Respectively dedicated to

he has done at Glenlawn as a  
teacher and as staff advisor to  
this and previous yearbooks.

## PRINCIPAL'S MESSAGE

In the second half of the twentieth century we are faced with a culture that puts extra-ordinary premium on scientific thought and production. It is sensible to predict that most jobs in the future will call for scientific orientation of one degree or another.

In this situation the school's day-to-day responsibility is to help students undertake a progressively more sophisticated intellectual activity by creating more productive situations in the school environment. This task is a difficult one. The tasks that students must undertake are awesome.

As students progress from youth to adulthood they must learn to adjust themselves to the circumstances of a new life so that they fit into the new situa-

tions. Insofar as students have learned to adapt themselves intelligently in progressively more productive situations, now removed from the school environment, they are masters of their own fate. There is no place in the mature world of business and professionalism for youths who enter it glorifying infantilism.

The school has attempted to help students to adapt themselves to new situations. Part of this adaptation has consisted in helping to bring random impulses under control and in co-ordinating hit or miss activities. We hope that our policy of "freedom with responsibility" will in some degree help you make the most of your life in the future.

**Mr. P. Derenchuk**

## VICE-PRINCIPAL'S MESSAGE

Since this is the last school year-book the graduating class receives, perhaps the following quote might be appropriate:

"The little dissatisfaction which every artist feels at the completion of a work forms the germ of a new work."

Your work of the past twelve years is completed and a new one in post secondary education or the world of business or industry is beckoning you. The past might not have been easy at all times nor will the future be; but life is

such that while some people break under stress, others are spurred on to break records. It is my sincerest wish that all of you fall into the second category of people.

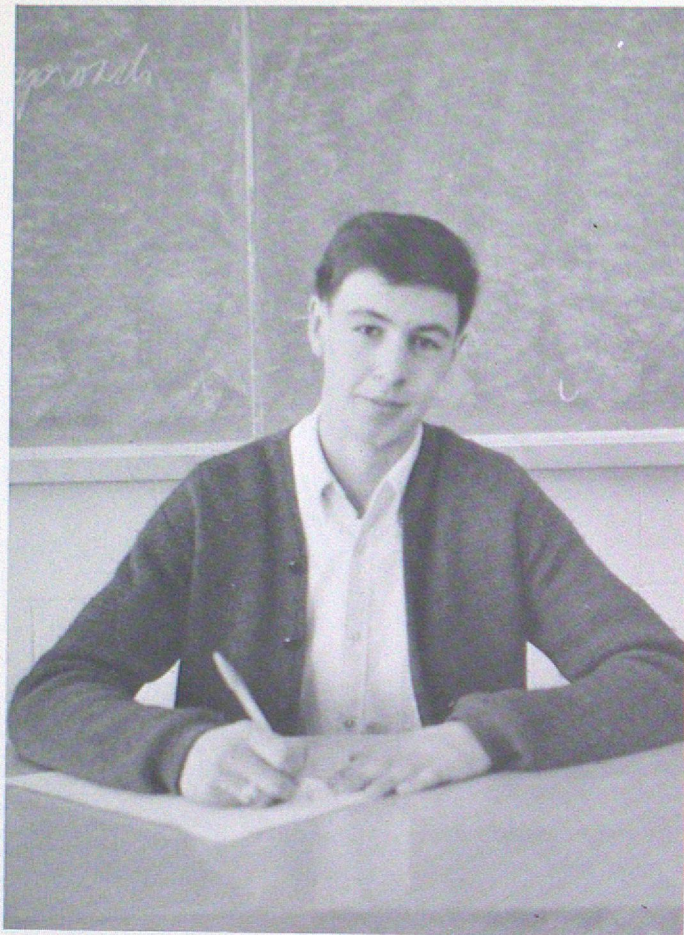

To those of you who have to walk these halls for an additional year or two let me say this: that out of every endeavour you will get only as much as you are willing to put into it.

To all of you "Good Luck" in the coming years.

Vice-Principal

## PRESIDENT'S MESSAGE

For me, this past year has been a most memorable and rewarding one. Being president of this collegiate is a great privilege and I would like to thank the students of Glenlawn for allowing me this honor.

I would like to give special thanks to my executive, to Mr. Hibbert, our staff advisor, and to Brian Johnston, who helped me greatly during the year. Also, I extend my thanks to Mr. Derenchuk, Mr. Carsted, the staff, and the entire school body for their wonderful support and co-operation.

