= EDITORIAL =

As another school year draws to a close, we hope that it has been a prosperous one for all Glenlawnites. The staff of "Glenmories" hope that in years to come this eighth edition will help you to recall many happy memories of the past year.

First, we would like to express appreciation of our many benefactors. One of the chief reasons in the success of this year has been the help of our teachers, who have worked so hard on our behalf. We thank them for all they have done.

We would like to thank Miss Fryer, without whose help this edition might never have reached the printers. She has given freely of her knowledge and time in assisting us through many difficult situations. Thanks also to Mr. Nowosad who instructed our committee on advertising. We further extend our thanks to all those who helped by contributing time, pictures and instruction. For technical assistance, our appreciation goes to Mr. A. Mensforth and to Mr. G. Simpson of The Garry Press Ltd., and also to Mr. E. S. Longstaffe of Rapid Grip and Batten Ltd. for expert advice. We would also like to thank Mr. R. Wright of National School Studios and Mr. H. Luebeck for their aid in photography.

We have made much use of the school auditorium, opened last year, and many of the outstanding events held in this fine hall have been recorded in our pictures. Some of these include our dances, the Spring Tea, and the Annual Variety Show. The latter two events are fully covered elsewhere in "Glenmories". The auditorium also has been the scene of many hard-fought and interest-rousing games. We specially mention our basketball teams, which enjoyed a good year under the splendid coaching of Mr. Art Leach.

As a final Message we would like to say to all this year's graduates "GOOD LUCK" and "CONGRATULATIONS". We hope that all the students of Glenlawn will have a very happy holiday.

—Gail Mackie

Principal's Foreword . . .

"The great thing in the world," said Oliver Wendell Holmes, "is not so much where we stand, as in what direction we are moving."

These words suggest the main purpose of this publication. It is not merely to record "where we stand", however worthy our present standing may be, but to reflect the spirit of real and splendid progress which we see expressed in an enlarging conception of the purpose and goal of education, and in an individual determination to serve our fellow-men.

If this, the eighth issue of GLENMORIES, has succeeded in embodying the essence of that spirit of aspiration, it will have vindicated its claim to being an indispensable feature of Collegiate life, while its editorial staff will be deservedly rewarded in the knowledge that their service is appreciated.

May GLENMORIES prove of inspiration to future students, and of delight to graduates, as an accurate reflection of an important stage in the development of Glenlawn Collegiate to a unique and cherished place in the life of the swiftly expanding community of St. Vital.

A Message from the Student Council

Although the year, 1955-56, has been successful for the Student Council in most respects, this success would have been impossible without the co-operation of our Principal, the Staff, and the Student Body. The Council warmly thanks each and every one.

The trial run of the Constitution drawn up by last year's president has been accomplished, and has proven the Constitution to be an asset to Glenlawn. Thanks are once more extended to Past-President, Bruce Johnston, for the work that he did on this worthwhile project.

Financial matters of the Council were many this year. The major project was the purchase of a back-drop curtain for the stage. To finance this and other projects, a tea, a Variety Show, dances, and a Theatre Night were held. Other undertakings include the sending of two representatives to the U.N. Seminar; the improvement of the P. A. System; and the purchase of shorts for the girls' basketball team, basketball nets, shower curtains, and wing curtains.

In an attempt to increase the scope of school life, a newspaper, "The Glenlawn Roar", produced by a student committee, and a Glee Club, under the direction of Mrs. H. Green, were instituted.

Glenlawn gained recognition this term in sports by winning the Suburban Basketball Championships again; in Health by having our Red Cross chairman, Doreen Lytle, sent to Maryland as Manitoba's representative to the International Red Cross Conference; and in Inter-School life by selling the most tickets of all the schools in Greater Winnipeg, for the Inter-High Variety Concert.

In closing, the Councillors would like to express their hope that they have achieved their objective in making 1955-1956 a year to be remembered.

—Barbara Patterson, President.

SOCIAL SCENE

We opened our Social Scene this year with Miss H. Elliott as director, Albert Ducharme as chairman and Margaret Prestenski as secretary-treasurer.

Room 9 started the social whirl of the year with a class party held at June Harding's on September 22. Four days later Room 7 had their social evening at John Baker's. October 26th was the scene of three class parties: Rooms 2 and 8 had a weiner roast at St. Vital Park and Room 9 had another gathering, this time at Albert Ducharme's.

