B. Thorarinson - Principal

The year of the fire is one we will all remember - not because of the losses of equipment, classrooms, personal belongings, and materials, not because of the disruption, trauma and anxiety imposed on all of us, not because of the uncertainty about our future caused by this tragic event, but because it forced us to focus on what really mattered. The tradition of Glenlawn seemed to be threatened: would we stay together as a student body, and what would the future have in store for all of us? Our Grade 12's, in particular, were worried about graduating and finishing their high school career at Glenlawn.

What emerged from these questions and concerns was an overwhelming statement of school spirit, and, as well, an unwavering determination for students, staff and parents to remain together as a school community. The daily demonstrations of cooperation and commitment towards that goal produced performance and achievement levels which have been as good or better than before. This overwhelming response manifested itself in such a way that, in all aspects of school life, the 1993-1994 year has been very special.

To all of you, thanks for your contributions. To our graduates, congratulations on achieving your goal. We wish you good luck as you face new challenges and more opportunities to convert adversity into success.

B. Thorarinson
Principal

My message to Glenlawn students is clear and simple: Be grateful for the privilege of living in a country like Canada.

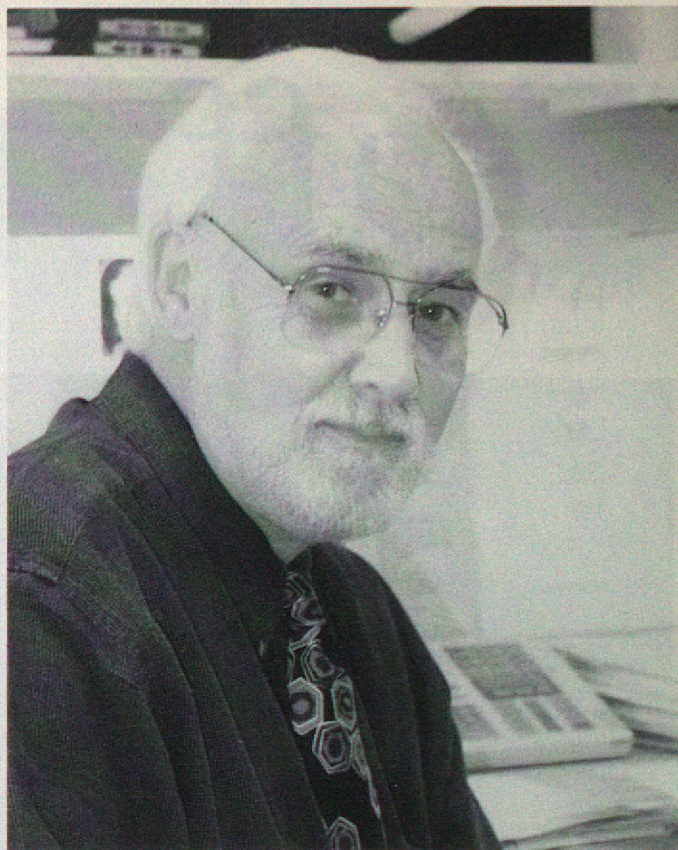

The majority of you have had thirteen (or so) years of formal public education, disturbed only by the necessity of "showing up" regularly and punctually, and having to successfully meet some form of academic evaluation from time to time.

You have not seen your friends dragged off for interrogation, our city has not been shelled by angry dissidents, you have not seen murderous individuals manipulate political power for their own ends. In short, you have not experienced what most students take for granted in most countries in this troubled world.

So--as you leave our school system to further your education, or simply to make a living for yourself, take the time to look around, and gain a genuine appreciation for this place where you have reached this stage of your life.

You are very fortunate people. Good luck.

A. Thomson
Vice-Principal

A. Thomson - Vice Principal

D. Bulow - Vice Principal

A year to remember - in particular, October 6, 1993!

Glenlawn Collegiate had a four-alarm fire, losing one quarter of the building with no casualties. Students and staff are to be commended for following fire evacuation procedures in an orderly and calm fashion. It was a traumatic and emotional event.

Glenlawn was closed for ten school days for clean-up and repairs - then we started back to school on October 25, 1993 in cramped quarters.

Students, we are very proud of the spirit and dedication you demonstrated both during and after this disaster. The fence painting was a sure signal to the community that a fire could not dampen our spirit.

Our special thanks to students in the Work Experience and Band programs who were the most displaced, but who didn't skip a beat. You displayed much patience, resiliency and team work, and it was appreciated by everyone.

This year has had its trials and tribulations, but, in true Glenlawn fashion, our student proverb that the - spirit is alive and well. For example...

In music - Glenlawn students earned 18 gold awards at the Optimist Festival

In drama - "You're a Good Man, Charlie Brown" was a hit!

In athletics - our teams were represented in the provincial finals;

In academics - approximately 130 students on the Honour Role; approximately 240 graduates in June 1994.

Yes, it has been a year full of learning experiences. But, we made it - and the new construction began with excavation starting May 2, 1994.

Thanks to the efforts of the Honourable Lloyd Axworthy, Shirley Render MLA, and Gerry Ducharme MLA, the St. Vital School Division was awarded an infrastructure grant to assist with the rebuilding of Glenlawn Collegiate.

To the graduates of 1994 - good luck and my best wishes in your future endeavours. We hope to see you again at our grand opening.

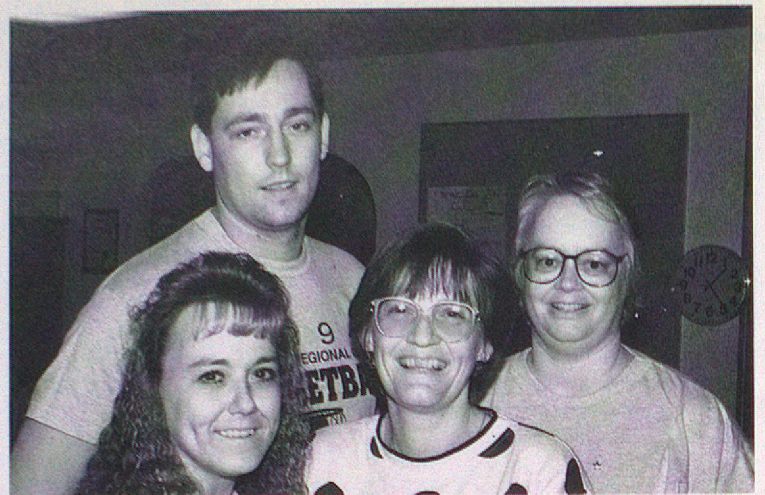

To the undergraduates - I'll see you next year, in our new and improved facilities.

Damage set at \$7 million to St. Vital high school

By Stevens Wild
Winnipeg Free Press

A \$7 million fire gutted part of Glenlawn Collegiate yesterday afternoon, sending 1,050 students and staff into the street.

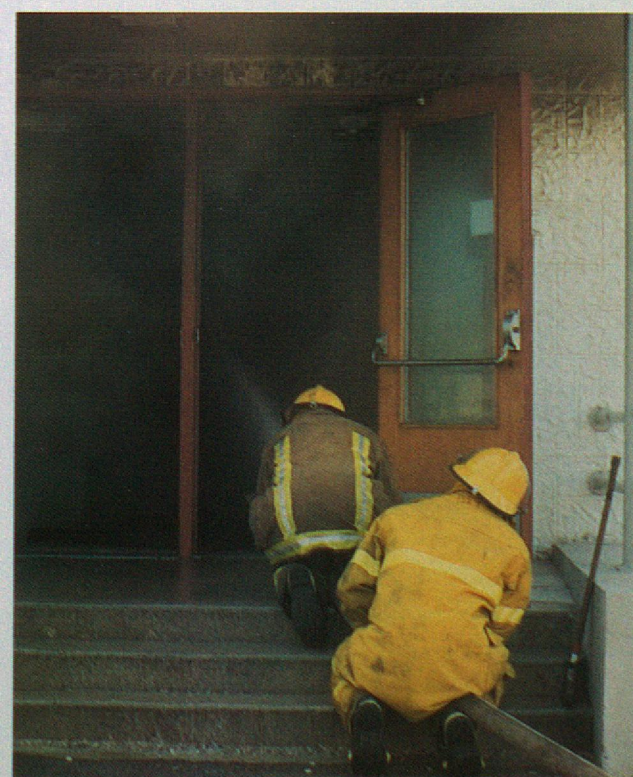

Smoke was so thick at times the school could not be seen from across the street, 90 meters away. There were three minor injuries in the four hour blaze in the St. Vital school, at St. Mary's road and Fermor Avenue.

