# PEP

Would you believe Fatima Hazell?

I'm comin' Pa!

AND THE WINNAH!

# WEEK

Grade 11's triumph in Pep Week.

IT'S TRUE, YOU CAN'T "HANG TEN" IN A TOBOGGAN RACE.

TEARING GLENLAWN APART IN SEARCH OF ARTHUR.

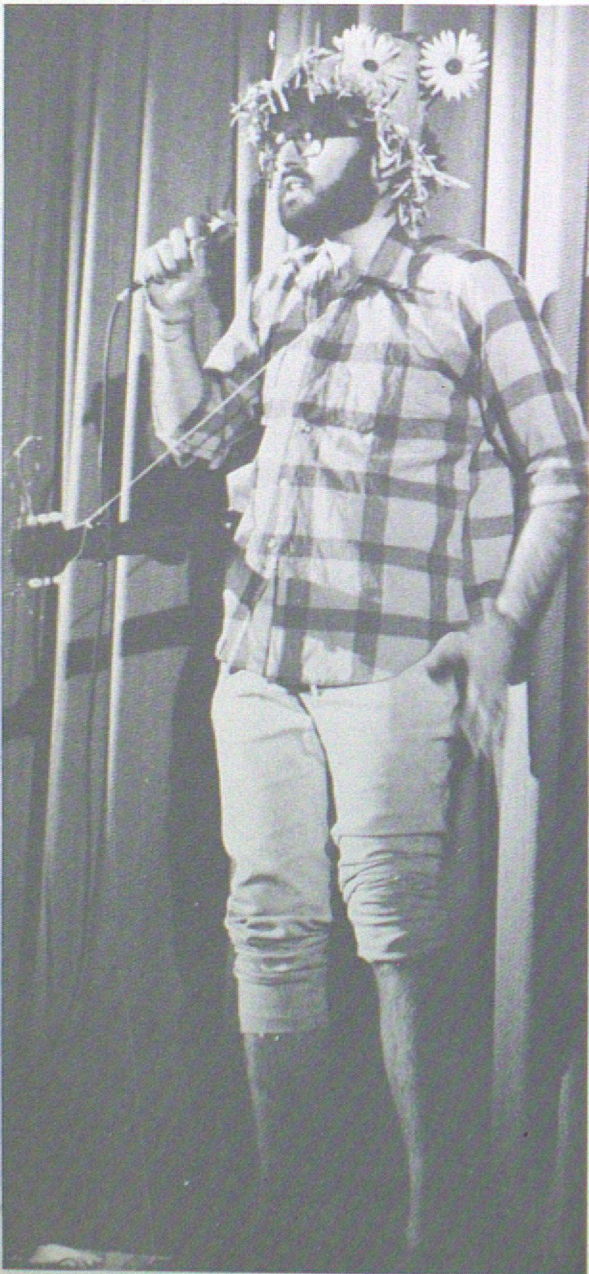

SAM SNEED???

AND WOULD HIS MOMMY KINDLY COME AND PICK HIM UP.

DO YOU HAVE ANYTHING TO ADD P. R.  
YES! YOU'RE ABSOLUTELY RIGHT T. K.

THE ODD SQUAD

# WINTER HAWK

# PRINCIPAL'S MESSAGE

One of the tasks of Glenlawn Collegiate was to help you to pass from the dependence of adolescence to the responsibilities of adulthood, to get you to stand on your own two feet. We have tried to help you to mature so that adult problems are not solved in childish ways, or egos are not satisfied with adolescent experiences. Your level of maturity is gauged by the disappointments, the burned fingers, the spoiled pages, and the plans that went wrong, as well as by the successes that have been achieved.

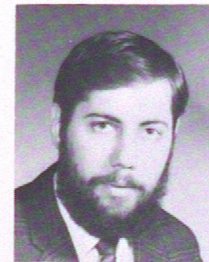

Responsibility is a measure of your maturity. It is the price you pay for freedom or independence. You are held accountable for what you do. You now have the obligations to yourself, your family, to our community and country that must be fulfilled.

