Gerald Zwaan,

Editor's note: To everyone who was absent on "picture day," we are sorry we couldn't find a picture of you. Rather than remember you as a big white space we have "honored" you with your name above! Sorry the photographer missed you, you camera-shy devils!!!

Also, everyone be aware of the fact that these little "mugs" tend to jump around by themselves, getting all out of order, exchanging places with each other, etc. And somewhere along the line, the letters in some of your names also decided to move around. Excuse any errors, omissions, mistakes, boo boos, etc., but these mugs are hard to do, boring, tedious . . . We tried our best.

## THE ROAD NOT TAKEN

Two roads diverged in a yellow wood  
And sorry I could not travel both  
And be one traveller, long I stood  
And look down one as far as I could;  
To where it bent in the undergrowth;

Then took the other just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same.

And both that morning equally lay,  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should even come back.

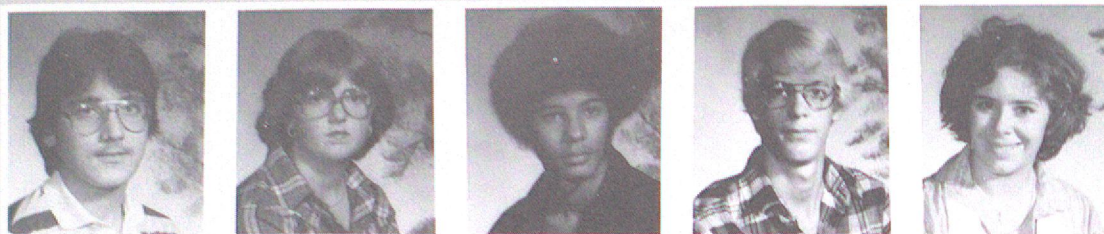

I shall be telling this with a sigh  
Somewhere ages and ages hence,  
Two roads diverged in a wood, and I --  
I took the one less travelled by,  
And that has made all the difference.

"KA-POW"

A few years ago many of us watched the American heroes Batman and Robin fight for fairplay, honesty and security. We might be parall our high school years to a similar fight and we want to come out winners. We can achieve this by administering some of the "Ka-Pow" ourselves.

Success can be achieved through:

**KNOWLEDGE** - not just the knowledge of what is presented in lessons and textbooks, but the knowledge and understanding of ourselves, especially our goals and aspirations. The great thing in the world is not so much where we stand as in the direction we are moving.

**APPLICATION** - the effort that we exert to achieve our immediate or long-range goals. Today's success is yesterday's failure who wouldn't give up. This success requires ten percent inspiration and ninety percent persperation.

**PERSISTENCE** - keeping our goals constantly before us, never veering far from the paths we choose. If you would get life's best, see to it that life gets you best, not by strength, but by perseverance.

**OPPORTUNITY** - the ability to make the right choice at the right time. Success is often just an idea away. Looking ahead for it is a good way to keep from falling behind.

**WORK** - the tasks we must assume and complete to achieve our goals. Hard work is the easiest bridge to cross over to success.

Focus the full power of all you are on what you have a burning desire to achieve. Make this your "Ka-Pow."

PETER DERENCHUK

## *vice-principal's message*

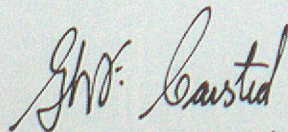

"Knowledge cannot make us all leaders, but it can help us decide which leader to follow"

In the world and in the microcosm we call school, there are those who hold that the short-run does not count, only the long-run; others are of the opinion that ONLY the long-run matters, while a third group believes that what is done or left undone in the short-run determines the long-run. I would strongly recommend that you follow the precepts of the latter group.

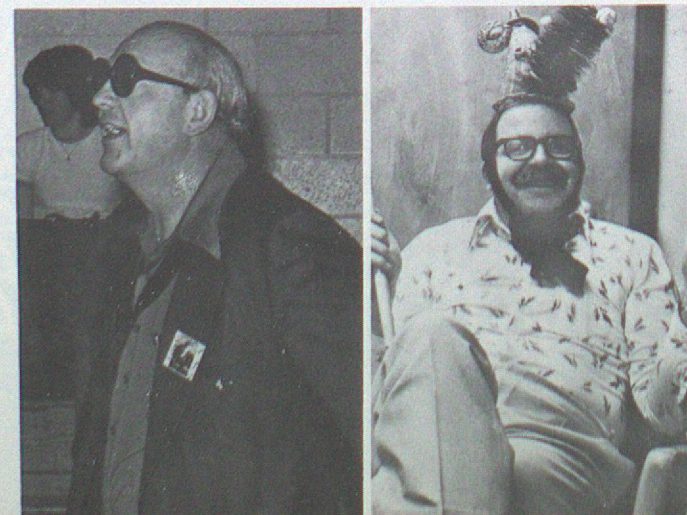

For some of you, this year brought you to the end of a phase of your life and to the beginning of another: you are leaving the cocoon which the school provided, and some of you, even the shelter of your parental home. I can only hope that the school system, and Glenlawn in particular have offered you the tools to shape your furthur life. Whether you have picked up these tools and whether you will make use of them, is up to you.

As you leave these halls and stride out into the world, let me pass on the advice coined by Lloyd George: "Don't be afraid to take a big step if one is indicated. You cannot cross a chasm in two small jumps."

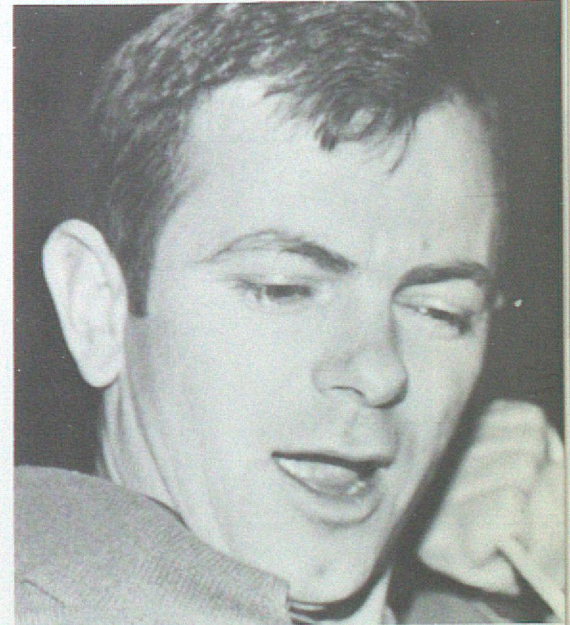

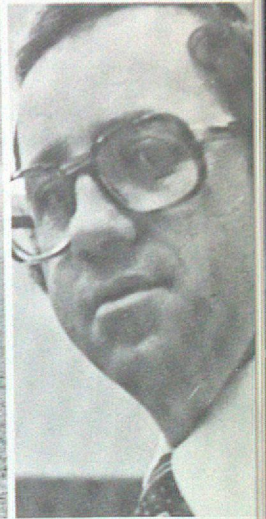

Good luck and God speed!

G.W.F. CARSTED,  
Vice-Principal.

## FRESHMAN GIRLS

The freshman girls had a slow start this past season but gradually picked up. At the end of the regular season, they had a special 3rd place playoff against Fort Richmond and won 2 out of 3 games. They then went on to the semifinals and defeated Vincent Massey 2 out of 3 games. In the finals they unfortunately lost to Dakota to finish 2nd in the cloverleaf - a fine accomplishment. During the season the girls participated in two tournaments - second in the Downey Invitational, and fourth in the Tuxedo-Shaftsbury tournament. Much thanks goes to Claude and Miss Bone for their time and support.