"The Harvest Hop", first dance of the school term, gave the Freshies an opportunity to become acquainted with the Seniors and with the school activities. In spite of a shaky start, the event was a great success—\$105.00, financially!

Remembrance Day services gathered both Staff and Students in the new gym for our first assembly. Members of the St.

Vital Legion helped us all to share the solemn feeling of remembrance.

Before we knew it, Xmas celebrations were being planned. The "Santa Shuffle" on December 22 saw the early arrival of Santa (John Baker) well armed with gifts for all. This enjoyable evening started the busy whirl of the festive season.

Midwinter activities were varied. On February 1st, a particularly successful Theatre Night was held at the Windsor Theatre. The merriest time of the year was the "Queen of Hearts Ball" on February 10, when our school queen was chosen. Judy Cooper wears the crown for '55-'56, Sonya Synchronick and Gail Crayston being the attending princesses. The Annual Variety Show of March 8-9, a tremendous success, is covered in detail elsewhere in GLENMORIES. Proceeds from these gatherings were used for the purchase of stage curtains.

(Cont'd. on Page 36).

SOCIAL SCENE . . . *Continued*

On March 23, Glenlawn held a very successful tea, thanks to the generous help of Staff and Students who labored long and well in organizing the task at hand. Gay decorations, supplied by The T. Eaton Co. Limited, added a "springy" touch to the scene. Many thanks go to Margaret Prestenski who took charge of the decorating throughout the year.

The following week Rooms 7 and 8 visited the legislative buildings,—an outing of academic importance, but not without social value!

"The Hobo Hop" dance, last of the school year, gave us an evening of entertainment on April 27. The proceeds of this event were used to finance the sending of our Red Cross representative, Doreen Lytle, on a special trip to Baltimore, Maryland, next summer. With the Seniors' grand occasion, "Grad", set for June 1, our calendar finishes. In closing, GLENMORIES expresses appreciation and thanks to all the Staff and Students who helped in any and every way to make the year '55-'56 a very happy one.

—Margaret Prestenski.

== JUNIOR RED CROSS ==

This year we began our Junior Red Cross activities with Miss N. Kelly as director, Doreen Lytle as chairman, June Harding as secretary-treasurer, and Allen Lansdown as assistant director. Our first project was the sale of lunch at a teachers' convention held at Glenlawn. This successful endeavour brought in \$50.00 which was given to the Crippled Children's Fund.

At Christmas, as well as preparing eight food hampers, some of the girls made stuffed toys to be distributed to children in hospitals. In the new year, although time was limited, an album depicting everyday Canadian life was prepared and sent along with two from each of the other provinces to high-schools in Germany. We hope to receive one in return. During February, Glenlawn participated in a competition between high schools to solicit blood donors. Seventy-two donors were solicited in neigh-

borhood stores, and we finished second to St. Mary's Academy. In March, Carolyn Killen headed a group who assisted in advertising the annual March Red Cross drive for funds. As further fund-raising projects, candy and drinks were sold at the Variety Show, and the Student Council gave us one-third of the Tea proceeds, the Variety Show netting \$83.00, and the tea \$82.00. From these funds, augmented by \$10.60 obtained from room donations, \$93.20 was given to the fund for the Convalescent Unit of the New Children's Hospital, and \$36.80 was given to the Crippled Children's fund.

We would like to say a sincere "Thank You" to all the students who helped make this a year of success for our Junior Red Cross.

—Doreen Lytle.

Spring Tea

The morning of March 23, 1956 dawned bright and clear upon a scene of harrassed activity, with students and staff alike working diligently to present Glenlawn's Annual Spring Tea.

The General Convenors of the tea were Miss V. Fryer, Barbara Patterson and Joyce Grodwick. Miss Fryer, who worked with such competence to make our tea the success it was, graciously opened the affair.

Afternoon tea-pourers were: Mrs. M. Oddie, Mrs. W. Yarwood, Mrs. A. N. Gillies, Mrs. E. Simms, Mrs. G. Whicker, Mrs. D. Penner, Mrs. J. Patterson, Mrs. D. Johnston, and Mrs. E. Brown. In the evening, the following gentlemen did the honors: Inspector E. Simms, Mr. S. Burland, Dr. D. W. Penner, Mr. J. Chivers, Guy Lavallee, Jack Lowther, Art McQuat, Ken Regier, Ted Poulter, and Dave Williamson.