The fire reduced the auditorium and old wing to a blackened ruin. Walls partially collapsed and the roof fell in on the 48-year old structure.

The school's newer wing suffered only minor damage.

About 1,050 students and teachers left the building quickly when alarms rang at 11:27 a.m., principle Brian Thorarinson said.

Deputy fire chief Frank Cielen said the fire started in the boiler room.

Printed with permission of the Winnipeg Free Press/Photographer, Wendell Philips.

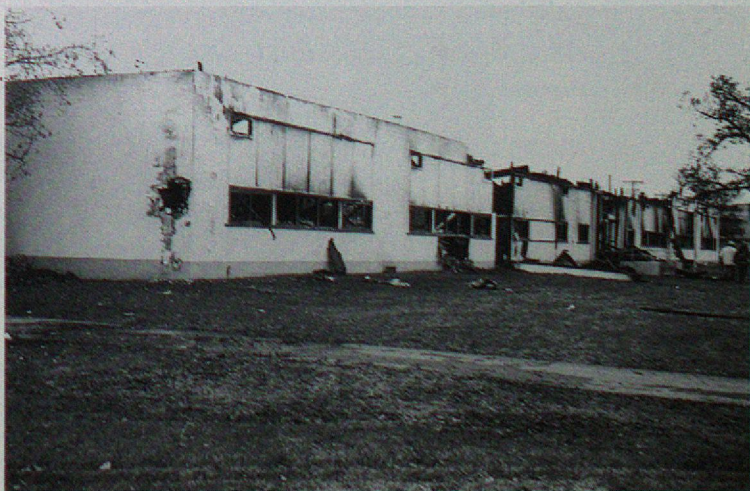

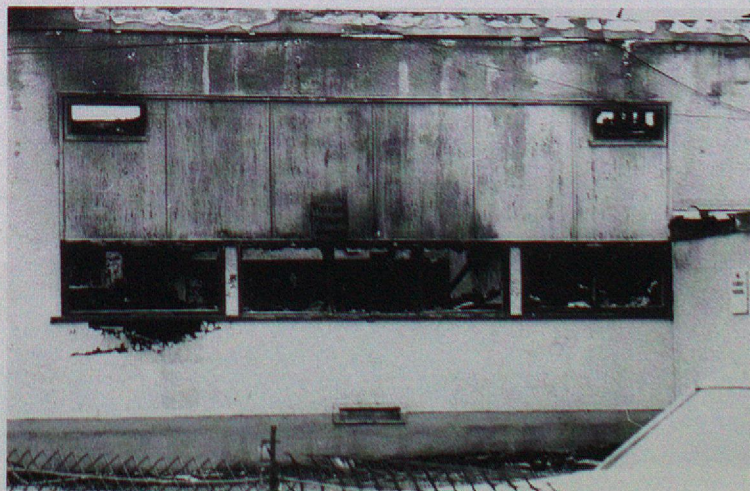

Big Macs to the Rescue !

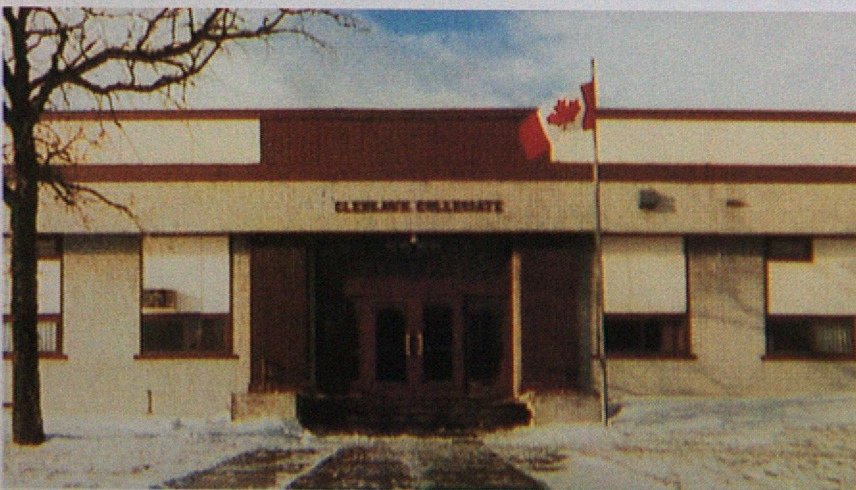

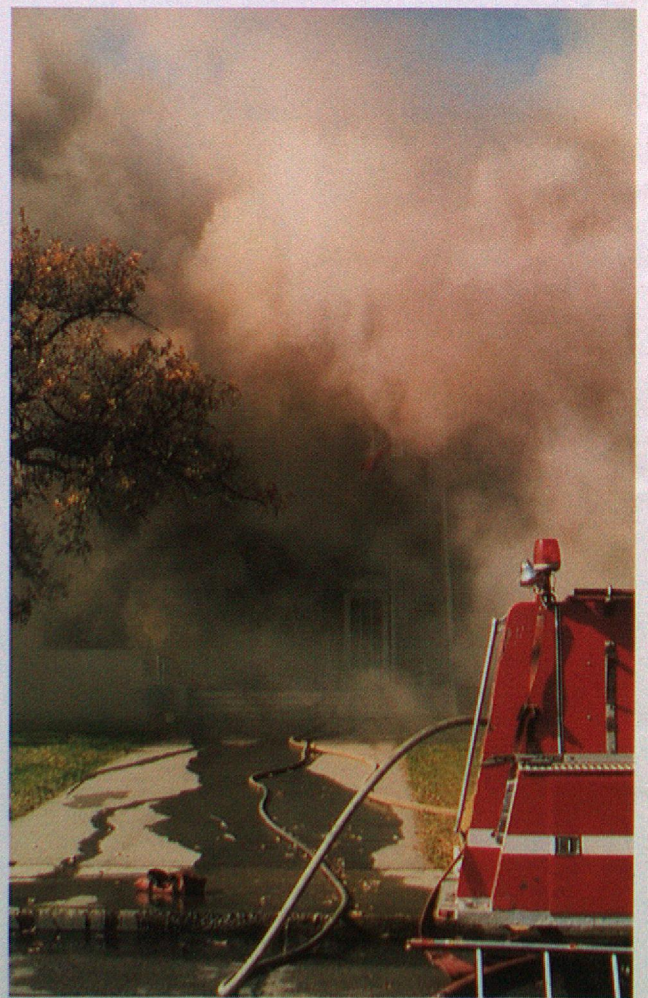

When Brian Taxeria, the owner of the McDonald's Restaurant on St. Anne's Road, offered his restaurant, to hold a fund-raiser for Glenlawn's Performing Arts Department, which was left homeless as a result of the fire, Glenlawn's student concil, administration, and the school bosrd, instantly began making arrangements.

Mr Taxiera agreed to donate 50 cents from every "Big Mac" sold on November 24 and 25, to Glenlawn's Performing Arts Department. He also agreed to have donation cans set up near each cash register. Advertising, which ranged from posters, to television media coverage was arranged as well, Kelly Parker from "Q-94 F.M." reported live from the McDonald's location, from late Wednesday afternoon until early evening.

