## GRADUATION 1965-AWARDS NIGHT

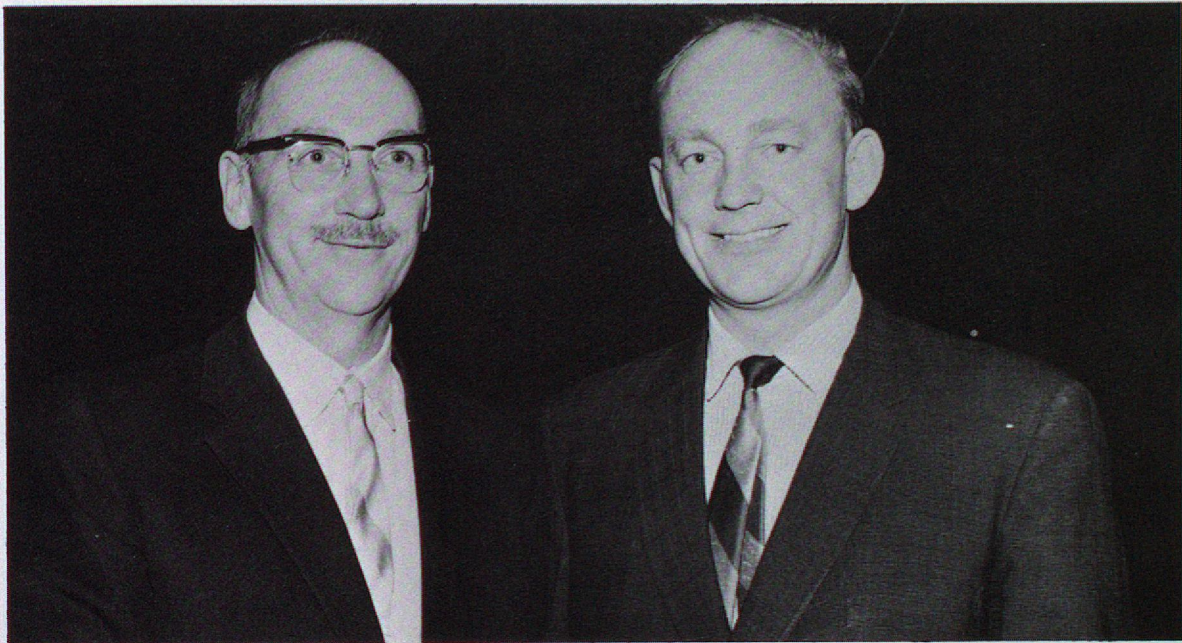

The auditorium was silent. The doors opened and the processional began. After three years at Glenlawn 113 Students were to graduate. Three years of hard study had brought these students together on October 25, 1965 to receive their diplomas. There were some, however, sitting in that auditorium, who were present to be recognized for their outstanding achievements in various fields. We, the student body of Glenlawn Collegiate, would like to congratulate the graduates of 1965 and the award winners on their success and achievements.

Barbara Wood receiving Grade XII Matric French award from Mr. Wyatt.

## GLENLAWN'S ADMINISTRATIVE HEADS

J. Thistlethwaite  
**PRINCIPAL**

P. Derenchuk  
**VICE-PRINCIPAL**

I am happy to place at the beginning of this fine yearbook my congratulations to those teachers and students who have worked hard over the year to produce it. I would also like to thank all the staff for their direction of the learning activities in the collegiate. There has been a continuous drain on their time and energy in establishing the new university entrance courses in the Sciences, English, Geography, Mathematics and American History. Four magnificent trophies won before Christmas tell their own story of the training and coaching going on in the sports department. Student Council continues to serve the students through its direction and coordination. Very well done Glenlawn!