Front, Sue De Kock, Donna-Lynn Stratton, Marianne Berard, Pam Francis. Middle: Lori McIntrye Miss D. Bone (Coach), Tracey Adshead. Back: Linda Schwint. Missing: Claude St. Godard - Coach.

## *Varsity volleyball*

Front: Diana Sawchuk, Jill Mathez, April Von Platen. Middle: Zinta Radvozkis, Cathy Mattson, Lynda Peto, Tracey Scott, Colleen Fram. Back: Christine Carrigan, Pam Booth, Ramona Mazur. Missing : Coach - Miss C. Northcliffe.

### VARSIY GIRLS

The team this year did very well in the Cloverleaf as well as various tournaments. The captured 1st place in regular season play but were defeated by Dakota in the finals. Tournaments included the Transcona Springfield, Selkirk, St. Vital Invitational and Elmwood Tournament.

On behalf of all the team members a big thank you is extended to Miss Northcliffe for all her help and support throughout the season, and for the use of her bathtub.

Back: Brent Elliott, Dennis Adams. Middle: Mr. Harbottle, Coach, Mike Ducharme, Rob Millman, John Day, Dwayne Gendzelvich, Mr. Kirenchenko, Coach. Front: Mike Crosby, Richard Siewert, Paul Radley, Don Mathieson.

### FRESHMAN BOYS

The freshman boys team had a good season. With one game left in the regular season they were in first place, however, at the end of the regular season they were tied for first. A special playoff to decide the Cloverleaf champs was required and the guys unfortunately were defeated. In the Tuxedo-Shaftsbury tournament the team made it to the semifinals but lost to West Kildonan. Special thanks to Mr. Humphrey for his superb coaching in that match. Overall they finished 3rd in the Cloverleaf. Mr. Harbottle and Mr. Kirchenko as coaches deserve a lot of thanks.

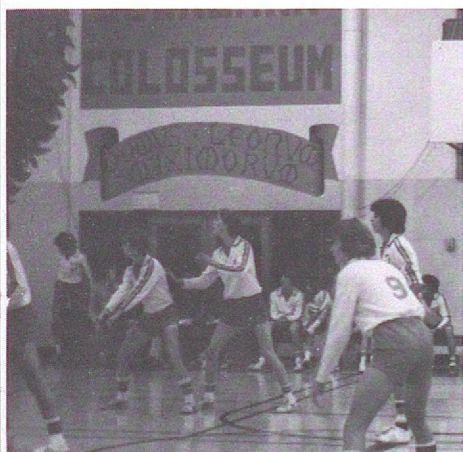

## Varsity volleyball

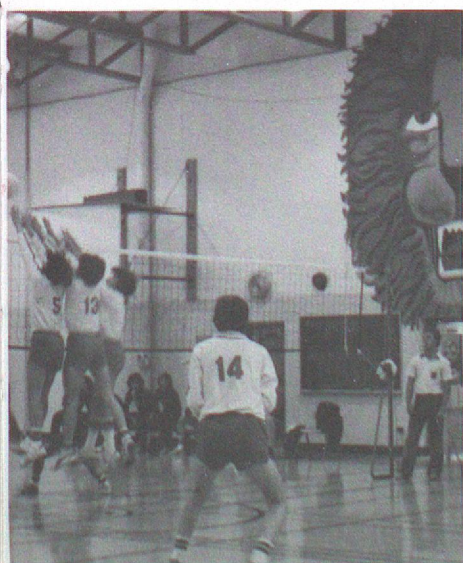

### VARSITY GUYS

Back: Joel Mazur, Warren Toderan, Mark Walton, Ron Zimmerman, Roger Graham. Middle: Kelly Scott, Manager, Clayton Block, Glen Snider, Shannon Elliott, Manager, Dave Kinahan, Mark Brown, Mr. R. Sadler, Coach. Front: John Coutts, Ken Thoroski, Rick Huth, Mike Delorme. Missing: Jeff Delavau, Dennis Bagley, Coach.

### VARSITY BOYS

The varsity boys finished fourth in the Cloverleaf but this is no indication of their true talent. Showing a lot of potential they defeated Vincent Massey once in the regular season and lost very closely to Dakota and Fort Richmond. Participating in the Elmwood Invitational they were beaten by Kelvin, and Morris Place, while in their own St. Vital Invitational Tournament they played a heartstopping game against the very strong Miles Mac team and lost a near win. Without Mr. Sadler's and Dennis Bagley's help as coaches, and Shannon Elliott's and Kelly Scott's loyal support as managers the season would've been much harder and alot less fun.

## *Freshman basketball*

Back: Linda Schwindt, Marianne Berard, Lynn Abell, Sue Dekock, Darlene Ingleson.  
Front: Laura Miller, Pam Francis, Tracey Adshead, Lori McIntyre, Donalyn Stratton, Ken McIntyre (COACH).

### FRESHMAN GIRLS' BASKETBALL TEAM

The girls had a very hard season this year. They played very hard at very good teams. Although they did not do very well in the cloverleaf, they didn't do that bad in the tournament in Brandon.

In Brandon, the girls pulled off a fourth place out of eight teams.

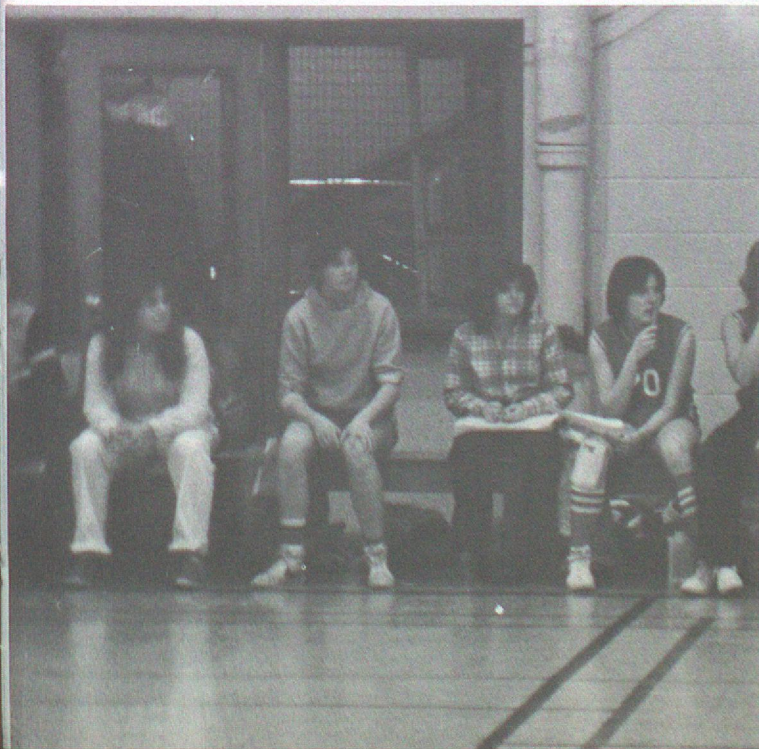

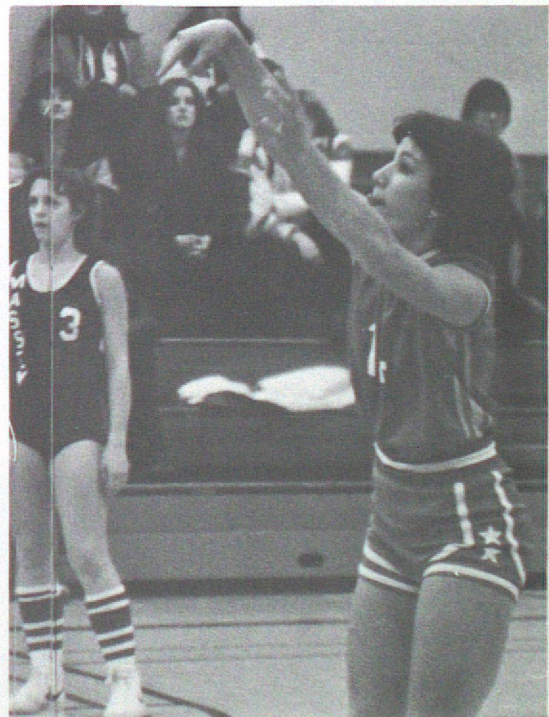

They would like to say thanks for their coach, Ken McIntyre, for putting so much time into their team. They would also like to thank Miss Northcliffe and Mr. Watson, for helping Ken out with coaching our team.

