The Tales of
Glenlawn Collegiate
1995-96

The **Best** and **Worst** of 1995-96

Survey Says. . .

WHAT'S **HOT** WHAT'S **NOT**

Band:	The Tragically Hip	Hootie and the Blowfish
T.V Show:	The Simpsons	Full House
Movie:	Seven	Showgirls
Male Actor:	Jim Carrey	Keanu Reeves
Female Actor:	Sandra Bullock	Pamela Anderson-Lee
Song:	Killing Me Softly	Macarena
Cafeteria Food:	Slushes	Hamburgers

1995-1996 was a memorable year for Glenlawn Lions, for Winnipeggers and most importantly, for Canadians, October's referendum in Quebec resulted in a frighteningly narrow victory for the "NO" side, led by Prime Minister, Jean Chretien. Canada's fragile unity was maintained.

It was the last season of the Jets. Despite emotional rallies and protests, despite local businesses and fans financial support, we had to say goodbye to our NHL hockey team who will be moving to Phoenix for the 1996-97 season. Their fans didn't give up without an amazing fight.

Closer to home, it was Mr. Thomson's last year at Glenlawn. It was his tenth year as vice principal and teacher at Glenlawn and everyone had something to learn from him. He never let us forget that Canada is the best country in the world. In his Canadian History class he taught us the importance of acceptance and he taught us to get to the point or get out of his way. We know you'll miss us Mr. Thomson; Glenlawn will definately miss you.

Principal's Message

Another year is quickly coming to a close. Students have completed their exams. Teachers are busy marking them. The office staff are entering and counting credits, getting ready for Convocation and Undergraduate Awards. Administration is getting ready for next year, and the cycle repeats.

It is always amazing how, in the fall, the school seems to start so slowly, and then seems to pass so quickly in the spring.

Many students in their last year of high school are wandering the halls at this time, knowing that life will not ever be the same for them. They are beginning a new phase of their lives. My best wishes to all of you in your chosen endeavours. Remember as you plan your lives that...

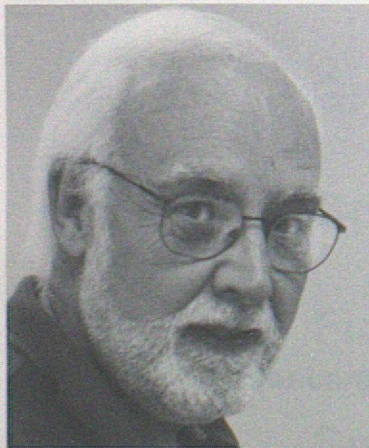

Yesterday is a memory
Tomorrow is a dream
Today is reality
...make the most of it.

Looking back over the year, it has been a successful one with more students than ever on the honour roll, many extra-curricular activities offered to students (we even had some provincial championships), wonderful musical theatre and drama productions, excellent music by our bands and choral groups, the implementation of a Student Advocate System, many students accepting leadership challenges, and partnerships with the community strengthened.

At the end of this year we also say farewell to Mr. Thomson and Mr. Hayes, who are venturing into another phase of their lives. We wish them both good health, love and happiness.

D.L. Bulow

Vice-Principal's Message

To students and staff, I offer my congratulations for another productive, educationally sound (and "fun") year at Glenlawn.

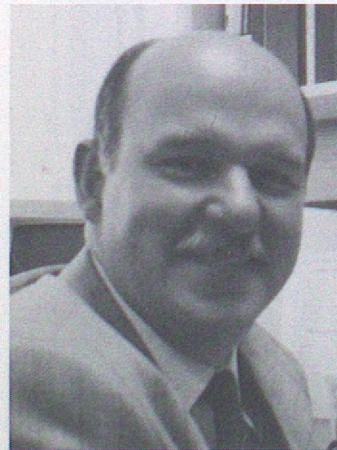

Now, having acquired over the last several years some of the best facilities and equipment in the province, we are even better able to provide high quality educational opportunities for the students of St. Vital. The cooperation among students, parents, teaching staff and other school employees, has been outstanding, resulting in the highest number of honour-roll students in memory, two Provincial championships in athletics, professional-quality drama, band, and musical productions and a host of other accomplishments.

It's so nice to be able to say "I work" or "I'm a student" at Glenlawn. The response from the public is invariably "Oh, I hear it's a great school."

Well, it's true - it is a great school. I am going to miss not being able to see it become even greater.

Good luck to all.