Now as a personal message may I offer a few ideas for the consideration of students. Have you thought of the meaning of **integrity**? Do you regard yourself as a person of integrity? There are several facets to such a personality no one of which encompasses the whole idea. The most

obvious is honesty. This does not mean merely refraining from thievery and telling the truth but also behaving toward others sincerely and conducting one's own affairs in an upright manner. In addition the word includes the idea of wholeness or completeness, "An integrated personality" is an expression associated with people who have "grown up". A surprising number of students manage this happy state right here. The third concept inherent in the word integrity is that of "perfect condition or soundness". Perfect condition is the athlete's goal but it would be stretching 'integrity' considerably to cover that state of preparation. However a man having this quality will not be set back by adversity or turn mean in harsh company. He has established his own acceptable standards and maintains them even though it is inconvenient or socially uncomfortable to do so. The development of this personal integrity seems a very sound educational end which staff and students can seek, staff by precept and students by practise.

J. Thistlethwaite

## OUR PRESIDENT

Looking back on 1965-66 I can only say that it has been the most memorable year of my life. It was an honour to serve Glenlawn as the president of the Student Council.

My task has been made easier by the dedicated work of several people. I thank the Student Council and especially the Committee Chairmen for tending their duties with vigour and efficiency. I also thank Mr. Thistlethwaite and his staff for the co-operation they have shown with the Student Council. Mr. Hibbert, the Council staff adviser,

has been especially helpful to the Council and myself personally with his wise and much appreciated advise. It was a rich and enjoyable experience working with these people in trying to improve life at Glenlawn.

In conclusion I wish all students success and happiness in the future and I hope you received more from Glenlawn than is in textbooks.

Dave Hargrave,  
Student Council President.

## OUR COUNCIL

ROW ONE: Garry McDougall (Vice-President), Bob Andrews (treasurer), Dave Hargrave (President), Janette Orr (Secretary).  
 ROW TWO: Debbie Williamson, Elinor Olson, Marg Stuart, Colleen Bramwell, Sandy O'Neil, Mary Hawn. ROW THREE: Betsy Thorsteinson, Rosalynn Johnson, Janice Paul, Darcy Butler,

The past year has yielded many responsibilities to the Student Council and burdens have been carried with great success. Without the assistance of the Social Committee, our dances may not have been the success they were. The various committees have shown great initiative and have upheld the responsibility of the task with great admiration and success. As for the room representatives, they have been in excellent attendance and have certainly carried out their duties exceptionally well.

On behalf of the Executive of the Council, I thank all the people who have aided in the success of the 1965-66 Student Council.

—BOB ANDREWS

## OUR YEARBOOK EDITOR

Betsy Thorsteinson

It wouldn't be honest of me to say that being yearbook editor was all fun and games. The production of this yearbook was a slow and painful process fraught with problems such as money, deadlines, money, pictures, copy, money . . . If you'll notice, I repeat myself on subjects that are closest to my heart. The money problem was one of the more formidable difficulties the committee had to contend with. This year we experimented with the idea of selling yearbooks separately, instead of the usual procedure of including the price in the student fee. Well, so much for that idea.

If you'll notice, the cover colours of this book are not the regular red and white, but instead, black and silver. The yearbook committee decided

to break tradition in the respect, and also by giving the yearbook a name, Pawprints. The name, as you are probably aware, is an allusion to our mascot.

This yearbook could not be possible without the dedicated work of my committee. I want to take this opportunity to thank them for their time, effort and enthusiasm. I mean specifically, the advertising committee, the layout staff, the photographers, typists, subscription salesmen, and the yearbook room reps. On behalf of my staff I should like to thank our advisers Mr. Garten, Mr. Daenick, Mr. Dow, and Mr. Pinuta for their mental and moral support, the faculty and students for providing the material, and our advertisers for their interest and co-operation.

## OUR ARTISTS and WRITERS

### COMPROMISE

True artists write whene'er they want,  
And though their bodies soon look gaunt,  
They never have to write for folk  
Who pay for poetry by the book.

But I must rhyme to earn a dime,  
And end up broke most every time;  
And those who order poems from me  
Refuse to pay my meagre fee.

For when I write of birds and bees,  
They say, what use to write of these?

It's poems we want of perfect love,  
Or of the saintly ones above.

