# Terry Fox Run

Approximately 250 runners, walkers and bikers participated in this event at St. Vital Park on September 19, 1982. Glenlawn collected over \$12000.00 in pledges, making it a success two years in a row. The people who participated did so for fun and fitness, but mostly to show respect and admiration for one man's courage. Terry Fox had a goal and a dream to fulfill. His dream, to run across Canada ended . . . with less than 2000 miles to go. We will all remember the courage and determination of Terry's, that has left an imprint on all of us. His final words which touched our hearts will be remembered—"Somewhere the hurting must stop . . ."

The senior girls cross country team had another excellent season this year. For the second year in a row we captured first place in the Cloverleaf Conference by narrowly defeating Dakota Collegiate. The team went on to the Provincial Championships which was held in Winnipeg, and placed fourth with 99 pts. The team wishes to thank our coach, Mr. Pearce, for his support.

The 1982 cross-country season was very successful for the senior boys. They won every meet to capture their second straight Cloverleaf Championship. These meets were held at St. Vital Park, La Barriere Park and Birds Hill Park. The courses and cold weather made the meets very challenging. The team also represented the Cloverleaf Conference in the Provincial meet at Little Mountain Park. The team finished third with Glen Redpath winning the senior boys' race. To say the least it was a very successful year for our senior boys cross-country team.

# Halloween

On October 29th we celebrated Halloween at school. Students dressed up and the costumes were judged. Each person in costume received five points for their grade. This would go towards pep week total. The grade 10's received 475 pts., the grade 11's received 290 pts., and the grade 12's pulled up the rear with 660 pts.

This years F.B.V.B. Team got off to a slow start losing at home to Dakota in the league opener. However the boys had a fine finish defeating Massey in the semi-finals and went on to play Ft. Richmond for the championship losing in three well played games. Congratulations on a fine year. Mr. Bagley and Mr. McCormack

The 1982 Varsity Boys Volleyball season could be considered as disappointing and inconsistent. Disappointing in the sense that they had enough talent to win more games than they did; and inconsistent because they could win the first game of a match handily, and lose the next one just as easily. Despite their inability to make the play-offs in the Cloverleaf Conference, the team played well in tournaments. The 82 Lions will have to lose five players to graduation, thus leaving a strong nucleus for 1983.

This year's Freshman Girls Volleyball team won the league championship by defeating Fort Richmond Collegiate three games straight in the finals of the Cloverleaf Conference.

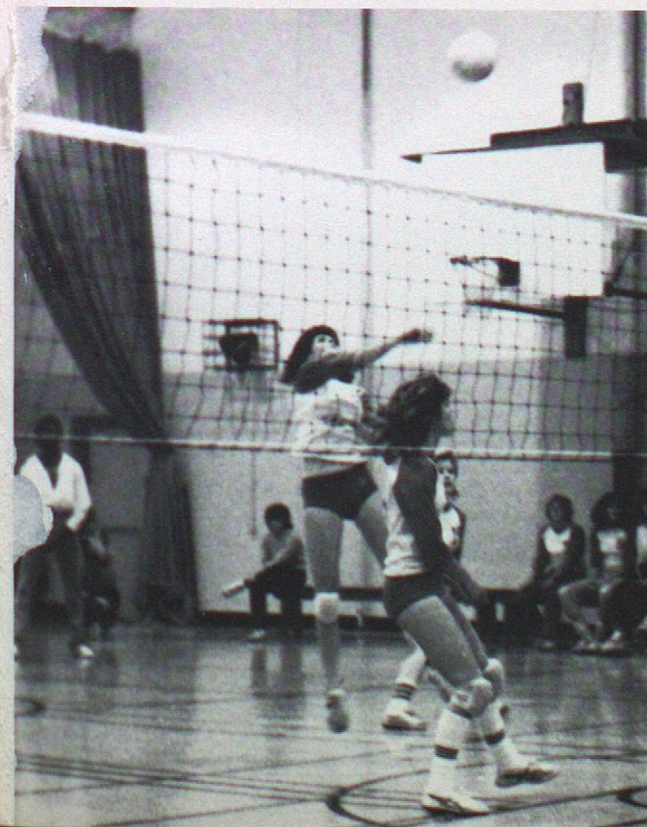

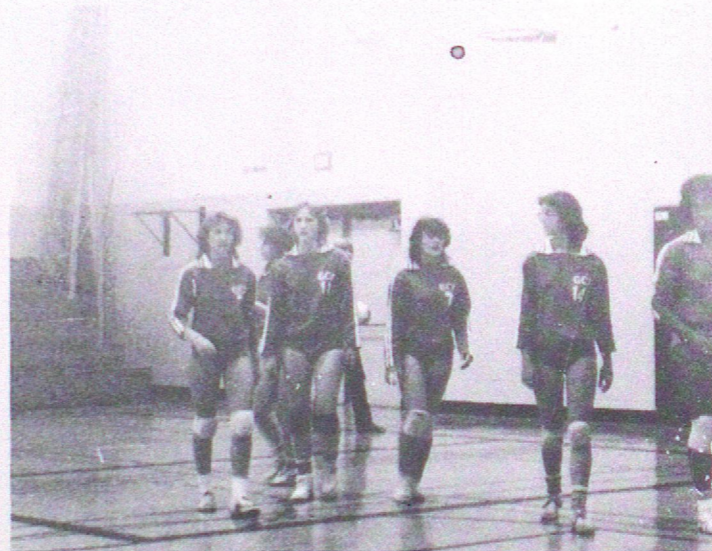

They had many accomplishments. One of them was:

Champions of the Steinbach, Sturgeon Creek and Glenlawn Junior Volleyball Tournaments.

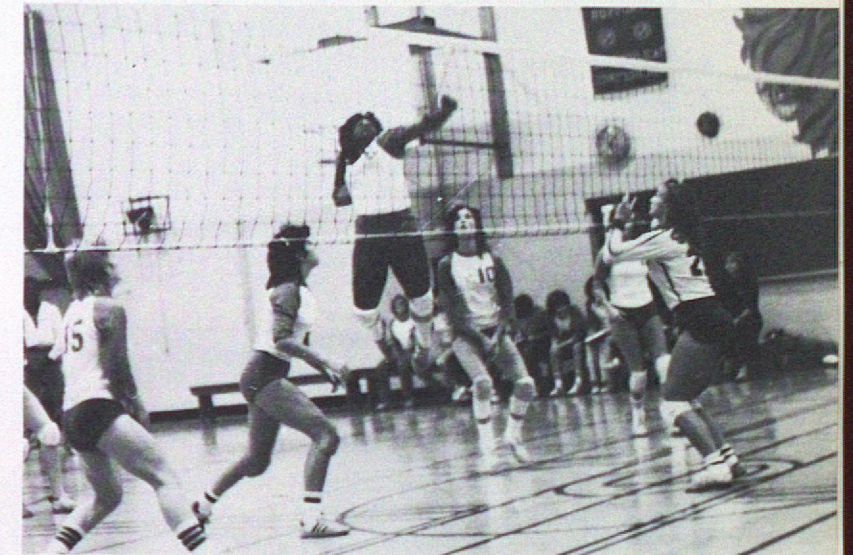

Their effort and dedication to volleyball enabled the team to accomplish this record of high performance. Keep your expectations high and continue to work diligently in pursuit of the Varsity Crown.