Regard your present situation as only the sketch of a picture which must be finished. If you do not try to do a little more or a little better than you can do easily you will never find out the best you are capable of doing.

# PRESIDENT'S MESSAGE

It has been my pleasure to serve the students of Glenlawn this past year as president of the joint council to serve under the new and first constitution written for the new school system at Glenlawn. I am grateful to the student body for letting me represent them.

Student councils survive as the organizing body for extra-curricular activities. It is my belief that school teams, organized clubs and social activities make school worth going to. There are many groups in the school who deserve credit for these activities. First I'd like to thank the teachers who gave up their personal time to serve as staff advisors and coaches. I know of no other school where as many of the staff give their time to extra-curricular activities as the staff at Glenlawn. The next group I'd like to thank is the group of students who gave their time to organize activities in the school. Tom McCormack and Herb Day deserve a special thanks for volunteering their time to undertake the organizing of Graduation. The last group, the largest and most deserving of credit I think, is the group of average students. Glenlawn thanks you - the students who join clubs, who play on teams and who cheer for teams or attend an activity, or help with a special production such as "Malibaloo". The most deserving of these students are there not for what they can get but what they can give. To these students Glenlawn is something special. They can say, "I'm from Glenlawn" with pride. I only hope Glenlawn returns to them more than they have given, for the average student is responsible for the success or failure of all extra-curricular activities, in general for school spirit.

To next year's council:

As representatives of the students of Glenlawn you will have a great many important and difficult decisions to make. Take the time to make the logical rather than the emotional decision. I wish you the best of luck in the year to come.