I laugh at this, for well I see,  
They want my works for vanity,  
So they, to all their friends can seem  
To have the wisdom they esteem.

They quote my better lines with grace  
At any time or any place;  
But I will please them still because  
Of all the things their money does.

—JANICE FERGUSON

### SOMETHING LOST IN MATURITY

Freedom's not a wild horse  
Or a west wind,  
Or a girl;  
It's a word.  
And there's no freedom here.  
(Does a girl have to have  
long hair to be beautiful?)  
Can't someone have even a little bit  
Of what they were before?  
Does growing old always mean  
That you have to change?  
And how much do you really change?  
You are still fighting  
But in a different direction.  
Willingly you throw your old face away  
And paste on a new one;  
Then what?  
The future won't bend in anyone's direction.  
So maybe that's a reason.  
Or is it just another meaningless phrase?

## AND MORE OF THE SAME

### THE RETURN OF SUPER-COW

Once upon a time there was—  
A champion for every cause;  
But alas . . .

'Tis Mabel Moo, in such a state!  
(California? No, distress!)

Distressed, Oppressed, But wait!

What's that! That speck up in the sky!  
Help on the way? No, just a fly!

ker-clomp; Ker-Clomp; KER-CLOMP

What's that I hear (thunder) unless!  
. . . Unless, yes—I hear it now.

That's not thunder—  
it's Super-Cow!

ker-clomp; Ker-Clomp; KER- CLOMP  
(trip)

Super-Cow

Champion of the undercow  
Defender of the oppressed  
Opponent of the automatic milker!

Hurrah! HURRAH!

It's Super-Cow (gasp, sigh)

A flash of light  
A crash of hooves (split hooves, it's a cow)

Lo! The Bovine Wonder! Is back!

Bravery-plus! Talent-unlimited!

But stop!

S-C is a hero,  
I know it well-full  
But really  
Shouldn't  
It be Super-Bull!

## AND YET MORE

### SHOOT ME DOWN

Shoot me down before I start  
To bound for the safety of the green wood  
Shoot me sure in my beating heart  
Yes sir, your shot was swift and good

Hook me before I learn to swim  
To the safety of the gray-green moss  
Pull me over the boat's splintered rim  
Yes sir, one less in the sea is no loss

Shoot me high before I fly  
To the safety of a cloud covered canopy  
Let me fall hard; let me die  
Yes sir; your skill soon ended me

Shoot me down, hook me well  
Show me your skill and might  
What a story you'll have to tell!  
But sir, why all this wasteful spite?

—MERILU PATON

### SOMEWHERE

Somewhere the sun shines gently down  
Upon the rich and yielding earth;  
Somewhere there is a quaint old town  
Where children live with mirth.

Somewhere the green fields yield their gold  
To man, their master, strong and tall;  
Somewhere are young souls turning old  
Somewhere great armies fall.

Somewhere the sun is shining,  
Somewhere across the sea,  
But here my kind are pining  
Yearning to be free.

—KATHY SANIUK

### EACH NEW DAY

To see each morn I wake  
The sun the sky to break  
And think I to myself  
I am a man of wealth.  
Outside my window, I can see  
All the gifts bestowed on me.

The gift of song, the birds do sing,  
The gift of life, a flower opening,  
The bees that buzz, the gift of sound  
Indeed is mine, save to be found.  
And on the loch, I see the light.  
Again is mine, the gift of sight.

All these things, yet to my wealth  
God has added the gift of health;  
And yet another;

For money I have little of,  
Yet rich am I, yes, rich in love.

