Administration

Many outstanding individual, team and group accomplishments have been made during the 1991-1992 school year at Glenlawn. I feel very proud that our staff has guided and encouraged you to take risks and to develop the special skills and talents that you possess. The discovery of these talents surfaced through your involvement in a variety of social, academic, artistic and athletic experiences.

Our graduates are on the brink of discovery again. As they leave Glenlawn, they will search for what life has to offer - not answers, but opportunities. Opportunities to continue to open their minds; opportunities to continue to exchange ideas; opportunities to expand their prospectives; and opportunities to develop new appreciations and understandings.

As our graduates go forward into a world community that has been made much smaller because of new technology, we hope that they will continue to use their minds to discover and appreciate and to share in unique experiences that will bring about fulfillment.

My wish is that all of you will be successful in your journey of discovery.

Good luck.

B. Thorarinson
Principal

This past year has gone by very quickly, and has been an eventful one. As I think back over the year from school dances, to band concerts, drama productions, exams, spirit week, student council activities, visiting classrooms and meeting with students, I wonder how we managed to pack everything into a year. You have much to be proud of! I congratulate all of you on your efforts to achieve your personal goals. Your academic, athletic, and aesthetic achievements have been impressive.

I hope our days at Glenlawn Collegiate have provided you with experience and challenges which will prepare you for a happy and successful future. I have enjoyed the time we have spent together. I wish you continued success in the future.

D. Bulow

Writing a "message" in the month of April that a student may read six months later always creates a dilemma. For graduating students the message might be "farewell" and "good luck"; for returning students it might be "keep working hard" and "enjoy the time you have left at Glenlawn."