Thank you to the coaches; Val Newmann and Ramona Mazur for a job well done!

We had a good season this year thanks to our coaches Mrs. Heather Scott and April Von Platen. Our highlight was our weekend in Saskatoon with the Varsity Boys. What fun!! The team placed second in the cloverleaf conference loosing to Dakota in the semi finals. The Varsity Girls competed in five major tournaments and won the Mennonite Brethren Tournament. Once again the team would like to thank Heather Scott and April Von Platen for all their time and effort which led to our successful season.

# Curling

Winning Curling Team To Right—Peter Ekosky, Richard Kowa, and Jerry Hawley. Missing—Sharon Dare

The Glenlawn Curling Club enjoyed another successful year in 1982/83. The trophies were given to the team which accumulated the most points in a competition with rinks from both Glenlawn, and Windsor Park Collegiate. The rink of Richard Kawa, Peter Ekosky, Jerry Hawley, and Sharon Dare won the Grand Aggregate. The Runners Up were Ken Stanley, Ken Nord, Dawn Huth, and Debbie Wolfe.

This year's Geography 200 and 201 classes' trip to Carberry Desert was a fabulous success considering the fearless leader was Mr. Humphrey who came suspiciously close to missing the bus.

The students braved a hike through the desert and sand dunes as well as swimming in the Assiniboine River! They even survived mapping a "treacherous" gully and an even more "thrilling" stream flow. This group should be proud because no one even got lost, died of heat stroke or thirst, and only one person found a woodtick!

# Pep Week—School Spirit Rocks on!

April 5 to April 8 was Glenlawn's Pep Week. Although many of the old events were included, this Pep Week contained many new activities. The traditional bubble blowing, lemon sucking, spoon-on-a-string, cheer, banner, tug-a-war and chug-a-lug contests were all great successes. The familiar Color Day, with grade 10's wearing white, the 11's wearing grey and the 12's wearing red for the Pep Rally also received a good response. The new events were much fun for the participants and the spectators. The blueberry pie eating contest left its participants blue and full. The mummy wrap gave the students a chance to cover their favorite teacher with toilet paper. The Air Band contest let each grade play its favorite group's music loudly in the Colosseum. The funniest event, however, was the boy's beauty contest. Boys from each grade demonstrated their poise, talent and beauty before a colosseum of laughing students and teachers. Formal Day saw students attend school in their Sunday's best. MASH Day, to commemorate the end of the series, caused many wounded, surgeons, Klinger's and Hawkeye's to appear at school. The competition was tough, but the grade 12's won the week. The grade 11's closely followed, and the grade 10's placed third.

