, an impersonation or two, dancing, story-telling, and tumbling, all ably introduced and helped along by "Emcee" Ted Poulter.

In the instrumental field, three talented pianists were Terry Churcher, Brenda Fraser, and Pam Nowell. Selections by Carol Gordon with her piano accordion were very enjoyable. For contrast, the orchestra with Bill Kane at the piano, Ted Mayor on the banjo, and Cliff Lear on the drums, offered comic entertainment, as did Park Munro with his fiddling and his long, long stories, in a later number.

Carol Baker's impersonation of Al Jolson was another popular contrast, this time in the vocalizing department. Pat Osborn's song hits were very happily received by the audiences; while a third variety of lyric was offered in Bill Bailey's "Westerns", with self-accompaniment on the ukelele.

Sheila Smith in full Scottish regalia did an excellent sword dance, to lead off the dancing. Then there was a lively tap number by Doreen Menzies, Lila Holland, Pat Delvin, and Grace Clint, later followed by a chorus line offering, featuring Grade Ten girls on the first night, and Grade Eleven on the second. For wildly comic "variety", there was the grass-skirted hula by Cliff Lear.

After the hilarious patter and antics of Don Shaw and Clint Bradley, the evenings reached their zenith with the exhibitions of tumbling and hand-balancing. Diving through a paper-covered hoop, done by the girls, and springboard work by the boys, made the show spectacular. The tumblers were Janice Beaton, Laura Clark, Doreen Gibson, Betty Stevens, Wendy Woods, Johnny Bering, Mory Hirts, Robyn

Hull, and Bob Keith, assisted by Don Wilkins.

Before the curtains finally closed, thanks were expressed by Master of Ceremonies Ted Poulter to all the production staff, including Mr. H. Serebrin, Lenore Buss, Dawn Anderson, Judy Bjarnason, Mr. H. Newbold, Ron Leibl, and Ken Gee. Special appreciation is now tendered to the Emcee for handling with skill and aplomb a task that is none too easy at any time. GLENMORIES records, in closing, thanks to all who helped in any and every way to make a success, the Variety Show.

## SOCIAL SCENE

(Continued from Page 39)

popular Variety Show, which is reported fully elsewhere. Proceeds from these gatherings were used for the purchase of sports equipment. Then, on March 17, the Spring Tea, also covered elsewhere in GLENMORIES, provided an afternoon of busy, happy activity with guests, Staff and Student Body helping to make one of the most rewarding fund-raising projects yet recorded. Proceeds, for school funds, largely helped in the production of this issue of GLENMORIES, as well as in other objectives.

Two more class parties are in the Social Scene: Room 4's first gathering, in the pleasant home of President Carol Baker, where games, records, dancing, and refreshments were enjoyed; and a finale for Room 1, at the Collegiate, where, during the evening's entertainment, a class gift was presented to Mr. Thistlethwaite.

In closing, GLENMORIES records a vote of appreciation and thanks due to President Bob Keith, Vice-President Ted Poulter, and to the Social Committee headed by Dawn Anderson, for a job well done.

# A Visit to the Legislative Buildings

"... Sixty-eight, sixty-nine, seventy..." tolled the driver, counting our heads as we filed out of the bus on the grounds in front of the Parliament Building. Although we were all familiar with the sight of this great Manitoba landmark, most of us couldn't help being awed at its huge dimensions, the massive pillars, and spreading stone steps.

Once inside, we were greeted by officers who took charge of our groups, and the tour of the interior began. The first objects to impress us were two bronze bisons, calmly ignoring our passage up the stairway between them. We were led beyond these giants to a round hole in the floor, which, our guide explained, was directly below the centre of the dome. As we still had time to explore before the day's session in the Assembly would begin, we looked at the beautiful royalty reception room, the various meeting rooms, and the excellent library, as well as inspecting the interesting fossils embedded in the limestone pillars and walls.

Inside the chamber, we saw the desks, equipped with loudspeakers, lined so as to form two sections facing each other, with a long wooden table between them. Overhead on the walls and domed ceiling were paintings of allegorical figures. The cork floor was effective in keeping down noise, the guide said, but he cautioned us against jumping up and down to test it, as the members were beginning to arrive and take their places. We filed up into the gallery and stood as prayers were said, and then began the ceremony which opened the session.