A. Thomson

Vice - Principal's Message

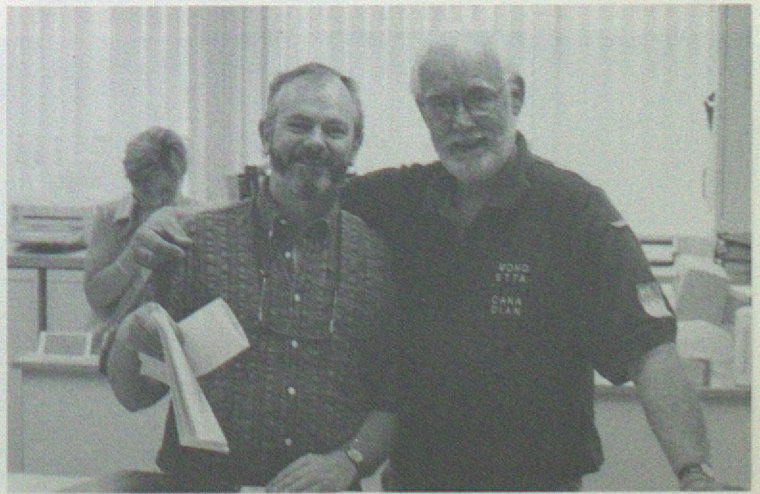

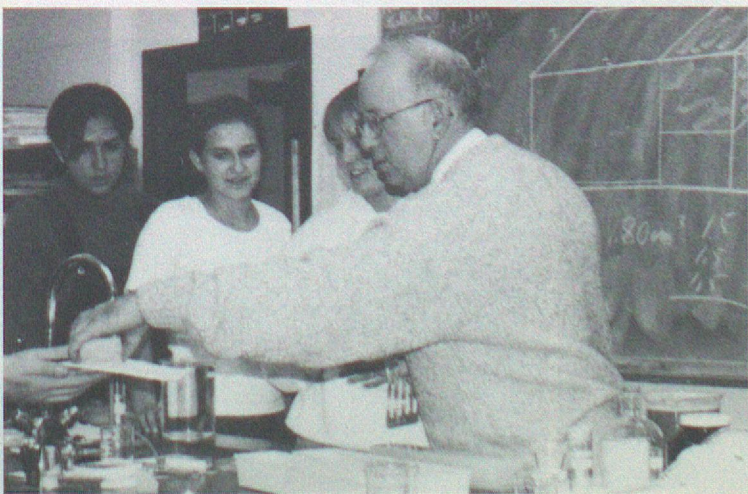

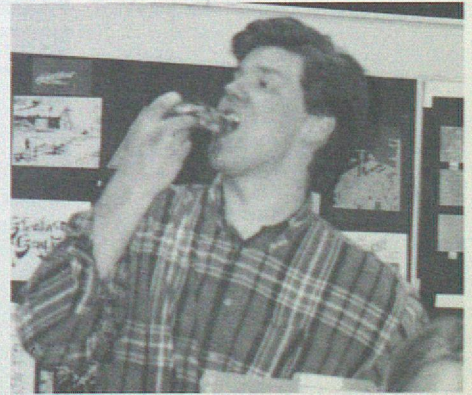

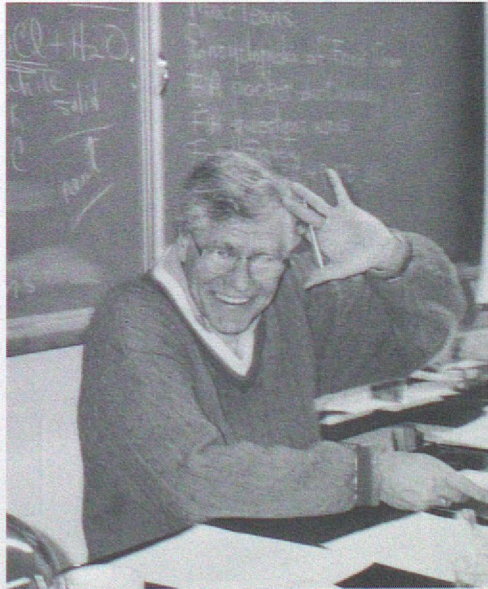

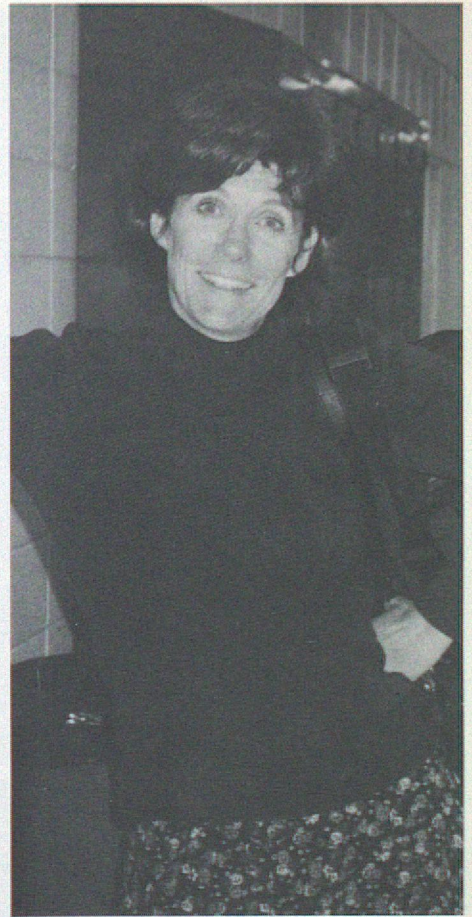

I have thoroughly enjoyed my first year as vice-principal at Glenlawn Collegiate. It has been a pleasure to get to know you and to observe as you have grown and explored your talents. Many of you have chosen to balance that growth through studies in both arts and sciences. The most important lessons you will have learned from your teachers will not be about the "subjects" they teach. Rather, they will be lessons about believing in yourself, taking pride in your work, treating others with respect and dignity, setting goals and working together.

Graduates, as has always been the case, are entering a world of many uncertainties. You have every reason to be optimistic - you live in the best country in the world, you are even better prepared than those that came before you, and you have the power to determine what meaning you will give, and consequently how you will react, to all that you will experience.

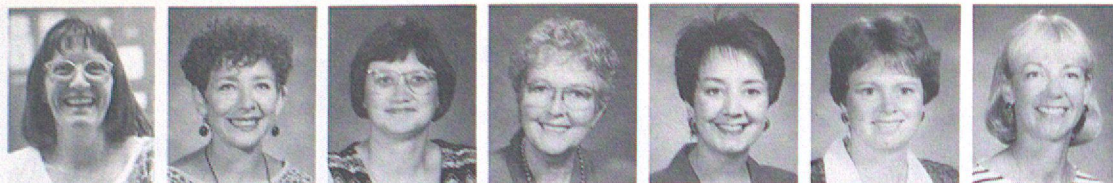

It's been a great year. Best wishes in your future endeavours!

Memorials

Suzanne Berger

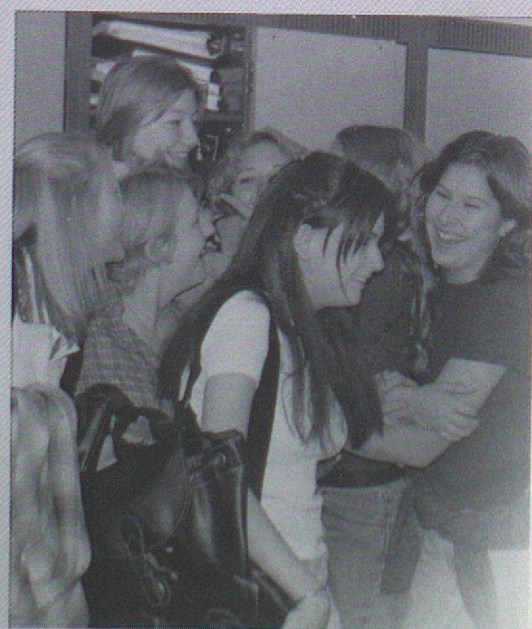

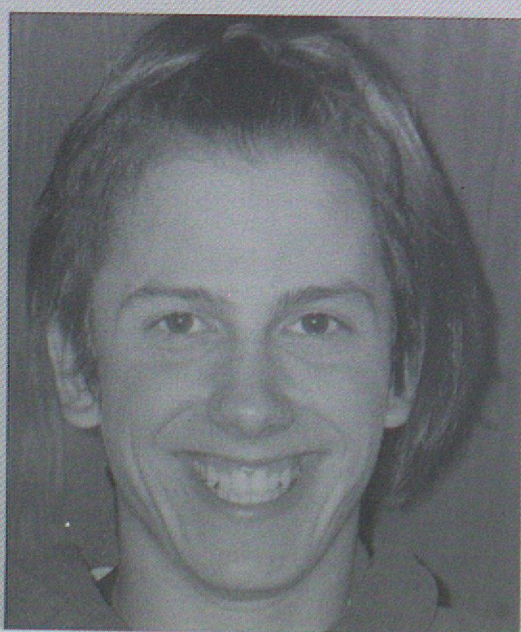

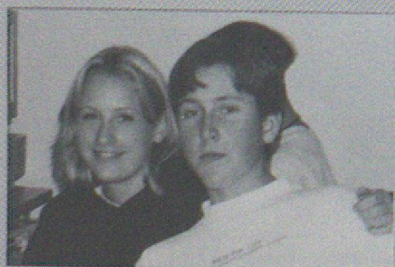

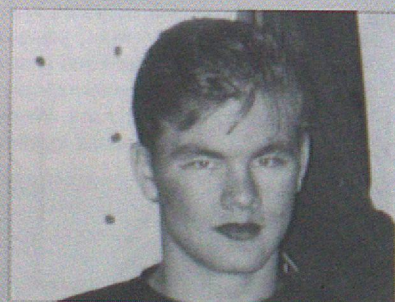

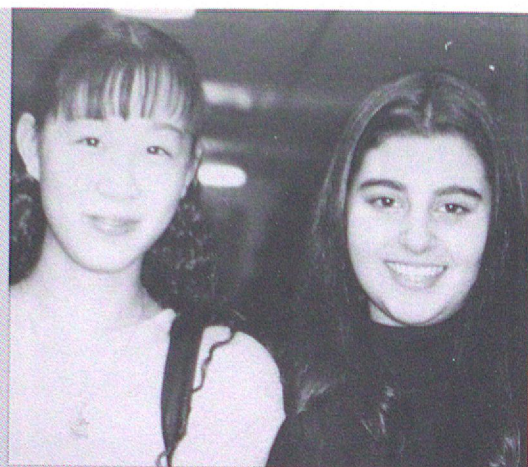

Suzanne Berger worked at Glenlawn Colligate for ten years until her untimely death from cancer in December, 1996. Glenlawn Collegiate will not be the same without Suzanne Berger. As a Work Experience, Business Skills and Computer Studies teacher, Mrs. Berger taught her classes in the context of skills relevant to the real world. She had a wonderful outlook on life and she saw each situation and each student as a unique opportunity to make a difference. Her warmth, generosity, and wisdom challenged the staff and students to strive for higher goals. She had a zest for life that energized those around her. She faced life's trials with courage and optimism. She will be remembered with great fondness and respect by the community, the parents, the staff and the students.