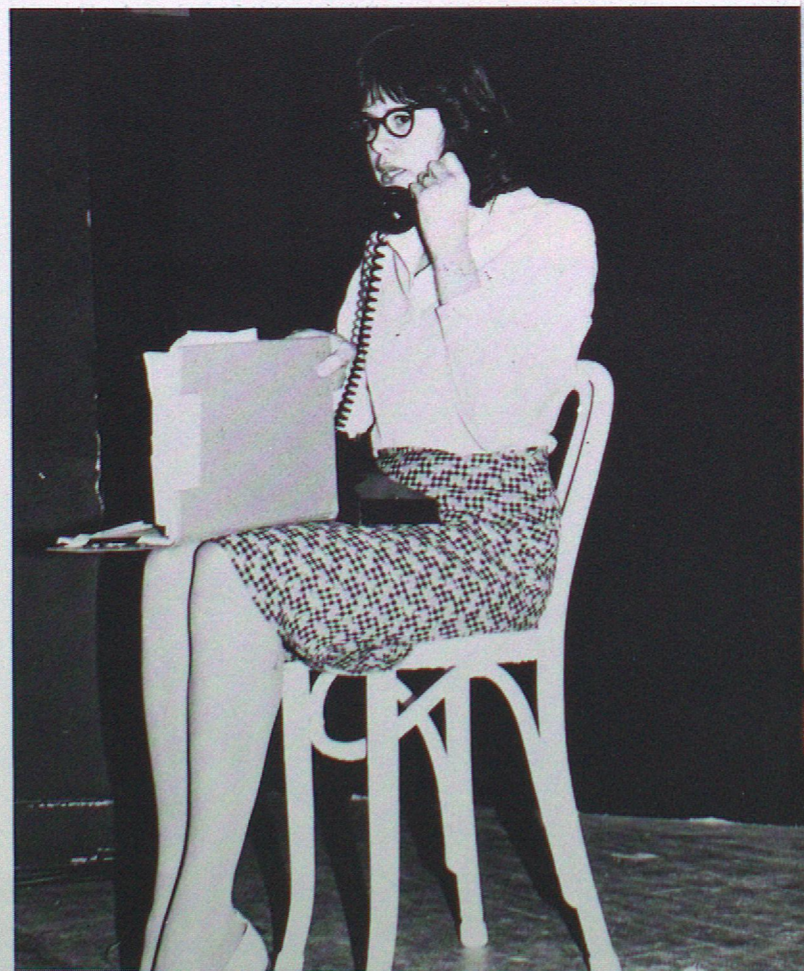

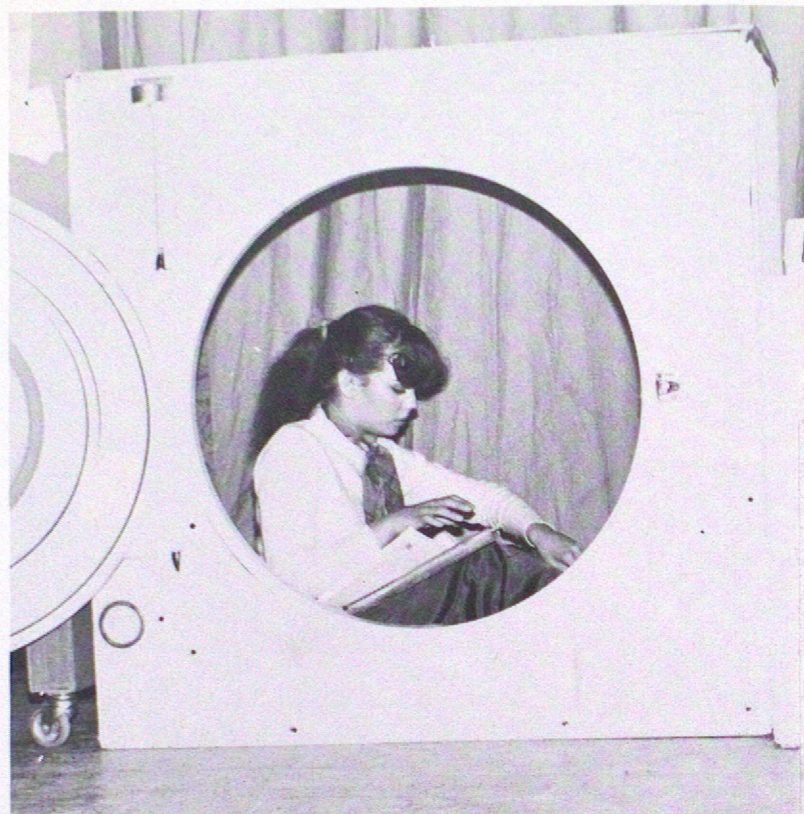

# More Pep Week

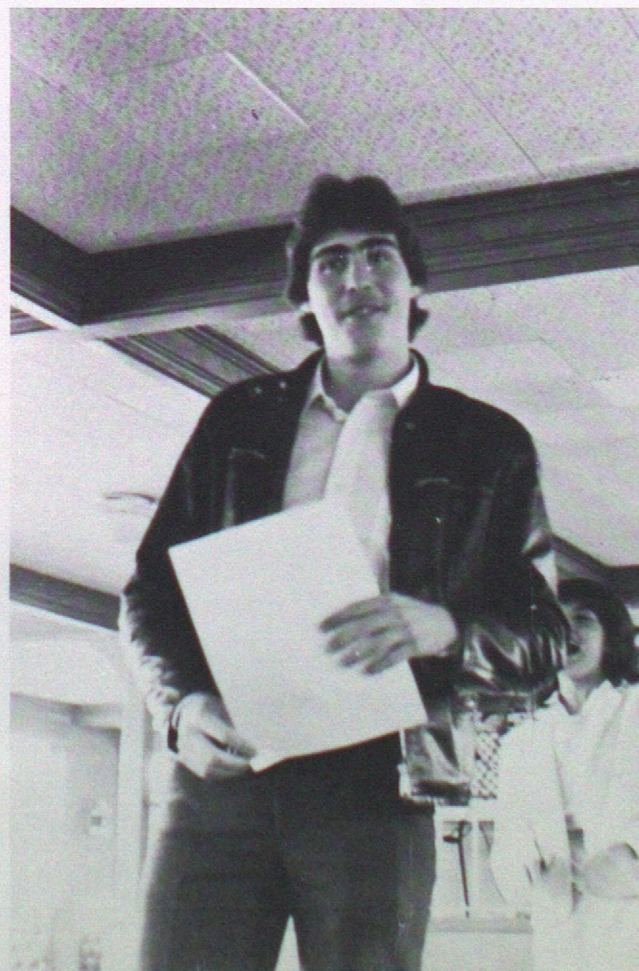

# Rinse Cycle

Glenlawn's first theatrical production in ten years was performed in the Spring of '83. "Rinse Cycle" was a story dealing with high school students in the 1950's. It was performed at the Drama Festival on May 16 and in front of 2 very enthusiastic crowds on the 18th and the 19th of May!! It was a smashing success! Special thanks to Mrs. S. Quinton for her expertise and hard work that went into "Rinse Cycle". Also a special thanks to Glenlawn's staff for being so helpful and supportive.

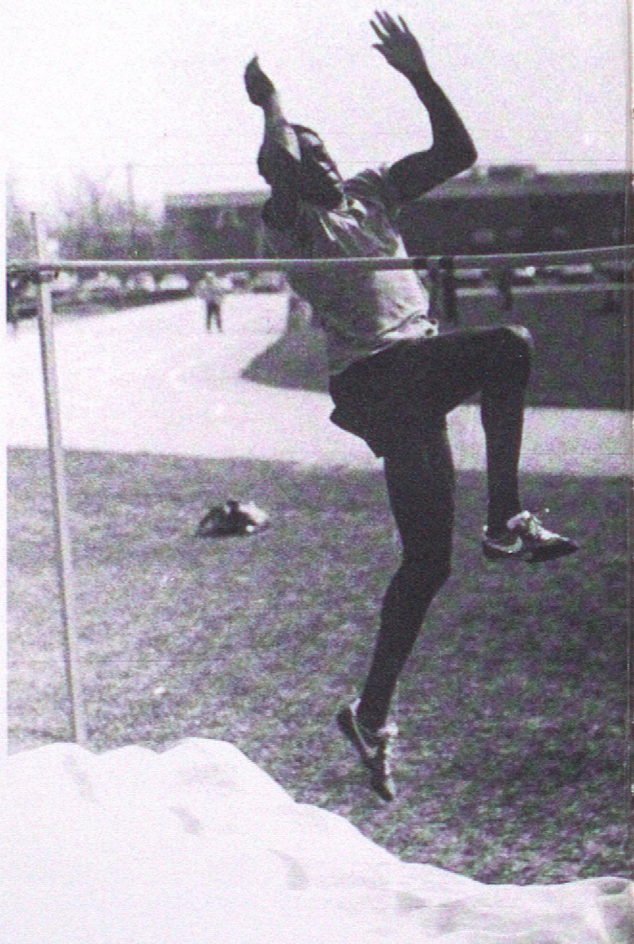

## Glenlawn Students Show New Brunswick a Good Time

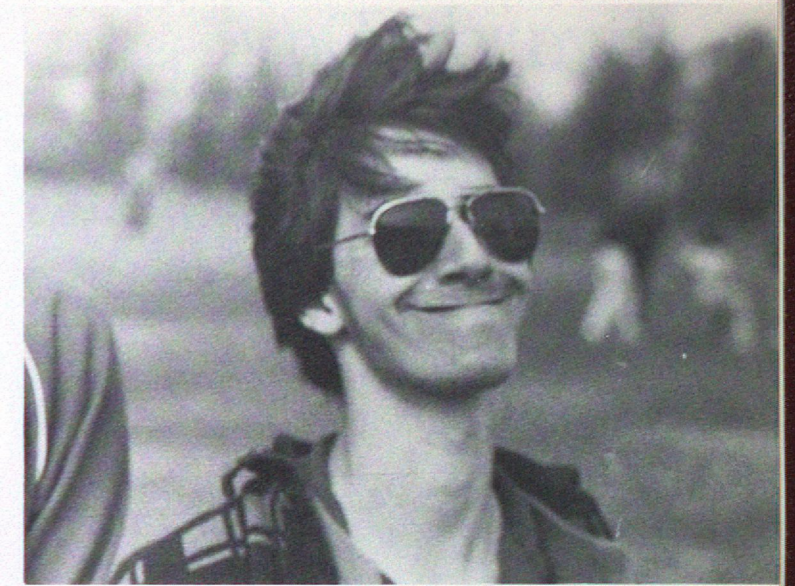

May 10th was a special day for 52 students from Ecole LaRencontre and Glenlawn Collegiate. It was the beginning of the Winnipeg-Neguac New Brunswick student exchange. In six short days we tried to show our guests the many "exciting" attractions in Manitoba. Some of these were the planetarium, the museum, the zoo, the mint, old St. Boniface, Lower Fort Gary, the commodities exchange and even a trip to the James Valley Hutterite Colony. Even though most of us were exhausted after long days of touring, we found energy to show our visitors the "night life" of St. Vital. We went to parties, a 3-D movie, a river boat cruise, a pot luck supper, and a barbeque. Late on the night of May 16, we bade farewell to our new friends knowing soon we would be tearing through the streets of Neguac with our chaperones Mrs. Svienson and Mrs. Hyde hot on our heels.