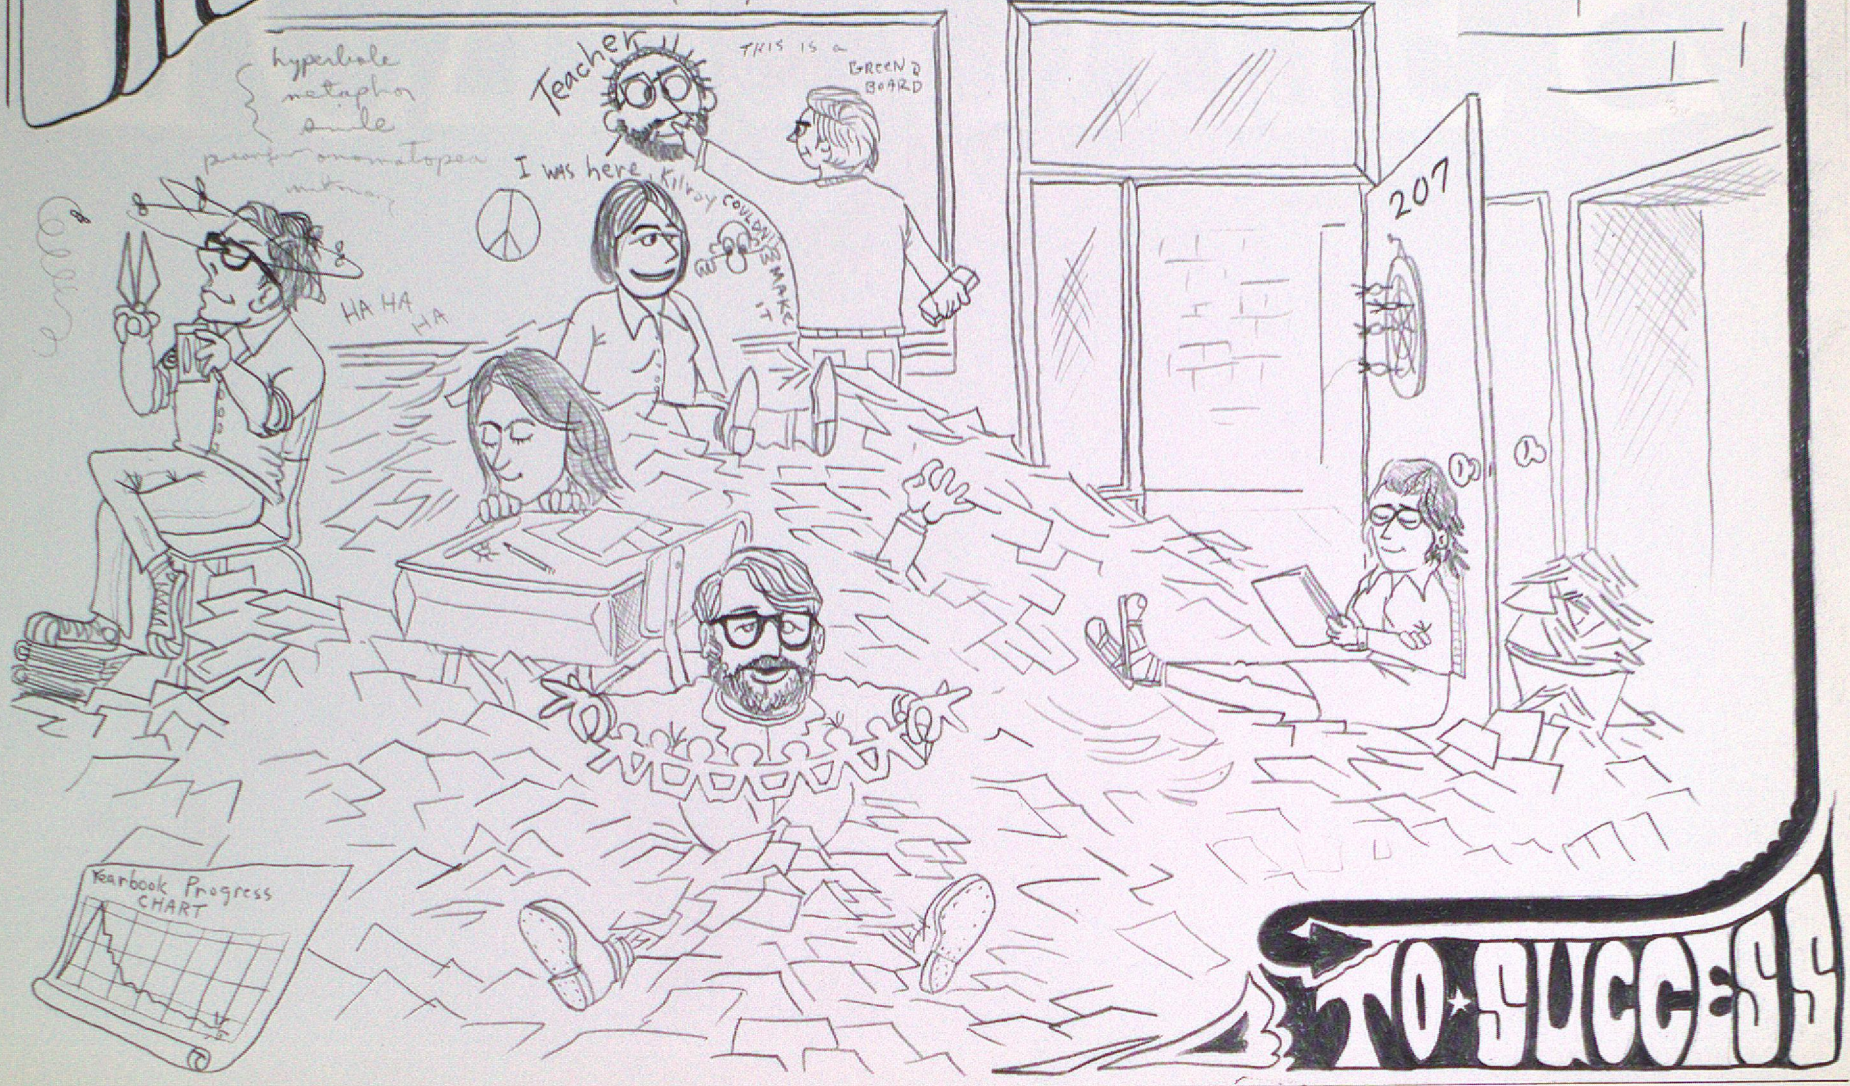

In closing, I'd like to thank the members of the student council, those elected and those appointed, for their hard work and support during the past year. Thanks.