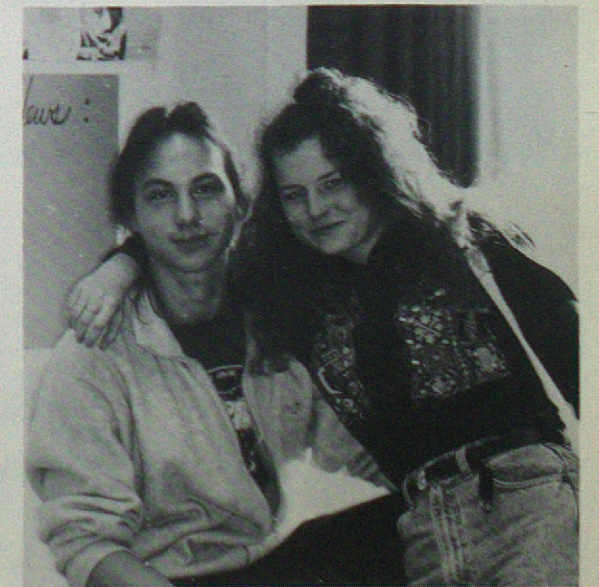

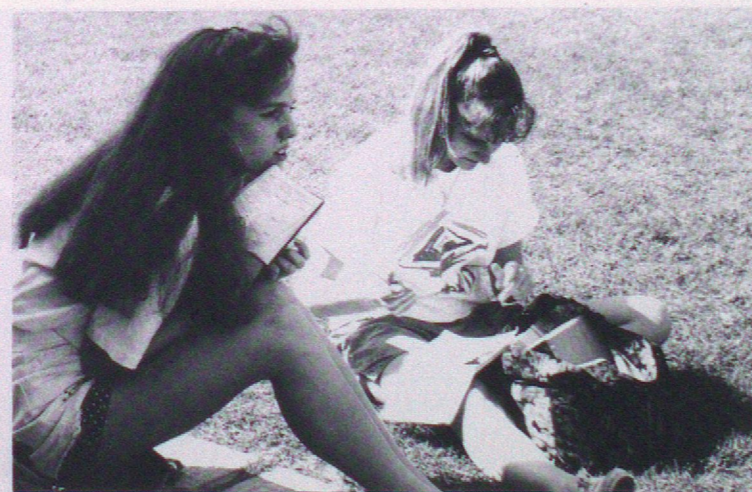

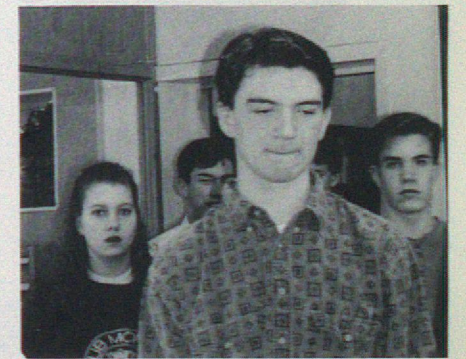

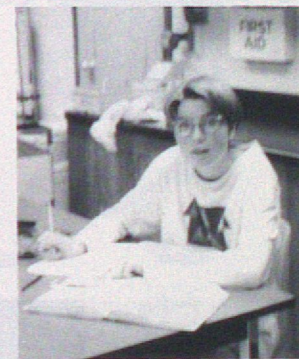

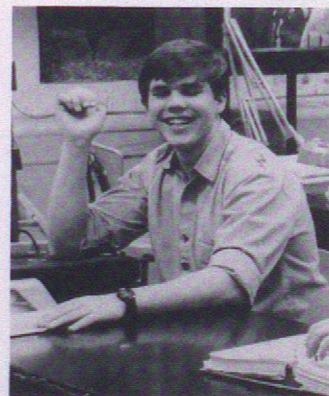

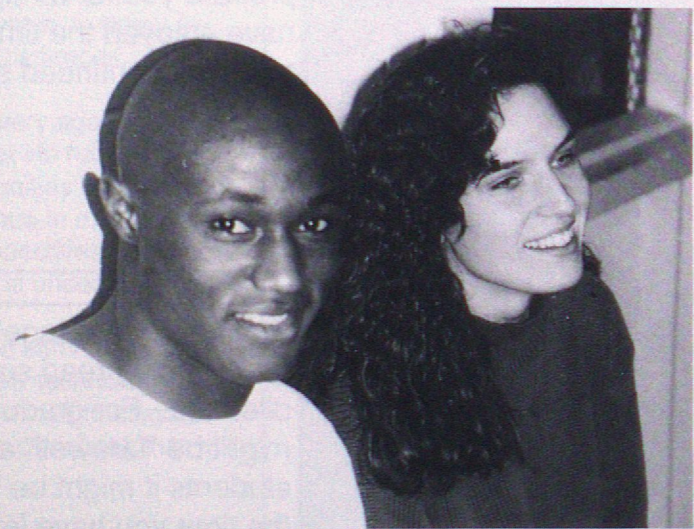

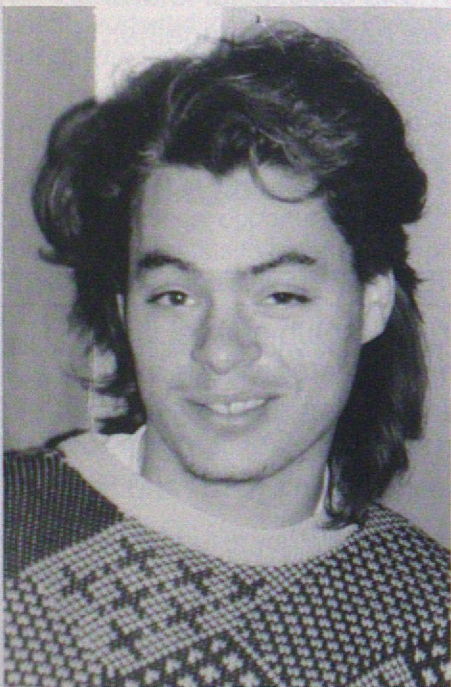

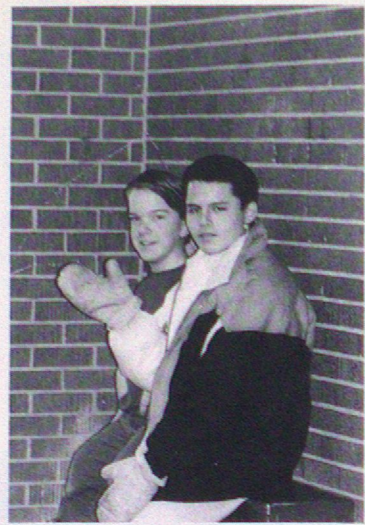

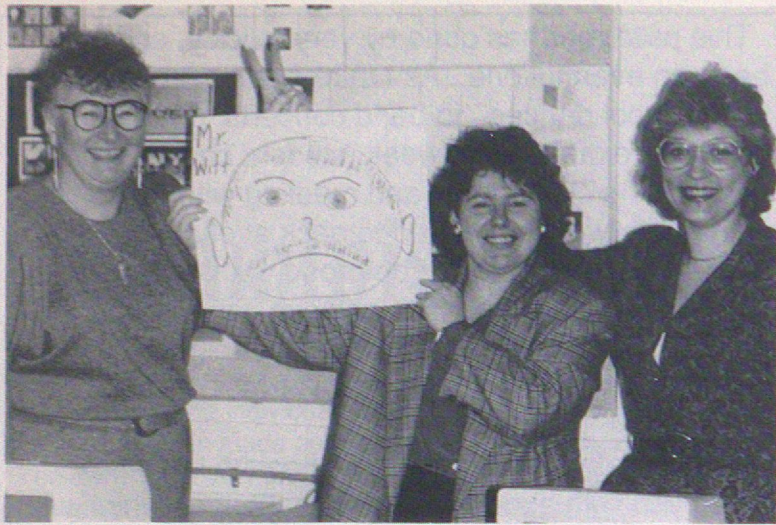

In either case there is little immediacy or relevance for a student (like a lot of other things teachers say to students).

So.....I've got to say whoever reads this, that on behalf of Glenlawn's faculty, I hope the years (or year) you spent at your school will provide you with pleasant memories and, of course, provide you with a repertoire of skills that can help you become a productive and happy individual (who happens to be living in the best country in the world).

That is my simple wish for you. Good luck.

Hum 1 verse of The Addam's Family

We are the 10's (snap twice)
We are the 10's (snap twice)
Not the 11's
Or the 12's
But the 10's (snap twice)

We're full of school spirit
We're going to let you hear it
Our victory you'll fear it
We're the Glenlawn grade 10's

We are the 10's (snap twice)
We are the 10's (snap twice)
Not the 11's
Or the 12's
But the 10's

When you hear the lion roar
Our spirit it will soar
Signaling the war
We're the Glenlawn grade 10's

We are the 10's (snap twice)
We are the 10's (snap twice)
Not the 11's

You can not keep us down
You'll never see us frown
Shooting for the crown
We're the Glenlawn grade 10's

Shakin' With Shakespeare

This fall the Drama Department put on an evening of Shakespeare called "Shakin With Shakespeare". Students from grades 10 -12 performed a variety of scenes in the Drama room which was transformed into a mini Globe Theatre. Mrs. Quinton and Mrs. Dowden directed All The World's A Stage, Dogge Hamlet and The Lover's of Midsummer Night's Dream. Matinees were presented for English classes and two evening performances for family and friends.