### VARSDTY GIRLS' BASKETBALL

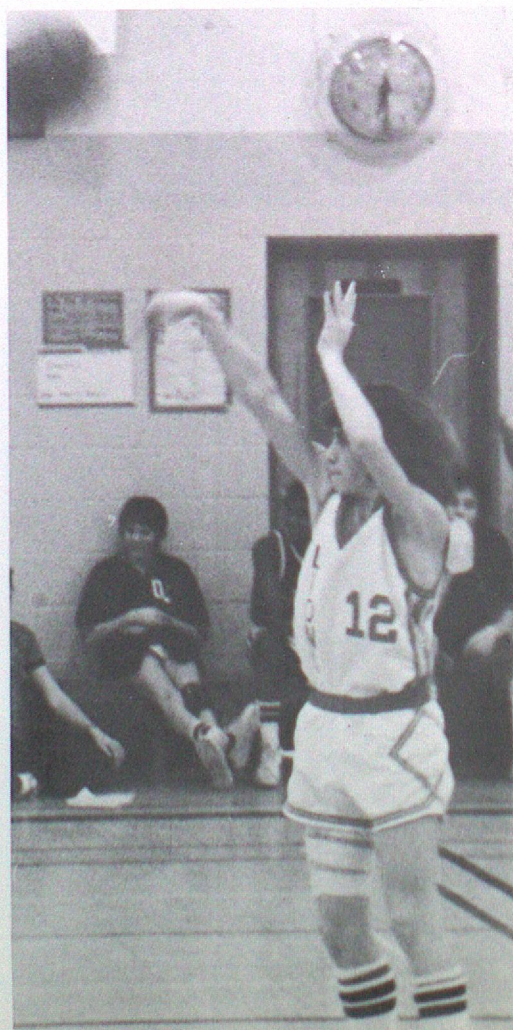

The girls had a very challenging season of basketball. They were defeated in their first game in the Wesmen Classic, by Kelvin. They played both hard but unsuccessful league games, losing each time by only a few points. They gained third place in the Kildon East Tournament by defeating Sisler and Gordon Bell. Thanks go out to Mr. Nemechuk who was their biggest fan.

Back: Shaun Halstead, Richard Fourchette, Drew Drinnan, Rob Millman, Oliver Weekes, Brent Elliott. Front: Hank Lemoin (COACH), Dwayne Gendzelevich, Edwin Cabello, Ian Redpath, Gerald Cosello, Mr. Gertner (COACH).

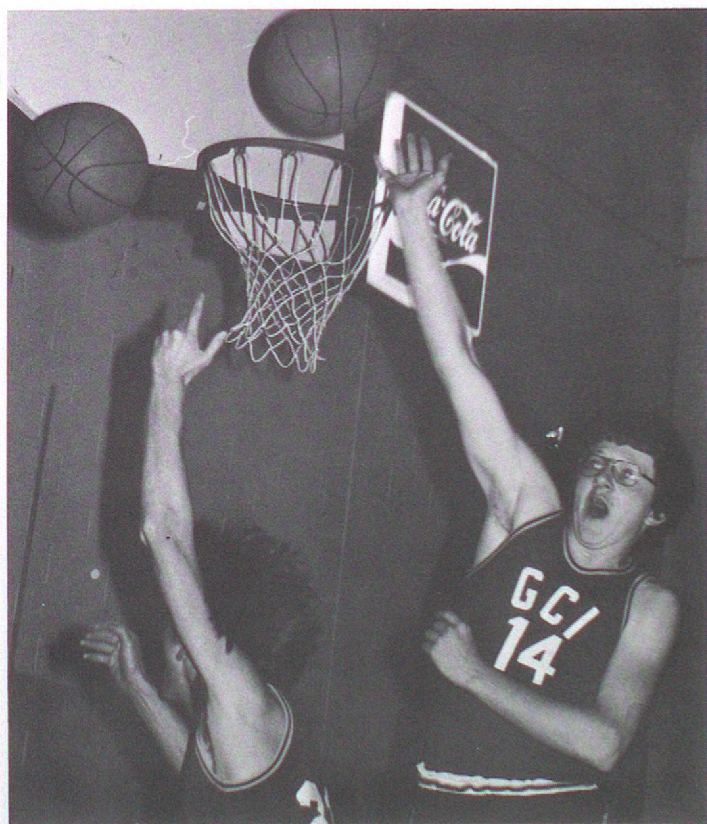

#### FRESHMAN BOYS' BASKETBALL

The boys really enjoyed the basketball season this time. They won 8 times and lost 12 and came fourth in the Cloverleaf. They participated in the Silver Heights Invitational Tournament, and Kelvin I.F.T. They were also consolation finalists in Father Burns Council Knights of Columbus Basketball Tournament.

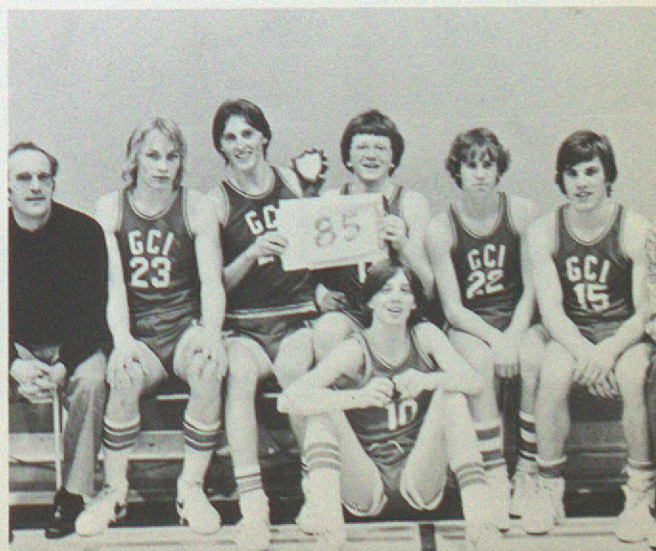

Back: Bill Nelson, Rober Graham. Front: Mr. B. Hazell (COACH), Ken Thoroski, Clayton Block, Pat Walsh, Mr. R. Wieler (COACH). Missing: Kevin Whitehead, Mike Myshkowsky.

#### VARSITY BOYS' BASKETBALL

The team placed fourth in a very tough Cloverleaf Conference. We were involved in a tournament in Fargo, North Dakota and even though it was a tough tournament we all had a great time. Other tournaments included West Kildonan, Chruchill, Miles Mac and Westgate. At the Westgate tourney the team placed third, beating St. John's Ravenscourt 85-51.