# EDITOR'S MESSAGE

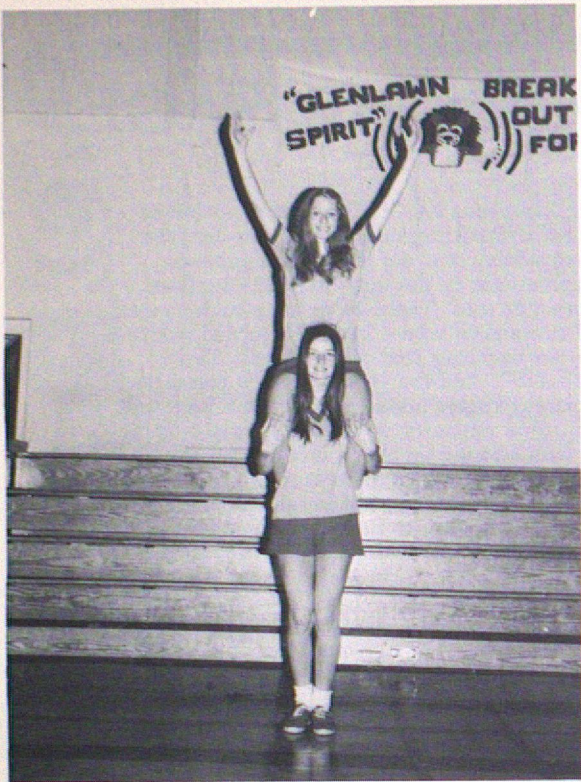

This has been a long hard year for Glenlawn students but it has been an exciting and fulfilling one too. It was because of you, Glenlawn's students, that our school has become what it is. Your involvement in the activities of Glenlawn has made the year what it was. There have been such events as the Golden Boy Tournament where hundreds turned out to cheer our boys on to an inspiring first place finish. The production of "Malibaloo", and the Drama Club's presentation of their three one-act plays added much to the year and involved all of us in some capacity or another. I am only sorry that the spirit which raged on the courts and on the stage did not involve the production of Pawprints. However, to those who in the fall, distributed, collected and then redistributed the 1970 yearbooks, to those who snapped, drew, typed and cursed every Wednesday night, I salute you!

## PEP CLUB

The main responsibilities of Glenlawn's Pep Club include the promotion of school activities, the organization of school pep rallies and the massive undertaking of organizing Glen's annual Pep Week competition among the various grades.