The glittering, jewelled mace was carried to the end of the table opposite the Speaker's chair, by a distinguished gentleman, impeccably dressed, and adorned with medals. The mace, with the club end pointed toward the cabinet, lay on a cushion, and remained there even after prayers until the formal discussions of the day were over, when it was placed on a chair. The Speaker himself was a striking figure, with his grey wig, three-cornered cap, and long, black robe.

Many familiar faces appeared in the assembly, among the Liberals, the Cabinet, and the Opposition party. After a great deal of bill-reading by the Speakers, a

brief debate on the railway question arose. Our attention was aroused, and we waited for more debates to follow. We blushed deeply when it was called to the Speaker's attention that pupils from "the best school in Greater Winnipeg" (as proclaimed by a member who was a former student here), were present.

We left feeling we had spent an afternoon well. We had become more aware of the responsibilities of the government which represents our interests as a whole. I am sure that I was not the only one who felt patriotic and genuinely proud.

classrooms, expressed the St. Patrick's Day spirit. This work was done by the Decoration Committee, supervised by Arlene Agar and Barbara Hogan.

Mr. W. Nowosad, Bill Balicky and Ken Gee comprised a ways and means committee.

The Tea committee was headed by Miss H. Elliott, assisted by Dawn Anderson, Lila Holland, Pat Griffith and Mr. Thistlethwaite. The whole affair was under the convenorship of Miss V. Fryer, Lenore Buss, Helen Fusjishige, and Adelaide Oddleifson.

As we look back on that very busy successful day, "Glenmories" expresses a particularly hearty commendation to all for their generosity and splendid co-operation. As a direct result, this Year Book has benefited materially from the Tea's proceeds; in addition, other school projects, including Junior Red Cross, have received allocations for their funds. Beyond all the financial profits, however, there is an especially happy result: the stimulated "esprit de corps" of our Collegiate, shown in the renewed evidence of happy teamwork in our District.

Another busy year featured lunch hours echoing with those familiar yells, earnestly practised. Leader Lenore Buss is to be commended for training an active team, and for introducing two new cheers. To add to the fun, the girls played leap-frog, turned cart-wheels, and did somersaults. These ardent supporters of Collegiate Causes lived up to their name throughout the year. In addition to regular appearances at games, they helped to make Glenlawn's Theatre Nite a great success by their efficient ushering, and to round out their activities, they twice visited the High School radio program, "The Orange Crush Hi-Revue".

## *Sports Editorial . . .*

The year 1953-54 has been a very successful one for the Sports Scene at Glenlawn. The first championship of the year, a new one for Glenlawn, was won by the boys' volleyball team, ably coached by Mr. H. Serebrin. Not only did Glenlawn take the championship, but its second team placed third. Again we note with tremendous satisfaction, the Glenlawn Basketball teams' triumphs in winning the Suburban Championships. We would like to record here special thanks to Coach Mr. A. Leach, and Manager Mr. J. Thistlethwaite.

Following pages offer the details of most sports featured at Glenlawn during the past year. We regret that time does not permit a detailed account of track and field achievements, but we may mention that Glenlawn won the Suburban Track and Field Trophy last year, an achievement greatly due to the efforts of Mr. H. Serebrin and his student coaches. We also proudly note that School Letters were presented to: Dorie Astley, Beverly Baker, Joan Canfield, Maxine Dixon, Robert Chant, Allan Hawkins, Robert Keith, Ronald Leibl, and Jack Robertson.

We regret to say that there was no soccer league this year because of the polio outbreak. We expect an able soccer team next year, however, as Mr. H. Serebrin has had two excellent soccer coaches busy teaching the fundamentals to the Physical Education classes. We shall therefore look forward to a championship next year.

The continued success of basketball was due to the Sports Council working together with the Coach and Manager. In order to support the enterprising teams, a dance and a variety show were sponsored by the Sports Council, adding approximately \$265.00 to the coffers. Here we must thank the students for excellent support of the basketball teams this year, nor do we overlook the hardy efforts of the players themselves.

We conclude with another new championship, bringing Manitoba's first Provincial High School Bowling Trophy to Glenlawn. Won by our girls, this trophy was played for at the end of April. Hearty thanks to Gibson's Bowladrome, and to all who made the competition possible.