# Track and Field

This years Glenlawn Track Meet was once again a roaring success. The weatherman did not co-operate too well, as he gave us cold and windy weather, but we toughed it out! We had a good number of students participating in the track events and also assisting in timing and other work that goes into making a smooth running track meet. An extended thanks goes to Mr. Gertner for putting things together and keeping them together.

This year marked one of Glenlawn's most successful showings at the Cloverleaf Track Meet, held at the University of Manitoba on May 26, 1983. All four of our teams—Freshman Girls, Freshman Boys, Varsity Girls and Varsity Boys were the Cloverleaf champions. Congratulations to all the athletes who made our showing most successful. Special recognition goes to the coaches, Mr. Sadler, Kullman, Mr. Pearce, and Mr. Nemetchuk who were the true backbones of our successful teams.

# More Proud Trophy Holders

The look of gratification and pride gleamed across the faces of the chosen Glenlawn students who were presented with athletic awards for their achievements throughout the 82-83 year. Keep up the good work.

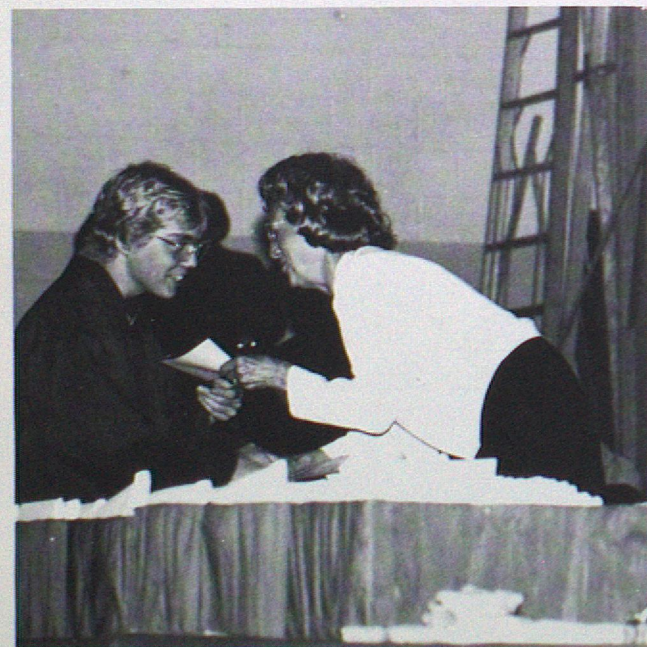

# You've Done It!

As you can see these people are quite proud of their achievements and I mean who can blame them!!!

In June, Glenlawn held its annual sports awards day in the coliseum. At this time, many athletes and coaches were recognized for the time and effort they gave throughout the year in various activities.

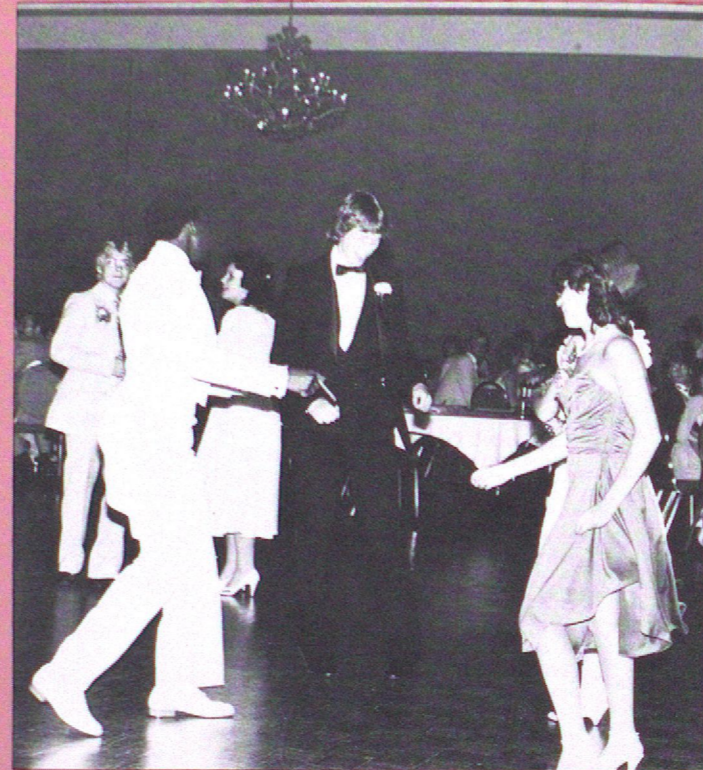

# An End and a Beginning

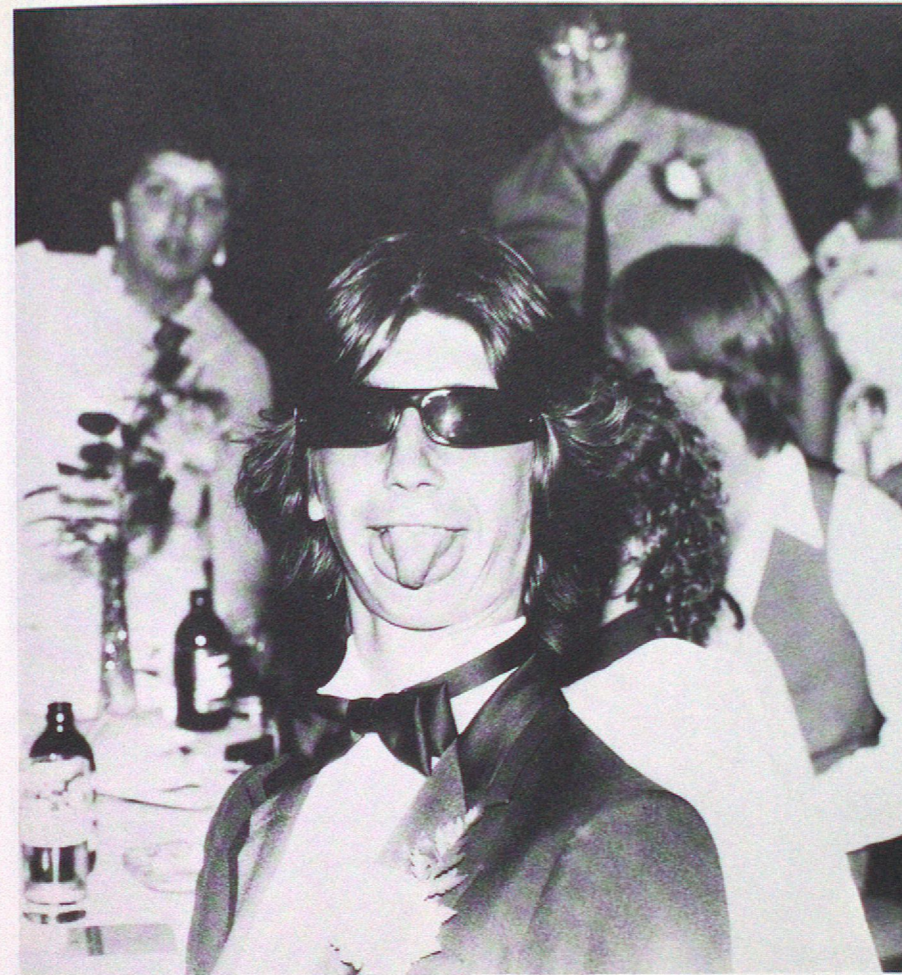

On June 24, 1983, the grads unwound after their final exams and joined together with the teachers for a dinner and dance at the Marlborough Inn. The food and music was excellent, and nothing but compliments flowed from the mouths of all who were in attendance. When the lights went out at the Marlborough Inn, the party was just starting for most of the grads, as the teachers went home to catch their "beauty rest". The grads joined together at various locations and partied till dawn. Special thanks to Mr. Humphrey and the Grad Committee who worked hard throughout the year to make this evening a successful and memorable grad.