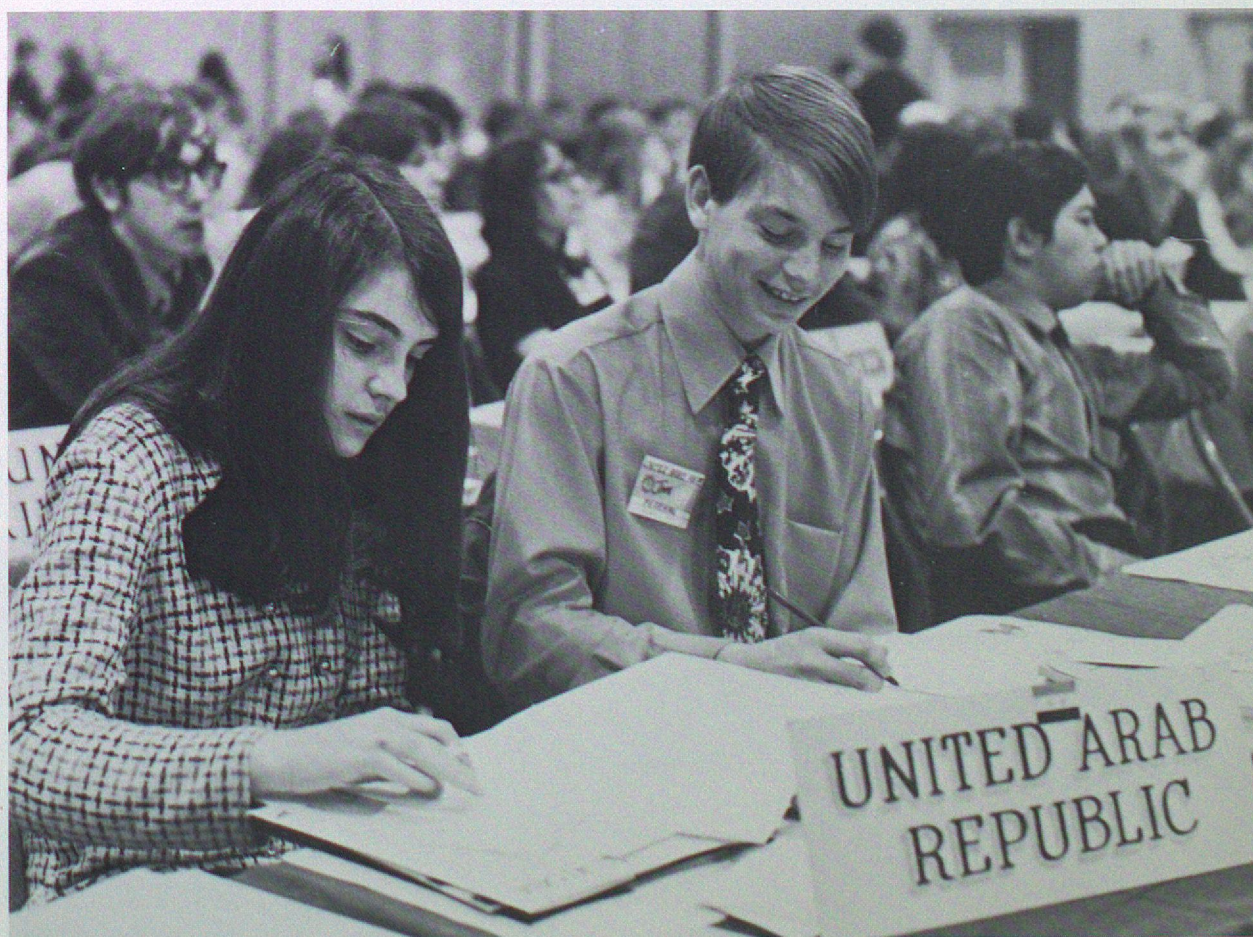

Under the inspired and competent leadership of President Murray Macklem and executive members Karen Layton, Arlene Skagfeld, Marilyn Booth, Jon Perchal and Tom Mitchell, Glenlawn's Collegiate's Pep Club had undoubtedly its finest and most successful year. Highlights of the year would have to include the promotion of Freshie Week, the publication of the "Golden Boy" which clearly showed that at Glenlawn there is an activity for everyone, and the tremendously successful Pep Week competition which was won this year by the Grade XI's in a breathtaking struggle with the Grade X's who were close runners up. In May, as the year drew to a close, the Pep Club also produced a skit for the very successful Malibaloo Variety Concert.

With a hard core nucleus of hold-overs coming back next year, Glenlawn Collegiate can look forward to a vigorous and hard working Pep Club again for 1971-72. And - please, please, please - anyone who feels that he or she would like to make a contribution to school spirit next year, this is the club to join. We always encourage new membership. See you next year at super exciting G. C. I. !

# UNITED NATIONS CLUB

An attempt by some students to form a permanent, active United Nations club failed at Glenlawn. However, several students attended the National Committee for the United Nations (NYCUN) congress held at the Balmoral Hotel, November 20-22, 1970. Two of these students, Susan Chapman and Jon Perchal were later selected to attend the Annual Model United Nations Assembly held at Grant Park Collegiate, April 16 and 17, 1971. At MUNA the student delegates represented the United Arab Republic, and found themselves actively involved in debating and committee work. Several students are currently planning to attend the United Nations Seminar on Environment to be held at Brandon this summer.