### A MISER'S MESSAGE

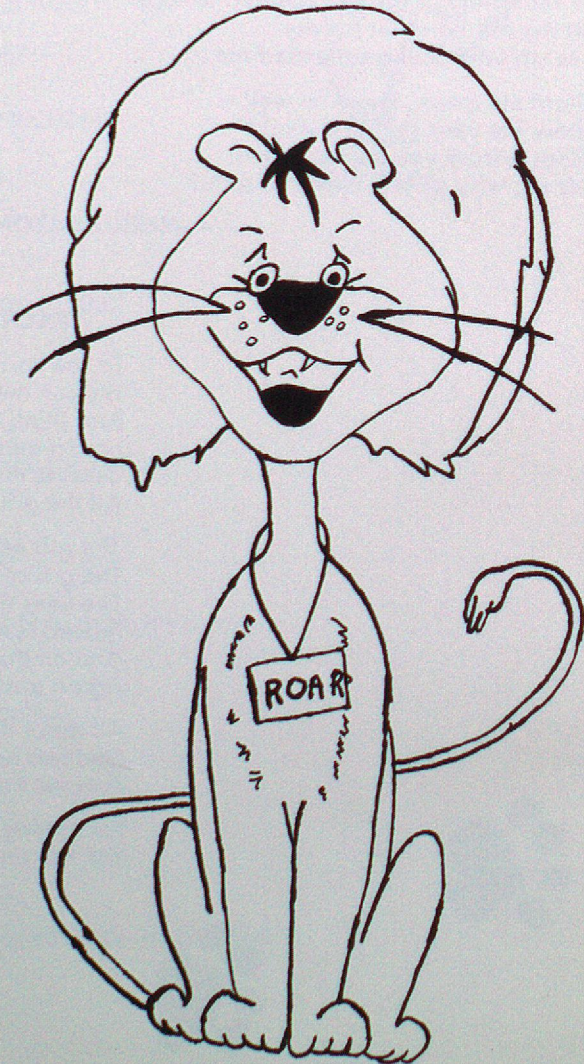

A penny here, a penny there,  
It all adds up—you must beware;  
The friend who asks you for a dime  
Will ask for more, another time.

When charity puts out his hand,  
For money to a hungry land,  
Take care you give a penny lest  
He should become an awful pest.

For once you hold your money back  
He hounds you 'til you soon will lack  
The will to shrug about his squalor,  
And then you'll have to give a dollar.

If you want riches you must learn  
The common beggar quick to spurn,  
For kindness breeds an empty purse,  
Which to a wise man is a curse.

### THE FRESHIES

Along the halls the seniors prowl  
While Freshies hold their breath;  
And when at once they bear a growl  
Some Freshie's near his death.

For Seniors really can be cruel  
If once they pounce on you,  
And if they welcome you to school  
You're dead before they're through.

They make you crawl upon the floor,  
And laugh at you with glee:  
So, brother, if you're near a door  
You'd better try to flee!

They make you clean the floor and walls  
With tiny baby brushes,  
And if a little Freshie bawls,  
They do a thing that crushes:

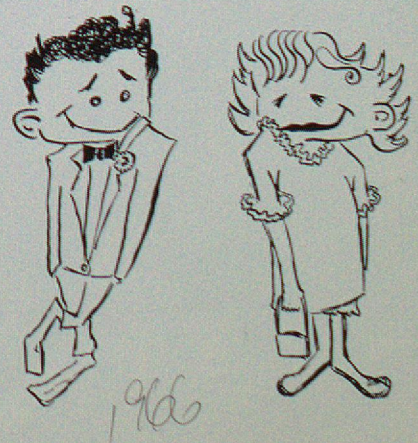

They'll make you ask a chuckling teacher  
If he'll be wed to you,  
While staring at you like a creature  
Right from the city Zoo.

## A WINNING YEAR IN CROSS-COUNTRY

The start of one of the St. Vital Park meets.