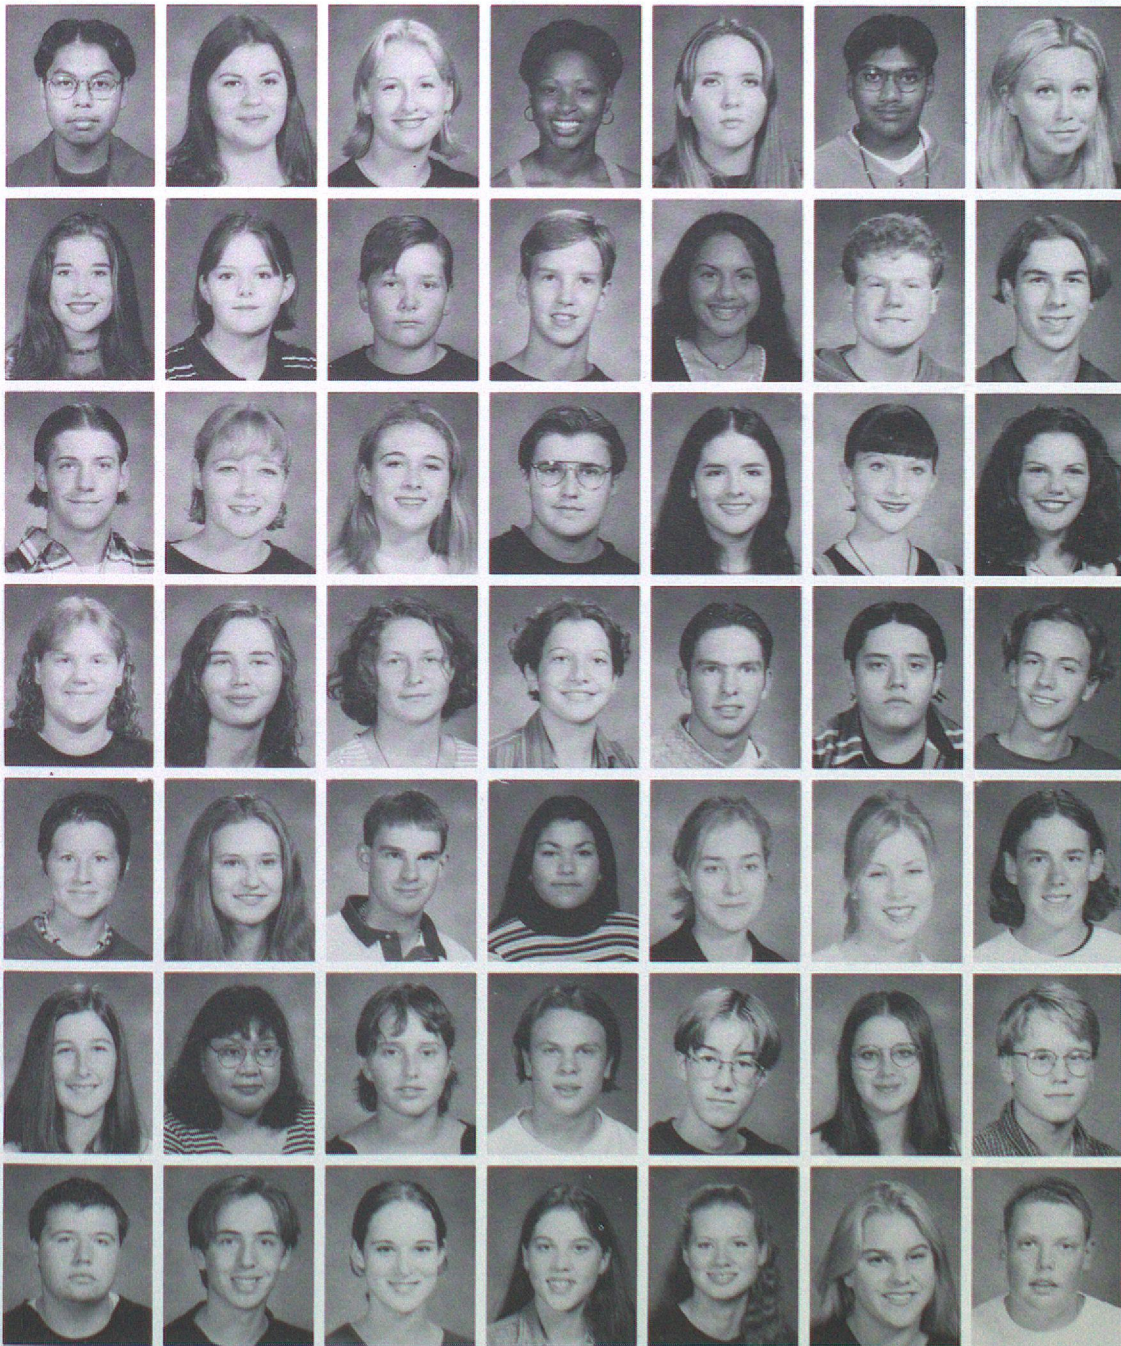

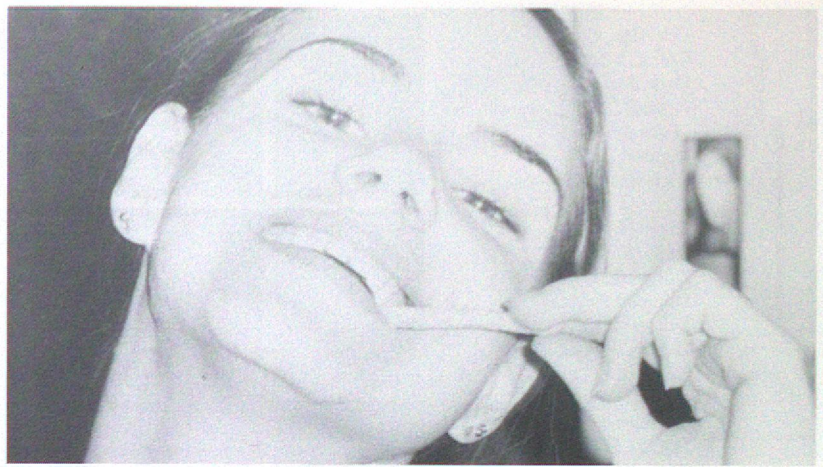

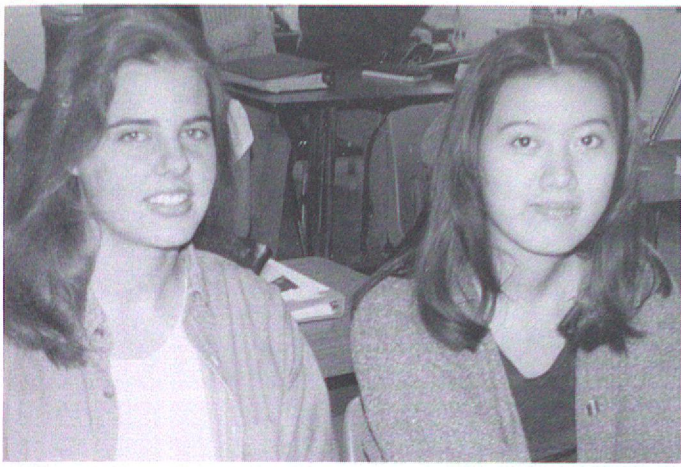

Russ Maley

We will fondly remember Mr. Russ Maley. Mr. Maley helped Mr. Kirichenko organize chess club activities in the mid 1970's, and over twenty years he generously gave his time and shared his talents in helping Glenlawn students appreciate the game of chess. We will miss his leadership, wit and inspiring play.

The Sports Council started an exciting year with many ideas in mind. They put on a well planned and executed Volleyball pep-rally, and Terry-Fox Volleyball tournament, with great prizes supplied by Licks and MHSAA. As the year continued, Sports Council members volunteered for many events. Soon it was time for the basketball pep-rally and then the 3 on 3 basketball tournament.

An exciting year was definitely had by all. To all the grade 12's who have been working together for the past 3 years, good luck, we'll miss you. To the grade 10's and 11's, have fun, work hard and see you next year.

T.O.P.S.

The goal of TOPS is to teach students how to support and encourage their peers. Members of TOPS learn "helping" skills such as active listening, formulating options and exploring alternatives and consequences. The assistance that the TOPS students provide extends the range and scope of services that can be offered from the Guidance Department. The TOPS program affords students the alternative of reflecting upon issues of concern to them, from a peer perspective rather than that of an adult.

Being a member of TOPS is a voluntary citizenship activity. The skills learned are very useful for any students who are thinking of going into a helping profession such as nursing, education, medicine, or social work.