## BOYS' BASKETBALL

**BOYS' BASKETBALL TEAM**

Back Row: Mr. A. Leach (coach), Ron Leibl, Bob Noyes (captain), Mike Miller, Dave Monro, Bob Kieth, Mr. J. Thistlethwaite (manager).

Front Row: Richard Buss, Bernard Amos, Bill De Vries, Ken Gee, Barry Deakin, Bill Balicky.

Missing: Barry Hutchings.

Again this year, as in past years, Coach Art Leach moulded Glenlawn's team into a smooth working outfit which almost did as well as the two preceding teams. Certainly it brought no shame to the name Glenlawn.

Hold-overs from the 1952-53 championship squad included Bill DeVries, Ron Leibl, Bob Noyes, Bill Balicky, and Ken Gee. Freshmen who improved quickly and strengthened the team greatly were Bob Keith, Bernard Amos, Barry Deakin, Richard Buss, Mike Miller, and Barry Hutchings.

In the first league game of the season Glenlawn edged past the powerful St. James crew 40-39. Selkirk was then taken into camp to a tune of 36-26, as was East Kildonan. The score against East Kildonan was 48-21. West Kildonan did no better against the Lions, being beaten by a score of 50-14.

The Norwood quintette jolted the placid Glenlawnites with a 39-28 upset in the latter part of January. The semi-final tilt

between Glenlawn and Norwood proved to be a thriller. Bob Noyes and Ron Leibl pulled the sagging Glenlawn crew up by the seat of its pants to inspire it to a 32-23 overtime victory. Glenlawn then went on to defeat St. James in a hard fought series, the scores being 34-26 and 39-38 for Glenlawn. This was the fifth straight league championship for Glenlawn.

In the provincial championship battle Glenlawn started fast and defeated Rivers 75-30. In the second round St. Paul's College played against an inspired Glenlawn team whose superb shooting and defensive play brought them a 55-35 victory. In the championship battle, Daniel McIntyre played professional ball to dethrone Glenlawn. The score in the deciding tilt was 49-35 for the Maroons.

Although they were not able to retain the championship, every member of the team deserves full credit and congratulations for their good work. A special vote of appreciation goes to Mr. Leach for his untiring effort.

## GIRLS' BASKETBALL

GIRLS' BASKETBALL TEAM

Back Row: Mr. A. Leach (coach), Grace Clint, Wilma How, Ileana Mousseau, Mae Clark, Mr. J. Thistlethwaite (manager).

Front Row: Barbara Johnson, Adelaide Oddleifson, Phyllis Seddon (captain), Sharon Hewitson, Judy Bjarnason.

The girls proved themselves the best team in the Suburban Basketball League by again winning the title. Hold-overs from last year were Grace Clint, Sharon Hewitson, Phyllis Seddon, Judy Bjarnason, and Mae Clark, who were ably supported by Ileana Mousseau, Wilma How, and Barbara Johnson.

The scores in the league games were quite lopsided. They were, in review: 21-16 over St. James, 27-5 over Norwood, 22-7 over Selkirk, 25-8 over East Kildonan, and 26-7 over West Kildonan.

In the semi-final played at the Normal School, Glenlawn came on to defeat Norwood 25-11 after Norwood had taken a 9-7 lead at the half, which amazed all. The finals against St. James proved to be a see-saw battle all the way. Glenlawn grabbed the first game with a foul shot awarded Sharon Hewitson with but a few seconds remaining. The score was 22-21.

St. James took the second tilt in overtime, the score being 16-14 for the Jimmies. The rubber match played at the University Field House was won by Glenlawn with a score of 17-14.

Glenlawn easily defeated Dauphin 28-8 in the Provincial playdowns, but were knocked from the running by a crack team from Kelvin High School. The score in this battle was 18-17. The girls played their hearts out, but were closely checked all the way.

Congratulations, girls! You didn't let us down in the least.

Congratulations—

## CURLING

CURLING WINNERS

Jack Grant (skip), Jim Laurie, Dolores Fennell, Bill Angus, Ted Poulter.

Under the capable guidance of Jack Grant and Barry Hutchings, the curling league again occupied the wintersport spotlight. Both the Tuesday and Thursday leagues were filled with eager freshmen and confident "old pros." As it turned out many of the surprises came from the freshmen, although the masters were the teams which eventually won out.