Rod Lindquist

Colin Ivory

The cross-country season at Glenlawn began at the beginning of September, just after we came back to school. The team trained on the Trans Canada Highway (running five miles out to Symington Yard) at St. Vital Park, and at the Ponderosa swimming pool, with its surrounding sand dunes and gravel pits. Glenlawn boys won all five cloverleaf meets, held at St. Vital Park (2 meets), St. James Collegiate, the fields beside the Trans Canada Highway (barbed wire and all!) and at Rovencourt School. The climax of the season came on October 31 when the team made the trip to Neepawa and the Provincial Cross-Country meet. The trip proved successful and Glenlawn brought back the Provincial Championship. Special mention should go to Derek Routledge, who improved the most over the season, and Colin Ivory, who came 8th and 3rd respectively and received steak dinners from Mr. Pearce for placing in the top ten. Special thanks to Mr. Pearce, from the whole team, for being such a great coach and spending so much time and effort throughout the whole cross-country season. He certainly put a lot of mileage on his **sturdy** ??? Volkswagen.

### BOYS' CROSS COUNTRY TEAM

**Back:** Mark Hayward, Brian Cox, Ian Gillies, Mr. H. Pearce (coach), Colin Ivory, Martin Matthews, Derek Routledge. **Front:** Laurie Groves, Brian Johnston, Jim Burns, Rod Lindquist, Ken Allen.

## GIRLS' CROSS-COUNTRY

This was the most successful season ever for Glenlawn's girls' cross-country team. With a new coach, Miss Murray, and practices at many lovely sites, (sand dunes near Pine Ridge, plowed fields along Highway No. 1, etc.) we gained third place in the Cloverleaf. Everyone on the team would like to thank Miss Murray for her enthusiastic coaching and much needed encouragement.

## VARSITY BOYS' SOCCER

This year Glenlawn seemed unable to get untracked in the short Cloverleaf soccer schedule. The team finished third in league play, and did not advance to the league final. The return of several grade ten and eleven players next year should form the nucleus for a contending team.

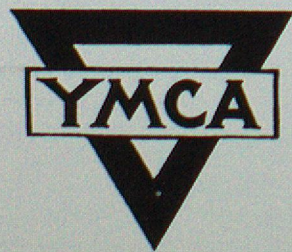

Back: Mr. D. Wilson (coach), Lorne Johnston, Kip Kelly, Dave Croteau, Arno Wacks. Second Row: George Johnson, Larry Jones, Terry Gudmunson, Anthony Ashley, Bill Macklem. Front: Wayne Reynolds, John Merritt, Larry Templeton.

# Varsity Girls Win Provincials

**Back:** Pam Cornwell, Linda Craigie, Linda Drielick, Mr. D. Wilson (coach), Cecelia Cooper, Barbara Johnstone, Trish Maskell.  
**Front:** Maureen Craigie, Sandra Breland, Lyn Field, Marion Doyle, Gail Koskie, Sandra MacTavish.

The girls C.I.A.C. trophy and M.S.S.A.A. (Provincial) trophy are in Glenlawn's trophy case as a result of a fine season by this year's Lionettes. With five wins and one loss they placed first in the cloverleaf league. They beat Westwood in the semi's and took Vincent Massey two games straight in the finals. These wins put them in the provincial play-downs, which, being a round-robin tournament, necessitated playing every team once. They came through triumphant after a few hair raising moments and very close, hard fought victories over Daniel McIntyre and Miles MacDonell.

## FRESHMAN GIRLS

Under the able coaching of Mrs. M. Boeda, this year's edition of the freshman girls' team was third in the cloverleaf league. They had a 2-4, won-lost record, placing behind Dakota and Vincent Massey. Captain of the team was Marilyn Bell.