### GLENLAWN SKI CLUB

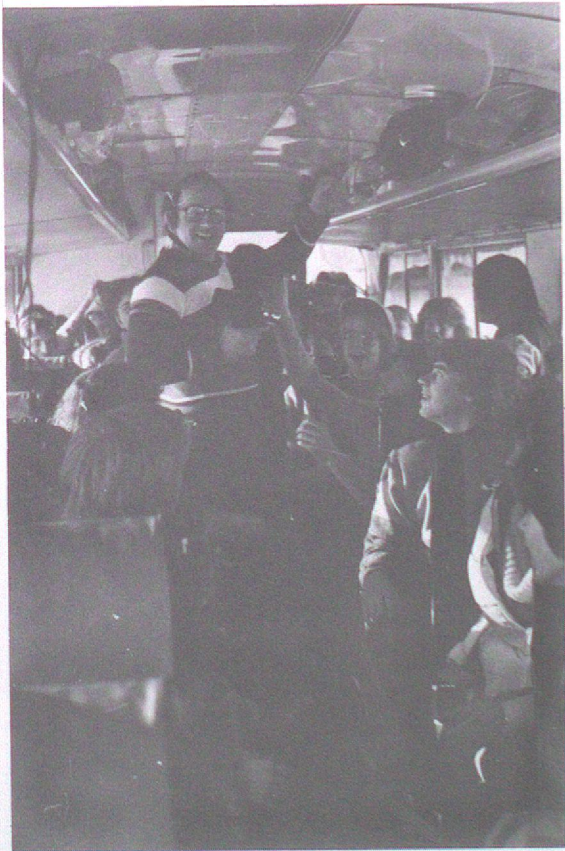

Mr. Kullman and Mr. Watson would like to take this opportunity to thank the members of the Glenlawn Ski Club for all of their support in making the club a tremendous success.

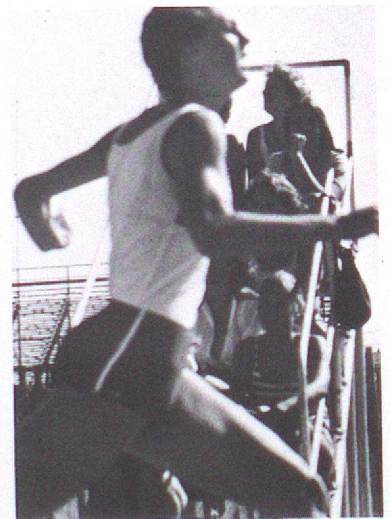

Special congratulations goes out to Susan Dekock, Dwayne Gendzevich, Nancy Bagley, and Joel Mazur for their success in the novice and over-all participation awards, for their contributions on our many trips to such places as Agassi, etc.

Have a good summer everyone. See you on the slopes in 1980-81.

MR. WATSON AND MR. KULLMAN

#### GLENLAWN TRACK TEAM

The track team met with considerable success during the 1979/80 season. Daily, 8:00 a.m. practices, were initiated early in January. These practices conditioned the team for the indoor track season. This started with the Trib Indoor Games and ended with an indoor meet in Brandon.

Once the indoor season was completed the team started preparing for the first annual Beliveau Road Race; the first outdoor event of the season. This was followed by participation in our school Cloverleaf, and suburban track meets. To wrap up the year a few athletes participated in the "Trib Run for Fun" and the "Manitoba Marathon."

Success this year was awarded to both the team and a number of individuals. The team placed first in the Beliveau Road Race, third at the Cloverleaf and sent 15 athletes to the suburbans. At the individual level several experienced personal performances that were previously unattained. To conclude, one has to feel a deep sense of satisfaction of the 79/80 edition of the track team.

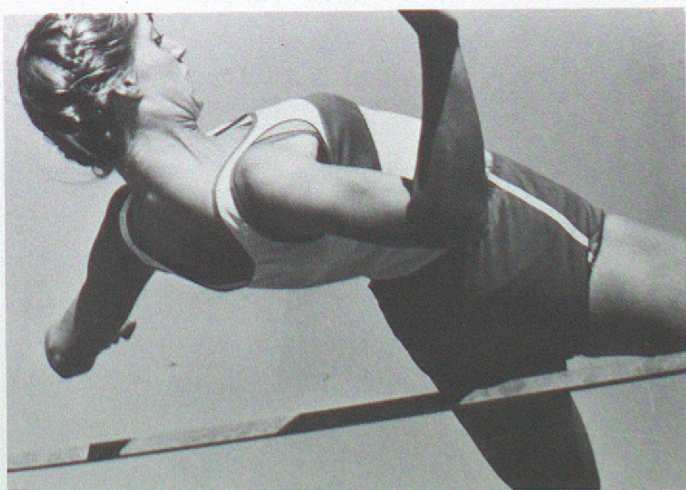

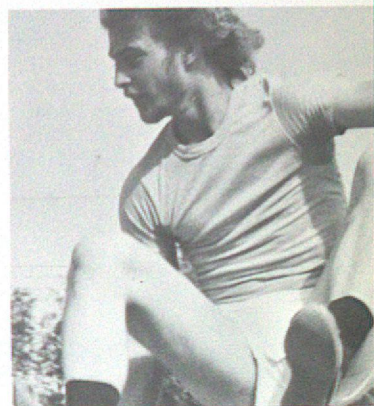

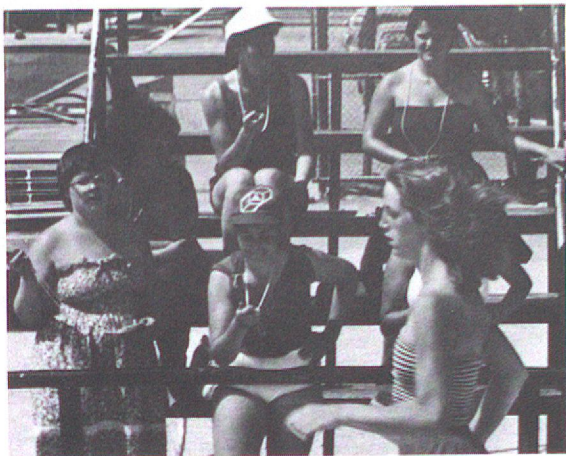

MR. SADLER

#### EDITOR'S NOTE:

Much of our team's success is due to the hard work of the coaches - Mr. Sadler and Mr. Nemetchuck. Also, team photo wasn't available from camera club.

Apologies go to chess club, field hockey and cross-country teams, your efforts were appreciated(!), but your picture wasn't available from the camera club. Same with the grad committee's picture.

#### PRESIDENT'S MESSAGE

Well, here we are again, the end of another year. It is my privilege this year to write this message. Being in charge of Student Council this year has been an experience that I shall never forget. I've learned how to do things this year that I wouldn't have learned otherwise. I've learned that it is more important to work WITH people than to try and do it all yourself. As Mark Twain said,

"Grief can take care of itself;  
but to get the full value of joy  
you must have somebody to divide it with."

I think this is the message that we should take into the 80's. The "ME" decade is over, this is the beginning of the "WE" decade. For those of us leaving Glenlawn, I think it can be said that most of us will miss old alma mater at least a little bit. Think only fondly of your days here, for those are the only memories that are useful to you. It's been a pleasure.

#### REACH FOR THE TOP

The 1979-1980 Reach for the Top team consisted of Alison Baillie, Chris Pommer, Pat Walsh, and Arnel Pagtakhan.