Choir

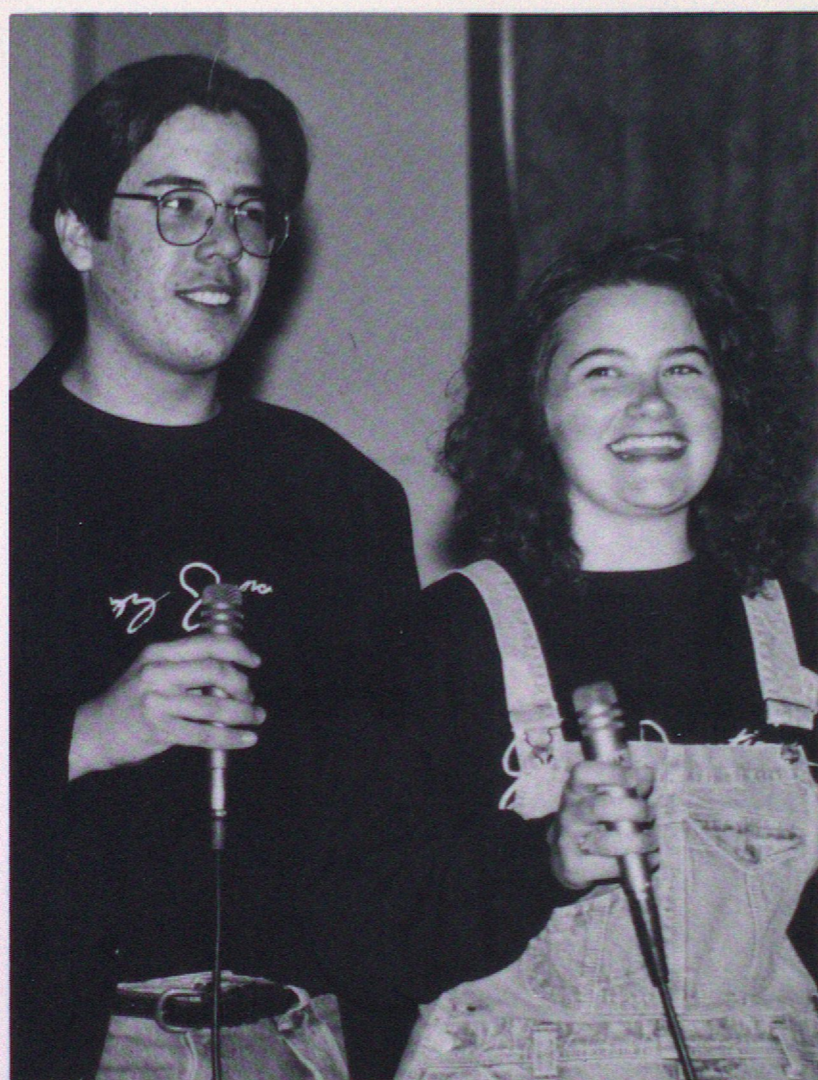

This past school year Glenlawn was well represented in a number of festivals and competitions by the fine performance of its five choral groups: the Girls' Chorus (music choral 105), the Men's Chorus, the Chamber Ensemble, the Concert Choir and Jazz Junction. Four of these groups participated in the Winnipeg Music Festival. The Men's Chorus and Jazz Junction were both at the top of their class while the Concert Choir won the J.S Little Trophy. The groups were involved in a number of other events as well. The Chamber Ensemble formed to sing at Festival Canada along with the Concert Choir and Jazz Junction that also went to Banff, Canada. Jazz Junction also went to Brandon for the jazz festival. All in all Glenlawn's choirs had a very busy and successful year under the direction of the wonderful Marilyn Redekop.

Band

This year's band program was extremely successful. All six groups participated in a number of concerts and competitions. At the Optimist Festival last February five of the six bands received gold medals and the grade 10 band received a silver medal. At this competition the Wind Ensemble won a trophy for their outstanding achievement. In January, the Senior Jazz Band headed to Miami, Florida where they were invited to represent Glenlawn and all of Canada at the International Association of Jazz Educators conference. The group spent five days enjoying the music, performing and basking in the sun.