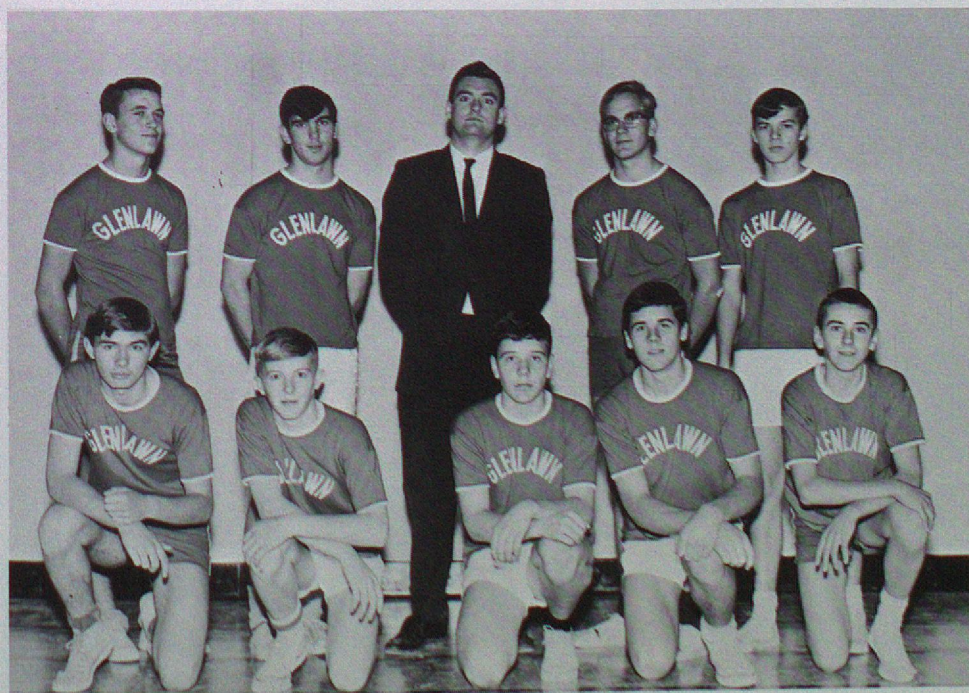

**Back:** Judy Stevens, Bonnie Handley, Marilyn Bell, Pat White, Sandy O'Neil, Mrs. Boeda (coach).  
**Front:** Janice Iverach, Pat King, Pat Kusano, Rilla Buckler.

## VARSITY BOYS

**Back:** Lyle Sobering, Garry Charman, Doug Colley, Terry Gatchell, Mr. W. Ruff (coach).  
**Front:** John Manning, Rod Lindquist, Pat Martin, Barry Hunt.

The 1965 edition of the Varsity Boys' volleyball team was a strong one. However, the calibre of competition from Dakota and Vincent Massey was slightly superior. The boys played some of their finest volleyball in the St. Vital Invitational Tournament where they split games with Dakota, Vincent Massey and the powerful provincial champions from Miles MacDonell. The team played excellently against Vincent Massey in the second league encounter with this team. The match was won by Massey by a two point difference in the final game. Prospects for the next year look very good with only four players graduating and four first stringers returning for 1966 competition.

**Back:** Jim McEachern, Blaine Thomas, Mr. J Scott (coach), Art Brown, Carl Smith. **Front:** Jim Cawson, Bruce Somers, Doug Wilson, John Booth, Brad Craig.

## FRESHMAN BOYS

This year's freshman team, coached by Mr. J. Scott, managed a second place finish in the league (four wins—two losses) and a play-off spot. With some exceptionally good playing the boys won their semi-final, with a come from behind victory. But it was all to no avail as they lost out in the finals to Dakota. The team was captained by B. Thomas.

Toboggan Racer

Glenlawn's Pep Week held from February 14 to 18 was a tremendous success. Activities began with a toboggan race at noon hour in which students pulled their teachers. Room 18's team was victorious in this event. The next day there was a Soc Hop at 7:30 in the morning with CKRC guy Ron Legge as emcee. At noon hour on the same day a basketball game between the Student Council and the Cheerleaders was played. Due to a little bending of the rules by the referees, the game ended in a tie. On Wednesday there was a Pep Rally which was the most successful one this year. Entertainment was provided by Room 17 with a skit on a typical day in Room 17. Thursday, the teachers were auctioned off as slaves to the students, and for the rest of the day the slaves were kept very busy. Pep Week concluded on Friday night at the Valentines Dance, with the crowning of Larry Jones and Penny Pratt as King and Queen of Hearts.

## OUR VARIETY SHOW

The Highwayman

The Happy Journey.