As the flight was in October, the team along with coaches Mr. Entz and Mr. Moor worked very hard in getting ready for the games, practising morning, noon, and night, in addition to many tournaments.

The first game was against Garden City. It was a close game. Glenlawn lost by ten points. Garden City then went on to challenge River East for the flight champions. It was another close game which had to be settled with a tie breaking question. River East won the flight beating Garden City by ten points. Many thanks to all those who supported us during the past year. A special thanks to Alison Baillie for all the secretarial help.

Since November 1979 Glenlawn's junior team has been practising very hard. We wish them the best of luck for the 1980-81 Reach For The Top season.

## PAW PRINT NEWS

The year has come to a close and so has Paw Prints News. I would like to thank everyone who, in some way or another has been involved with the paper. Considering the scarce staff we had to work with, I think the paper was a success and I hope it continues on in the future.

The paper provided a means of communication between the Student Council and the Student Body. It provided a means of communication for clubs, teams, school events, and other such trivia.

It has been a great experience working with fellow students and friends producing a school newspaper. It was a large responsibility which at times I felt like ending. However I stuck with it and I would like to thank Beau Hajavitch for sticking by and doing more than his share of the workload many times.

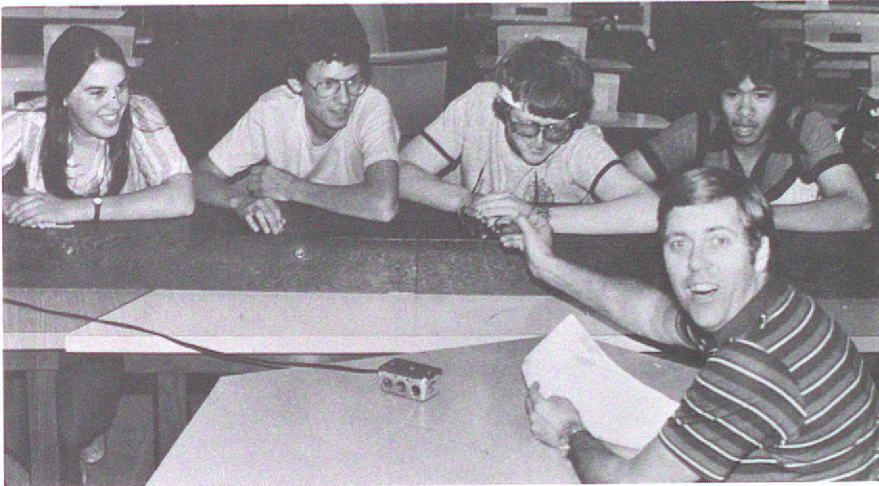

Many thanks go out to the staff, who all did a fine job on the paper. Thanks also to Mr. Wieler for being our advisor. Your time and advice was much appreciated.

In conclusion I would like to wish all a happy summer and good luck to the graduation class of 1980.

# PAW PRINTS NEWS

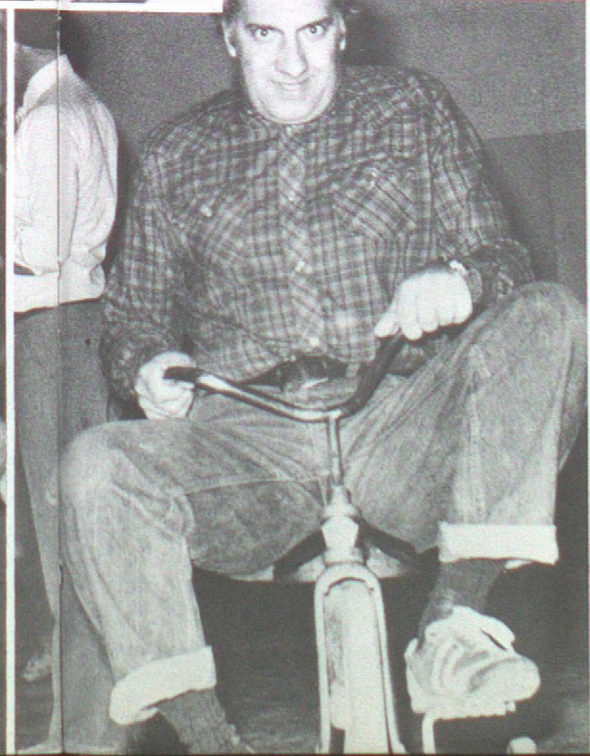

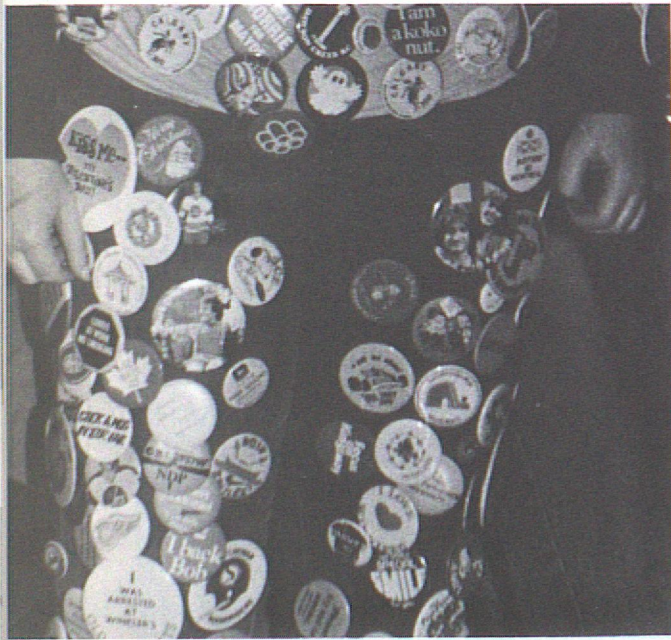

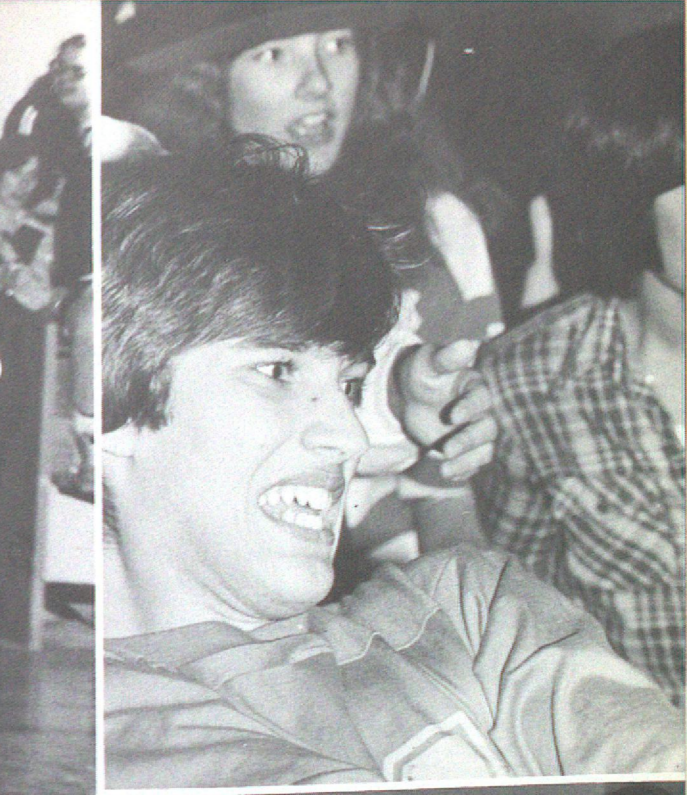

*Freshie day*

Freshie Day took place on Oct. 5, 1979 and kicked off with a big pancake breakfast for all the rookie grade 10's. Frank Roberts of CFRW "blessed" us with an appearance, all the while making comments about this year's "lushy" student council. A type of kangaroo court was held in double G including such fun as throwing a pie in Mr. Keddie's face, an electric chair, spaghetti boots, eggs and more pies. To top it all off a dance with a live band entitled "The City Band," was held. This Freshie Day was just a start of many "Memorable and fun(?)" experiences for the grade 10's and kicked off the year for everyone.