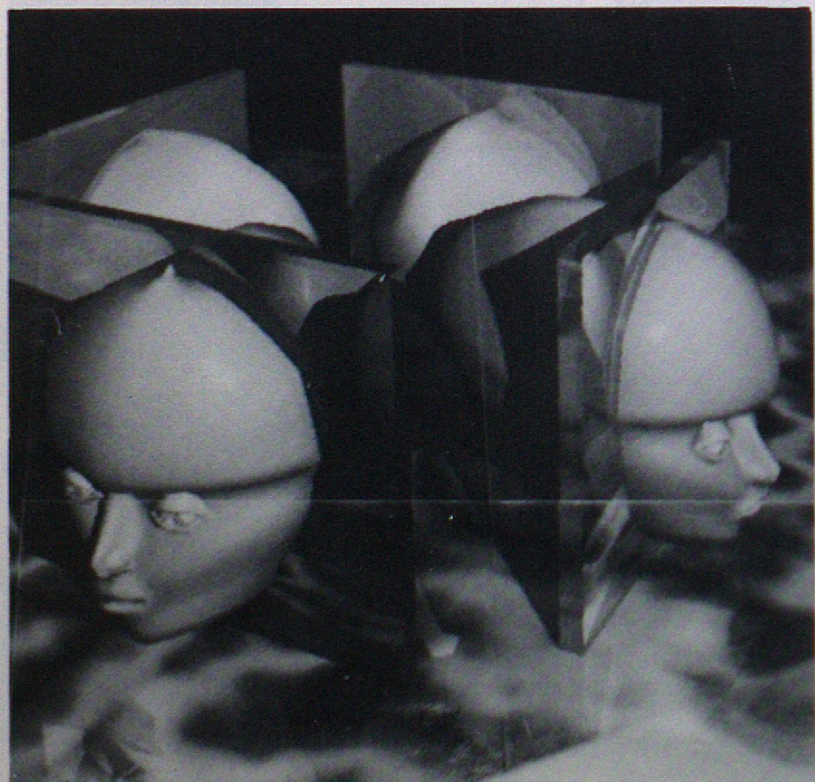

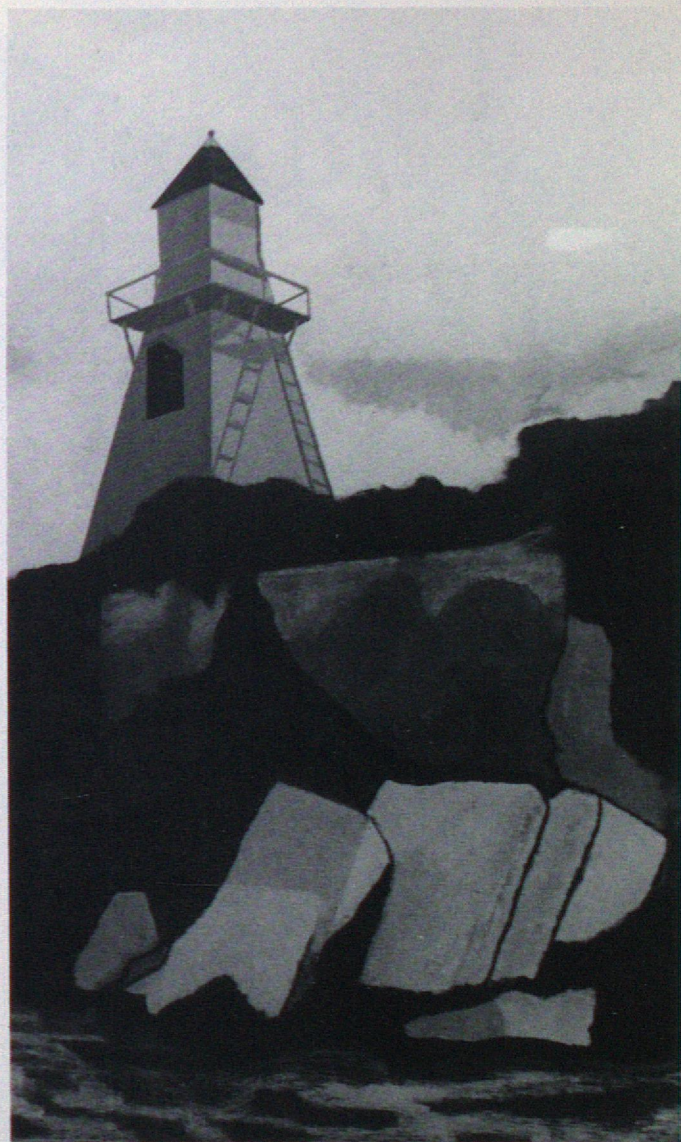

In April the band students were off to Banff, Canada. After a 19 hour bus ride, the groups performed well and enjoyed their holiday.

Special thanks to Mr. Kristjanson and Mr. Bruce for their time and efforts.

Speaker's Bureau

This year we tried to raise awareness about the environment with Student Action for a Viable Environment (SAVE), sponsored by Global Thought Local Action and social issues with Amnesty International. Marjorie Stevens came and talked about her career in television and journalism in general and a representative from the Royal Bank spoke to us about student loan plans for summer businesses.

Neon Tetras

Glenlawn's tropical fish club was tremendous! Members included Emma Bagot (president), Shane Didour, Cory Lawes, Kishan Persaud, Robert Campbell, Roger Chartier, Monika Maciuszonek, and thousands of other students, too numerous to mention under the able and enlightening direction of Mr. E. Kirichenko. Activities included going down the Amazon and capturing the deadly and fierce 3 spotted buck toothed pirranaah- NOT. Anyways we had a pizza party where guppies were almost served as a topping during a wild point in the party. Bottom line: we had fun during the year.

The Sports, Intermural, and Recreational Council had a successful second year under the directions of Mrs. Nordheim. They hosted a sports casino in the school gymnasium. Students participated in a variety of athletic competitions, earning valuable points for an auction that was held at the end. The group also organized the Athletic Awards barbeque to finish the year. The evening was a great success.