Volunteer workers were accepted with open arms by the McDonald's staff. Glenlawn's own Jazz Junction, and IN-4-MATION provided entertainment as they ser-enaded the rotating shift of McDonalds patrons. Other volunteers ranged from media personnel, to the fire fighters. Many Glenlawn students also volunteered their services over the two-day period.

Mr Taxiera and the McDonald's crew made a fun day festival, out of the two-day fund-raiser.

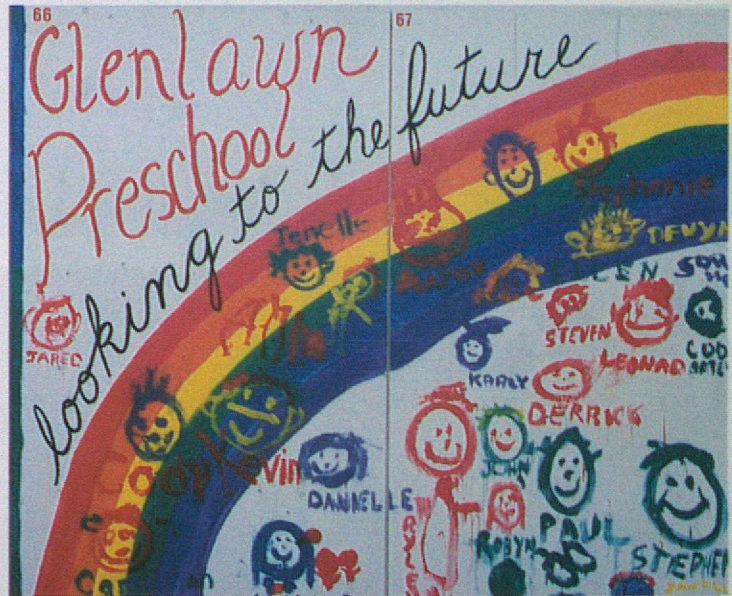

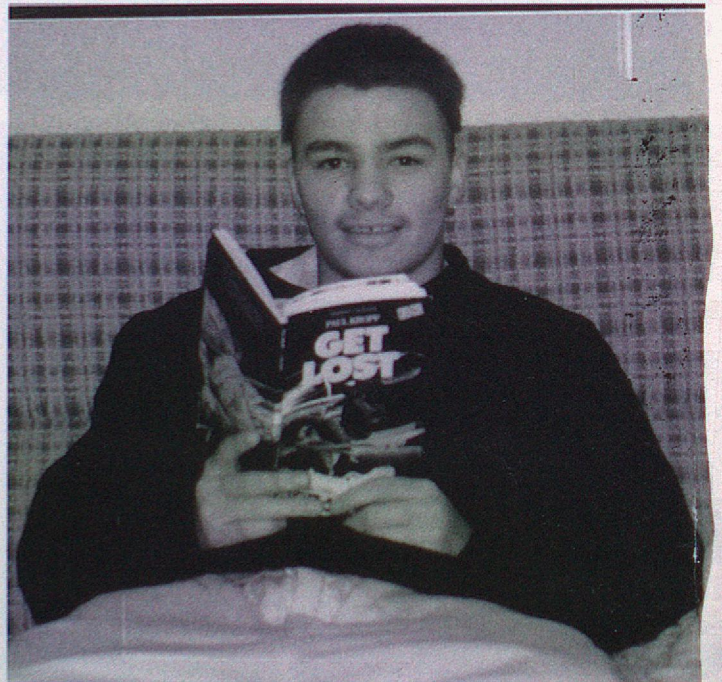

Glenlawn Project Breaks New Ground

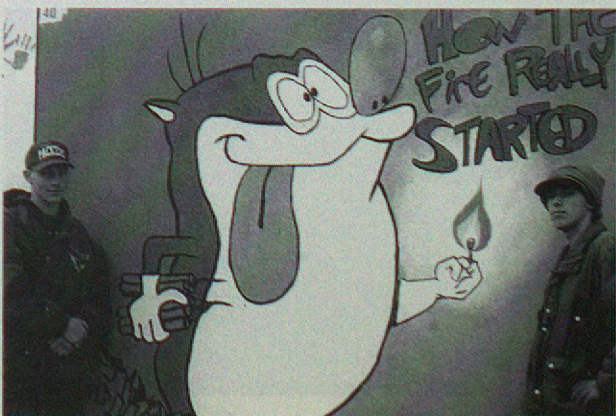

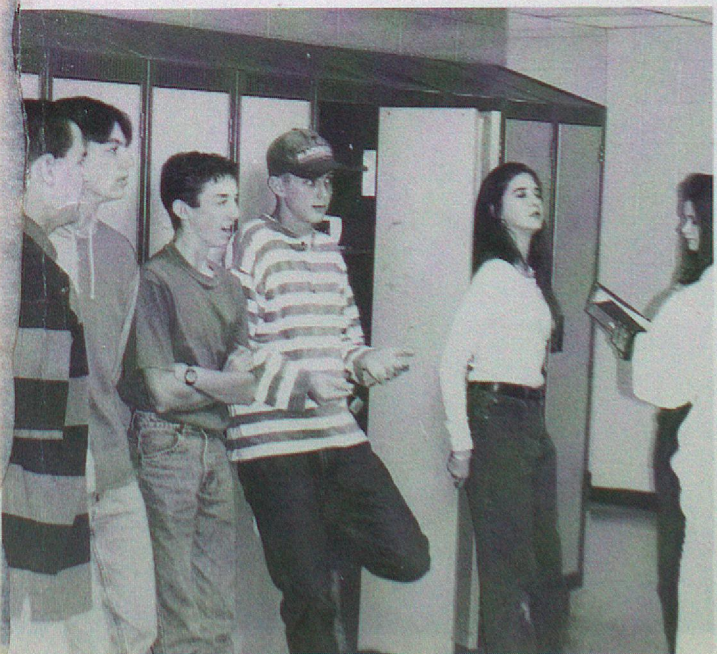

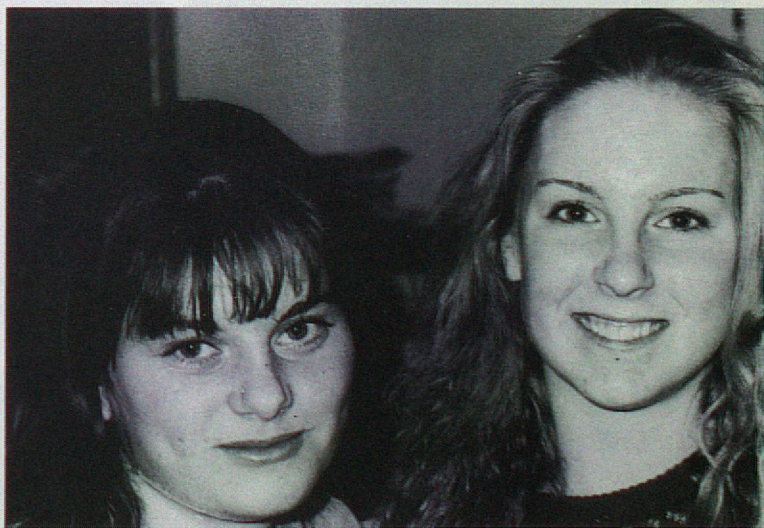

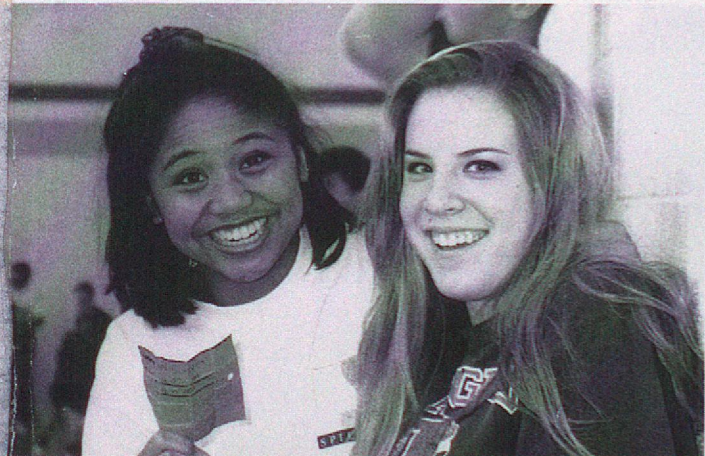

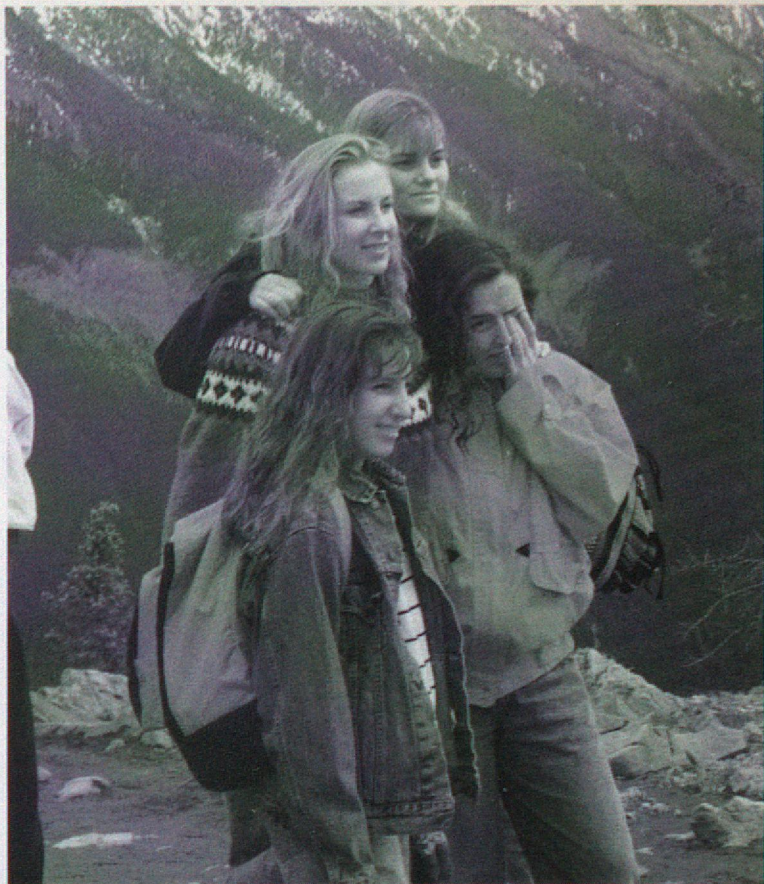

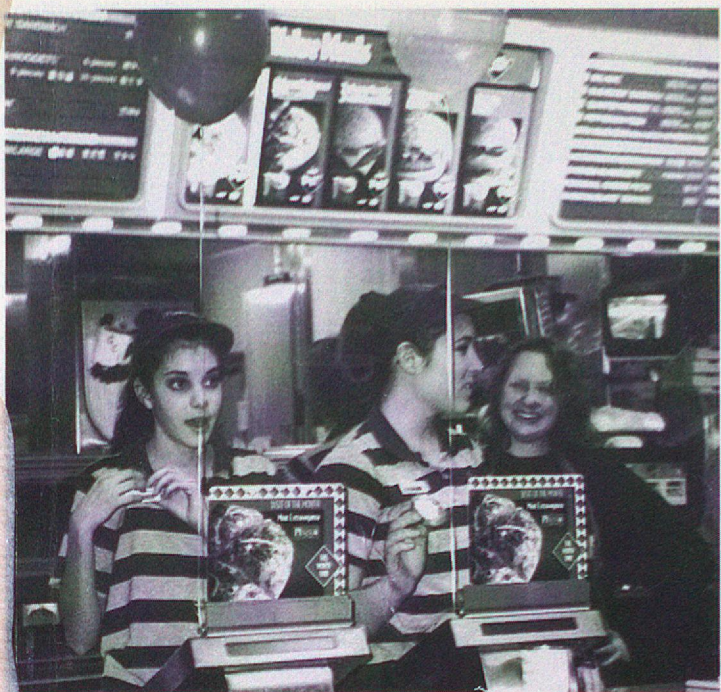

A ceremony at Glenlawn Collegiate on Friday, May 20th marked the start of construction of the Glenlawn Collegiate Community Athletics and Performing Arts Facility less than one year after a large section of the school was destroyed by a fire.

The ground-breaking ceremony represents one of the first major projects to begin construction with funding from the Canada-Manitoba Infrastructure Works Agreement. The federal government, the provincial government and the St. Vital School Division Number 6 each contributed \$367 000 toward the project for a total of \$1.1 million. The total project cost of \$3.1 million includes \$2 million covered by fire insurance.

The facility includes a 30 000 square foot addition and renovations to 7 500 square feet of the Collegiate. The Community Athletics and Performing Arts Facility will provide continuing education and distance education programs in computer technology, industrial technology and other academic studies. It will also accommodate community groups related to the creative arts, athletics, recreation and technology.