The ladies who so ably supervised in various departments were: Mrs. J. Chivers, Mrs. W. Wilson, Mrs. B. Pirie, Mrs. S. Cooper, Mrs. C. Woods, Mrs. P. Donald, Mrs. W. Hawn, Mrs. J. Wilkinson, Mrs. J. Course, Mrs. H. Allonby, Mrs. L. Purdom, and Mrs. E. Kelly, seconded by Arlene Brown, Laine Carswell, Betty-Ruth Gillies, and Jane Chivers.

Junior Hostesses and Hosts were: Gerry Parsons, Jean Cheetham, Audrey Mayfield, Gail Mackie, Donna Course, Pat Hart, Guy Lavallee, Peter Parchewski, Ralph Atkins, and Don Webb.

Student help was excellently convened by Miss H. Elliott, the girls serving in the afternoon and the boys in the evening.

Tickets and publicity were under the able direction of Mr. W. S. Yarwood and Student Council headed by Arlene Brown. In sales competition Bill Woodcock led the high ticket-sellers, runners-up being Don Simpson, Irene Lodge, and Pat Hart.

The supply room was efficiently looked after by Miss N. Kelly, Dr. E. Watkins, Miss H. Elliott, and Miss M. Johnson. Our thanks to the mothers and friends who so generously donated the supplies, home-cooking and candy, and lent equipment.

The home-cooking department, skilfully managed by Mrs. L. Elliott, Mrs. G. Poulter, and Mrs. W. Collyer, netted a handsome profit. The girls of Room 2 decorated the home-cooking room in a gay Easter motif.

Our auditorium, site of tea and entertainment, was beautifully decorated in keeping with the spring season. Thanks to Margaret Prestenski and her committee for a splendid job.

Behind the scenes, making the all-important tea, were three ladies from the Evening Circle of St. Vital United Church, Mrs. Butler, Mrs. Sager, and Mrs. Pentland, while Mr. W. Nowosad saw that "ways and means" were available.

On stage, an excellent and varied musical programme was supplied, thanks to the planning of Mr. G. Frith, Diane Keymer, and Gerry Cox. Entertainers included: Miss A. Waller, Miss V. Polley, Mr. H. Newbold, Heather Schell, Judy Robertson, Edward Mathurin, Gerald Braun, Bud Hoffman, Keith Tinsley, Charles Bishop, Bill Wilson, and our "Red River Ramblers", Bob Gagnon, Frank McKinnon, and Park Munro.

Glenlawn Collegiate's Annual Spring Tea was a success because of fine teamwork. Co-operation was in evidence from the Baby-Keeping Department right down to the Dog-Walking Service. Our sincere thanks to all.

The "ROAR" Committee

In November, 1955, one Grade XI and two grade XII students ventured the publication of a school paper, "THE ROAR". Gail Chamberlain, Al Ducharme, and Guy Lavallee were the pioneers of this innovation, which was readily received by the students. The first issue was given to the pupils with the Council's compliments. Before the next publication in January, 1956, the staff was increased to thirteen hard-working people. There was a third

issue in April. It was not the purpose of this paper to raise money, but rather to keep all its readers up to date with the Council, Social and their fellow students' activities. It was also the staff's objective to give the students an over-all picture of the Organization of Glenlawn Collegiate Students' Society. The "ROAR" was, "For the Students, of the Students, by the Students".

VARIETY SHOW

On Thursday, March 8, at 8:03 p.m., Glenlawn Collegiate opened its curtains on the Annual Variety Concert. After months of hectic preparations, "the die was cast", and all that the organizers had left to do was to run about backstage pushing screens into place and hoping for the best.