GO F

PEP WEEK

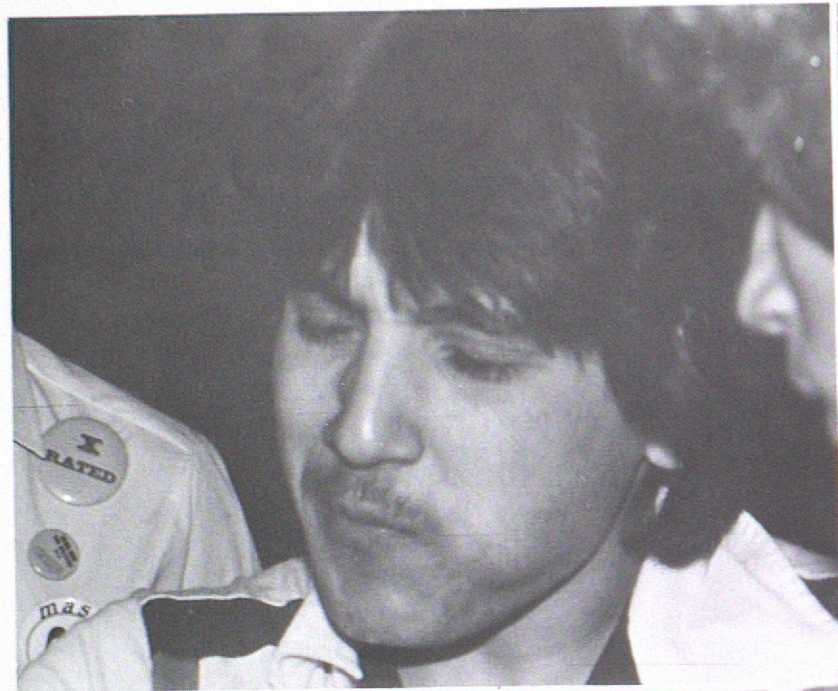

Held, April 8-11, here is a following commentary:  
TUESDAY: This was Clash Day, and was not without its quirks. Because the Pep Week Committee had neglected to station someone outside the Coliseum door during the noon hour activity, no points were given for anyone who was clashing. Also, after the three games were over during the full-hour Indoor Frisbee Football and the playoffs were about to start, the students in the bleachers all began to leave for the still-to-be-explained reasons. Fortunately, because the grade elevens won two games and the twelves one, the elevens could be (and were) declared the winners. At night, a small enthusiastic crowd enjoyed the movies, consisting of Marx Brothers and Three Stooges flicks, and Walt Disney cartoons. There was no Rookie Auction this year, since the Paw Prints News Gallup Poll showed that only 18% of the tens wanted one.

WEDNESDAY: One of the best days in the entire week was Hat and Tie Day. First the grade elevens won the Bubble Gum Blowing Contest, followed by a controversial grade twelve win in the Egg Throwing Contest. Then a presentation was made to Larry Halero, who won the Brain Teaser Contest for the twelves. Finally, the twelves gained another victory in the Spoon-On-A-String competition. The elevens were the winners in terms of attendance at the basketball game in the evening, however. Pitting the varsity girls against KY 58 (who won), there were album giveaways and of course the still (at the time of writing) unnamed robot, the R2D2 clone. Roller-skating was initially planned for this day, but another group had the rink booked.

THURSDAY: There was a slight fiasco on Button Day because it was assumed that the school owned a rope for the tug-of-war. When no rope could be found, one had to be carted in from Norberry, delaying virtually everything (The noon hour activities ran five minutes late, as you recall). The Orange Necking Contest and The Lemon Sucking Contest were done with, though, the twelves pulling in victories for both, and the Tug-of-War brought in a three-way tie, settling nothing and shifting the event until Friday. The Clothes Relay was also postponed until the next day due to a lack of time (and clothes; but read on). The proposed Tally Ho was scrapped due to insufficient weather, so no night time events were held.

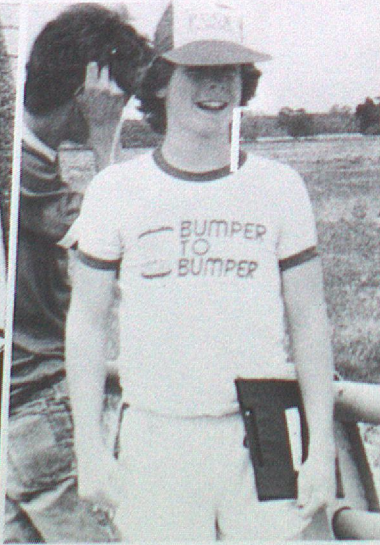

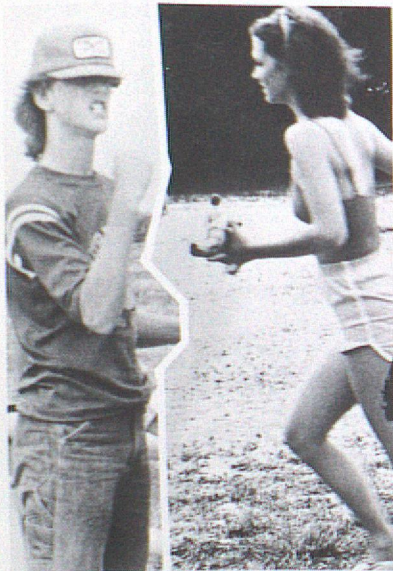

FRIDAY: A first for the school was the all-afternoon Pep Rally. Beginning at 12:20 in the Auditorium, the Bristou Hoppers entertained for about an hour to help celebrate Punk Day. At the end of the mostly 60s music set, John Kendle was chosen by the band in the school's best-dressed punk. He won a copy of The Pumps' album, "Gotta Move," and made the tens proud. In the Coliseum, another first was made when the twelves failed to win the Tug-Of-War finals, relinquishing the spot to the elevens. Because the grade elevens were the only grade to show up the day before with their clothes, they had automatically won The Clothes Relay. However, since the tens still didn't bring them for this day and the twelves managed to, the twelves came second and the tens third. Debbie Simpson et. al. gave the twelves the winning cheer with some altered lyrics to Pink Floyd's Another Brick In The Wall Part II, and Clayton Block and company won the skits for the elevens, who also placed first with their excellent banner. In the Tricycle Races, the twelves scored another victory, as with the elevens in The Beautiful Legs Contest. The elevens also won the newspaper competition, picking up more copies of Paw Prints news No. 3 than anyone else, and gave the school some added enjoyment when they attempted to stuff Mr. Humphrey in a garbage pail. They also won the Fund Raising competition, selling more chocolates and nuts than anyone else, Mr. Watson received a tasty pie in the face for his role in helping with the skits. No night time events were planned.

And the final results? The grade elevens won the week by no more than 600 points, inching the twelves. Way down the race were the tens and won nothing and remained distant third.