Trip to France

This year Glenlawn had its first trip to France, Mme. Skene, her husband, and 26 Glenlawn French students travelled to France March 21 to April 1, 1994. We spent the first week in Normandy, Brittany and the Loire Valley visiting museums, war cemeteries, the D-Day beaches and cathedrals. We also stayed with families for two days in Lorient, then toured some chateaux. The grand finale was the four days in Paris where we saw the Arc de triomphe, the Louvre and Mona Lisa, Notre Dame Cathedral, Versailles and went to the top of the Eiffel Tower.

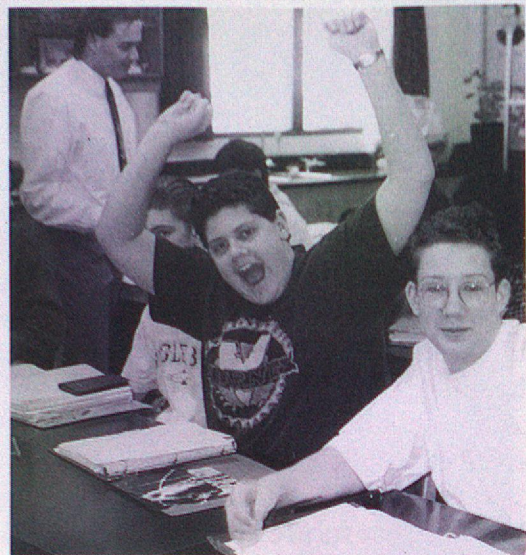

Everyone had a wonderful time and learned many new things. We hope that future French students will have the same opportunity.

 Front Row: Mr. Chapman, Michelle Whitney, Aimee Noyes, Kelly Nikkel, Renee Hogan, Tauna Craik, Jane Gasmen, Anna-Marie Weber

The Varsity Girls Basketball Team won their third straight Cloverleaf Conference Championship, compiling an overall 21-10 record. The girls were ranked #1 in the Provincial rankings for 4 weeks during the season, and advanced to the "final four", losing a close game to eventual champion John Taylor. They also won the Steinbach invitational. Congratulations to the entire team on a wonderful season!

The Glenlawn Freshman Girls had a great season, with an impressive record of 24 wins and 2 losses. They brought home plenty of trophies and pennants, winning the Glenlawn and John Taylor tournaments, taking second place in the St. John's tournament, and third place in the Garden City tournament.

After going undefeated in Cloverleaf league play, the team won the championship best-of-three series in two straight games over Dakota, and went on to the Provincial tournament.

