Glenlawn Collegiate is a special place. It is a school that has a strong tradition for excellence and this tradition began over sixty years ago when Glenlawn had its beginnings in a few rooms at Norberry school. With this tradition for excellence Glenlawn has also taken pride in providing new opportunities for learning. Those of you who are graduating have reached excellence in academics, in business education, in computers, in work experience, in athletics, in drama and music, and in the creative and practical arts.

Your years will have taught you also that learning is life-long. Each day is an opportunity to learn more about yourself, about others and about the world around you.

Your graduation from high school will be a continuation of the adventure of living and learning. Only the context will be different.

I wish you every success.

Mrs. V. Olchowecki

As the school year draws to a close, we reflect on the special meaning that life at Glenlawn Collegiate has had for us all. We have discovered many different aspects of your special talents and skills through a variety of social, academic, artistic and athletic experiences.

Our graduates are on the brink of discovery again. As they leave our school, they will search for what life has to offer - not answers, but opportunities. Opportunities to continue to open their minds; opportunities to expand their perspectives; and opportunities to continue to exchange ideas and develop new appreciations.

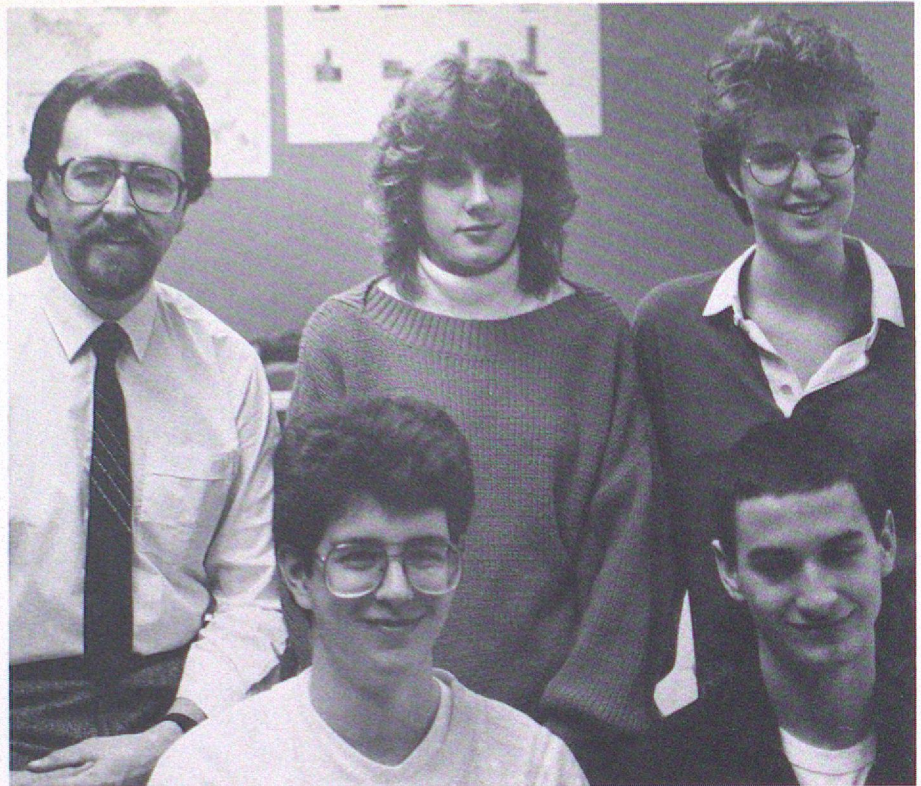

It has been said that man, unique of all animals, has the ability to think. Surely, of all our endowments, that must be the greatest of our powers. The ability to think and to reason has afforded us wondrous opportunities to use our minds to discover each other and to share in unique exchanges of ideas that bring about fulfillment.

As our graduates leave Glenlawn with open minds, hungry for new ideas and experiences, we wish them well as they continue their journey of discovery. GOOD LUCK!

Students interested in Genealogy or family history have an opportunity of pursuing this interest in school. In the fall some individuals elected to visit local memorial grounds and learned more of their roots. As the weather deteriorated searches moved indoors to various Winnipeg libraries. A wealth of details was revealed by: obituary notices and Henderson's directory at the Manitoba Genealogical Society.

Contact was made with elderly relatives and many family members were interviewed in order to add information to ancestral charts. Generations of photographs and signatures were collected and family traits were analyzed.

Census returns were studied and the secrets of palaeography allowed students to read old documents. Derek Heaton a grade eleven student, designed an eye catching poster for the Manitoba Genealogical Society's September Seminar, "Canadian Trees and British Roots."