Once again Glenlawn staged its annual variety show on February 23, 24 and 25th. For the nominal fee of fifty cents per person a talent-filled show was witnessed. For three nights, breathless performers filled the auditorium with surprising sights and sounds, as the resounding applause for each act will verify. The pleasant and often hilarious commentating of "Doc" Stein and Len Andree kept the show moving quickly. The audience was always curious as to whose friend, son, or daughter was on next. Credit for the success of the show must go to Mr. and Mrs. Kruk, without whose dedication the show could not have been produced, and to Mr. Scott, in charge of ticket sales.

Other projects that Glenlawn students have participated in in the past are sock hops, where the entrance fee is old stockings, and a penny day. In 1965-66 "The Electronics Clubs" of Glenlawn had a year of reform. The club was expanded to include G.C.I. Radio under Bob Andrews and to include an Amateur Club under Anthony Ashley. An agreement with the school board will allow for a permanent system for both broadcasting G.C.I. Radio and stage usage from the central location in the Audio Studio, all within a period of about five years. The engineering department under Richard Hughes has started planning for such a system, which will give Glenlawn one of the most advanced systems to be used in Winnipeg.

So far, this year has been very successful for Glenlawn's track team. In both indoor meets, the Meet of Champions in January, and the Red River Relays in March, we recaptured the trophies for the highest number of total points. These victories would have been impossible without our coach Mr. Pearce, who was helped by Miss Murray. We are all very grateful to both for their valuable time and

energy spent with us. Although most of our points were gained through excellent performances in seconds and thirds, several of our outstanding athletes gained firsts — Denny Booth and Terry Tomlinson in the 60 yard, John Merritt in hurdles, the boys' 4x1 relay, and the boys' 4x440 relay. With no serious threats in the indoor meets, we are hoping for further success in the spring.

## Glenlawn Varsity Girls Capture Provincial Title

BACK ROW: Janette Orr, Barbara Johnstone, Pam Cornwall, Linda Craigie, Janice Hoffman, Linda Drieliek. FRONT

ROW: Marion Doyle, Gail Koskie, Sandra MacTavish, Cecelia Cooper, Diane Stevens, Mr. Ruff (Coach).

The Varsity Girls at Glenlawn climaxed an outstanding season by winning their second straight provincial crown. The road to the provincials began in January with the St. Vital Invitational Tournament, when the Glenlawn team won the tournament by defeating a favored Dakota team by a score of 38-33. This was only the first win over the Dakota quintet as the Glenlawn girls romped through the season's play undefeated (11-0). In the Cloverleaf Championships, Glenlawn was upset in the first game by a surprisingly strong Silver Heights team by a score of 37-30. How-

ever, Glenlawn tied the best of three finals by winning a thriller by a score of 35-34. In this game the girls were down 5 points with 1½ minutes remaining and were able to close the gap and win on two foul shots in the last seconds of the game by Sandra MacTavish.

At the Provincials, the girls even though they were in the midst of exams, competed and returned to St. Vital, as Provincial Champions 1966. The school would also like to congratulate Sandra MacTavish and Cecelia Cooper for making the all-star team and all members of the team for their successful season.

The Freshman Girls Basketball Team led by Rilla Buckler, captain, went through a season of close over-time games. They earned the right to meet Dakota in the finals by defeating Westwood by 1 pt. in over-time. Dakota and Glenlawn battled into overtime in the finals. Final score: Dakota 22, Glenlawn 20. Rilla Buckler, Marilyn Bell, Brenda Joss put in a good season. Let's hope next year the Freshman trophy will be back where it belongs — Glenlawn.

—Mrs. Boeda.

## VARSITY BOY'S BASKETBALL

Glenlawn started the season on a winning note last November as the Lions roared to a convincing triumph in the Fort Garry Invitational Tournament. Glenlawn's victories en route to the Championship included victories over Daniel McIntyre: 69-41; Vincent Massey: 65-44; and Crookston: 62-47.

The team then travelled to Saskatoon in the Christmas holidays to compete in a High School Tournament against teams from Alberta and Saskatchewan. After an opening round loss to Edmonton, the team went on to win two games in a row and capture the Consolation Championship.