The varsity girls had a very successful year. They won 4 tournaments 1) Bruns 2) U of M 3) Edmonton - NAIT 4) Silver Heights. They came second in The Selkirk Tournament and third in the St. Vital.

They were undefeated in Cloverleaf to win the championship for the second year in a row. For the first time in 20 years the Glenlawn Girls won the AAAA Provincial Championship on Dec. 7, 1991. Provincial all-stars were Andrea O'Connor and Shannon Cameron. MVP was power hitter Janice Moore

The Freshman boys' volleyball team defeated opponents all year, en route to one of the most successful seasons in recent memory. They placed second in two tournaments and won the Cloverleaf championship. For the first time in more than 17 years our freshman boys won the prestigious title.

The freshman boys played extremely well in the finals against a very strong team from Miles Mac. When the dust cleared the team had placed second.

Later that evening, coach Irene Nordheim gave birth to a baby boy. Congratulations!

This year's Varsity Boys' volleyball Team earned a berth in provincials for the first time since 1986. The team, ranked 7th, lost in the opening round to Crocus Plains who knocked off the Lions in five grueling games.

The Lions, who were ranked 6th for the final three weeks of the season, played hard all year long and showed considerable improvement throughout the season.

The team competed in seven tournaments this year, placing first in the Transcona-Springfield Invitational. The win by the Lions was its first tournament victory in over a decade.

The varsity girls' basketball team capped a 29-1 season with a provincial championship victory. The team won its first 25 games. Six tournament victories (FGIT, Steinbach, Piper Classic, St. Vital, Saskatoon Murray, Brandon Massey) were included in this total. The girls won the Cloverleaf Conference title.

The strength of the team resulted from their depth of talented players, spirit, and team play, mixed with fine individual performances. This squad was consistently strong and was at its best in the fourth quarter of close games.

The Freshman Girls had an "interesting" season. They placed well in several tournaments.

In league play the season ended in a three way tie for first, and after the tie-breakers, achieved second place. Unfortunately in the Cloverleaf Championships, they were defeated in games 1 & 3.

Team members are to be congratulated for their dedication and for the improvement shown throughout the season.

Congratulations on a fine season.

Glenlawn Triathletes

On June 2, seven Glenlawn students met at Bird's Hill Park to compete in the Manitoba High School Triathlon. Two teams of three, one male and one female were entered in the relay division, and one Glenlawn student entered in the individual category.

Our female relay team consisted of Erin Hildebrand, Aisha Ellis and Eileen Siemens. After experiencing disaster on the cycle portion of the race, they finished well.

Our male relay team consisted of Andrew Partridge, Trevor Borland and James Bartlett. Andrew was the first swimmer out of the water and they finished as the first place male relay team.

Suzanne Binne entered the individual category and after braving the cold water for the swim leg, proceeded to place first in the female individual event.