During the year there has been a

general increase in all activities. The social committee under Joan Mackie did a fantastic job. Old clubs took on new life and new clubs were added to Glenlawn.

The success of this year was due mainly to the co-operation and effort of the students.

In conclusion, I would like to wish the students of the graduating class of 1967-68 every success in their chosen field or profession. I hope you will always remember your high school days with a feeling of pride and a sense of accomplishment.

**Robert St. Germain**

## STUDENT COUNCIL

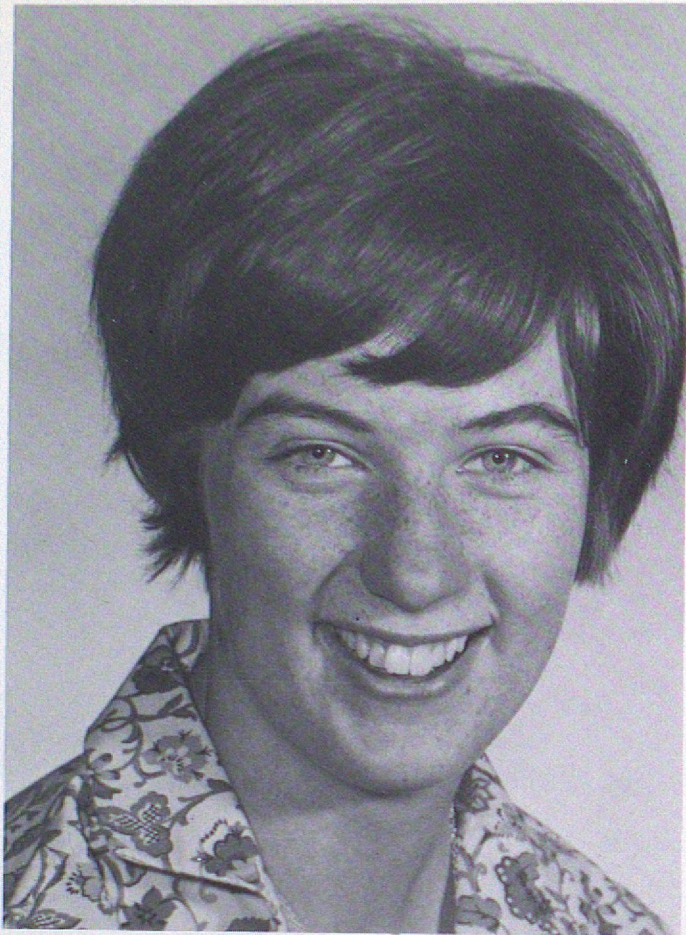

The student council got off to a rather poor start this year when the vice-president and treasurer resigned making bi-elections a necessity. However the enthusiasm and co-operation of the students enabled the council to

overcome its difficulties.

We greatly appreciate the efforts of all those who helped make this year successful.

**Mary Hawn**  
Secretary

## EDITOR'S MESSAGE

As happens every year, the yearbook has been produced by the hard work of a mere handful of people, who make up the yearbook committee. I would like to thank my committee for their dedicated work without which "Pawprints '68" would never have reached the printers. Also, I thank our staff advisors, Mr. Garten and Mr. Daeninck for their able assistance.

This year in the production of Pawprints the committee has tried to stay away from old, wornout, themes and

come up with something totally different. Of course, there are some things about a yearbook which must remain traditional and with these we have not tampered. I think that the students will enjoy some of the changes we have made concerning design and yearbook layout.

In conclusion, I would like to wish my fellow graduates the very best in all future endeavors, whatever they may be, I hope they have benefited as greatly as I from having attended Glenlawn Collegiate.

## RENDEVOUS '67

In mid August four hundred and fifty delegates from forty-five countries arrived at Carlton University in Ottawa. Prior to this each international delegate had lived with a Canadian family in various parts of Canada for two weeks. Now, home hospitality was over, and the conference itself, a time for an exchange of ideas had begun. This was "a happening", and it was the Canadian Red Cross's centennial project "Rendezvous 67" an international youth conference. This conference was unique in that it was organized by youth for youth, and it was the largest conference of its type ever held.

Rendezvous 67 brought the realization that the youth from all countries are genuinely concerned about the problems confronting today's world. This conference was rich in ideas, ideals, and thoughts that should prove beneficial in forthcoming years.