Many new ideas enabled us to attempt an answer to the question "Who am I?"

President Kathryn Lindsey

Coming to you live, upclose, and personal, the 1986-1987 pres's message. Well as we wrap up the year there are a few things I'd better do. Number one: thank everyone who has helped make my year as president so fantastic. So! here goes: Thanks to everyone on student council, staff and especially everyone who has supported student council activities. You've all helped create a memorable year. Thanks again! Secondly: Good luck to the incoming student council, have a great year! And lastly some thoughts for the future: To the Grads, best of luck in your future endeavors. And to everyone who still has a couple of years left at Glenlawn: Don't get too caught up in schoolwork, have fun too!!

### Varsity Girls

The Girls' team started off the year as finalists in the River East Tournament on Sept. 20th. We lost to Daniel Mac in the finals. Our next tournament was in Edmonton, Sept. 25th to 28th. Our competition was very strong but we had a good time and weren't last. The Selkirk tournament was very productive. We defeated some good teams to make it into the quarter finals only to lose to Selkirk, the No. 1 team in the province: 3 to 15, 11 to 15. Our 4th tournament was at Gordon Bell. We split with 2 strong teams but only placed 3rd in the A pool. Good games but no finals.

Oct. 6th was our opening league game at Massey. We Won!! After a hardworking, triumphant season we ended up 2nd in the league. In the semi-finals we lost to Massey in 5 games.

In provincials we were ranked 12th. We played Daniel Mac and lost in 3. Daniel Mac lost to Selkirk in the final provincial game.

We had a very "up and down" season. The Girls played well and hard at times and on the whole we had a very enjoyable year.

Team Members: Christine Murka, Susan Hummelshoj, Sherry Berard, Pam Robson, Nadine Bracke, Brenna Frobisher, Trish Malabar, Tanya Killeen, Karey Douma, Jodi Collins, Chorine Scott, Sandy Billows.

### Freshman Girls

The Freshman Girls' team enjoyed a very successful '86 season. They found tough competition in the Cloverleaf Conference, but with desire and determination the Girls defeated Dakota Collegiate in the Conference finals to become the Cloverleaf Champions. The Girls ended the season with a record of 18 wins and 9 losses.

The Girls also participated in three tournaments, reaching the finals in the Oak Park and Glenlawn tournaments. The Girls have performed well together, combining talent from Glenwood, Nelson Mac, Minnetonka, St. George, and Windsor Junior Highs.

The team had a rough year, finishing out of the play-offs.

Coached by Gil Baggley and Tom McCormach.

#### Varsity Boys

The Varsity Boys enjoyed their best season in 10 years. They completed Cloverleaf play with a perfect record of 8 wins and no losses; thus advancing to the finals against Westgate. Glenlawn won 3 games straight to win the Cloverleaf Championship for the first time since 1977. In the Provincial tournament Glenlawn was ranked 9th and defeated Selkirk school in first round play. The boys lost to Miles MacDonell the following night to be eliminated from further play.