Student Council

School Politics

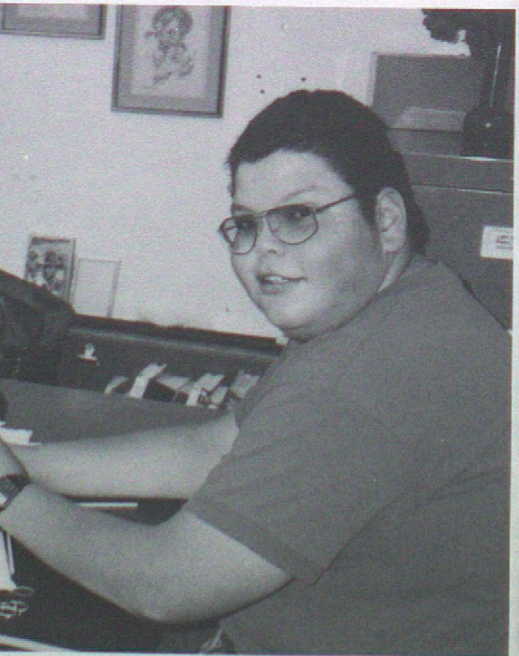

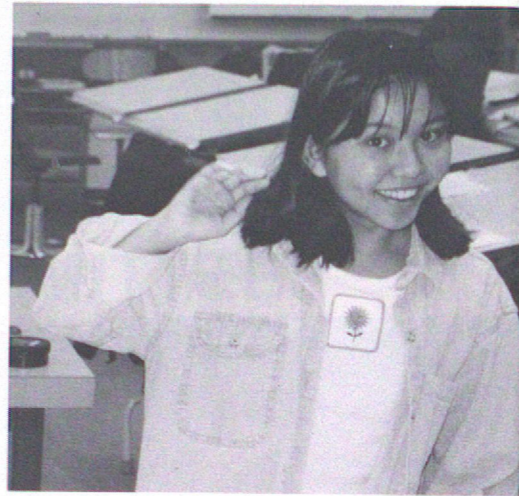

With a new Executive taking over last September, the Student Council took on a new look, with changes in organization and communication (we weren't at each other's throats, well, most of the time.) The executive members along with the hard-working and dedicated

grade reps. came together in an effort to pull off another "fun-filled" year at Glenlawn. Major highlights included Spirit Week (need I say more?) and a "Much Music Video Dance Party," which was probably one of Glenlawn's most successful dances. On behalf of the executive

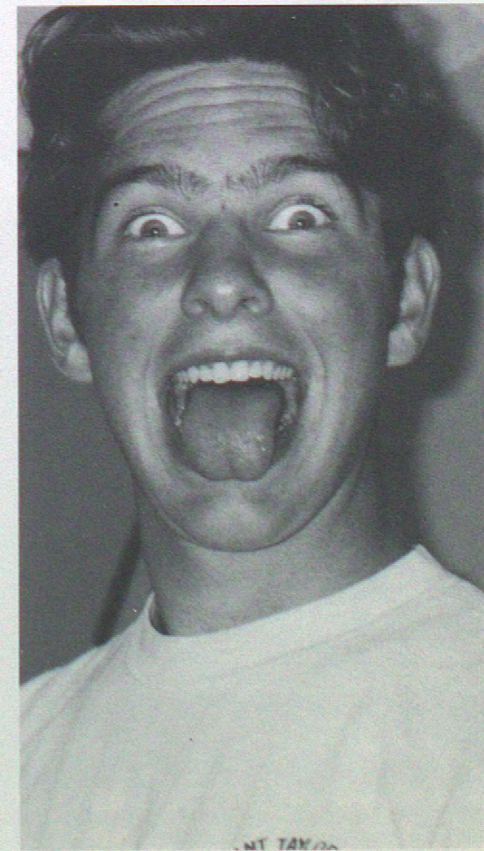

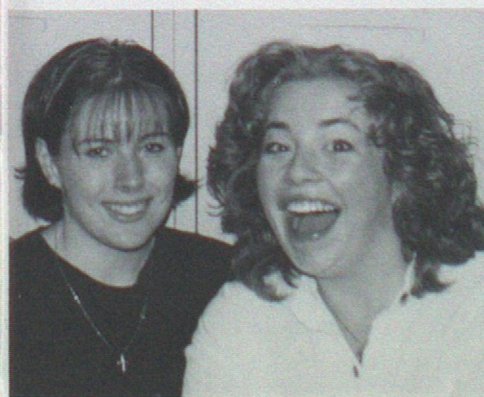

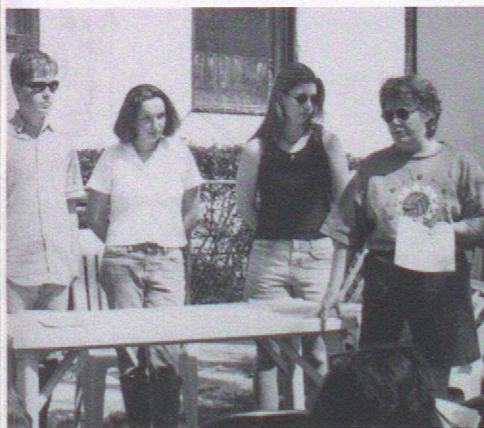

council, I'd like to thank our fellow members, advisors, (Mrs. Sharpe, Mr. Smith, and Mrs. Sakiyama) the administration and staff for their support during this past year. Thank-you and good luck to next year's council. (Yes, you will need it!)

Leadership

Take Charge

For the leadership group, the '95-'96 school year proved to be its largest and one of its busiest. There were approx. 46 students and all of them attended at least one of the many conferences, seminars or workshops. A few of these were Stephen Covey, Discrimination, Intermural Sports, a Prejudice Conference and the infamous Marketing Workshop.

The course involves doing 55 hours of Practicum and 55 hours of Theory. All the students had different Practicums, which means bringing the knowledge of leadership into the community. Some of

the many practicums were coaching, Student Council, Fine Arts Council, Sports council, Victoria Hospital, teaching Sunday School, working at the YM-YWCA and working with the Champions Program.

The leadership students would like to thank all the staff for their patience in letting us miss classes. We would also like to thank Mrs. Nordheim, without whose support and knowledge many of us would not have been given so many opportunities.

Grad Committee

The Grad Dinner and Dance of 1996 took place on June 24, at the Winnipeg Convention Center. It was a grand night filled with mixed emotions of excitement and sadness that will be remembered by all who were in attendance. The Grad Committee would like to thank all the people who made speeches that evening, all the students who put their time and energy into the meetings and preparation, and a special thank you to Mr. Humphrey, Shannon Bracken, Krista Godard, and Lisa Ferguson for all their hard work throughout the year. Congratulations to all the Graduates and the best of luck in the years to come!

Fine Arts

Fine Arts Council is a new addition to Glenlawn's array of councils. F.A.C. involved students from all areas of the fine arts, including band, choir, graphics, art and drama. F.A.C. was involved in helping the musical and drama productions in the areas of ushering, canteen, fundraising. The F.A.C. also advertised Fine Arts events. Thank you to all members for their help, support and patience. It is the executive's hope and dream that students in the future will continue this dream of ours.

Encounters with Canada

These students were delegates to the Encounters With Canada program held in Ottawa at the Terry Fox Canadian Youth Centre. The students explored governmental, judicial and cultural institutions, and met and made friends with students from across Canada. They participated in conferences, seminars and group sessions, and had an opportunity to travel around the capital city area.

Junior Achievement

Junior Achievement is a non-profit international organization supported by businesses and individuals. Nineteen Glenlawn Students joined Junior Achievement at Glenlawn this year. Our company was named Measure of the Minds. To begin the production of the products that we chose as a group, we had to sell shares to many of our friends and relatives. The products we chose to produce were: card holders, decorative wreaths and butterfly magnets.

To sell our products, we attended many trade fairs. There was also an opportunity to go to WEJAC, which takes place throughout Western Canada. Last year it was in Edmonton; this year it was in Regina.

We had a lot of fun this year. We gave the shareholders back their money plus a 10% dividend. It is a great learning experience and it looks really good on a resume. Come and join next year.