Regardless of race or creed the delegates were bonded together by a desire to endeavour to improve the lot of mankind, and to attempt to unite other nations to this goal. Through a free give and take, which often became heated with passionate convictions the delegates explained problems facing Red Cross in their country and sought guidance from others. Solutions were not always readily available but attempts were made to parallel their problems to one's facing others.

Rendezvous 67 was a rewarding experience and I am grateful for the opportunity it afforded in meeting so many representatives from so many countries; and sharing with them not only the happy exuberance of youth, but the many and varied problems common to us all. This conference provided all with a vast knowledge of programs that could be implemented in their own areas.

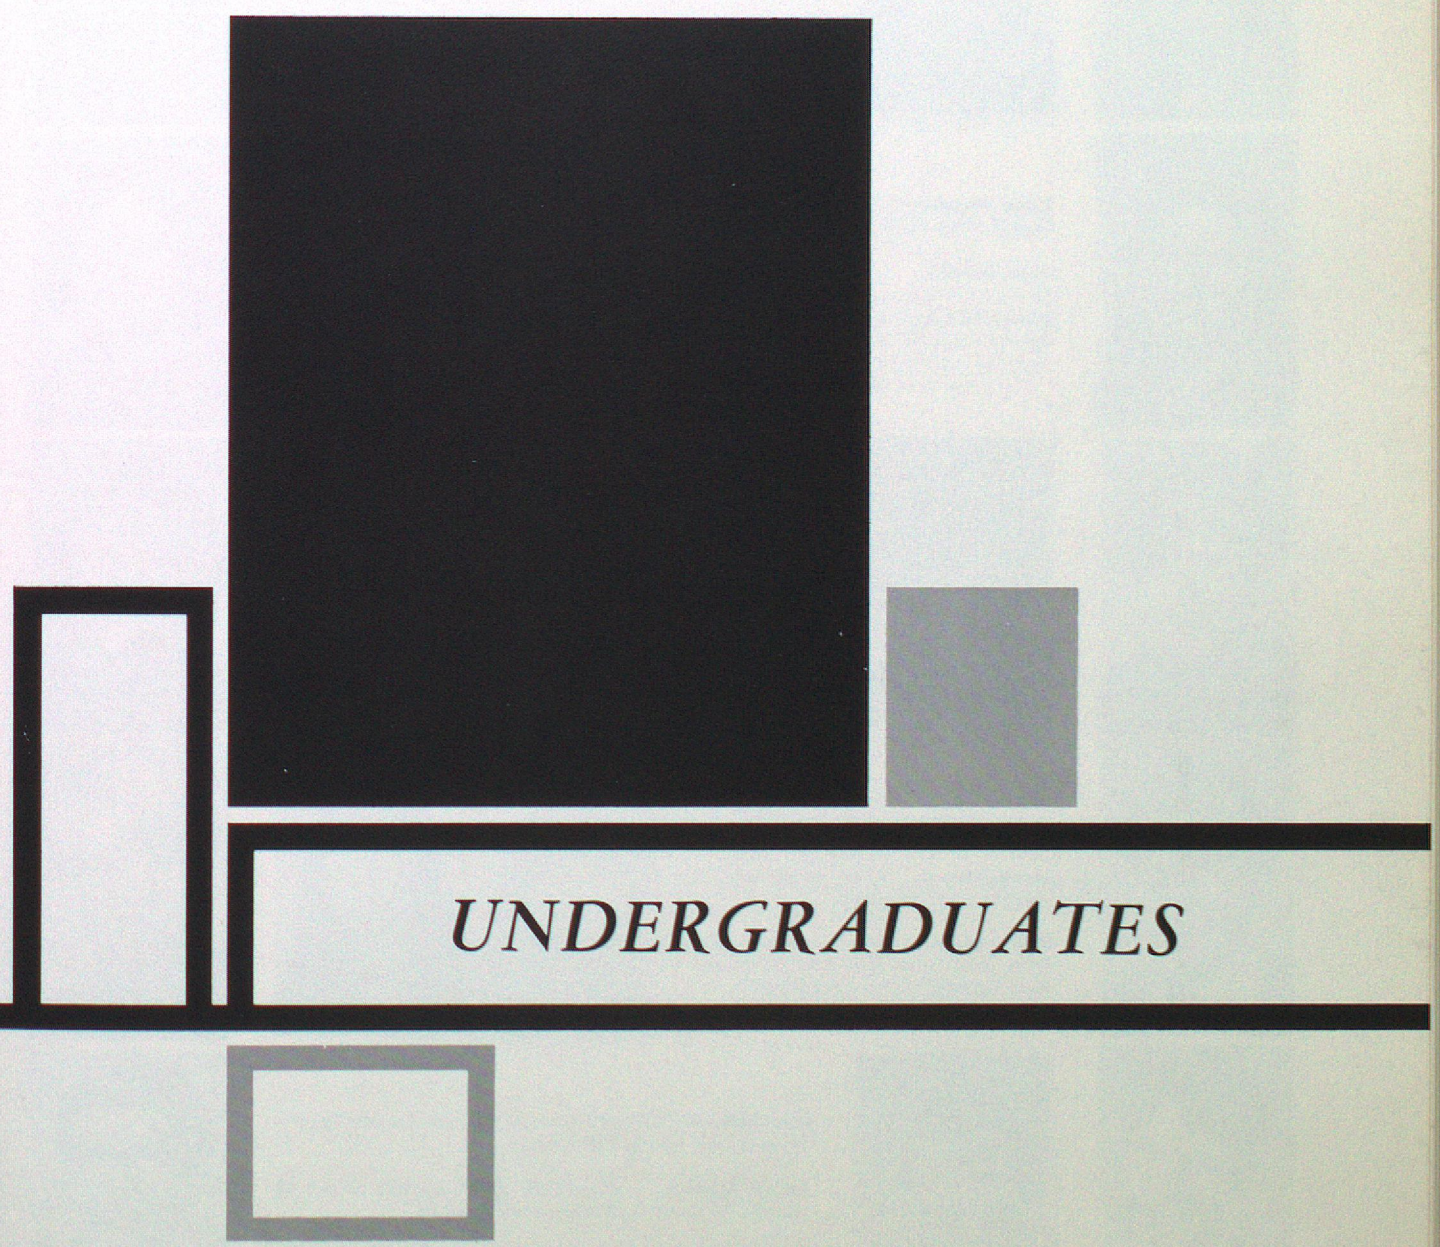

The conference now over, the delegates could look back on the hours of discussions spent each day, the singsongs, and the games. They would never forget their visit to Montreal, Expo, Kingston and Toronto. For wherever they went so did their good times and their constant quest for knowledge.

We had something intangible, yet tangible. Even though no definite solutions were resolved the delegates all left for their respective homes united in their desire to share this experience with others, and to endeavour to stimulate an active interest in the Red Cross and the betterment of mankind, not only in their own country but in those of others. A quote from an unknown writer best sums up their ideals:

"I sought my soul  
My soul I could not see  
I sought my God  
But he eluded me  