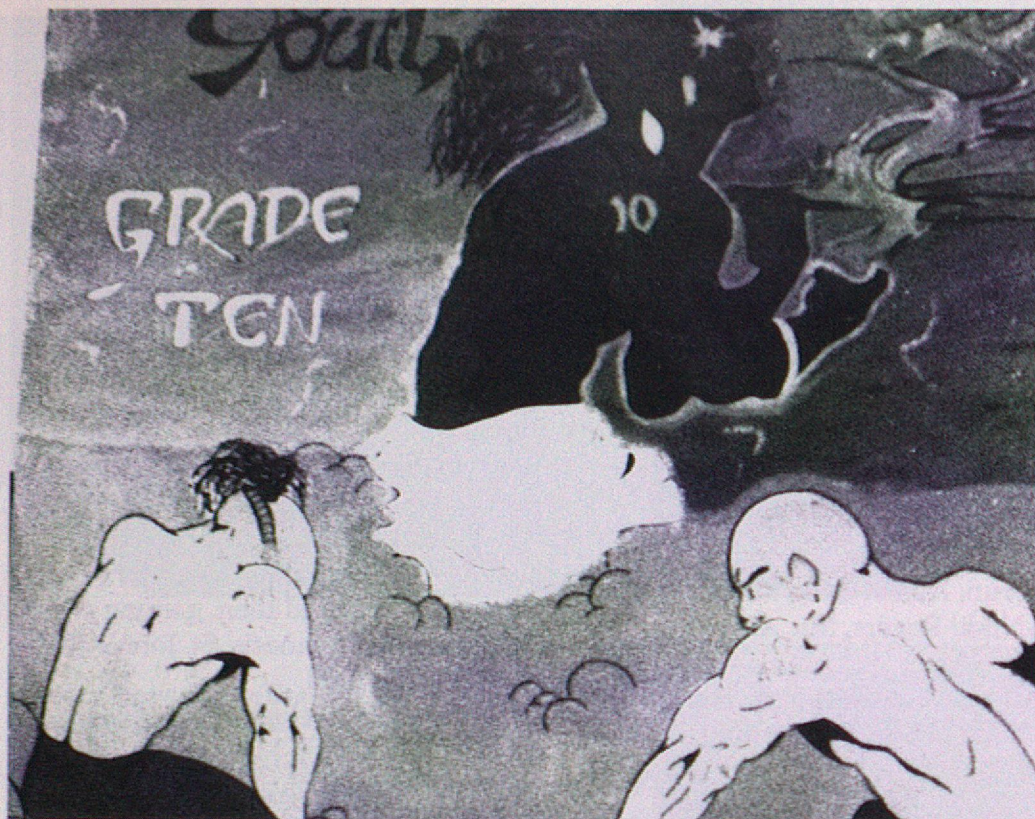

After two losses to a tall and talented St. John's team early in the season, Glenlawn was ranked #2.. However, the Lions proved they were really #1, defeating Miles Mac by 1 point in a thrilling semi-final and then, gaining sweet revenge, handled their nemesis, St. John's 40-36 in the championship final.

Over the season, Melissa Fenn, Alison Cain, Janey Dutta and Erin Muir were recognized as all-stars at various tournaments, and Melissa earned the honour of being named MVP of the Provincial Tournament.

Coaches Murray and Babaian appreciated the hard work, the hours and hours of practice put in by all the girls. Supportive parents, loyal fans and our manager Tammy Toews, should also take a bow and accept our gratitude.

Remember-dedication, team work and a nev-r-say-die attitude can take you to the top. It worked for the 93-94 Glenlawn Freshman Girls Basketball Team.

Grade 10

Grade 10's, meet the Grade 10's
We're a modern bunch of teenage friends. (shake hands, hug, etc.)

From the grounds of Glenlawn
We're the hippest grade with all the trends. (thumbs up)

Someday, maybe you will win the fight
When you bribe the judges left and right. (shake fingers and heads-naughty!)

Why not join the Grade 10's, (beckon with arms-come on over)
We're the ones who've got the spirit
You're sure to hear it, (shout!)
We're rockin G.C.I (form letters with arms)
Grade 10 Cheer (To the tune of The Flintstones)

Grade 11

Making your way through school today,
Takes everything you got.
Taking a break, from all your classes,
Sure would help a lot.
And the elevens want to say,
It comes down to judgement day.
And our spirit's here to stay.
We will try our best today.
Twelves are leaving really soon,
The tens are too new to know,
Eleven's spirit and beauty will always show.

(Repeat from twelves are leaving...)

Grade 11 Cheer (To the tune of Cheers)

Grade 12

Grade 12 Cheer (To the tune of Sesame Street)

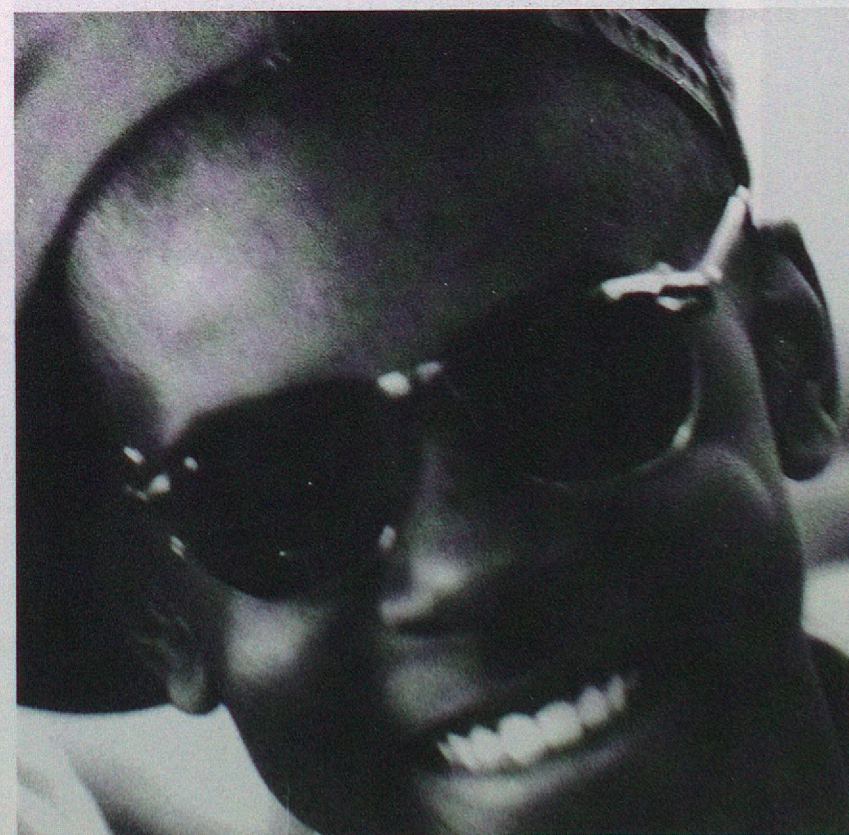

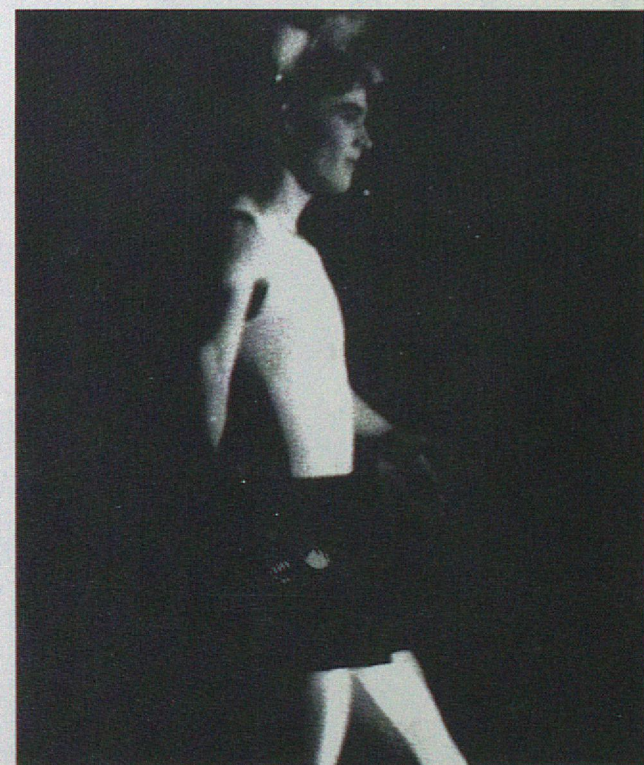

Sunny day, spirit week ends today
We've had fun and now we can exclaim:
We can show you how to get
How to get to victory land