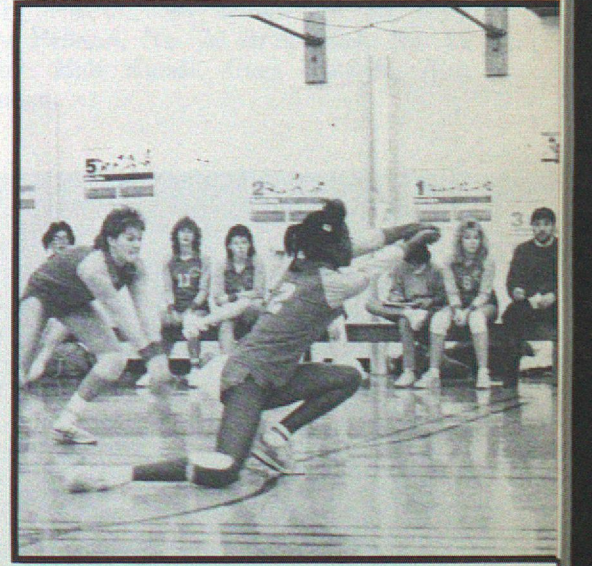

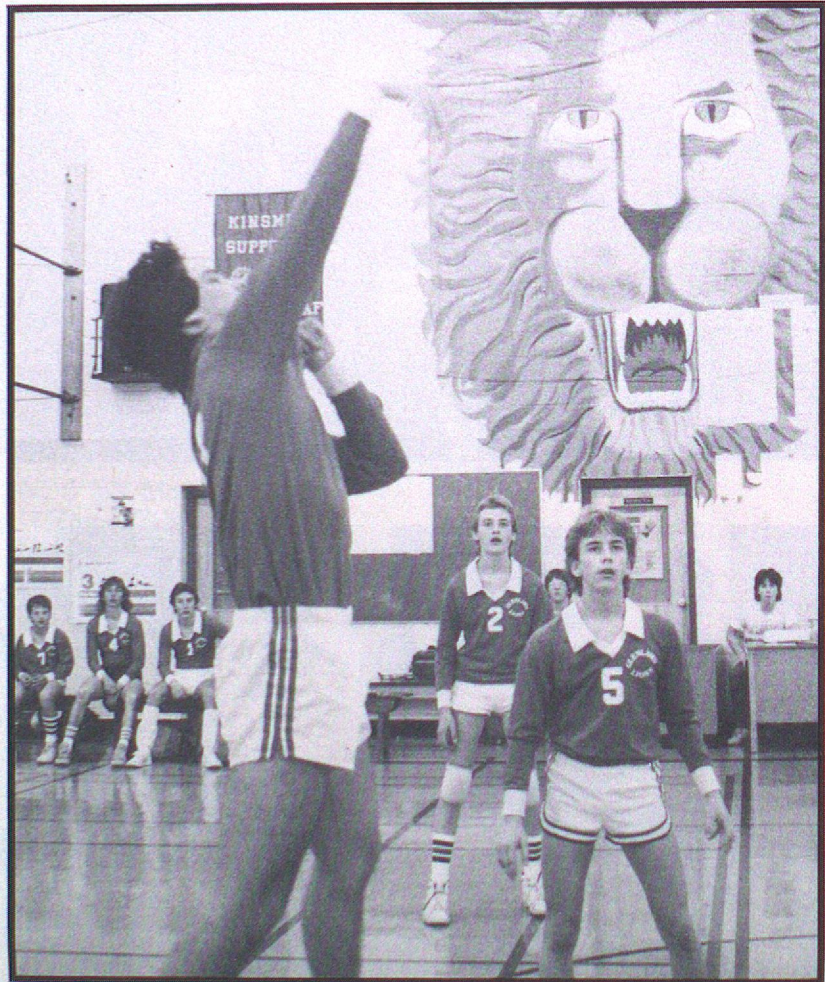

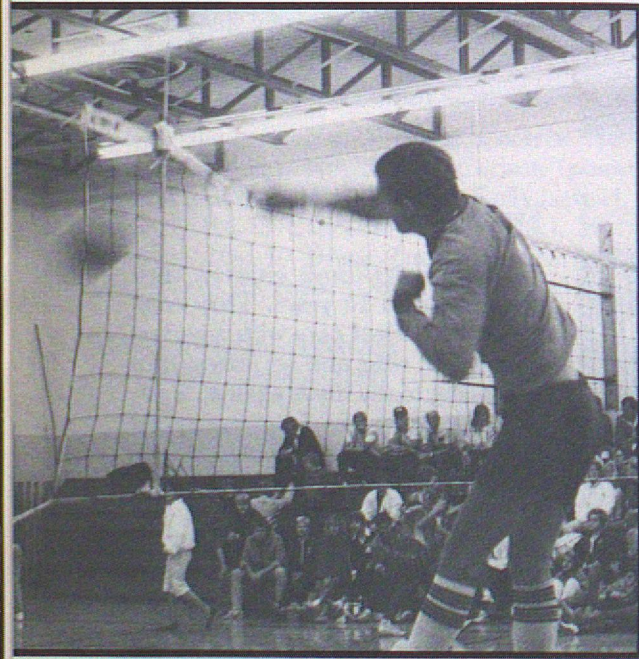

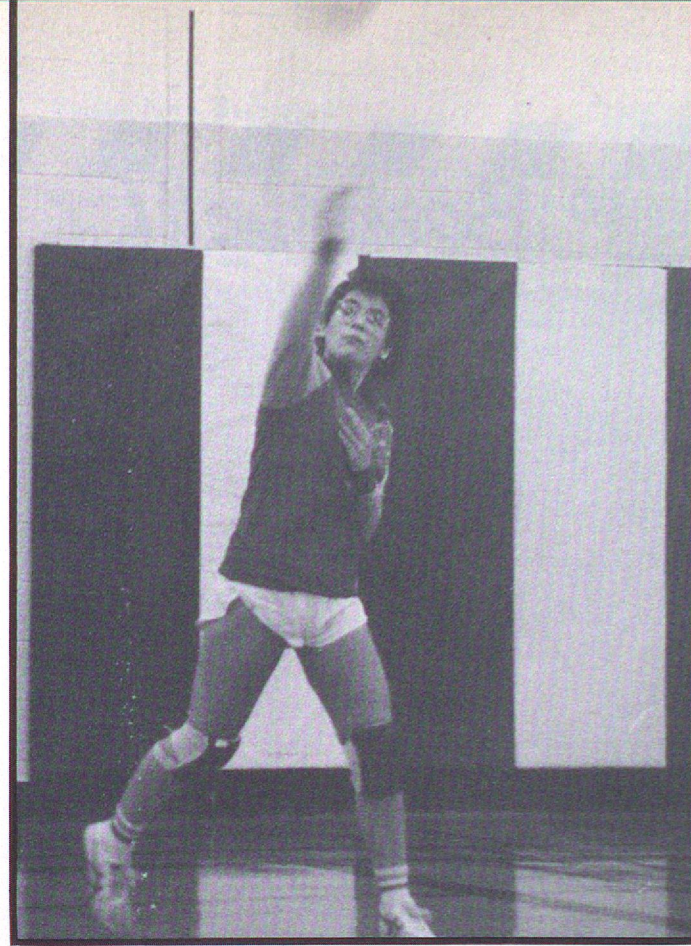

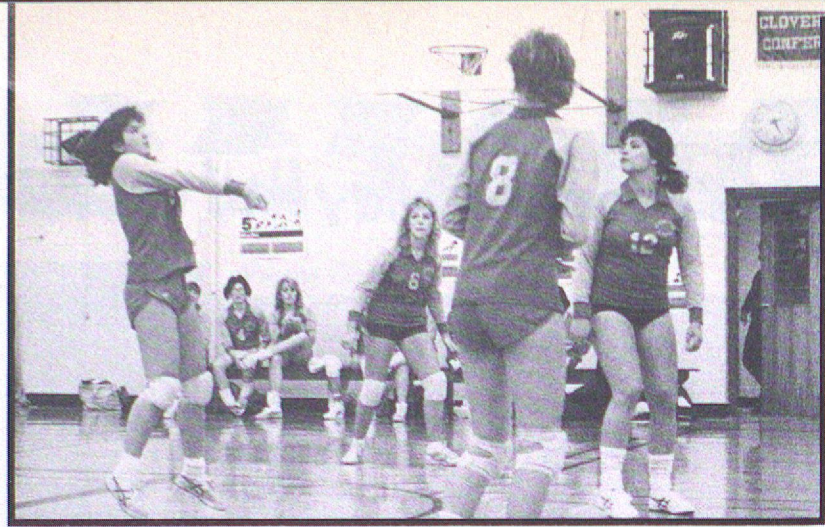

In tournament play the boys reached the semi-finals in 3 tournaments; won the consolation final in their own St. Vital tournament; and had a fairly good time in Edmonton at the Harry Ainlay Titan Volleyball Tournament.

Three graduating players were selected to play in the High School All Star game. They were: Pat Collins, Trevor McRae, and Minich Nowrang.

Congratulations on a fine year!!

(front) Minich Nowrang, Trevor McRae, Patrick Collins, Donald Sigurdson, Kevin Wright.

### Freshman Girls

The freshman girls had a very successful and fun season. The highlights of the 1987 season were: finalists in our own Glenlawn tournament, third place in the Churchill tournament, finalists in the Westwood tournament, consolation champions in the Vincent Massey Brandon tournament and Cloverleaf Basketball finalists.

In concluding the basketball players and Mr. Danyluk would like to thank the managers Julie and Pam, assistant coach Lisa Viau and coach John Potter for a job well done.

Team Members: Kary Douma, Jodi Collins, Darlene Wright, Sherri Berard, Tanya Killeen, Sandra Jezik, Brenna Frobisher, Trish Malabar, Lori Ilchyna, Chorine Scott. Manager: Pam Stevenson, Julie Gosselin. Coached by John Potter, Lisa Viau, and Mr. Danyluk.