I sought my brother  
And found all three"

The "Roar" like any school newspaper plays a prominent role in the happenings of a school's extra curricular life. It tries to present to the students an outlet for their opinions: a place for them to express dissatisfaction with school affairs, academic or otherwise; and not only a place for reporting school happenings. The paper has tried to present articles that would be of universal

appeal to the student body.

The staff of the "Roar" hopes that we have achieved this goal. If so it will have made the hours of work by a few, worthwhile. In closing, the school owes a great deal to the editorial staff Mrs. Cohen, Vicki Lunney and John Hodgert who have tried to make this Year's paper a success.

**George Ulyatt**

## GIRLS

1ST ROW: Arpena Babaian,  
Patti Devlin, Sheenah Andrews.  
2ND ROW: Cheryl Cringan, Mr.  
Aime, Shawn McPhillips.

The greatest achievement of a very young and promising Glenlawn Team was the discovery of new staff members, Mr. Aime and Mrs. Cherepak. The load was taken off Mr. Pearce's back

and out of his little red Volkswagen. This year our team promises to pull its way out of last year's fourth place Cloverleaf finish.

**Brian Johnston**

## BOYS

1ST ROW: Howard Taylor,  
Randy Kusano, Brian Johnston.  
2ND ROW: John Pedora, Glen  
Grierson, Mr. Aime, Carl Smith.

## INDOOR TRACK

Indoor track this year was a battle of honour and the girls seemed to win hands down. Glenlawn female track teams held their own on the boards while the boys were character building. The boys are working on next year's team. Maybe they'll be able to uphold their honor outdoors this spring.