Band

Glenlawn's Tunes

Band this year was full of learning and wonderful opportunities to make music. We said goodbye to Mr. Bruce, but welcomed Mrs. Bourbonnais, who quickly proved her abilities and her spirit. This year, we watched yet another group of grade tens become united through music. The grade elevens and twelves (and a few grade tens) had an incredible experience in Banff. All bands represented the school well, although the grade elevens learned how hard early morning performances can be.

The grade twelves will never forget "Allerseelen", and the Wind Ensemble Showcase concert was even more unforgettable. The jazz bands had many chances to play this year, from working with junior high bands to playing at the Bobby Shew concert.

The band students would like to thank all those who supported us this year, especially the teachers, and a BIG thank you to Mr. K. and Mrs. Bourbonnais for their continued guidance.

Grade 10 Cheer

(To the tune of "Spiderman")

Grade Ten, Grade Ten
Does it better than grade twelves can
makes a banner look just right
Wins the tug-o-war with all their might
Look Out, here come the grade Tens.

Grade Ten, Grade Ten
Grade elevens will never win
No need to put up a fight
Grade Tens do it just right
Look out, here come the grade Tens
Wherever there's a win
You'll find a grade Ten.

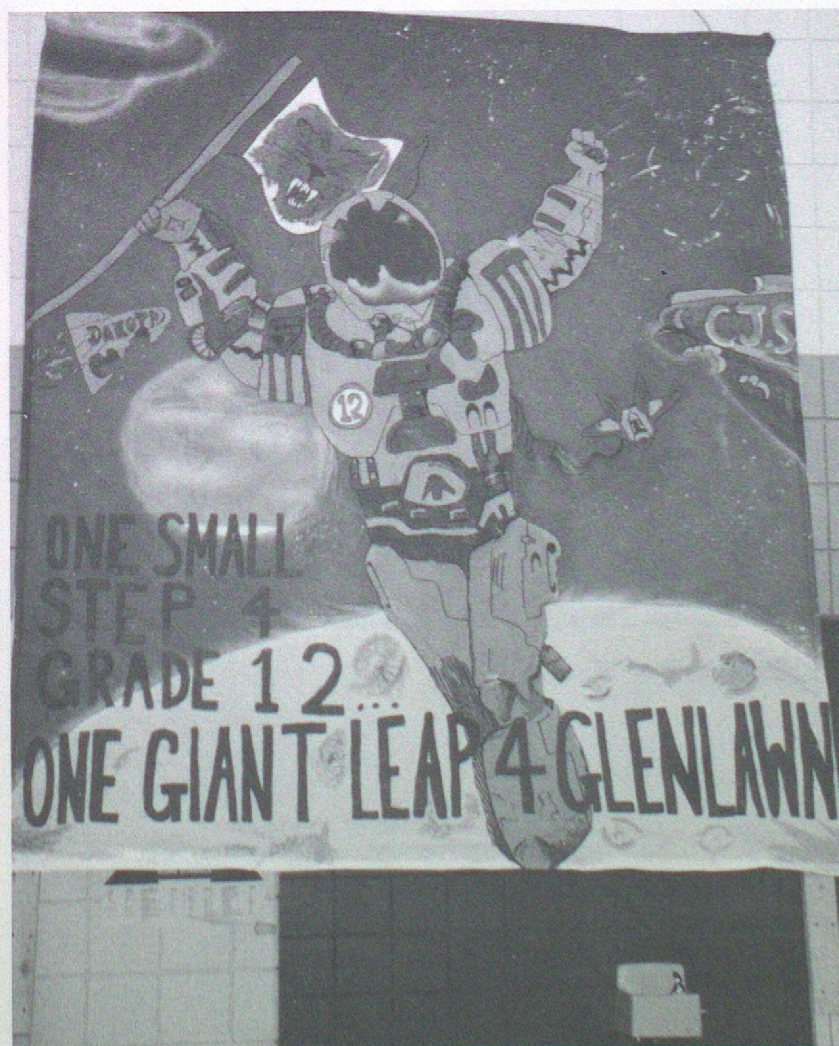

Grade 11 Cheer

(To the tune of Fresh Prince of Bel Air)

Now this is the story all about how
we turned your spirit upside-down
So we'd like to take a minute,
All grades beware
We'll tell you our victory is now in the air

In South St. Vital we were born and raised
At Glenlawn is where we spent most of our days.
The ice-cream relays, and the make-overs too,
we've got more spirit than all of you!

It's our second year and our preparing is done,
and soon enough the crown will be won
So thanks for your time and for sitting tight
and maybe next year you'll put up a fight!

Grade 12 Cheer

(To the tune of Ants go Marching)

Spirit Roars Again

It was another memorable spirit week at Glenlawn this year.

The gym rocked as the three grades competed in a variety of events. It started with the tricycle race on Monday and didn't slow down all week. The infamous Miss Glenlawn Pageant was back again (we can't seem to get enough of guys in dresses), along with the egg toss, singing, and air band competitions, orange necking, ice cream relay and many other events.

The race was tight all the way, with the grade 11's pulling ahead a couple of times. However, the grade 12's spirit was victorious; they stole the show on Friday in the dance-off, tug-of-war, banner and cheer competitions.