The Glenlawn Varsity Lionettes Volleyball Team dominated Cloverleaf competition in the fall winning all pre-playoff matches with reasonably little difficulty. Under the superb coaching of Miss Lynn Ransby, the team roared towards a hopeful seat in the Transcona Invitational Tournament, defeating Transcona Collegiate in the final. They then triumphed in the St. Vital Invitational outspiking the Vincent Massey Trojanettes. After reaching this peak they narrowly missed the capture of the Fort Garry Invitational and Cloverleaf Championship, taking second place behind the Trojanettes. This year's Varsity team was captained by Marilyn Hodgson and Sharon Palahinski.

BACK ROW: SANDY POPHAM (MANAGER), SANDY WILLIAMSON, MO SAVOIE, MISS RANSBY (COACH). MIDDLE ROW: DORIS PREVE, JANICE ENGEL, BARB SMITH, BARB GRAHAM. FRONT ROW: MARILYN HODGSON, SHARON PALIHITSKI, VAL MOON.

The Varsity Boys' Volleyball team under the guidance of Mr. Scott and Mr. Boyd finished the regular schedule with a 5-3 record. A loss to Vincent Massey in the semi-finals ended Glenlawn's playoff hopes. In tournament action, the team made it to the finals in the St. Vital Invitational and the semi-finals in the Transcona Tournament before losing to provincial finalist Dakota and Miles Mac respectively. With team captains Jim Pearce and Amie Hallaren leading the way, this year's team was typified by enthusiasm and determination. The rookies will determine the fate of the 1971 crew since the centennial crew will be hard hit by graduation.

1970-71 Lions basketball squad enjoyed one of its most successful seasons in recent years. The veteran team (six Gr. XII's, six Grade XI's) compiled a 27-9 won-lost record, and won three tournament titles. After a slow beginning, losing two close games to Miles Mac (50-48) and Dakota (51-46) in the Fort Garry Invitational Tournament, the Lions picked up speed in early December bringing home the Daniel Mac Invitational Tournament Championship Trophy, and winning the Cloverleaf Pre-Season Tournament. In late December, solid contributions by the veterans Robert Anderson, Steve Cooper, Arnie Halloren, Robert McCowan, Tom McCormack and Rick Welgush, supplemented by an enthusiastic brigade of Gr. XI's led by Al Beaver, had brought the Lions to their peak as they defeated the Westwood Warriors 51-47 to win the Golden Boy Tournament, their third tournament victory of the month.

In January, the team took third place trophy (two wins, one loss) in tough competition against the top Regina teams. The Lions were presented with the John Chorman Trophy for being the most sportsman-like team in the tournament and our cheerleaders were selected as the top cheerleading group in the tournament.

Back in Winnipeg, the Lions advanced to the best of three league final against arch-rival Dakota Collegiate. Victory was not in the cards however as the Lions bowed 37-33 and faded from the Provincial scene as they went down to a second straight defeat two days later at Dakota Collegiate.

The 1970-71 season was a fairly successful one for the Glenlawn Varsity Girls' Basketball Team. In the St. Vital Invitational Tournament, Glenlawn surprised many by grabbing an early 21 point lead over Dakota. The girls continued this domination throughout the game and went on to win third place. Midway through the regular season the team travelled to Hamiota to compete in the tournament there. After losing their opening game, they won their next two, and took home the Consolation trophy. During league play, Glenlawn narrowly lost to first place Vincent Massey in two overtime periods, then to a much improved Dakota team. As the season came to a close the girls found themselves tied for second place with Dakota. In the deciding playoff game the Lionettes faltered and went down to defeat. However, with the loss of only two Grade 12's, next year's team will be in contention for the C.I.A.C. trophy till the last whistle.