**Brian Johnston**

1ST ROW: Brian Johnston, Linda Rasmussen, Ruth Gallagher, Arpena Babaian, Randy Cooper. 2ND ROW: Rae Dryden, Cheryl Cringan, Jan Perchal, Cynthia Cardamone, Patti Devlin. 3RD ROW: Joy Ramsey, Sheenah Andrews, Mr. Aime, Shawn McPhillips, Lenore Hodgson. 4TH ROW: Bill Janmen, Paul Rondeau, Barry McArton, Jim Sharp.

## SOCCER

Glenlawn, once again, provided a threat in Cloverleaf soccer action. Coached by Mr. W. Stewart the team suffered only two losses to Westwood and Dakota. Involved in a world record soccer game, lasting 140 minutes (2 1/3 regular games), the team bowed to Westwood 2-0 in the replay. The return of several grade 10 and 11 players should provide another contender for next year's play.

**Doug Wilson**

1ST ROW: Dennis Jones, Doug Wilson, Jack Kelly, Jack Wall, Doug Kelly. 2ND ROW: Martin Matteui, Dave Peppin, Jim Graham, Mike Treacy, Geordie Little. 3RD ROW: John Pedora, Arno Wachs, Jim Robinson, Doug Jones.

## VARSITY GIRLS

1ST ROW: Janice Iverach, Heather Foreman, Nancy Dorian, Rilla Buckler. 2ND ROW: Linda Cullen, Joy Ramsay, Lenore Hodgson, Rae Dryden. 3RD ROW: Mr. Wilson, Elaine Taylor, Marilyn Bell, Janette Walker, Richard Smith. MISSING: Jo-anne Mykes.

In regular league play this year we ended up in second place behind the Dakota Lancers. Our good showing was due to the competent coaching of Mr. J. Scott. Several of our outstanding players were Brian McAughey, Bill MacNamara, and Brad Craig.

The playoffs were staged at the University of Manitoba where we finished third behind Brandon and Westwood. Unfortunately we did not make the finals but everyone was satisfied with our showing.

**Doug Colley**

This year's edition of the Lionettes, despite graduating five starters from last year's Provincial Championship squad developed into a top-flight team. The addition of Elaine Taylor from Nelson-McIntyre, plus the steady play of Janice Iverach, Jeanette Walker, and the veteran Marilyn Bell, gave the Lionettes the balance they needed.

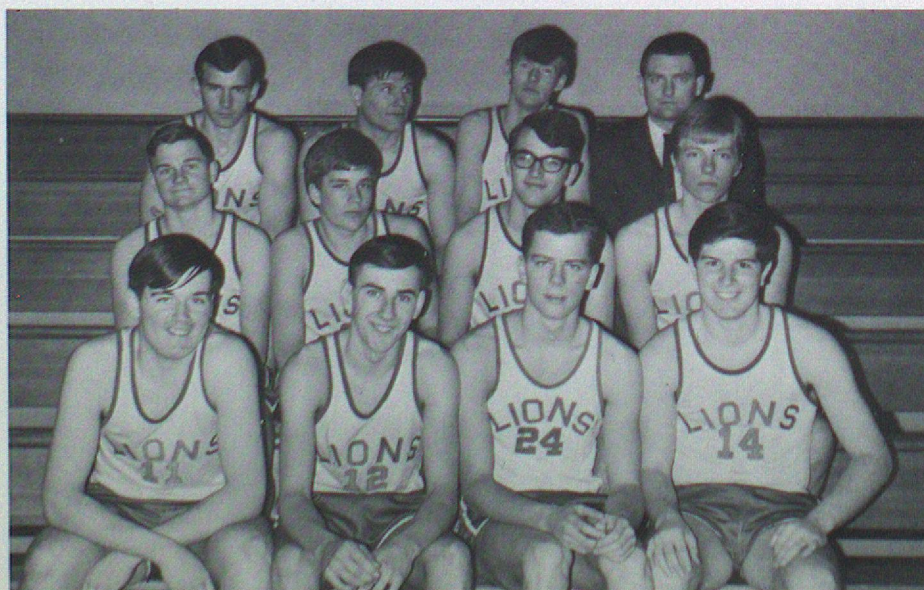

The highlight of the season was the 4th Annual St. Vital Invitational Tournament. The Lionettes took the championship but only after being forced to come up with their best effort of the season.

League play ended with Vincent Massey, Glenlawn, and Dakota deadlocked in a three-way tie for first place. In the ensuing playoff Glenlawn bowed to two very good teams.