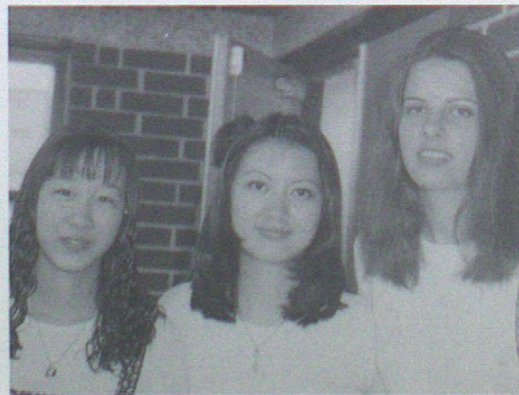

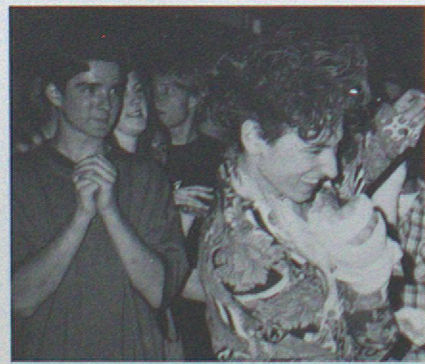

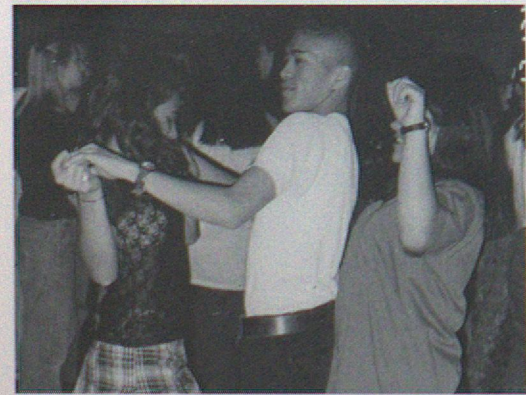

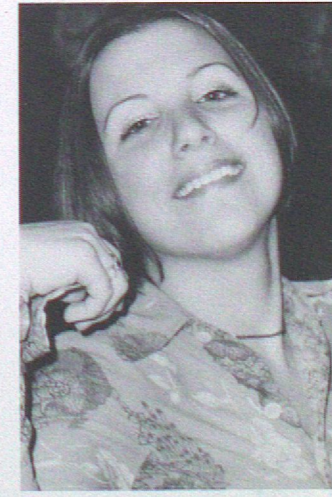

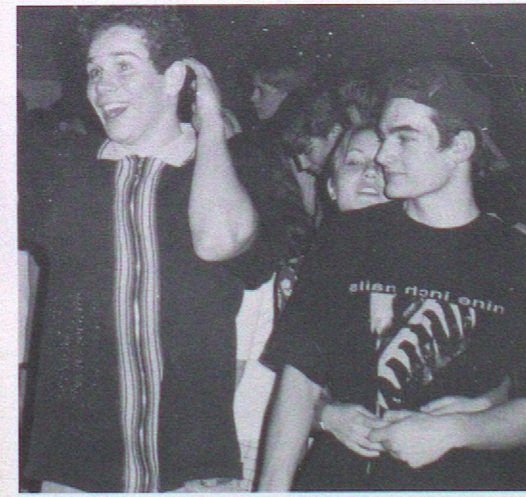

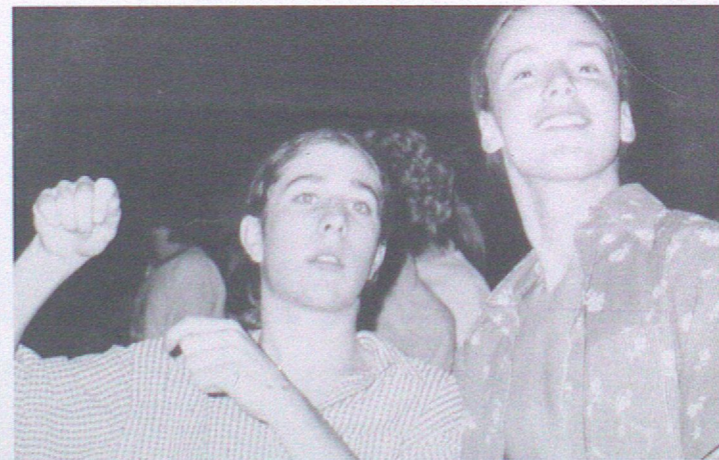

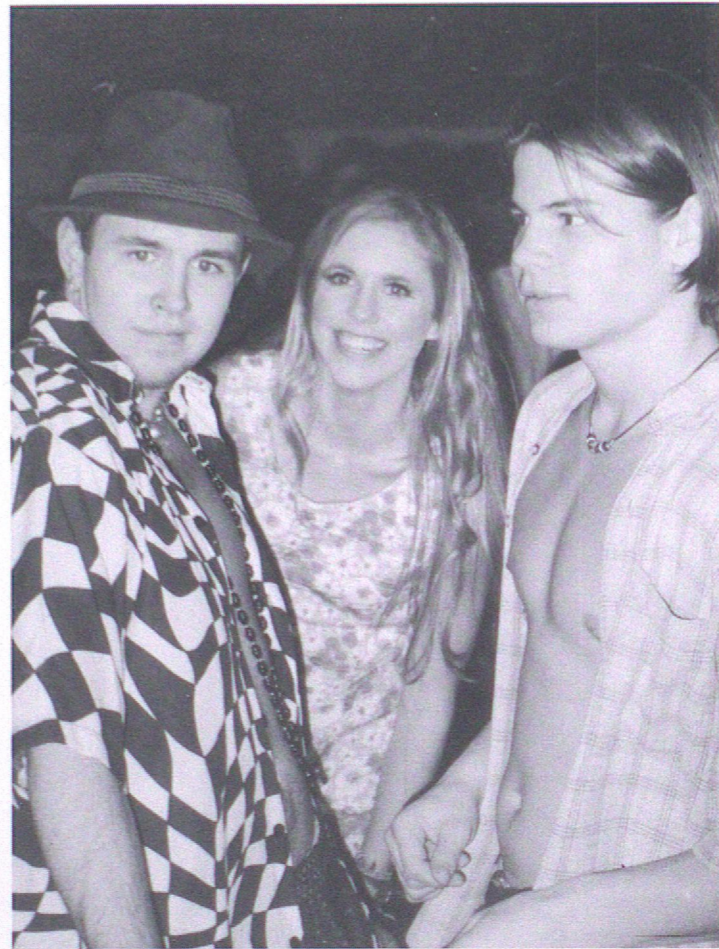

The final results were:

3rd place - Grade 10

2nd place - Grade 11

1st place - Grade 12

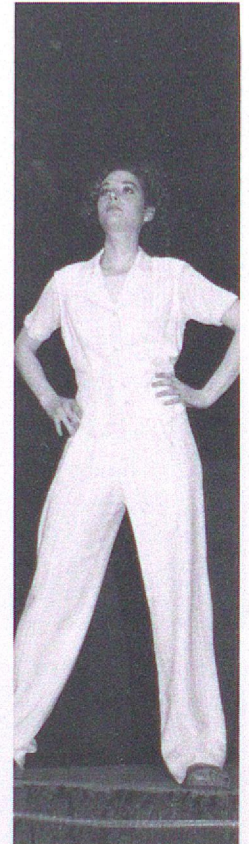

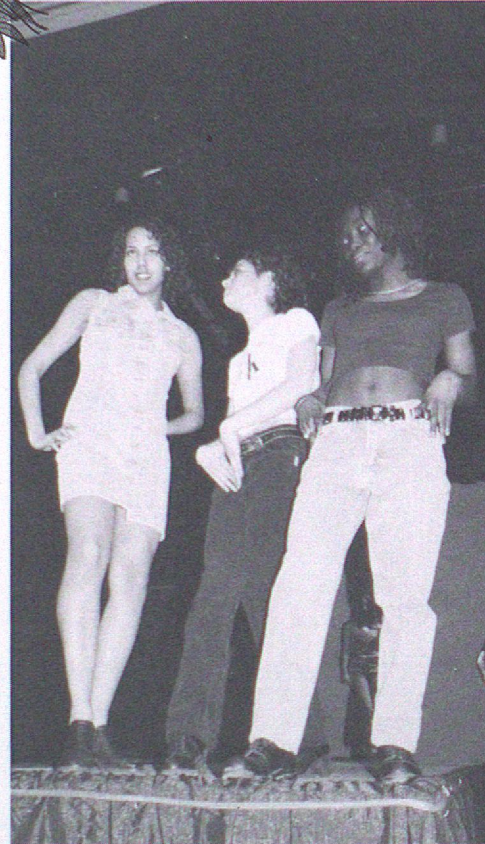

Dances

After Hours

There was a great turn out to Glenlawn's dances this year. People came in their **funkiest** clothes for themes such as rave and disco night. Glenlawn also had its first Much Music Video Dance Party with a Much Music D.J. and huge video screen. From the rowdies to the spectators to the overly-affectionate couples, a good time was had by all. A lot of planning and organization made this year's school dances a big success.

Fashion Show

INDUSTRIA- Fashion Show
 This year Glenlawn hosted its first fashion show. Members of the Glenlawn student body took it upon themselves to put together this hugely successful production. The event was hosted by CBC's Peter Jordan and directed and produced by Jerin Valel. The fashions ranged from trendy to alternative to formal. The staff stood back to watch student ambition and talent unfold.

Proceeds from ticket sales were contributed to the new fine arts facility and a small sum was forwarded to charity.

Freshman

The 1995-96 volleyball season proved to be a very prosperous one for the Freshman volleyball teams. The girls team, under the guidance of Ms. Oswald and Ms. Jones, reigned victorious in several invitational tournaments and captured the Cloverleaf Championship title.

The Freshman boys, coached by Mrs. Nordheim and Mrs. Redekop, ended their season as the champions of the Glenlawn tournament and Cloverleaf conference. They also got to the quarter finals in the provincial tournament.

Varsity

The Varsity girls were undefeated in regular season play and won the Cloverleaf conference for the sixth year. Coached by Mrs. Bradshaw and several alumni, they also won two tournaments, were finalists in two tournaments, and finished their season as provincial finalists.

Mr. Gertner's Varsity boys team were semi-finalists in the Cloverleaf conference and quarter finalists in the provincials after being ranked as high as second provincially during the season.