### MUNA

On Friday and Saturday, April 11 and 12, Ginny Thiessen and Lloyd Begin attended the 23rd Model United Nations Assembly (MUNA).

MUNA involved high school students from different parts of Manitoba, Saskatchewan, Ontario, North Dakota, and Minnesota. Each deligation represented a country of the United Nations and issues relevant to todays political happenings were discussed. The assembly was run exactly the same as the UN in new York is run. It was a very informative experience.

Next year, there will again be a chance for two students in Grade 12 to attend.

Wednesday, January 30, 1980, in the colleseum was the site of a "politicak rally," so to speak. A member from each of the Progressive Conservative, Liberal and N.D.P., and the Marxist Leninist party came and gave a speech. Each trying to get the vote of our 18 and over students. The politicians were all received and everyone that attended was "enlighted!!!????!!!" A question and answer period was also held.

### CAREER DAY

On March 26, 1980 Glenlawn Collegiate held its' first ever CAREER DAY. Under the organization of our librarian - Mrs. Bowey, many professional people from all walks of life gathered mainly in the gym so students could come and talk to people from all types of jobs. Designed to give grade 12's a place to start their futures, it did just that and was a tremendous success. Some occupations represented were:

accounting, acting advertising aviation apprenticeships,  
architecture, armed forces, beautician, bookkeeper, broadcasting,  
butcher, chef, child guidance, chiropractor,  
C.N.R., dentist, detective, radio announcing,  
engineering, forestry, hotel Management, jeweller,  
journalism, law, M.T.S., marketing, Mechanics,  
medicine, modelling, nuclear careers, nursing, P.E.  
police, Red River Community College, retailing,  
secretarial work, social work, stewardess, travel  
agent, veterinarian, x-ray technology, and all three

Missing: Tom Martyn (10th Level Brawler), Kelly Scott (8th Level Magician), Jim Hare (Smoked), Pat Lee (Deceased in this Battle), Chris Pommer (Bisected in Action).

The quest of these courageous warriors was to conquer endless dungeons, while fighting massive dragons and overcoming the blackest of Black Magic Spells. The D and D club met every lunch hour in room 243 to play this game of imagination and fiction. We would like to thank you staff advisor Mr. Entz who kept our group in the building.

GRAD 1980

## *valedictorian*

Honoured guests, parents, teachers and fellow graduates:  
I am honored to be here tonight to represent the graduation class of 1980. After being told that I had been chosen as valedictorian, the first question I asked myself was, "Where do I begin?", and "How can 3 years at Glenlawn be crammed into a short speech."

To be quite honest, for several days I avoided writing my speech. Nobody likes good-byes, so even now I'll procrastinate a little bit longer as we share some of our experiences over the past 3 years. Glenlawn seems so huge as we wandered through the hallways with a map on the first day of our grade 10 year. As we searched for our lockers and classrooms we weren't quite sure where the next hallway would lead to. We can also remember the many students who sat in class for half-an-hour, before they realized they were in the wrong class.

The first day of grade 12 seemed like yesterday. After the Christmas holidays; the teachers really shocked us with talk of universities, community college, and what we plan to do in the fall. There are so many clubs and activities of Glenlawn, that they cannot all be mentioned here. I'd like to thank the teachers so much for their time and effort.

In a special way I'd like to thank the Student Council for their efforts in organizing school activities. Even though the dances were often poorly supported by the student body, your efforts were appreciated.

A big thanks must go to Shannon Elliott, editor of your yearbook, who we all know worked hard.

I'm sure none of us will forget the Pep Week activities such as tricycle races, punk day, and the spirit each grade nine had when they yelled out their cheer at the assembly.

I'd like to thank Glenlawn's coaches. Because of them, many of us shared the thrill of winning a game that seemed impossible, but more often they cheered each other up after losing!

Also, a special thanks goes to the Home Ec. teachers, who willingly, took on the field hockey team, even though many of us knew more than they did - and believe me that wasn't very much.

Glenlawn's track team got into full swing this year. It was so much fun teasing those who came to class with wet hair after a practise - knowing that you had an extra hour of sleep and they hadn't.

Mr. Humphrey headed the organization of the grad dinner and dance. Without him I'm sure many of the little things would have been forgotten. Looking back: the candle sales, car washes, and roller-skating parties, helped to bring us a little closer together.

Many of us will miss Glenlawn's crazy cafeteria and the tomato, cheese, and lettuce on brown.

We'll miss the principals and secretaries who have been working long hard hours to get all of the awards ready for today - and they're still smiling!

We'll miss the cheerful custodians who worked so hard to make sure that the floors were shiny after Christmas and Easter vacation.

And the Audio Visual department, who made sure that the teachers always had enough copies of those miserable tests and exams!

There is something that makes Glenlawn special for me. So many students, teachers, and staff members at Glenlawn, even if they don't really know you, they'll still give you a friendly smile and say hi in the hallways. Glenlawn is made up of many different type of teachers . . .

Some teachers are always insisting that assignments meet the exact deadlines and that you never come late to their class without a late slip. Even though we didn't really appreciate this at the time, we can look back now and be glad they did!

Even those teachers that we really didn't get along with, taught us to have patience.

The teachers who joked around with us, taught us that hard work can be fun too.

I don't like to say that one teacher is better than another. The Glenlawn teachers complement each other.

We have 3 wonderful teachers leaving this year - Mrs. Gemmel, Mrs. Lyons, and Mr. Raimbault. After having had Mr. Raimbault as a teacher for 3 years, I'd like to say, "Merci pour tous que vous ave fait pour nous et bonne chance!"

In a special way I'd like to thank our parents, families and friends who have helped and encouraged us. Especially last Thursday - Many mothers baked for the garden party and dashed off to the florists' because we were too busy doing everything else.

And our dads who gave us the car to decorate, even though they feared they'd need a new paint job.

Through the tensions of exams and research papers you stood by us. Thank you so much.

I'd like to wish the best of luck to the high school program graduates, many of who will be continuing their schooling in the fall.

Also the Business Ed. graduates. Now that you look back you've come a long way from the first days of grade 10 typing with FFF space JJJ space . . . And the modified high school graduates set out a good name for Glenlawn through their work experience projects.

As we say good-bye to our high school years, we can sit back and hold our heads high - looking to see what the future holds for us. Good luck to you all and thanks for everthing.

This year's dinner and dance for the grads, (i.e. "GRAD"), was June 19, at the Marlborough Inn. After everyone had done all their running around, and making themselves "beautiful" our day started at Kelly Scott's Garden party at 2:00-3:30. Car Decoration contest at the school was held at 4:30, winners being Bert Meakin, Jeff Ward and Monika Klaus, for Most Effort, Best School Theme, and Originality, respectively.

Drinks at 6:30 at the Marlborough, dinner around 7:15 (who's number is next??), speeches, and then dancing till 1:00. It was great and I'm positive no one will forget it. Thanks go to grad committee for "doing it all," especially Ramona (head of the grad committee) and Mr. Humphrey.

*the clock* by DREW BLACK

The room had different features, each disliked and in our way.

The maps screaming knowledge, and the teacher with seas to say.

His blackboard, choked on chalkdust, looking like a strming sky.

But the exception to this (our length list) hung on the wall up high.

Our minds weren't on the lesson. They were all supposed to be

Somewhere between imagination and reality.