## VARSITY BOYS

1ST ROW: Fred Nelson, Brad Craig, Brian McAughty, Doug Sharman. 2ND ROW: John Elrick, John Letterman, Jim McEachern, Doug Colley. 3RD ROW: Bill McNamara, Brian Paquin, Brian Chittick, Mr. Scott.

### FRESHMAN GIRLS

1ST ROW: Barb Nichol, Alison Radford, Cynthia Cardamone, Arpena Babaien, Patti Devlin. 2ND ROW: P. Pisnook, Linda Rasmussen, Carla Hunter, Pat McElroy, Lorraine Iverach, Ann Van Rooyen. MISSING: Phyllis McCormack, Lois Lutz.

The freshman boys' basketball team has enjoyed an outstanding season. At time of writing the team is riding on a winning streak of twenty games; these wins include nine exhibition and eleven league games. The team advances to the Cloverleaf final. Among the leading scorers on the team are Randy Kusano, Jack Kelly, Dennis Jones and Vic Kruchak. Highlights of the season included a pre-season tournament at Tec Voc, a game against Kenora, and a bus trip and game at Brandon.

Glenlawn's Freshman Volleyball representatives were both spirited and strong this year. Led by the floor play of Captain Cynthia Cardamone, and spikers Barb Nichol and Ann Van Rooyen. The Freshman Lionettes advanced through their schedule, casting aside all opposition except for arch-rival, Dakota Collegiate. It was that same Dakota team that Glenlawn faced in the Cloverleaf final. In their finest hour, the Freshman girls bowed out 15-12 in the third game of a hard fought series.

### FRESHMAN BOYS

1ST ROW: Howard Taylor, Randy Kusano, Gary Kolas, Terry Paul. 2ND ROW: Sheldon Shore, Murray Coulter, Don Kelly. 3RD ROW: Dennis Jones, Jack Kelly, Herb Day, Vic Kruchak, coach: Mr. Stewart.

# BASKETBALL

## VARSITY GIRLS

1ST ROW: Brenda Joss, Nancy Dorian, Heather Foreman, Rilla Buckler, Linda Cullen. 2ND ROW: P. Pisko, Beryl Ferguson, Janice Iverach, Janette Walker, Marilyn Bell, Richard Smith.

The 1967-68 edition of the Lionettes had a tough road ahead to qualify for the provincial tournament, in a league that is the strongest in Manitoba.

Despite the formidable task, the team tackled the season in a determined style, and were knocked out of the play-offs only after a second overtime defeat at the hands of Vincent Massey.

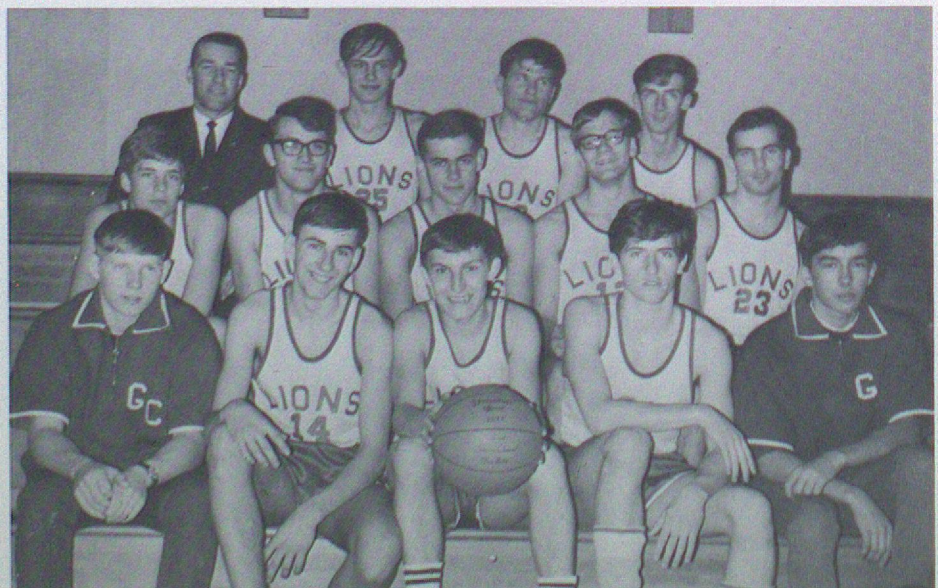

Over the season the Lionettes compiled a 12-8 won-lost record, amongst their victims being U. of M. Junior Bisonettes and Miles Mac, suburban representatives in the Manitoba Championships. Captain Marilyn Bell supplied the scoring punch, with assistance from Beryl Ferguson and Jeanette Walker, who also provided the team's rebounding strength. Rella Buckler supplied the ball handling, and she and the others were backed up by a strong supporting cast, without whom the team would not have enjoyed its success.