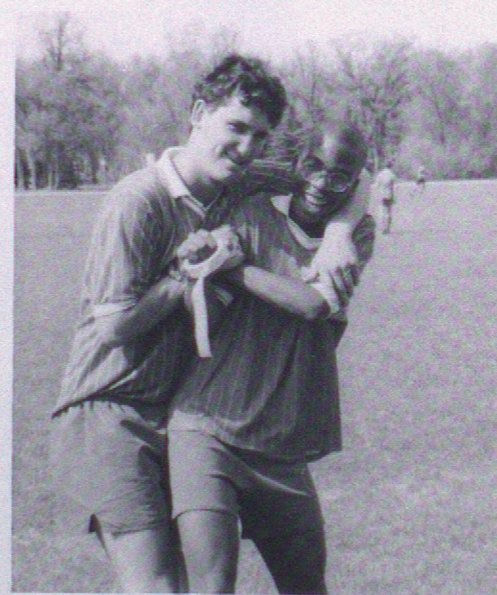

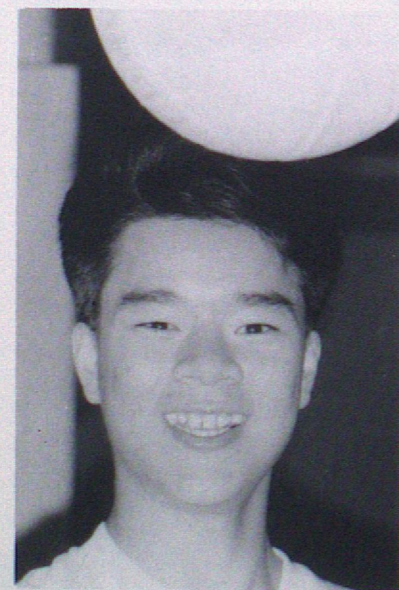

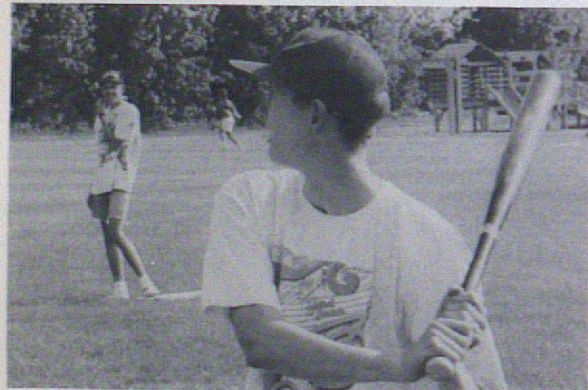

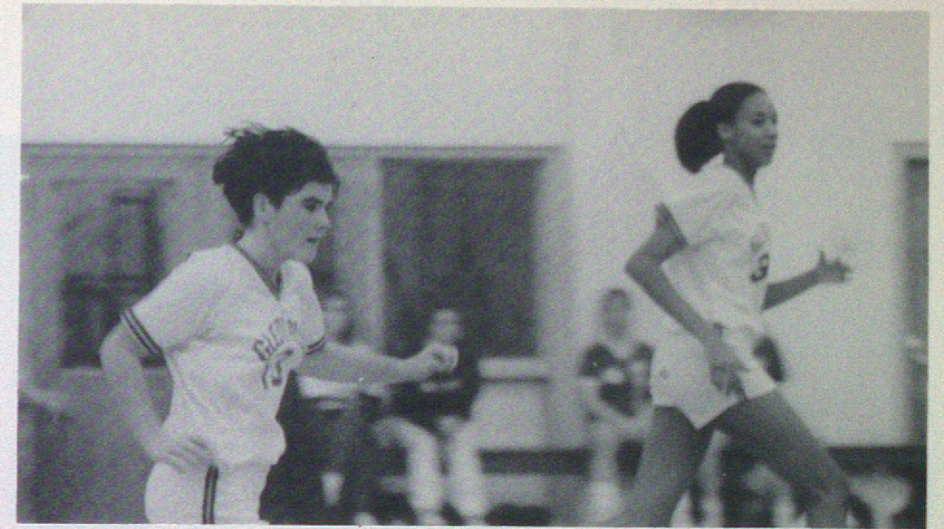

Congratulations to all!!

Good afternoon administration, teachers, parents, friends, and graduates. Today as the graduating class we are being asked to look towards the future, to decide who we are going to be, and what we believe in. And there have been many events and people during the years that we have attended Glenlawn, who have shaped who we are right now.

We as the graduating class will never forget the intense fear we felt coming into grade 10, and we will not forget the amount of caring the staff had shown to us as we walked into a gym filled with unfamiliar faces. We will never forget the athletic accomplishments of Cossette Taylor, Jason Caswell, Andrea Pales, Anndrea O'Connor, and Lori Pisclevich, just to name only a few of our many stars.

We will never forget the cafeteria food or how hard it was to get only 12 PhysEd blocks.

We will never forget that the varsity girls basketball and volleyball teams were provincial champion this year.

We will never forget that our Senior Jazz Band flew to Miami, Florida to represent our school and our country.

We will never forget that some of our classmates who are mentally or physically challenged grew to accomplish so much while teaching many of us about courage and dedication.

We will never forget about the people who we can give credit to for our very existence. Our parents have guided, nurtured, and loved us for 18 or 19 years, and we share this day with them.

We will never forget our teachers at Glenlawn. Their passion for what they teach has inspired us. They are our friends and have supported us whenever we needed them.

So now what is it that we are going to do with all that we have learned? Ask yourself right now if you would have participated in the Los Angeles riots when you had just found out about the Rodney King verdict. We live in a racist society where flesh coloured band-aids are still only my flesh colour, and not the colour of some of my other class mates. Will you choose to be a racist?