After Principal W. Yarwood had welcomed the audience and introduced our guest M.C., Mr. W. Baldwin, the show itself began with Miss Eileen Shepherd's beautiful piano selections. Next came Glenlawn's gifted quartette, "The Offbeats": Verda Gatchell, Carol Kendall, Eleanor McBride, and Judy Robertson. Other acts quickly followed, Emcee Baldwin entertaining expertly between numbers. First, Darryl Willie brought forth the laughs with his impersonations of Jimmy Stewart and Jerry Lewis; then, adding variety, the Girls' Club Drill gave a very pleasing performance, followed by our petite soloist, Joyce Grodwick, who, after called-for and appreciated encores, gave the stage to our talented ballerina, Judy Pilgrim, with her "Interlude" from "Swan Lake". Next we heard from the "Red River Ramblers" and vocalist Cecile Lamblin, bringing that Western atmosphere to our concert with their songs and quips. These entertainers were followed by Glenlawn's Glee Club under the direction of Mrs. H. Green. Their rendition of "I'm Gonna Wash That Man Right Outa Ma Hair" added colour to the programme, Doreen Lytle providing an admirable solo dance number as the girls sang.

During the Intermission, the Glenlawn Junior Red Cross sold drinks and candy, proceeds aiding Red Cross projects.

In the second half of the evening, a highlight came with the Boys' and Girls' Tumbling. As in previous years, this proved sensational, the agility and co-ordination shown by the tumblers winning gasps of admiration. Following the tumbling was vocal entertainment by Glenlawn's own "Blue Moon Girl", Diane Keymer. After many encores Diane ended with her theme song, "Blue Moon". Once more we switched to fancy footwork as the Cheerleaders gave their well-received version of modern jazz to the tune, "Sugar Lump". Then, at

long last, the male voice was heard in song. We must say that the male voice was well represented by Barry Hawkins. Next we heard from Sheila Coulter's accordion in some very pleasing numbers. The following item was, we have agreed, different, and did "bring down the house," for Doreen Lytle's "Dance of the Islands", more generally known as the "Hula", was exotic and very expertly danced.

The finale to Thursday's show was provided by "The Swing Tones", with their popular 'hit tunes'. This talented group from St. James, so popularly received at the Inter-High Variety Concert, again proved their worth as skilled entertainers.

The only change in Friday's show was that the play, "High School Daze", presented by Grade XI students under the direction of Mr. W. Nowosad, replaced "The Swing Tones". Highlight of Friday night's first half of the programme, the play's witty remarks and comical action scored a decided success. A grand finale on stage, with all participants and stage hands assembled, marked the close of Variety Concert 1956.

The organizers wish to extend their sincere thanks for the wonderful co-operation received from Staff and Council, and from the Students. Without all that loyal help and patience the show could not possibly have been what it was,—a tremendous success. Once again, "Thanks a lot!"

—Guy Lavallée (Producer)

SPORTS EDITORIAL

The year 1955-56 has been another busy and successful one for Glenlawn. Activities had a good start with soccer and girls' volleyball. The soccer team, once tied with the eventual champions, was unsuccessful in the playoffs; the girls' volleyball team, coached by Mr. Dougherty, a newcomer to Glenlawn, put in a good season, but lost the Suburban Championship to St. James.

1955-'56 brought us Mr. Dougherty, from St. James, to replace Mr. Serebrin. Mr. Dougherty, to our dismay, left us at Christmas. To replace him we obtained Mr. Israel, who has done a marvellous job.

Once again, Glenlawn's basketball teams captured the Suburban Championship, for the girls' fifth straight year and the boys' seventh straight year. Congratulations! In the Provincial Finals, both teams lost their second game to Flin Flon, ending our hopes for the trophy this year. We would like to thank Mr. A. Leach, who has been a patient friend and an excellent coach to us all, and Gerry Ducharme, the manager, who worked hard to keep our team in good spirits.

As winter neared, Jean Cheetham, Ross Stewart, Laine Carswell, Donna Course and Gail Chamberlain soon got bowling started. Under the management of Murray Parker another good curling season was enjoyed. Four teams represented Glenlawn in the Provincial High School Championship Bonspiel last season.

Once more it is difficult to give Track and Field activities due recognition, as they come so late in the school year. However Glenlawn was victorious in last year's Suburban Track Meet. Further reference to last year's records reveals that School Athletic Letters were presented to Diana Crossin, Wilma How, Barbara Louise Johnson, Ileana Mousseau, Lois Wilson, Wendy Woods, William Balicky, Richard Buss, Barry Deakin, William De Vries, Neale Driver, Don Dumbleton, Richard Higginson, Robyn Hull, and Marvin Thorgeirson.

In concluding, we would like to extend our thanks to all who helped to make this a successful sports year.

—Donald Webb.