The task facing the 1967-68 edition of the Lions was formidable—graduation had taken the first eight players from the 1967 Provincial Championship squad, and Cloverleaf opponents looked stronger than ever.

The 15-14 won-lost record is a tribute to the dedication and ability of the members of the team. Captain Brad Craig supplied the floor leadership and ball handling. Co-Captain Brian Paquin the rebounding and desire, and Harv Dick the scoring punch and all-round play that made him an All Star in the strongest league in Manitoba. Ian Kellet, John Lederman, Art Brown and Jack Wall played important supporting roles, while the remainder of the "bench" in the final analysis, was responsible for whatever success the team enjoyed.

## VARSITY BOYS

1st ROW: Drew Bayes, Brad Craig, Ian Kellet, Jack Wall, Terry Moon. 2ND ROW: John Letterman, Jim McEachern, Brian Johnson, Art Brown, Blaine Thomas. 3RD ROW: Mr. Wilson, Tom McEachern, Brian Paquin, Harvey Dick.

### FRESHMAN GIRLS

1ST ROW: Alison Radford, Chris MacTavish, Cynthia Cardamone, Loraine Iverach, Susan Carnagie. 2ND ROW: Judi Russel, Linda Rasmussen, Patti Devlin, Pat McElroy. 3RD ROW: Arpena Babian, Barb Nichol, Gerry Savoie, Mr. Ruff.

This year's freshman girls' team had a highly successful season in both league and exhibition play. Pre-season action was under the direction of Mr. W. Stuart. In the eastern division of the Cloverleaf, under the able coaching of Mr. W.

Ruff, we placed second, losing only to Dakota. In the semi-final Playoffs we defeated Brooklands by a score of 27-20. It has been a good year and we look forward to playing Varsity Ball.

**Lorraine Iverach**

### FRESHMAN BOYS

1ST ROW: Richard While, Murray Coulter, Randy Kusano, Terry Paul. 2ND ROW: Sheldon Shore, Ron Ried, Don Kelly, Mr. Weiler. 3RD ROW: Dennis Jones, Barry Yanchyshyn, Jack Kelly, Vic Kruchak.

### BADMINTON

1ST ROW: Rae Dryden, Marilyn Bell, Russ Henry, Jeanette Walker, Edie Barry. 2ND ROW: Mrs. Cherepak, Kristen McLeod, Wendy Spence, Beryl Ferguson, Adele Groves, Bruce McMillan. 3RD ROW: George Lucas, Bill Skinner, Brian Paquin, Brad Craig, Fred Nelson, Jim McKenzie.