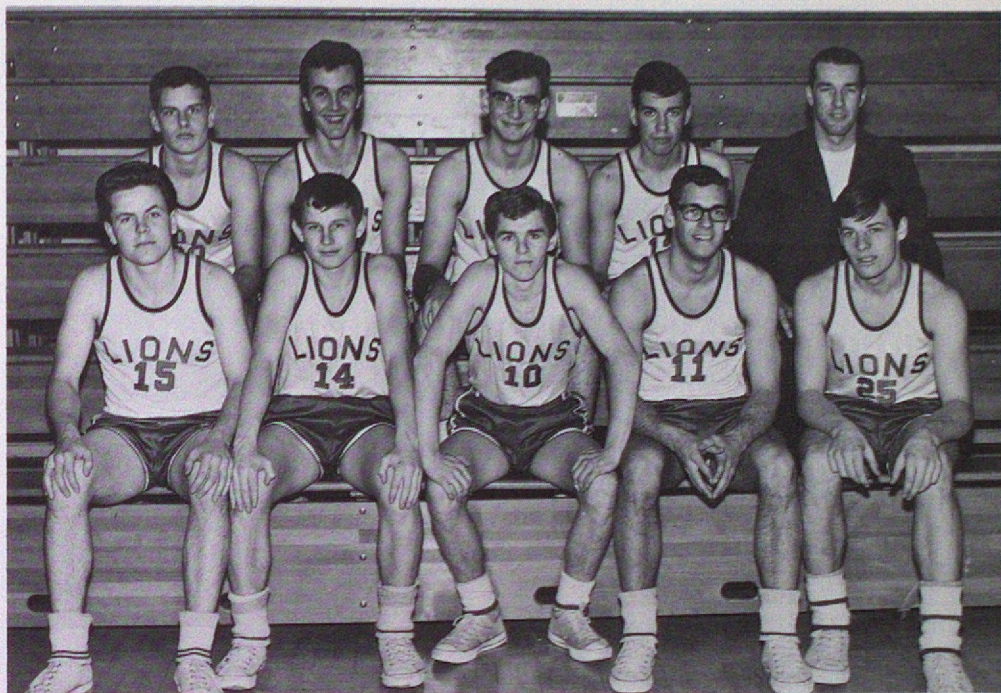

Cloverleaf league play in January and February was featured by close competition between Dakota, Vincent Massey, and Glenlawn to decide the two representatives at the Provincial Tournament in March. At the completion of the six-game schedule, Glenlawn had compiled a 4-2 win-loss record and advanced to the league semi-finals against St. James. A smashing 74-41 victory moved the team into the league final against unbeaten Dakota. This best of three series went to the limit before Glenlawn succumbed in the third game.

The season was capped by Glenlawn's second appearance in the Provincial Tournament in the last three years. Glenlawn drew Garden City in the opening game and was able to defeat the Gophers 47-42 in a close, exciting game. The second round saw Glenlawn go down to defeat in a wide-open, high scoring game. The final score was 66-62 for the Daniel Mac Maroons, who went on to defeat St. John's Tech in the Provincial final.

The season was featured by close competition and a good brand of basketball. The team came very close to reaching the goal of every high school team — a Provincial Championship. With a solid nucleus of returnees next year Glenlawn will again be a strong contender for the Provincial trophy.

—D. Wilson.

## FRESHMAN BOYS

This year's freshman team, after opening the season slowly emerged as one of the league's toughest teams. Although we were considerably shorter than the other top teams, we improved every game and managed to stay in contention for the league championship. So it was that the final game of the season saw us up against Vincent Massey in a struggle for first place. The result was a heartbreaking three-point loss which ended our chances. Other highlights of the season had to be the beating we handed Dakota in our second meeting with them and the three-point loss to St. James, the eventual conference victors.

I sincerely hope that the team enjoyed this season and I would like to wish them all the best in the future, both scholastically and athletically.