Freshman/Junior Varsity

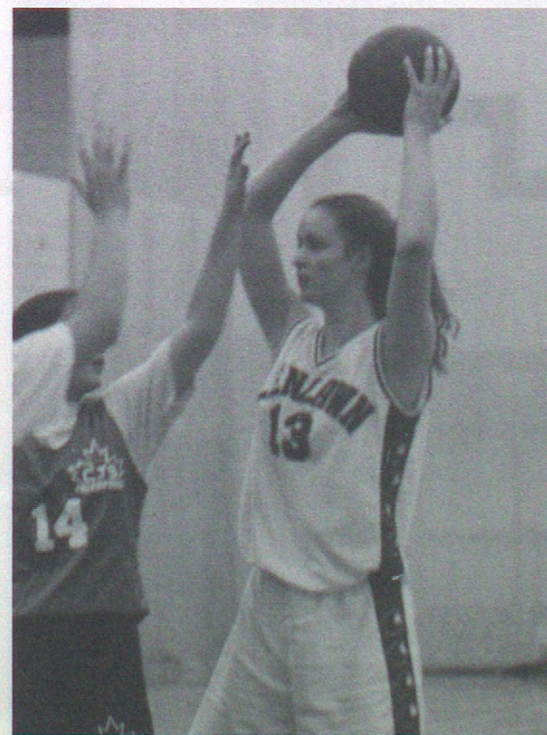

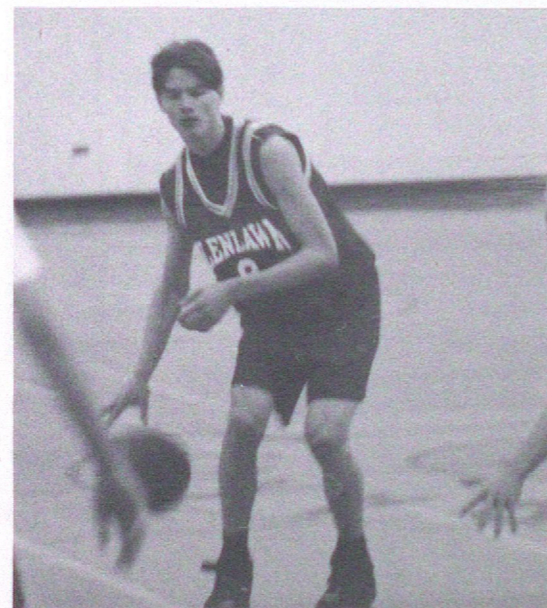

The Freshman boys team had four top-three finishes in tournaments and were Cloverleaf champions. Coached by alumni Jeff Sinnock and Dennis Dare, the team was fourth ranked going into the provincial tournament.

Mr. Nemetchuk's Junior Varsity girls had a season record of 25 wins and 4 losses. They won two tournaments, were finalists in two tournaments, and claimed the Cloverleaf championship. In the provincial tournament, the girls placed third.

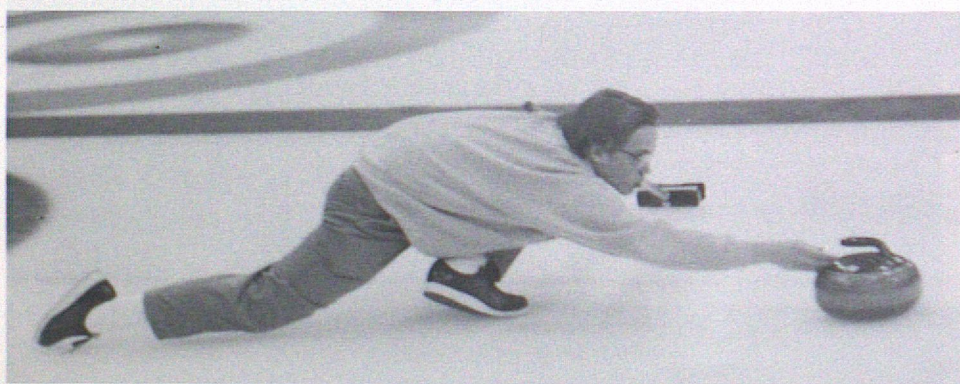

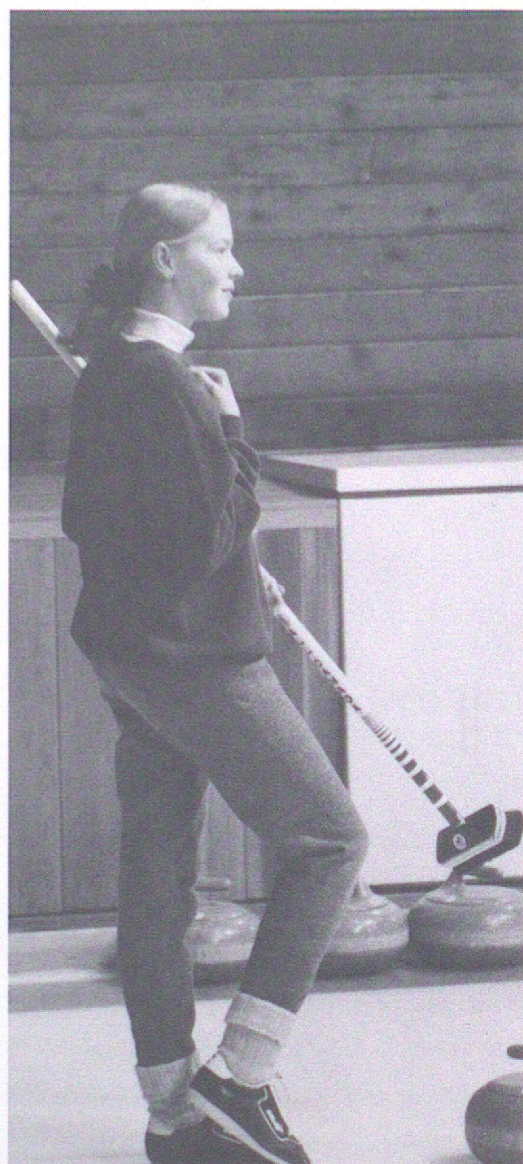

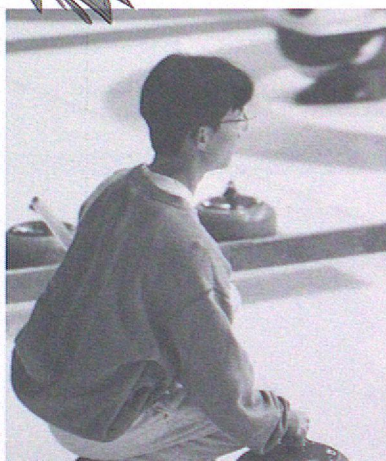

Varsity

The Varsity boys, coached by Mr. Sanders and Mr. Thoroski, were finalists in the Cloverleaf conference. With the majority of the team returning, the coaches look forward to next year.

Mr. Kornberger's Varsity girls team completed a successful season by winning the AAAA Provincial Championship. Prior to that, the team had placed second in the Cloverleaf, won the Viking Classic tournament in Brandon, and finished with an overall season record of 26 wins and 12 losses. Mr. Kornberger stated: "It's amazing how much can be accomplished when no one cares who gets the credit."

Curling

A Winterpeg Sport

Glenlawn's Curling Club had a very active 1995-96 season with twenty-five students participating in a league with students from Dakota and College Jeanne-Sauve.

Congratulations are extended to Daniel Chubey, Jason Chubey, Lucas Pang, and Jared Etcheverry who accumulated the most points for Glenlawn Curlers in League Play.

The "B" group winners were Kris Turner, Russell Friesen, Kelly Assailly and Yvonne Van Den

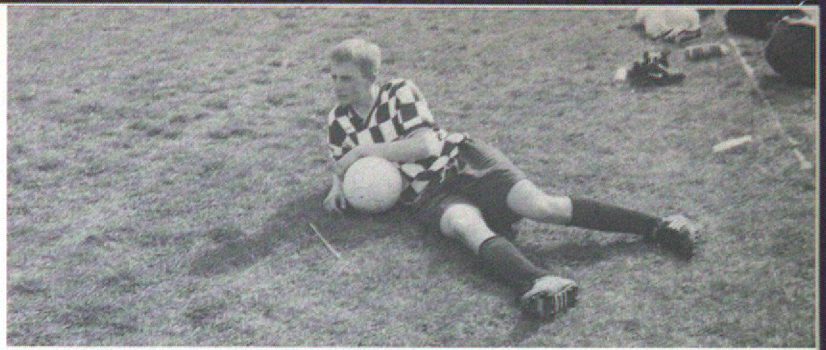

Bosch.