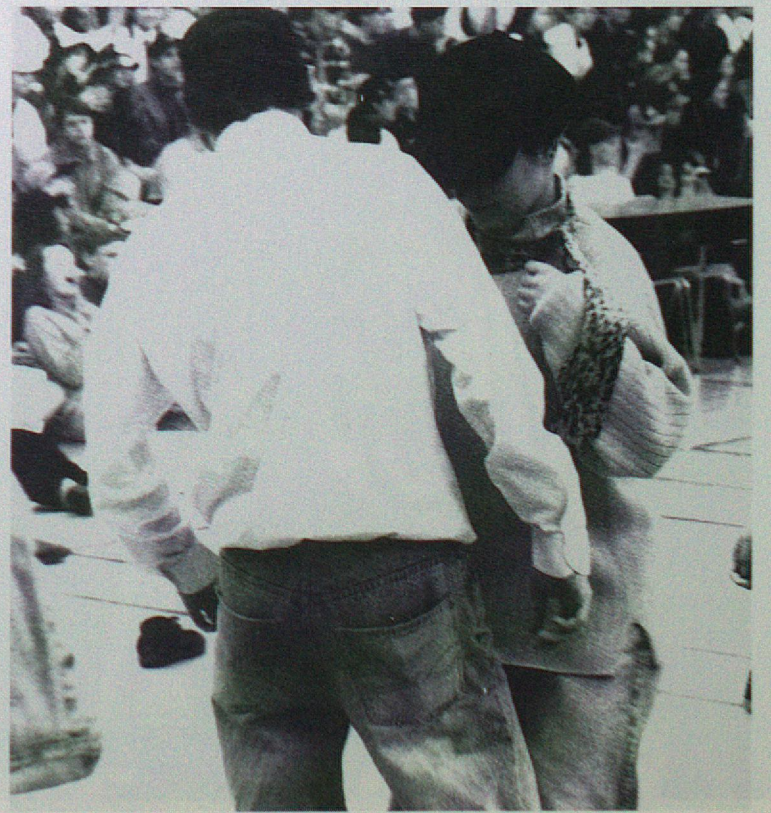

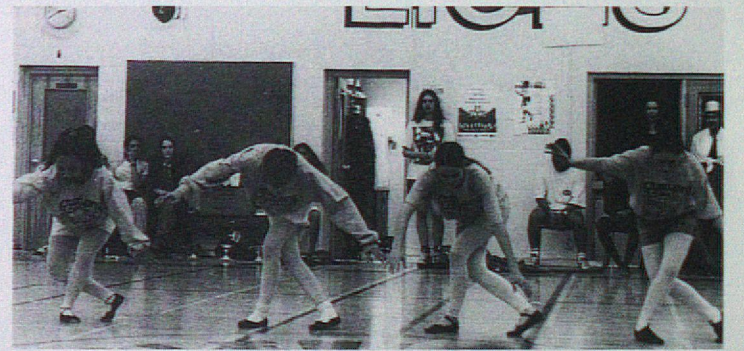

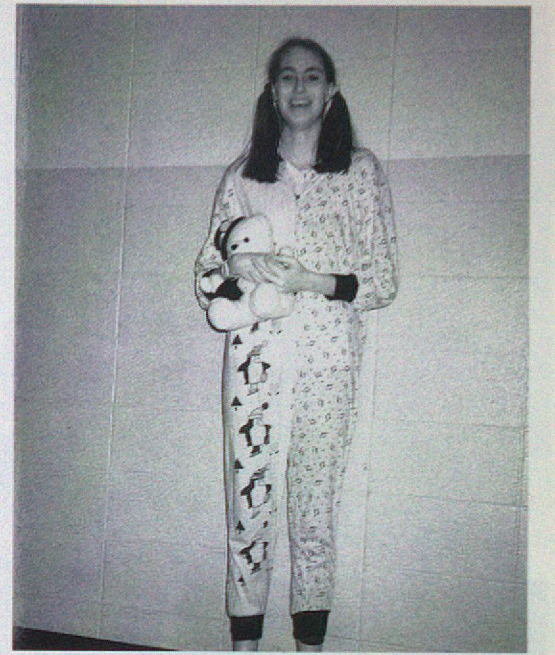

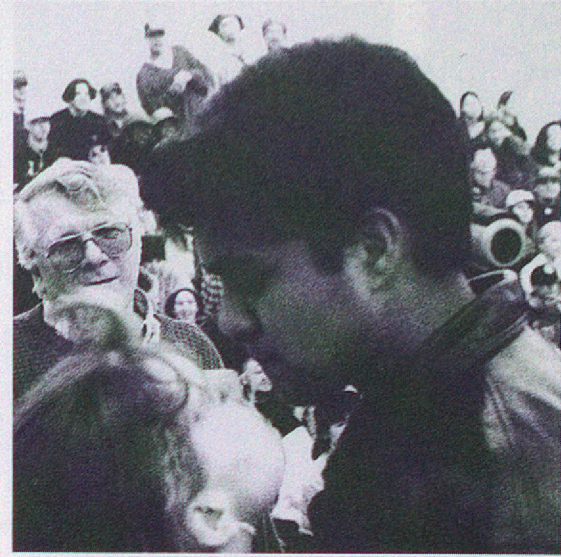

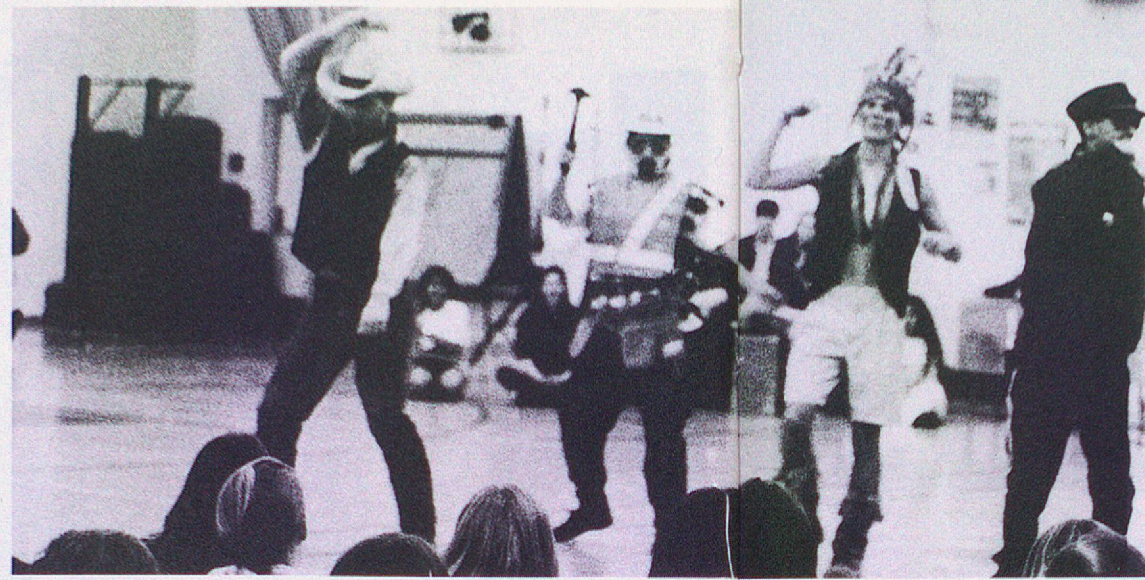

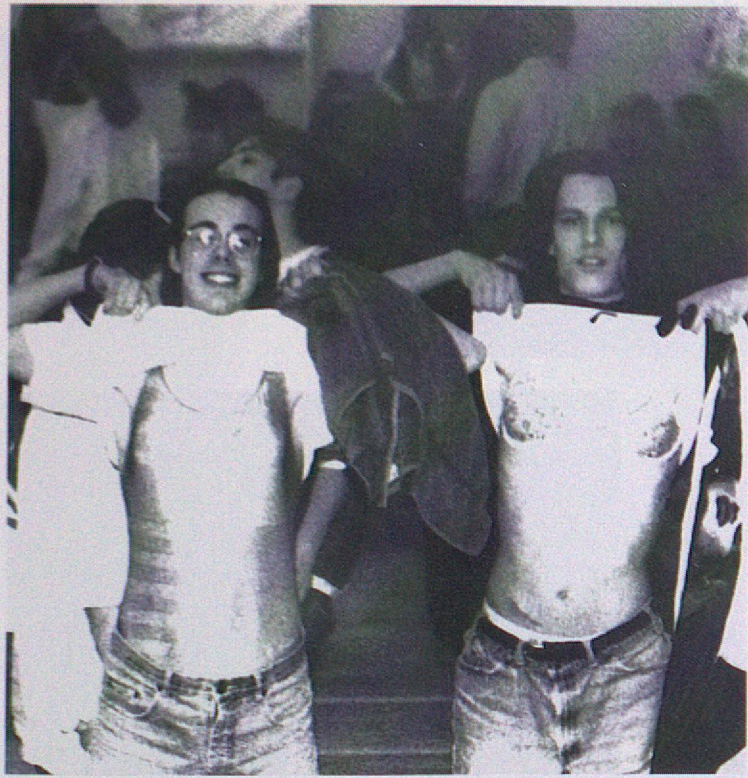

Final day, sweeping the tens away
You've tried hard, and we're glad you came
We can show you how to get
How to get to victory lane

Elevens, stealing our points away
You've worked hard, but it will end today
We can show you how to get
How to get to victory lane

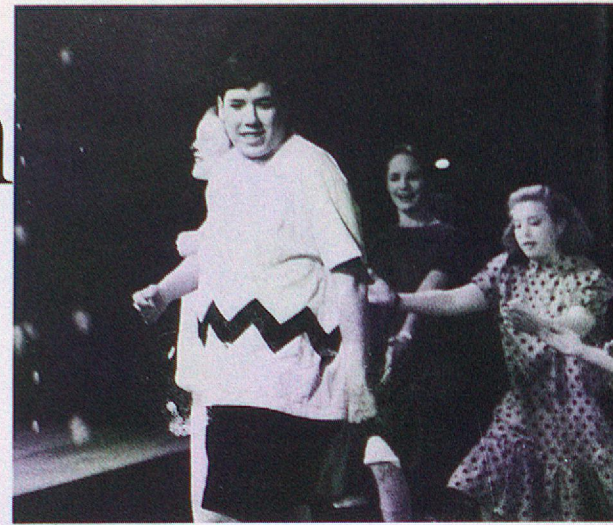

Glory days, twelves will go all the way
Age and brains have served us well again
We can show you how to get
How to get to victory lane (fading out)
How to get to victory lane
How to get to victory lane

This cheer was brought to you today by the letter G and the number 12
What was that number again?
1 2 3 4 5 6 7 8 9 10 11 12!

GOVERNOR - GENERAL'S MEDAL
Tamara Narine

Good afternoon everyone, and congratulations fellow graduates. I could not possibly thank all of the people who deserve our gratitude today, but I can speak on behalf of the whole class when I address one particular group. To the teachers, administrators and all of the staff at Glenlawn: thank you for your patience, guidance and belief in us: and congratulations also for surviving this last year.

Graduates, it would be of no use to you if I were to wish you all of the luck in the world. I could tell you that 'anything is possible' when you 'go that extra mile,' but you have heard it a million times before. Instead, I would like to discuss something that you have probably been avoiding because of fear, anxiety and confusion. That is, of course, reality. The diploma that you now hold is more than just a ticket out of high school, it is a ticket into a wider reality.

- Welcome to a city where your access into certain facilities may be denied because of religious head wear.
- Welcome to a country where the loss of a hockey game is cause for a riot.
- Welcome to a society here people escape from the pressures of their own lives by watching the exploited lives of celebrities like Michael Jackson and O.J. Simpson.
- Welcome, finally, to a world still suffering from racism, sexism and countless other forms of discrimination and abuse.

How is it possible that our years in school have prepared us for this? In the words of Helen Keller: "Although the world is full of suffering, it is also full of the overcoming of it." Glenlawn has served to teach us about the overcoming of suffering, and the importance of something called Human Spirit. While it is human nature to take the easiest path, to avoid conflict and to worry about one's self, it is human spirit that helps us to conquer hardships and to offer our aid to others.