### BOWLING

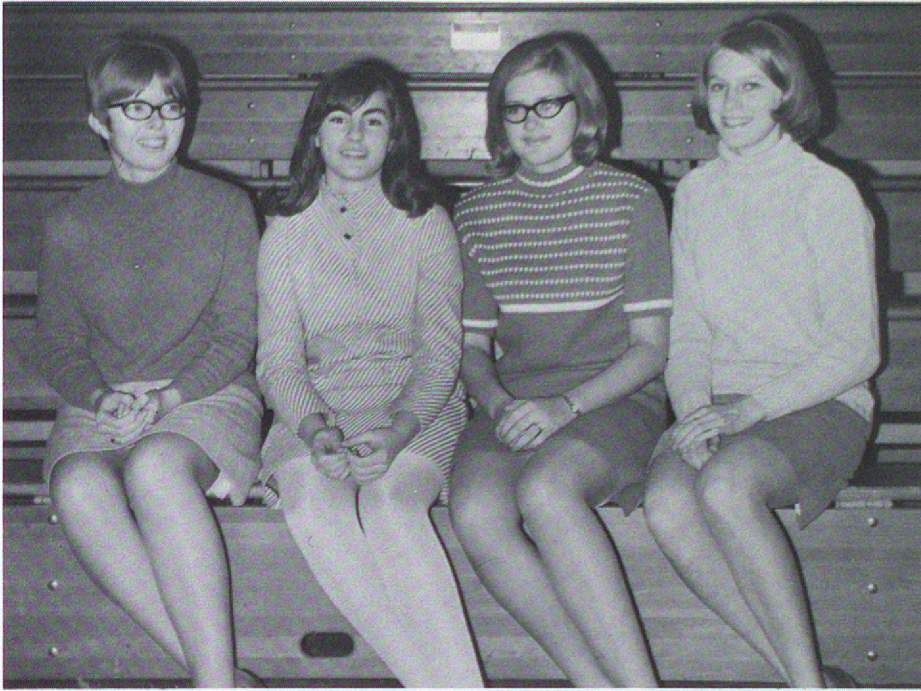

1ST ROW: Ted Klatt (vice-president), Lesley Winnick (treasurer) Ray Lunn. 2ND ROW: Doug Foulkes, Wayne Farmer, (president) Mr. Scott.

### GYMNASTICS

### GIRLS' CURLING

1ST ROW: Edith Lunn, Edie Barrie, Allison Johnston, Judy Dayton.

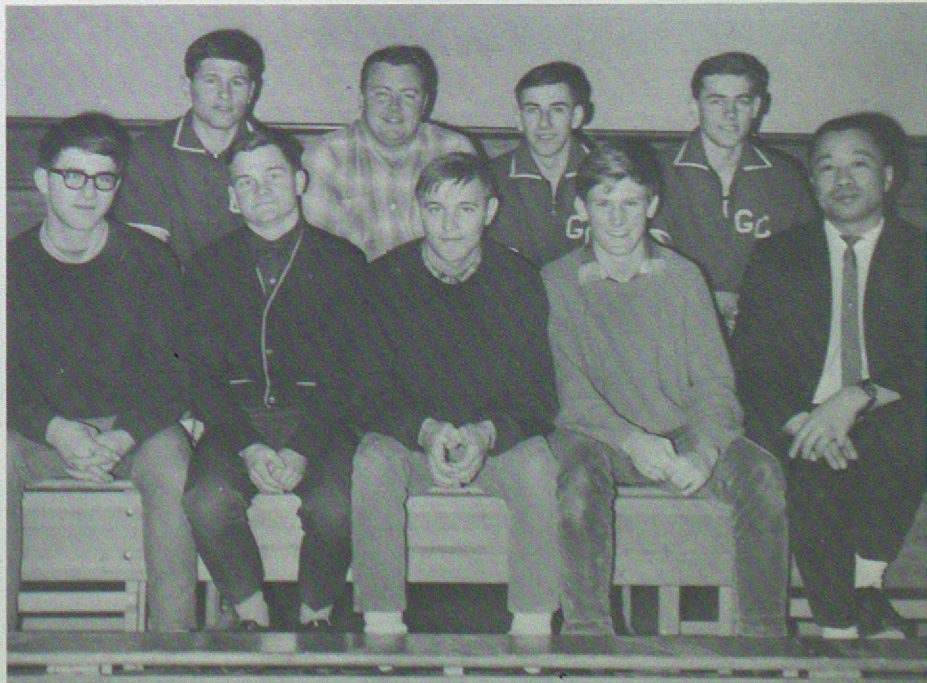

Glenlawn renewed their curling league this year after a year of absence. John Pedora won the league and also skipped Glenlawn's entry in the Cloverleaf zone playdowns. Brian Paquin attained a first for Glenlawn, skipping his team,

Brian Johnston, Brad Craig and Bill Barnes to a tenth in the provincial playdowns by winning the third event of the Manitoba Schoolboy Bonspiel. The team was runner-up in the provincial play.

# Prevention, \$9.95 an ounce.

■ And if an ounce of prevention is worth a pound of cure, it's certainly worth \$9.95. At the Esso Car Clinic, selling prevention is our business. We're not a repair shop. We just diagnose car trouble. Scientifically. Accurately. We're the first to offer you this service. ■ Canada's only complete electronic automotive analysis. ■ It prevents small troubles from becoming big, expensive cures. ■ At the Esso Car Clinic, trained diagnosticians give your car a comprehensive series of tests, with special Esso-designed, electronic equipment. Then you get a detailed, written report. It tells you exactly the condition of your car. You can take it to your own garage for repair work, if you like. But for your convenience, we've built Esso Car Clinics beside modern Esso Service Centres. There you can also get estimates and have any necessary repair work done—guaranteed of course. There's no obligation. ■ Why not phone us and reserve an ounce of prevention for your car? After all, a stitch in time . . . ■ It's just another service from Esso. ■ For appointment, telephone 453-3222