The early spring weather upset the schedules, but eventually the league winners were decided: Carthew in the Tuesday league and Grant in the Thursday league. On March 25 at the Strathcona Curling Club, the championship tilt was held, and Grant's team, composed of Bill Angus, Dolores Fennell, and Jim Laurie won out in a spine-tingling battle.

Two rinks were entered in the High School Bonspiel during the Christmas holidays. They were skipped by Jack Grant and Jack Robertson. Grant's team went well and reached the eights in the Free Press event, while Robertson was knocked from the running early in the 'spiel. Members of the teams were:

Grant, skip; Hutchings, third; Carthew, second; Dewar, lead.

Robertson, skip; Noyes, third; Leibl, second; Helps, lead.

Bouquets to both teams! They carried Glenlawn's colors well.

## BOYS' VOLLEYBALL

The polio epidemic curtailed many of the fall activities, but in late November Mr. Serebrin organized a knock-out tournament with other suburban collegiates to determine a league champion. Teams from St. James, Norwood, East Kildonan and West Kildonan took part, along with two teams from Glenlawn.

The tournament saw Glenlawn's number one team defeat St. James 15-11 to win the championship. Members of the winning team were: Don Shaw, Boyd Helps, Jack Grant, Neale Driver, and Allan Moon. Congratulations, to all concerned!

Under the capable guidance of Pat Griffith, Lila Holland, Ron Leibl, and Bob Regent, this year's bowling league rolled right along throughout the winter months. Keen interest was shown by all the competing students, old pros and freshmen alike. Judy Bjarnason's team captured the league championship, closely followed by Bob Regent's team. Holders of first place are: Judy Bjarnason, Laurence Lobos, Robyn Hull, Ross Stewart, Jean Cheetham, and Barbara Anderson. Runners-up are: Bob Regent, Grace Clint, Dianne Sage, and Don Sobering.

This year, a Provincial Bowling Tournament for High School students was inaugurated. In the roll-offs, which took place at Gibson's Bowladrome on April 24, both our boys and our girls were represented. The girls' team swept the tournament. There were 17 entries in the boys' section, and 13 in the girls' division. The girls' team from Glenlawn was composed of: Sharon Hewitson, Grace Clint, Jean Slobodian, Jean Cheetham, Mae Clark, Edna Leonard, Pat Griffith, Jean Pollitt, Carol Prior, and Marlene Huhtala. Members of the boys' team were: Bob Regent,

Bob Carthew, Don Stevens, Robyn Hull, Gordon Evans, Bob Lamont, Laurence Lobos, Ross Stewart, Guy Lavallee, and Don Jennings. Well done, bowlers! Let's bring both trophies back to Glenlawn next year.

## Our Trip to the University

It was a bright, sunshiny winter day when members of the Grade 11 and 12 classes set out for a half-day excursion around the University of Manitoba. To most of us this trip would be not just a pleasant holiday from school, but an insight into future careers, perhaps in engineering, interior design or medicine.

The buses arrived on schedule, and with a great deal of noise and good-natured insults we climbed aboard. In each vehicle, a student from the University explained the situation and purposes of the trip, answering any questions that were asked. With a sudden lurch, the buses drew away and we were off!

After a long and somewhat crowded ride, our buses turned off the Pembina Highway and headed down a side road. Then, before our eyes lay the University with its tall, grey stone buildings, beautiful Student's Union Hall, and sprawling old barns. The buses halted and out we climbed, to be immediately herded into the spacious University gym. At regular intervals posters naming particular faculties were placed along the sides. Each person went to his or her desired division. Then the group moved off on separate tours, each under the care of a university student. Some went through the science or the engineering buildings, while many girls got their first glimpses of the type of work done in Home Economics or Interior Design.

When the tours were completed, we assembled once more in the gym to see a variety show presented by the university students. A programme of singing, dancing and skits was performed, much to everyone's enjoyment. At four-thirty we boarded our buses once again, and headed for home with a much clearer idea of campus life.

Absent-minded Professor: "That's right."

Student: "You read in the dark."

Absent-minded Professor: "Certainly, it rests my eyes."

Student: "But how can you see in the dark?"

Absent-minded Professor: "I don't. That's why it rests my eyes!"

Miss Kelly: "What is a synonym?"

Judy: "It's a word one uses when one can't spell the other one!"

Joe: "I've got you a terrific blind date. Wait'll you see her. She looks like she's fresh from the country."

Bill: "Yeah, a scarecrow, I'll bet!"