# Good Luck Graduates

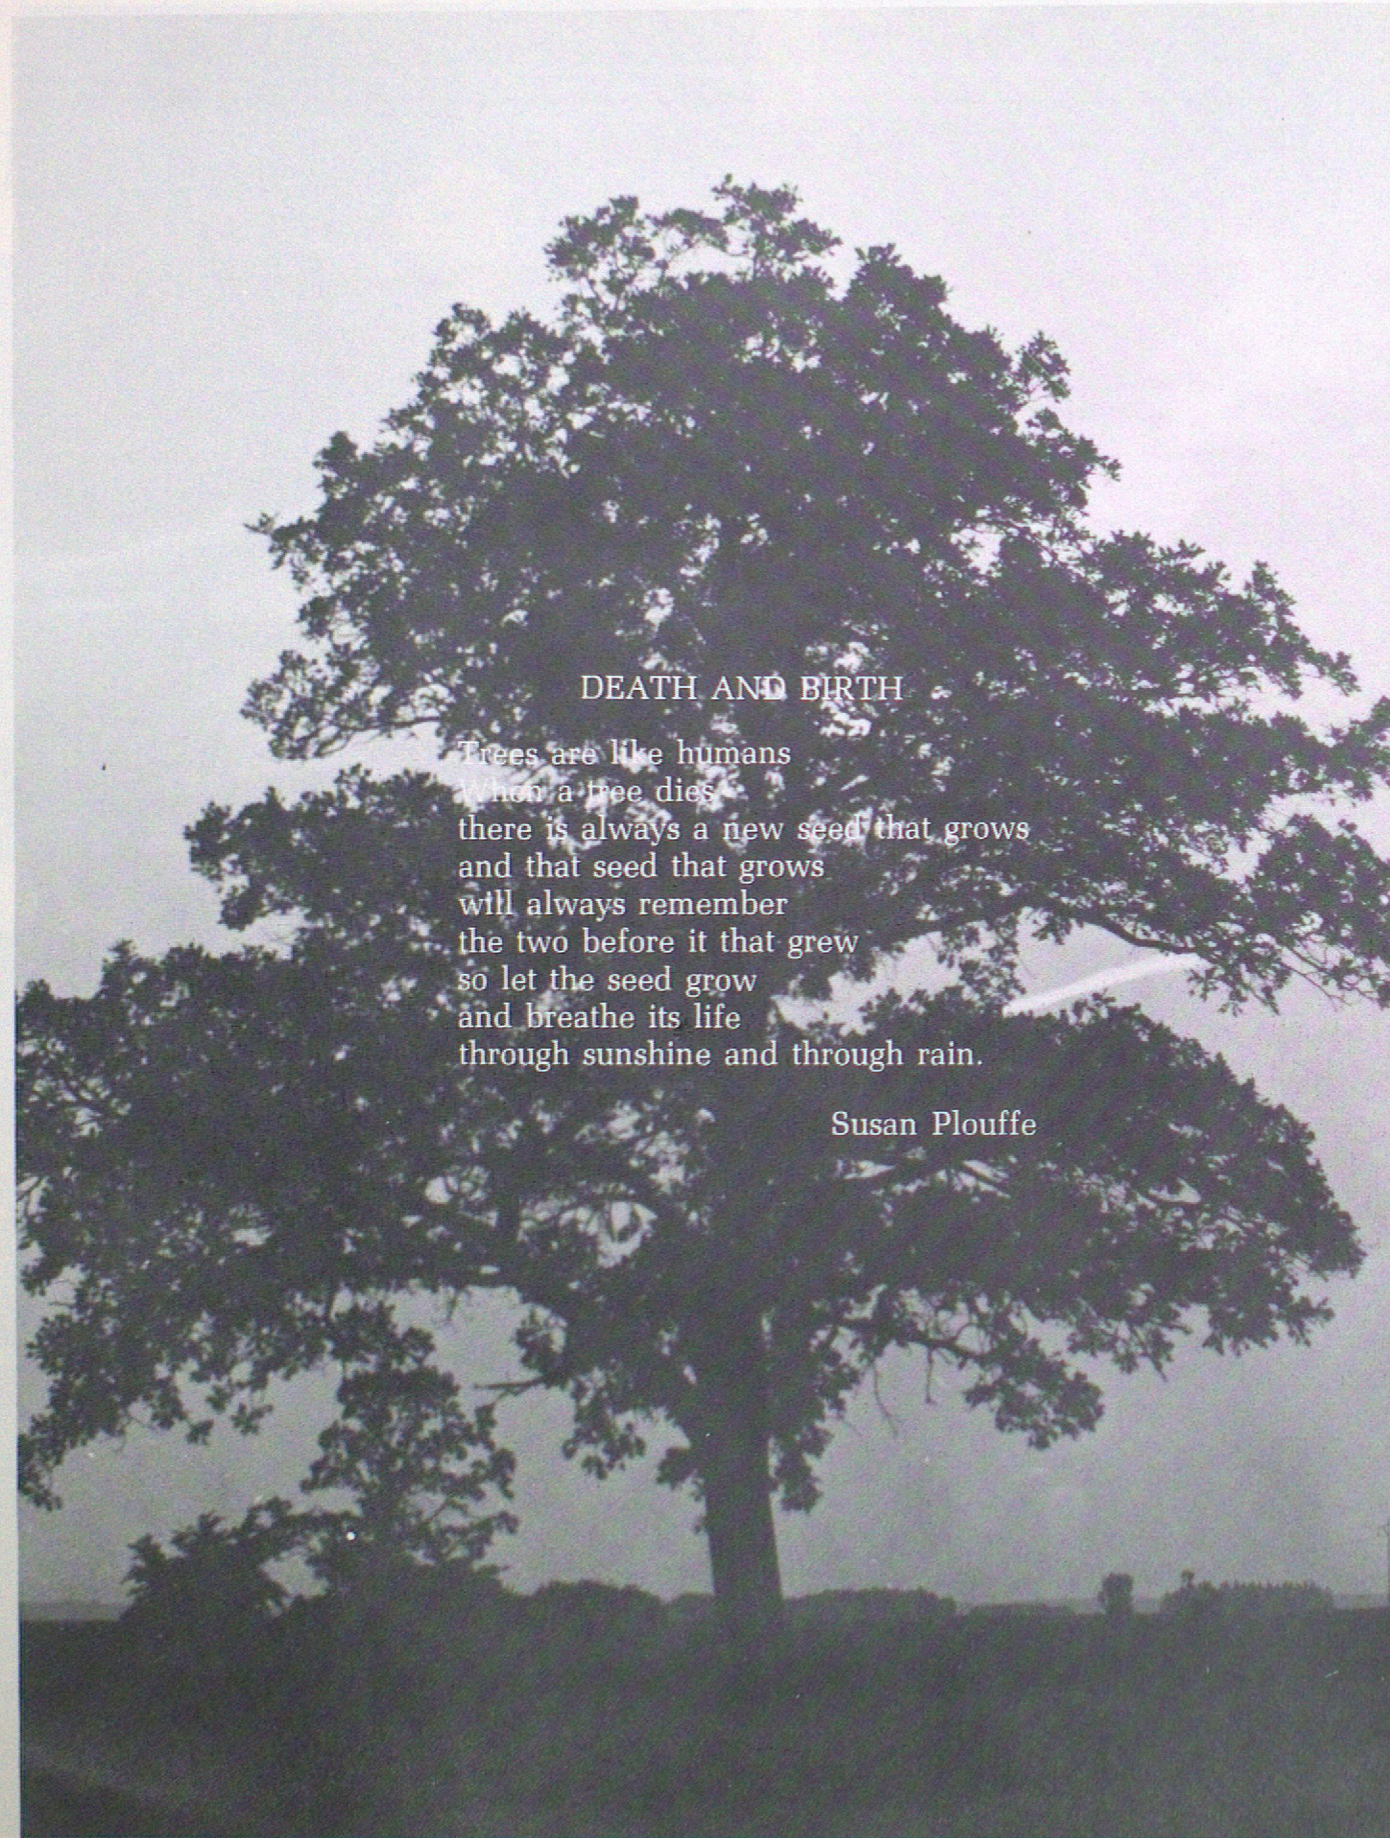

On June 30, 1983, the Class of '83 gathered together for the last time. It was a happy yet a sad occasion as each individual marched up in their burgandy gown to receive their diploma. Silence fell upon the gym as Terry Armstrong gave the valedictorian speech. Everyone will remember the moment when Mr. Moor told all the grads to stand up and give their teachers and parents a hand! Graduation seems to make the graduate feel "all grown up" and afraid of what the future holds. Whatever does happen, remember to take each challenge as it comes, get what you want, and enjoy it when you do get it.

GOOD LUCK!

# Reunion

In May 1983, Glenlawn celebrated its 60th anniversary. Former students and teachers came from as far away as California, Paris and London to attend the event. The reunion itself began Friday evening, when former students came to the open house at the collegiate. People were directed to the Colosseum where souvenirs—T-Shirts, spoons, stuffed lions, memory books, cookbooks, etc.—were available. The Colosseum was decorated with posters done by the art students. From the colosseum, the alumni dispersed to rooms containing memorabilia. There were also rooms set aside for each graduating year. Attendance at the open house was over 2000. Many old friendships were renewed. Saturday evening 1400 alumni and guests enjoyed the dinner and dance at the Convention Center. Masters of ceremonies Murry Parker and Verne Prior made the evening more enjoyable. To wind up the weekend, on Sunday morning Norberry (the former Glenlawn) hosted an open house followed by a church service.

DEATH AND BIRTH

Trees are like humans  
When a tree dies  
there is always a new seed that grows  
and that seed that grows  
will always remember  
the two before it that grew  
so let the seed grow  
and breathe its life  
through sunshine and through rain.

# Student Council

Above: Top Row—Joanne Quinton, Reva Elmhurst, Carol Essenburg, Mr. Keddle, Theresa Hanson, Christine Erlandson. Bottom Row—Michelle Stephenson, Karen Barker, Karen Kellar, Leela Sitaram

We would like to thank the Student Council for their hard work and dedication and congratulate the group for the success of the different activities that they provided for the students throughout the year.

Yearbook staff: Top Row—Annette Giguere. Middle Row—Mr. Kullman, Megan McMillan, Elan Levine, Lisa Rajotte, Mr. Sakiyama, and Dave Stanko. Bottom Row—Carol Reimer, Kim Grieve, Michelle Stephenson, and Jess Dixon. Missing—Bonnie Chorley and Ginette Normand.

Still Life, the 1983 edition of Glenlawn Collegiate's yearbook was printed by Inter Collegiate Press of Winnipeg. The book consists of 104 pages that are printed on glossy paper. All headlines are done in mallard italic and the body copy is done in mallard.