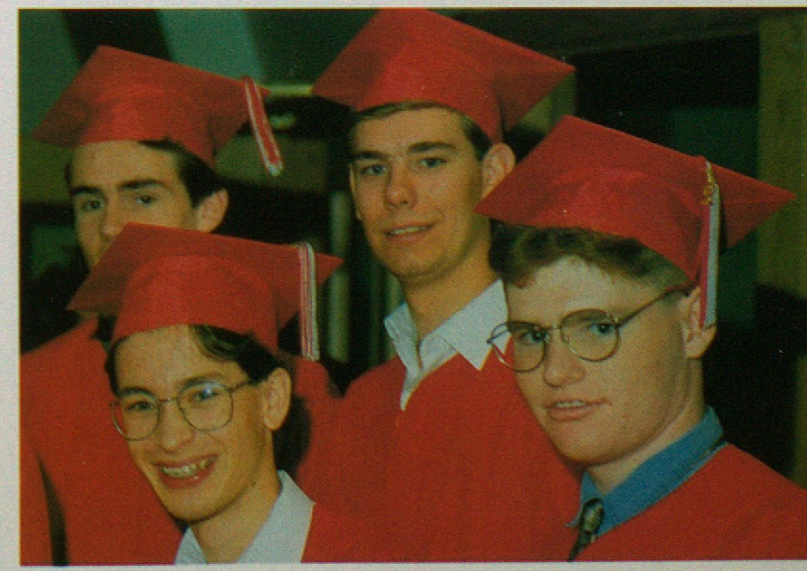

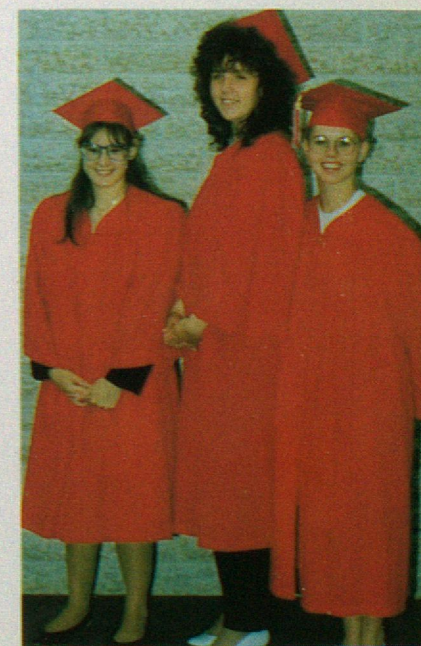

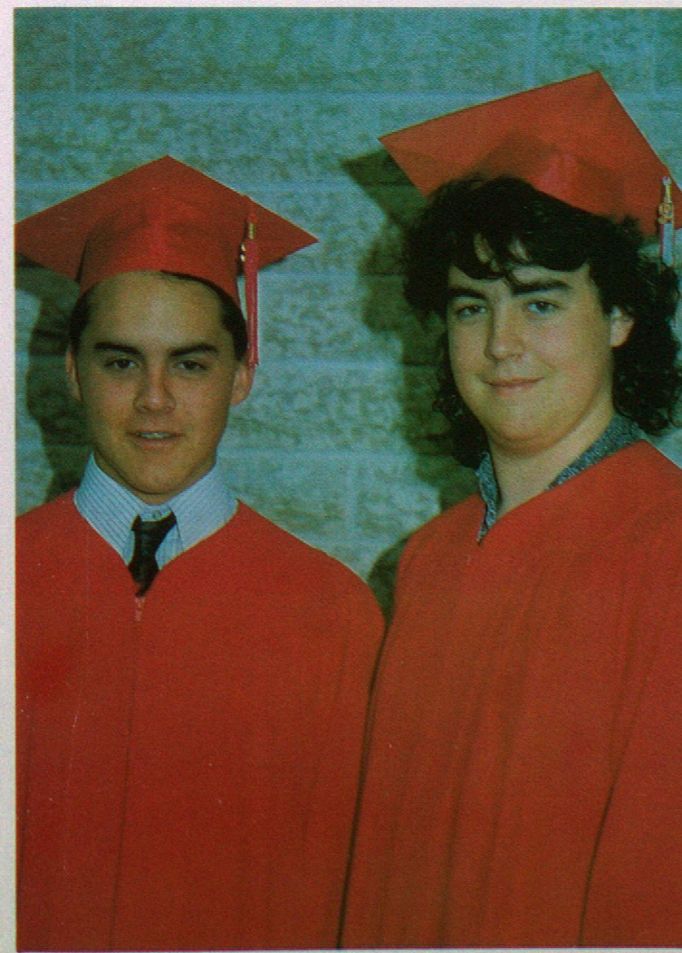

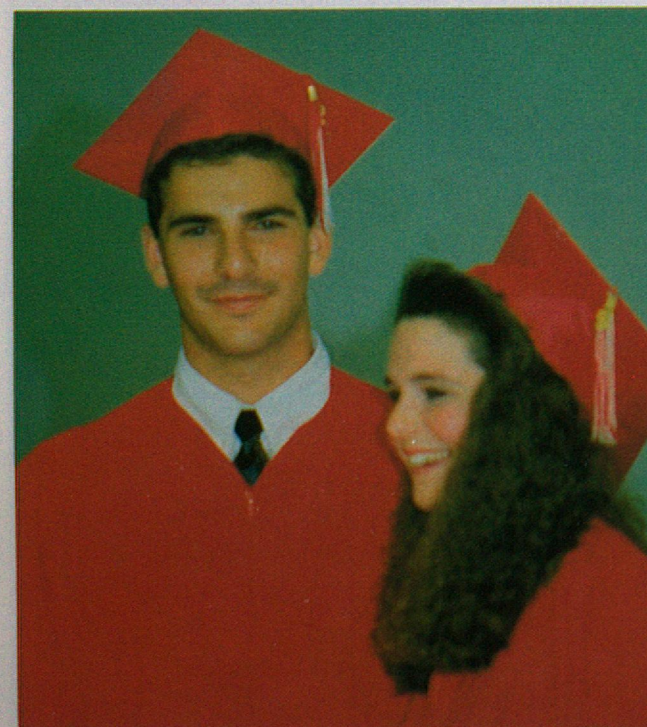

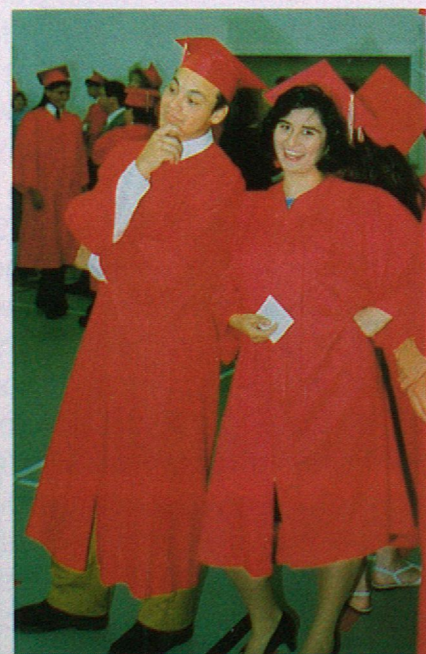

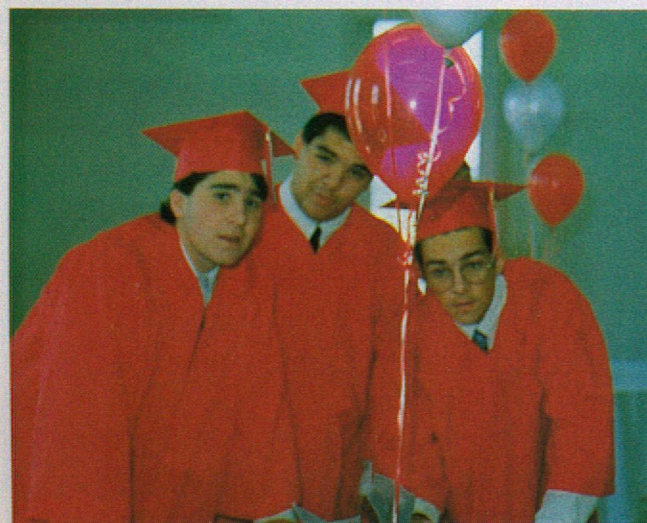

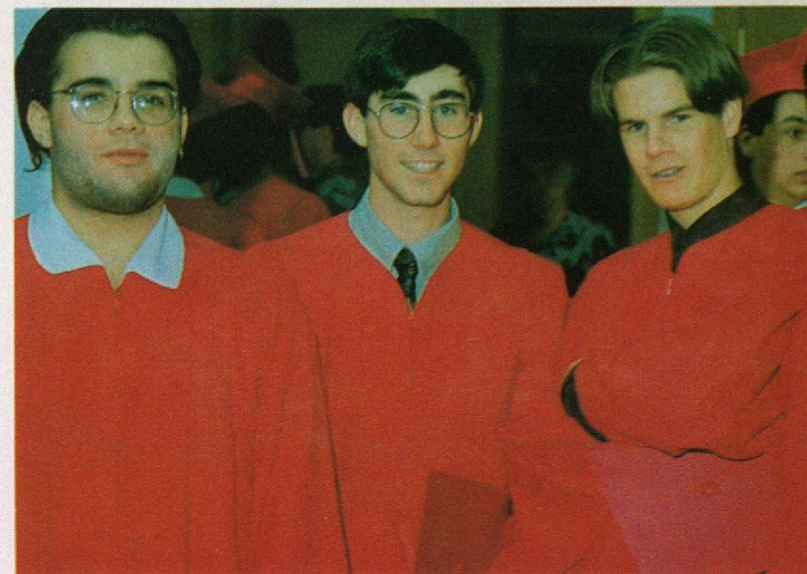

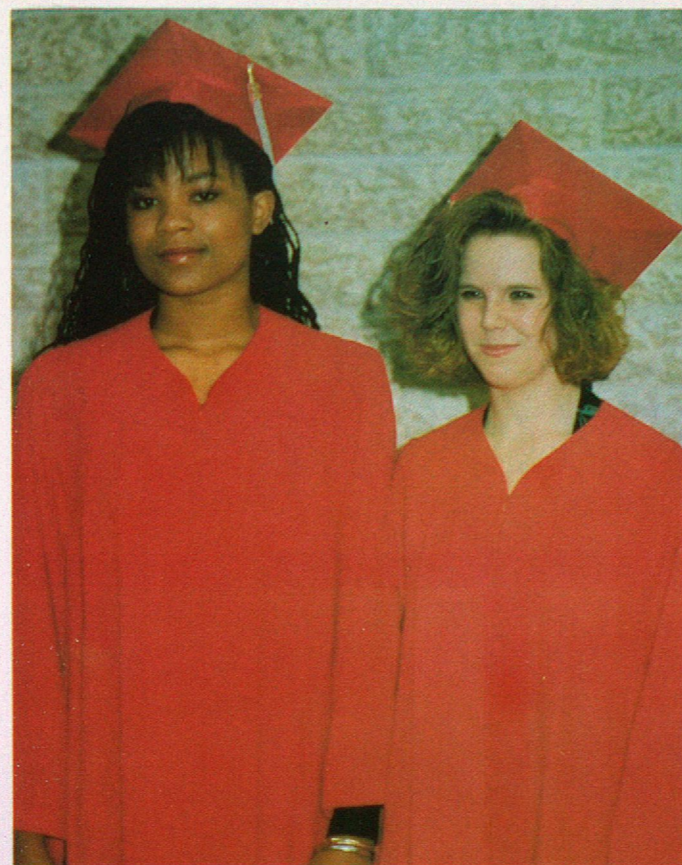

Will you abuse your spouse? There is a woman beaten every 15 seconds in this country. Children are being brought up in a society where girls have a one in four chance and boys have a one in six chance of being sexually assaulted before the age of 18. And why is that Canada, which professes to be completely democratic and sympathetically multicultural, treats its aboriginal people as second class citizens? Then, the government pacifies aboriginals with the very things that the majority of society condemns them for.

It is these hard questions that we need to apply what we have learned. Because accepting our diploma means we also accept huge responsibilities. So don't you dare make Brian Mulroney jokes if you don't go and vote.

Today I offer you a challenge because not every issue in life is made up of "shades of grey." Racism is wrong. To hit another human being is wrong. I challenge you to stand up or vote for what is right. This is now our new freedom and responsibility. Accept these challenges and remember the future is bought by the present. Anticipate the years ahead with optimism and hope because each one of you has the right to choose your own future. Be confident in this, because your years spent at Glenlawn have more than prepared you for what will be tomorrow.

Thank you. Alysha Farrell