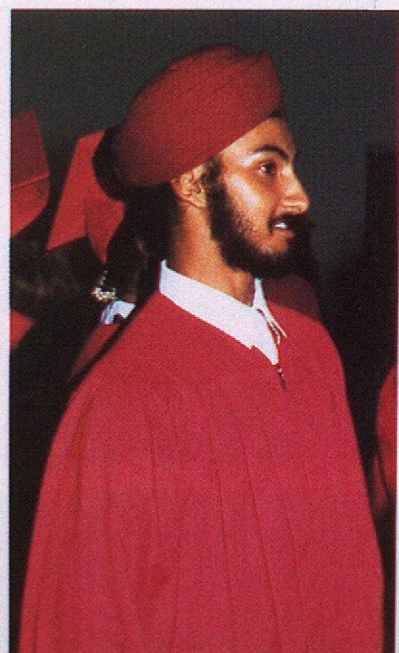

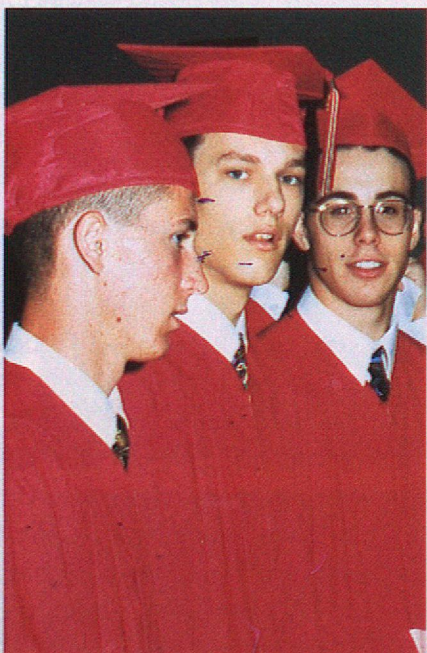

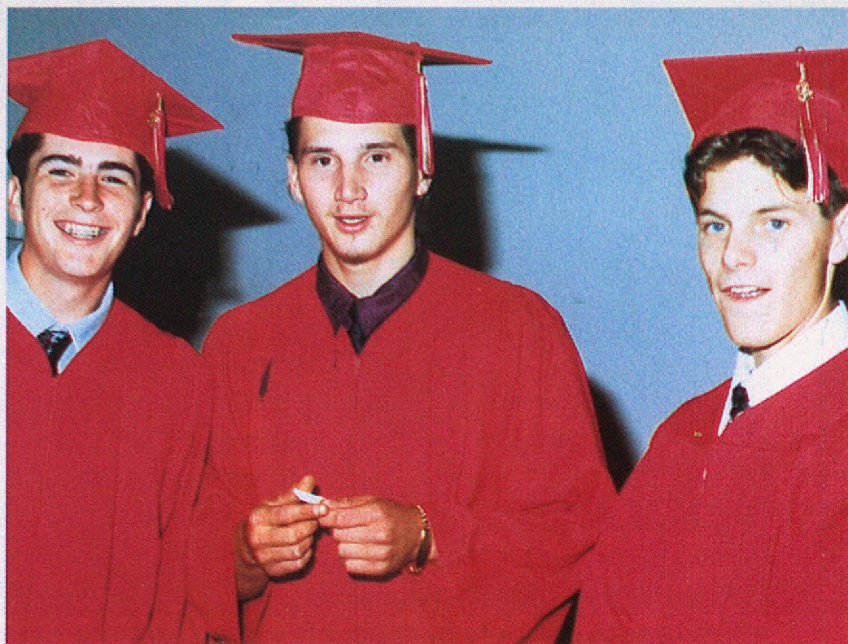

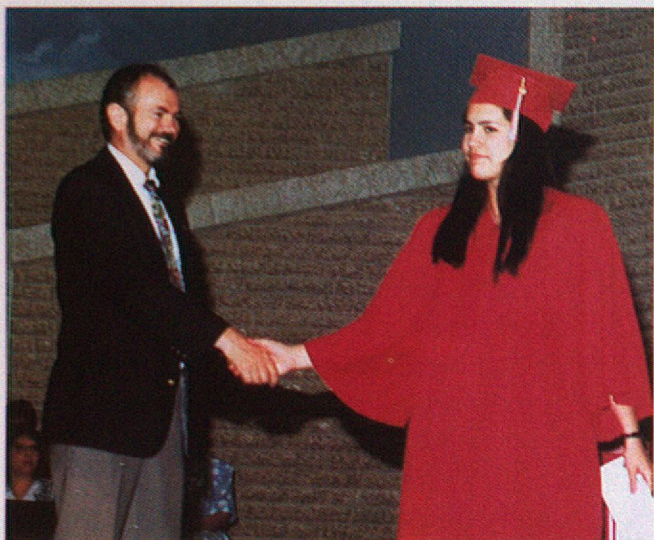

Glenlawn has always boasted great school spirit. It is expressed by our artists and musicians, it drives our athletes, and it guides our special needs students. This year, however, in the face of tragedy, Glenlawn was home to a force greater than school spirit.

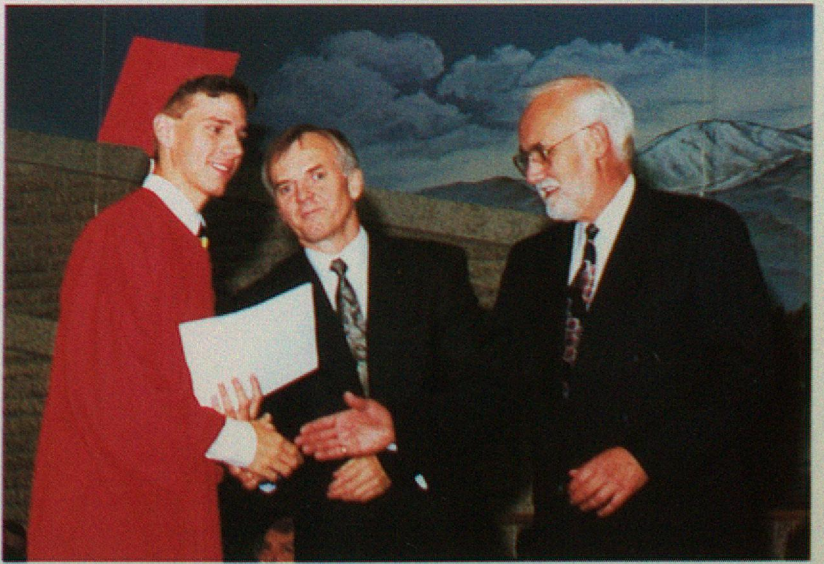

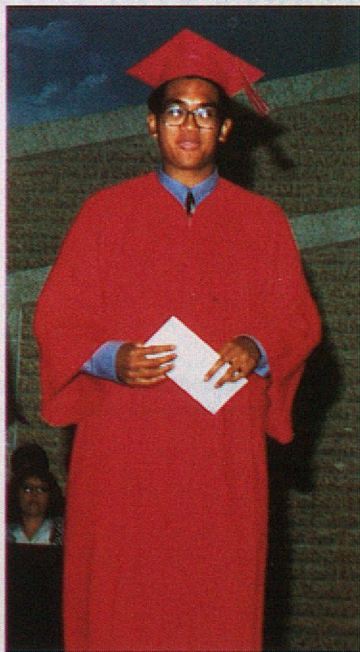

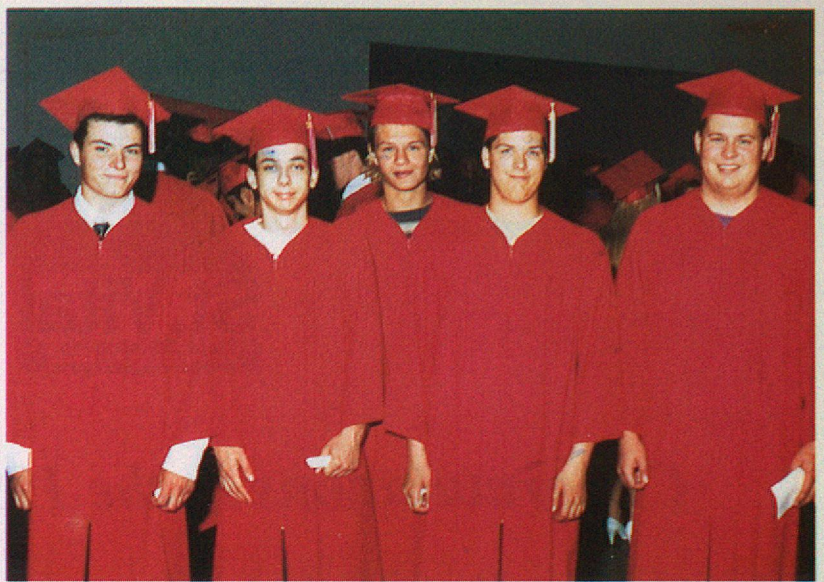

After the fine arts wing was destroyed, our bands and choirs were still able to set new standards in performance. Our sports teams did not give up their dreams in October. They found new places to practice and their dedication won them much success. Many individuals are being recognized today for rising above the challenges they faced early in the year, and demonstrating academic and community leadership. Perhaps the greatest achievement of human spirit this year is the fact that there is a Glenlawn graduating class of 1994. Our spirit bonds us together, and in the year dedicated to the family, we are graduating as a family.

The human spirit we have all exercised this past year is a quality that will help us in what they call the 'real world.' We have seen many examples of this throughout our school careers. A few years back our entire country was inspired by a young man named Terry Fox. Although his story ends in tragedy, his spirit still lives on. More recently we witnessed the fall of the Berlin wall, a symbol of the struggle for freedom in the east. Closer to home we saw history created as the Toronto Blue Jays became the first Canadian team to win the World series. All over the world, human spirit is guiding the overcoming of suffering.

The diploma you now hold is not a guarantee of safety, success or even happiness, it is a symbol of the will and effort that has brought you this far. In Glenlawn we have learned not to shy away from challenges, but to do as songwriter Bruce Cockburn suggests and "kick at darkness till it bleeds daylight." The responsibility is now yours to carry on with the same spirit that has brought you here, and to inspire others to do the same.

Jason Talor

Congratulations to the 1994 Graduates!

May all the roads you travel lead you on a
journey of learning, happiness and success.

On behalf of the trustees and administration
of St. Vital School Division,
Wendell Sparkes,
Superintendent