The 86/87 Freshman Boys' season was an interesting one. Initially we had many people try out for the team and the prospects for the coming season looked good. However as the Hockey season approached we lost many key players. The nucleus of Peter Baker, Dan Mevony, Dave Wooden, and Kevin Foster and spot appearances of Trevor Moore, Jason Stubbs, Sam Vint, Russel Parker, and Steve Gendor managed to tie Dakota for 4th place in the Cloverleaf Conference. Glenlawn lost to Dakota in the tie breaker. The team participated in two tournaments, one at John Taylor where they won the consolation finals, and one at Glenlawn. Thank you to the players who came to all the practices and games when things looked rough, and a special thanks to our coach Andre Faureau and our own staff advisor, Wilf Entz for their patience and support.

## Varsity Boys' Basketball

The Boys started the year with limited success, winning only 1 of 4 league games. The players, however, came back rejuvenated after the Christmas Holiday. They won all their next 4 league games to place 3rd in the Cloverleaf. Much of the team's successes were in the tournaments. They won the Consolation Championship of the Kildonan East, Daniel McIntyre, Cambell Invitational (Regina) tournaments and later played to win the Championship of the Murdoch McKay tournament. Minich Nowrang and Danny Ilchyna received numerous MVP game awards during these tournaments and they received the Most Sportsmanlike Team award at the Cambell tournament. Hopes ran high when the boys were enabled to play off for a wild spot in the provincials. An unexpected loss to MBCI ended the year, but the team was able to reflect on a successful season. Seven of the players will be graduating this year giving the coaches the opportunity to build on the returning players and upcoming freshmen.

Good Luck next year!!

**Girls' Soccer**

The Girls played an extremely impressive season this year. The expert coaching of Mr. Bruce and Mr. Murray led the girls to a 3:1:1 season; a definite improvement over last year. The scoring drive led by Laura Pitcairn No. 10 would not have been possible without the perfect passes from the excellent defence, midfield and forwards. Of course the Girls have to thank the goalies for letting in only a few goals. Unfortunately we couldn't get it all together in the semi-finals. The Glenlawn Girls' team, with their red socks, looked and acted like champions and took the wins with the losses.

Congratulations! Looking forward to next year!

A very successful season of curling was held at St. Vital Curling Club on Tuesday evenings. Thirty-two students participated in the league and competition was close. The winners of the Grand Aggregate Trophy for most wins were: Troy Hamilton, Kent McNeill, David Wooden, Tanny Dettman. The runners up were: Valerie Johnston, John Sigurdson and Loraine-Marie O'Connor.

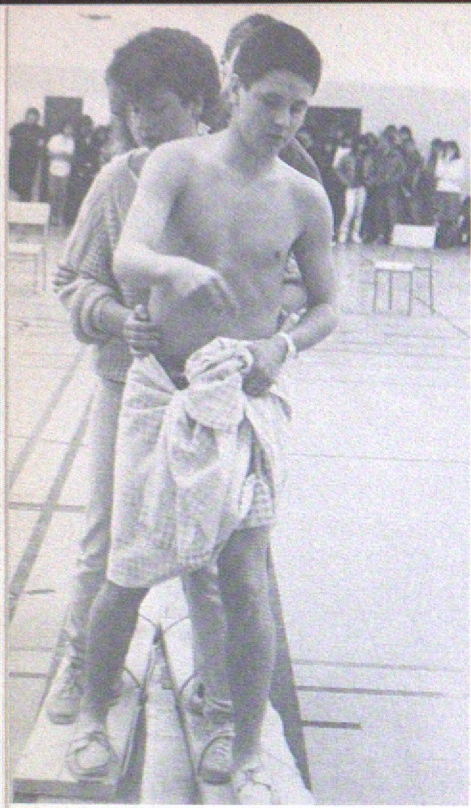

On February 6 Glenlawn participated in the Cloverleaf Curling Championships. Rinks skipped by Craig White, Troy Hamilton, Denise Pilling, and John Sigurdson accumulated the most wins and won the competition. Glenlawn was also represented in the playdowns to determine a Cloverleaf representative to the High School Curling championships held in Morden. Rinks skipped by Craig White and Valerie Johnston reached the finals of the playdowns.

Congratulations curlers!

When we walked into that Gym ... well, we were basically pretty surprised, even those who set it up ... because we'd never have imagined that there could ever have been anything remotely athletic about it ... well except for the ballet dance floor, and hey, we could see the basketball hoops hidden behind those huge black curtains ... and that was it! Our own Broadway in the same gym we had at one time played our own Low Organized Games. So for four nights we were there: singing, dancing, acting, and some crying. Quite something it was ... how many of us didn't even consider that thing called school. Next day's classes were somewhat a blur: we were there but not really. Anyhow it was an experience. Congratulations and thanks to everyone from everyone.