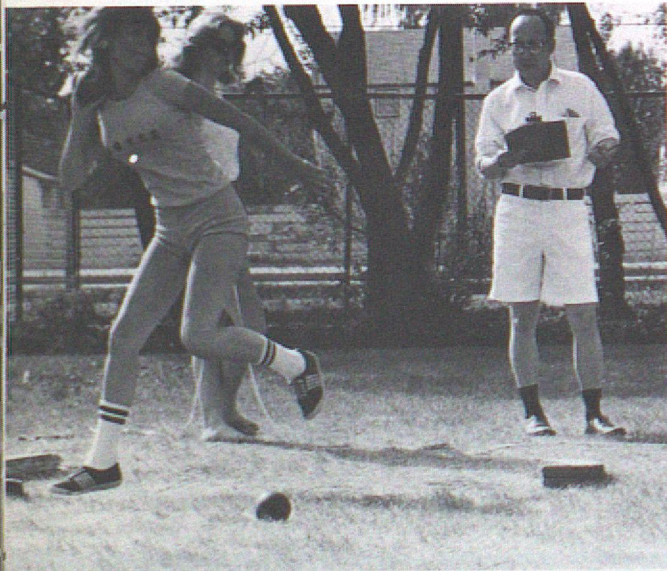

Something like a snapshot half developed, half displayed.

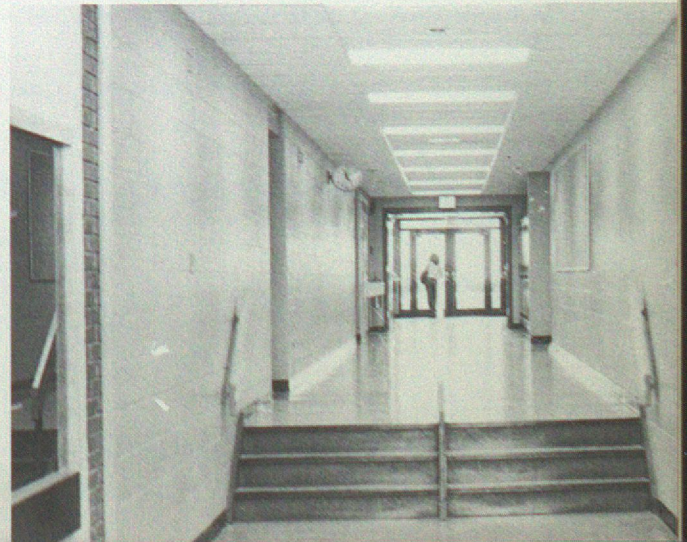

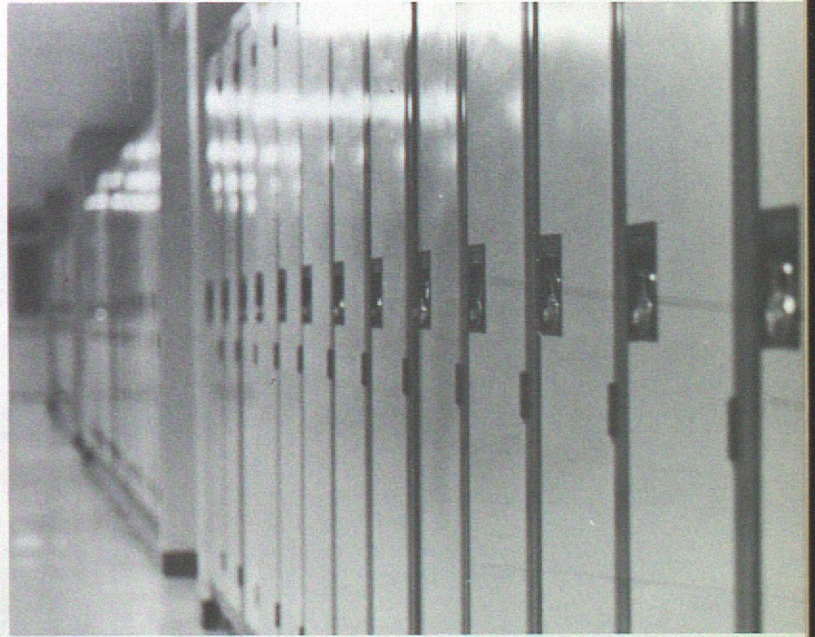

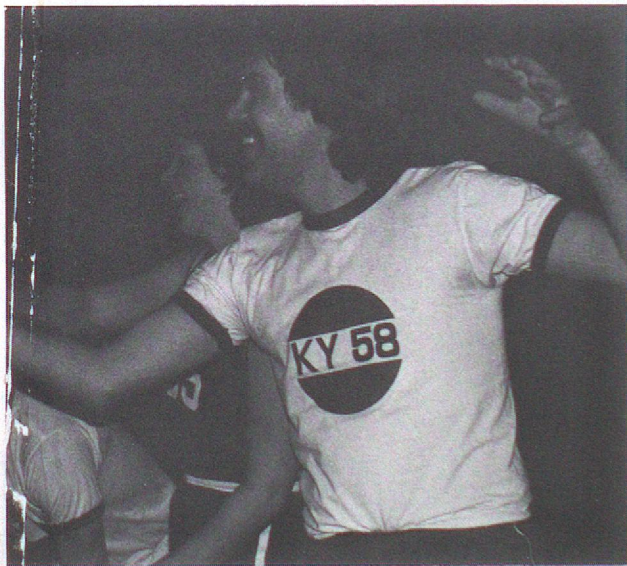

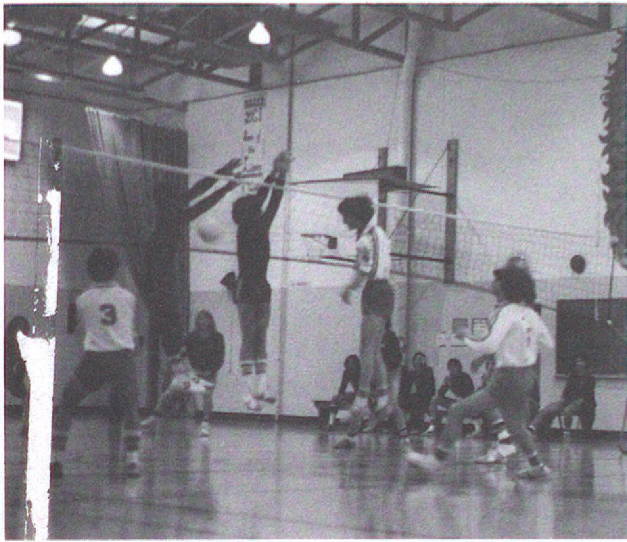

No, our thoughts were on the clock as if counted the minutes away.

The clock had been our savior, the sign to set us free,  
But now we ware much older; those deceptions we now see.

The clock is but a clock, with no important information.

It is ourselves who may deliver us, or sentence tribulation.

## *Editor's message*

Well it's over. Yahoo!

I think I've just about expressed the sentiments of everyone! As for everyone's feelings about the 1980 edition of Paw Prints, well . . . There have been a lot of new things added and a lot changed. Of course some won't like and some will. I tried my best.

This year was a good one but in terms of the yearbook there were many problems. Lack of staff for one. But I learned a lot through these problems, like if you want anything done you usually have to do it yourself. Mr. Pearce said to me the other day; "A yearbook editor's job is like an iceberg, only 10% is seen while the other 90% is hidden." So true!

I don't want to sound resentful, because I did enjoy the long hours in my office pasting, doing layouts, typing, and even working in the darkroom. Thanks to the few people who did help, and to those who didn't I hope you enjoy our efforts and help next year's editor, to whom I wish much luck to.

Good luck to the class of '80, and everyone else. G.C.I. was fun.