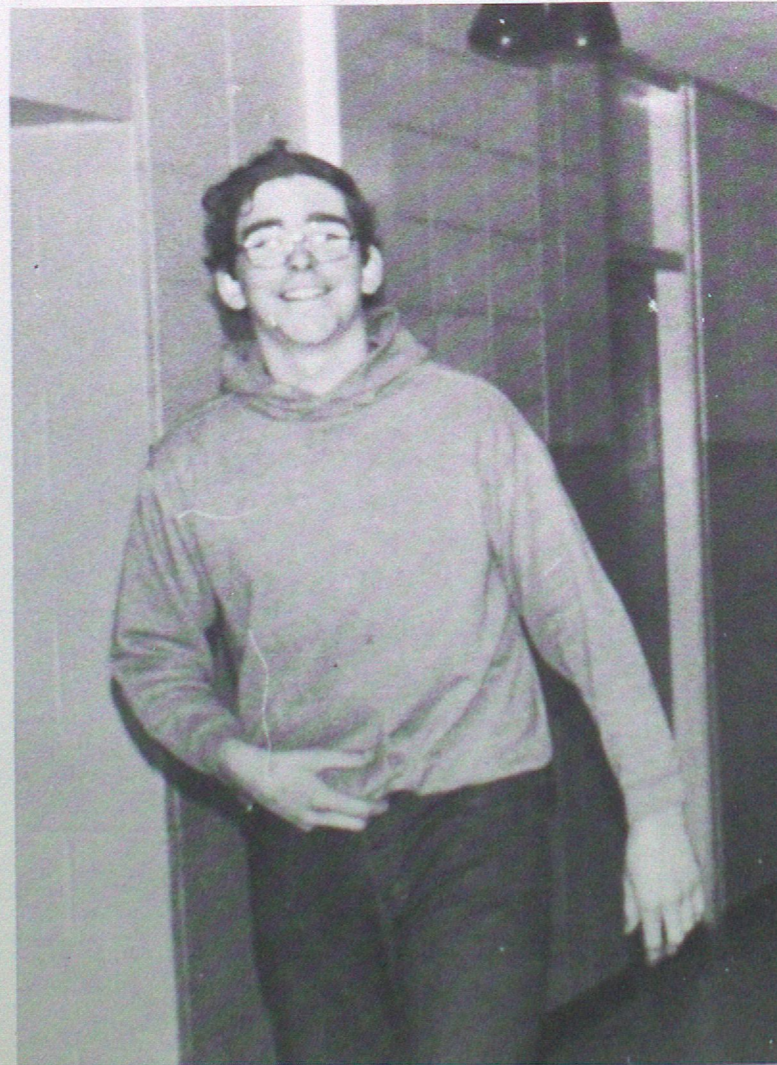

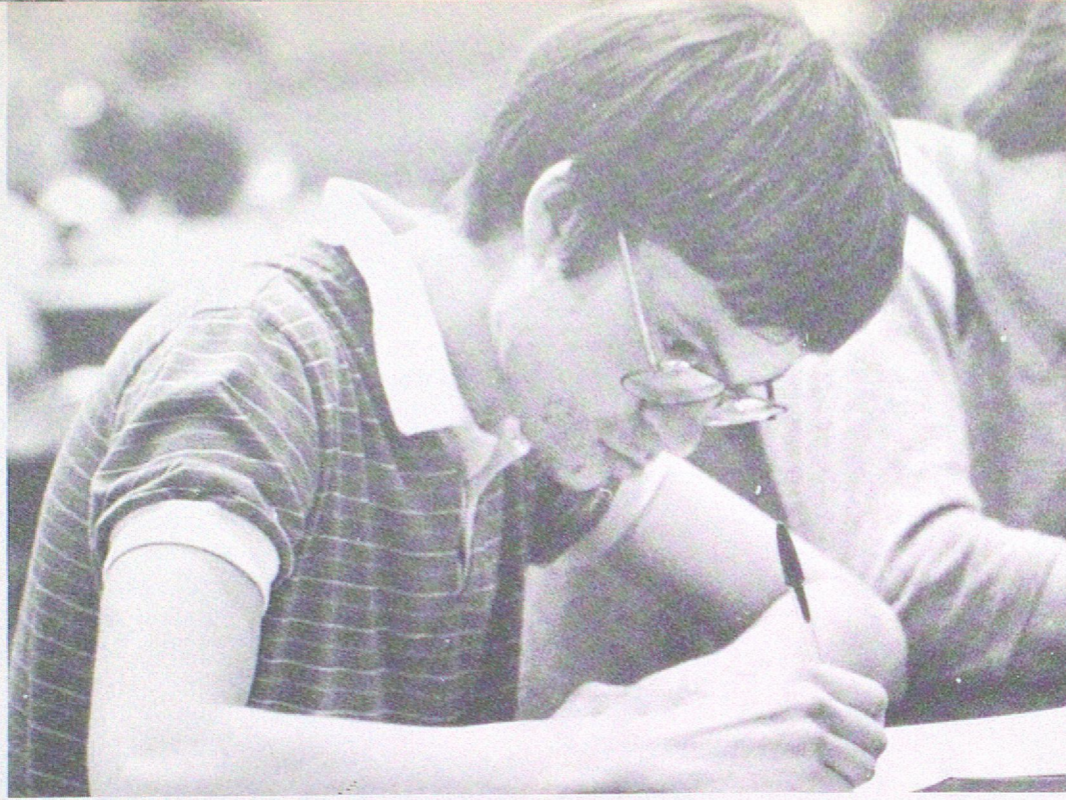

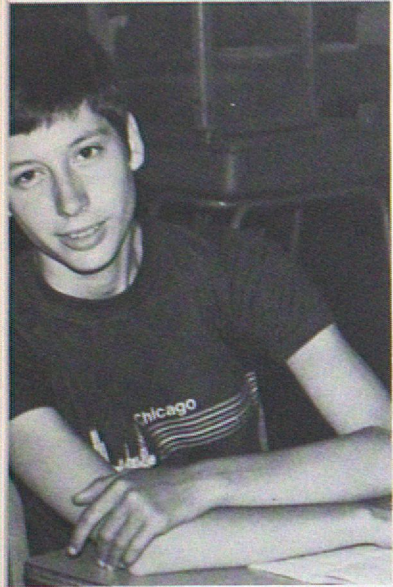

The cover design was done by Brad Kavanaugh, a grade twelve art student, and the bordering was a style design chosen by the yearbook staff from the ICP designs.

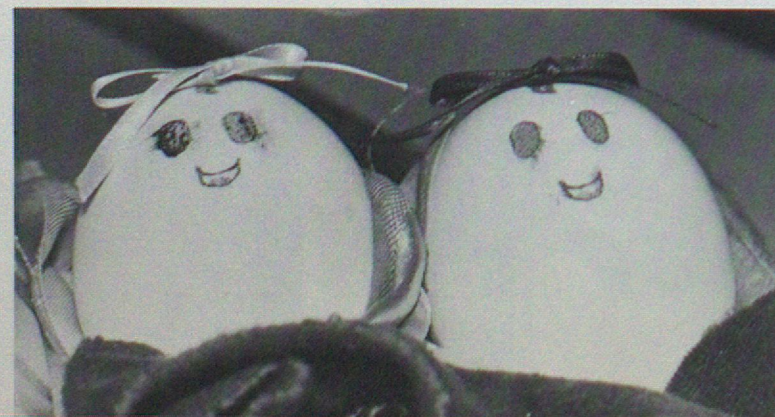

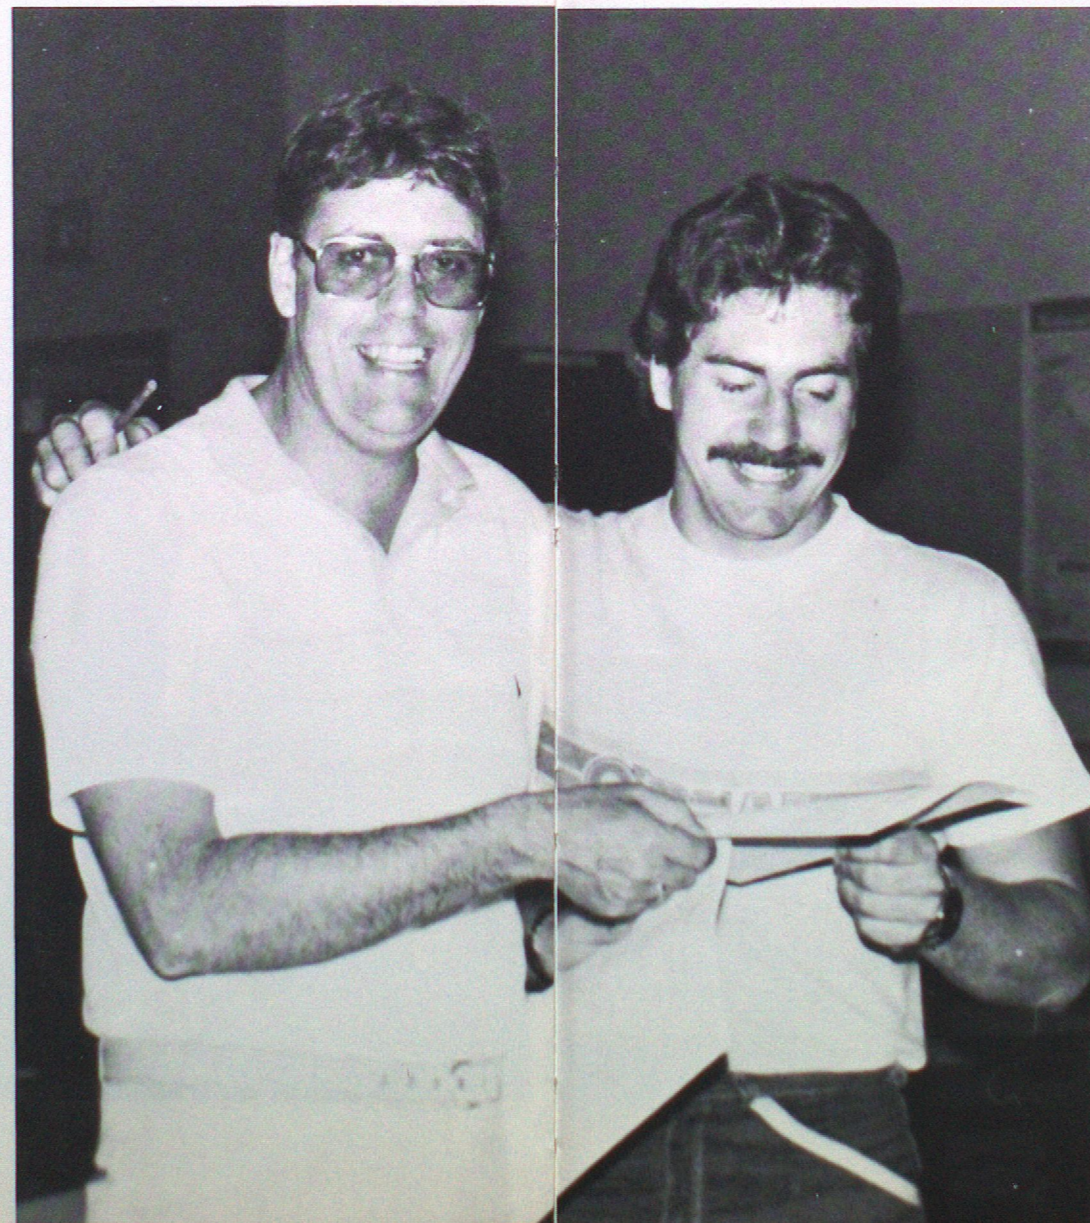

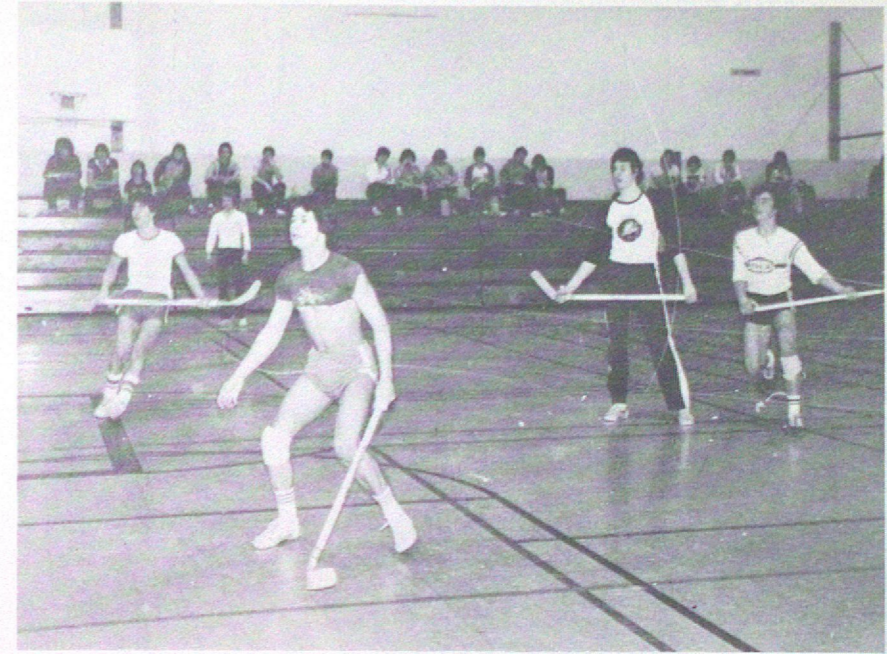

There about \$1300.00 worth of advertising in this book. By far the best advertising sales women were Lisa Rajotte and Annette Giguere. Each salesperson received 10% of their profits which were well deserved by everyone who went from business to business hoping to receive a sponsor for "Still Life."

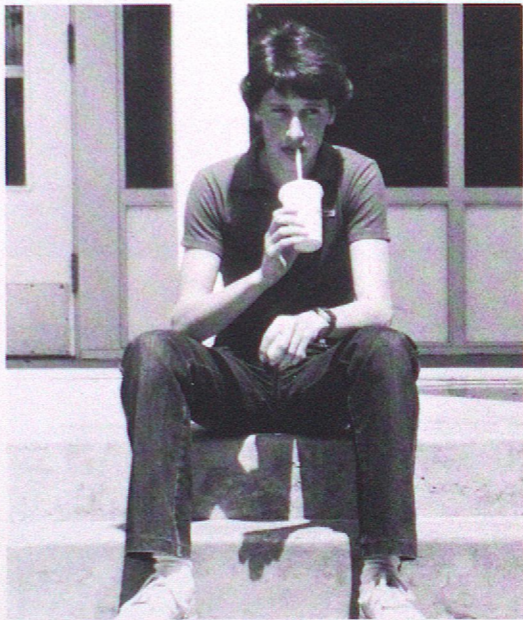

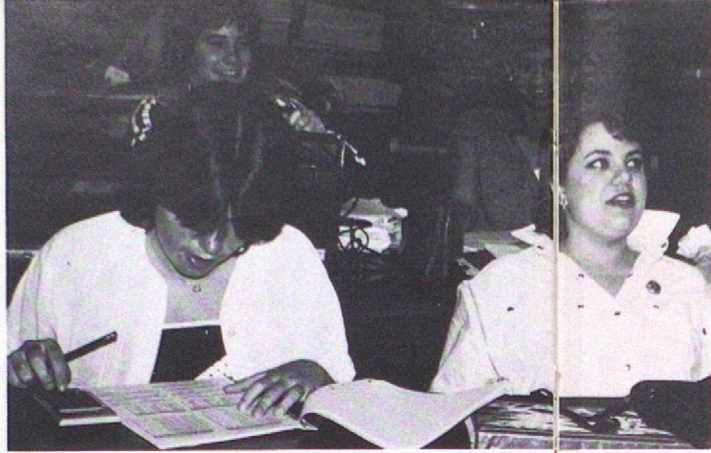

This year's typist was Ginette Normand who spent much of her own time typing for the yearbook. A job well done. All in all we'd like to thank all the yearbook staff members for their help and support. Special thanks to the two teacher supervisors Mr. Sakiyama and Mr. Kullman.

*We dedicate this  
yearbook to the memory  
of Peter Derenchuk.*

Academic excellence does not come from coercion. It comes from a responsible view of freedom. Freedom involves a choice. You have different paths to choose from. You have a choice in deciding your academic program, your school clubs and your sports activities. These choices reflect your view of freedom.

Along with freedom comes responsibility. You cannot make a choice without accepting the responsibility for your actions. The actions you have shown through your pep rallies, your victories in sports activities and your drive for knowledge prove to me that responsibility is a very real part of the attitude of you, the students at Glenlawn.