Congratulations are extended as well to the rinks of Nikki Rogers, Michelle Schoemperlen, Heather Peters, Dawn Turner who represented Glenlawn in the playdowns for the Cloverleaf representatives to the Provincial High School Boys and Girls Championships. The Girls were runners-up in the Cloverleaf Playdowns.

All members of the curling club enjoyed a season full of good curling and good friendship.

Rugby

The Lions Rugby programs continue to experience a high degree of success. Our program lost several veterans with last year's graduation, but our rookies stepped up to the challenge. If we can experience this much success in our building year, can you imagine the force that we will be in the next few years?

The Boys finished fourth in our first annual Glenlawn Invitational

Rugby Tournament, and captured fourth place in the Provincial tournament. The Girls Team finished first overall in the Glenlawn Invitational Rugby Tournament and successfully defended their Provincial Championship title.

Congratulations to both teams on a wonderful season (despite the weather!)

Track

The outdoor track season begins in the spring and this year we wondered if it would ever start. With the winter that wouldn't end, we got off to a very late start. But, in spite of the short season, our athletes had good results.

Glenlawn had 18 athletes qualify for Provincial competition. These athletes competed in over 30 degree temperatures for two days at the University of Manitoba, June 7 & 8. Performances which earned Provincial placing were Nick Akinola's (third in Junior Boys Long Jump), and the Junior Boy's 4 x 100 relay team, which placed third.

Congratulations to the Track Team for their terrific effort and results this year.

War Canoe

Just in time for summer, Glenlawn had its first war canoe team ever. It consisted of fifteen students ranging from grade ten to twelve.

Twelve schools came to participate in the war canoe challenge on June 2, 1996. Glenlawn had only three practices to get ready for this massive event. Luckily they didn't fall in!

Despite only the three practices, Glenlawn came in first and second in their heats due to their strength, speed, dedication, and, of course, their coach, Mrs. Merriman-Schaeffer.

VALEDICTORIAN ADDRESS

Good Afternoon honoured guests, staff, parents, friends, and most especially, my fellow graduates.

Up until now, each one of us have been travelling down a similar road. Graduation is the day where, for the first time, we have the opportunity to go off in another direction.

Some of us have chosen to go onto university or college, others are joining the workforce. Whatever choice we've made, the one thing that remains the same is that our education will continue. Glenlawn has shown us how to learn. It has taught us more than just facts and figures like valuable life long lessons that we will never forget. It has shown us that education and learning isn't confined to the four walls, but that all of our experiences make up our education.

Graduation is a day full of hope for the future, as well as a day to look back on the hard work that has brought us to where we are. The first day we stepped into Glenlawn, we had a clean slate - no one really knew us or what we were capable of doing. For some, that was a good thing. The past three years have given us the opportunity to meet and get to know many new people, as well as build friendships that will last forever.

The hard part about this day is not that we are leaving a school, it's that we are leaving behind a place full of wonderful memories, experiences, and friendships. Several of us have shared many of our firsts together - our first drivers license (this scared the heck out of my parents!), our first love, our first job, and our first trip to the bar (this worried my parents even more!). For some, the sharing of these times brought friends closer together - for others, it's split them apart. During the past three years, our ideals have changed - sometimes for the better, sometimes not. By learning about others, we have learned a lot about ourselves - our values and standards have been put to the test on many occasions. The friendships and relationships that we have experienced have had an impact on the shaping of the kind of people we are today.

Glenlawn students have won many awards and trophies in the past and this graduating class is no exception. We too have left our mark in the halls and trophy cases of Glenlawn. These achievements have not come easily, but are the result of our hard work, determination, and desire to achieve. These are lessons that should prove invaluable to us in our future.

Today, when we walk away, our slate is filled with knowledge, opinions and values - not the same ones for everyone, but each one strong in their own way. As we sit here today, we are filled with mixed emotions - feelings of fear, anxiety and confusion, as well as excitement and happiness. We no longer have the stability and safety of Glenlawn, instead we have the reality of the real world to face. Whether we are ready or not, we are about to enter a world where starvation, poverty and unemployment are everyday issues. A world where, in some countries, people get killed for stating their opinion, something we as students are encouraged to do everyday in class.

The diploma we receive is not a guarantee of our happiness or of our success, but rather a symbol of the effort, will, and determination that we have shown for the past 13 years. We credit ourselves for this achievement, however we did not attain it alone. We are fortunate to have had such dedicated teachers at Glenlawn who, as far as I'm concerned, have had as much to do with our success as we have. They were always willing to go above and beyond and were there to listen at anytime. Although they may have thought at times we didn't appreciate what they were doing, or rather, what they were making us do, we now understand that they were pushing us because they believed in us and in what we could accomplish.

I am not going to refer to each teacher individually, but I would like to single out one of our teachers who, like ourselves, will be leaving Glenlawn this year. To Mr. Thomson- It didn't matter whether it was a sporting event, a drama production or a band or choir performance, he always managed to be there, and we were glad to see his white hair and beard up in the stands. We have been very blessed to have experienced his wisdom and caring and we want to let him know that he will be greatly missed.

To our parents and guardians - we thank you for always being there to support us, put up with us and to listen to our never-ending complaints. Throughout our lives, and most especially the past three years, you've been the source of motivation that kept us going at times when we would rather have quit. You were there to encourage us and to make sure we were always trying our best. For your guidance and love, we thank you.

As we continue on the paths we have chosen, let us remember - it is not our final destination that is of most importance, but rather the memories and experiences gained along the way.

Thank you.
Melissa Fenn

Dinner and Dance

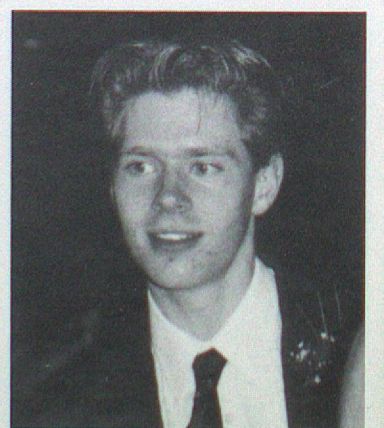

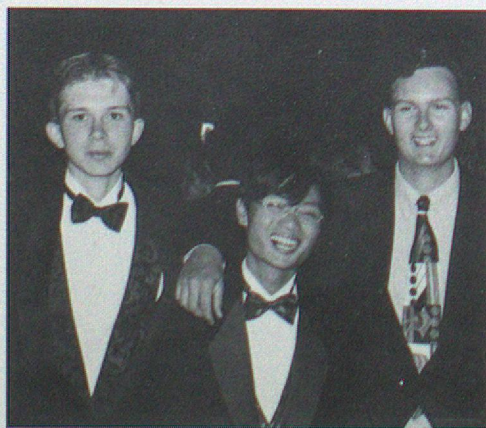

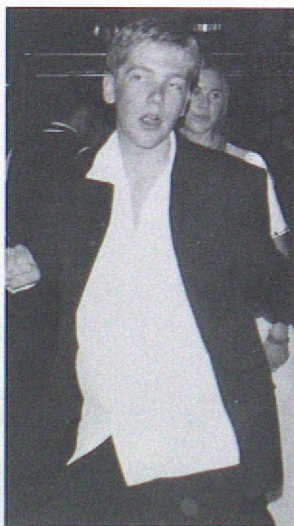

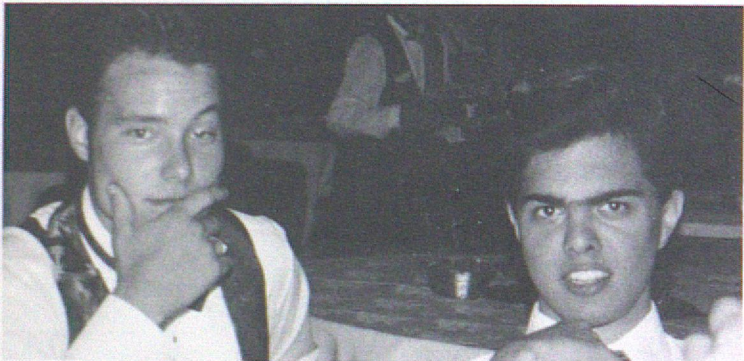

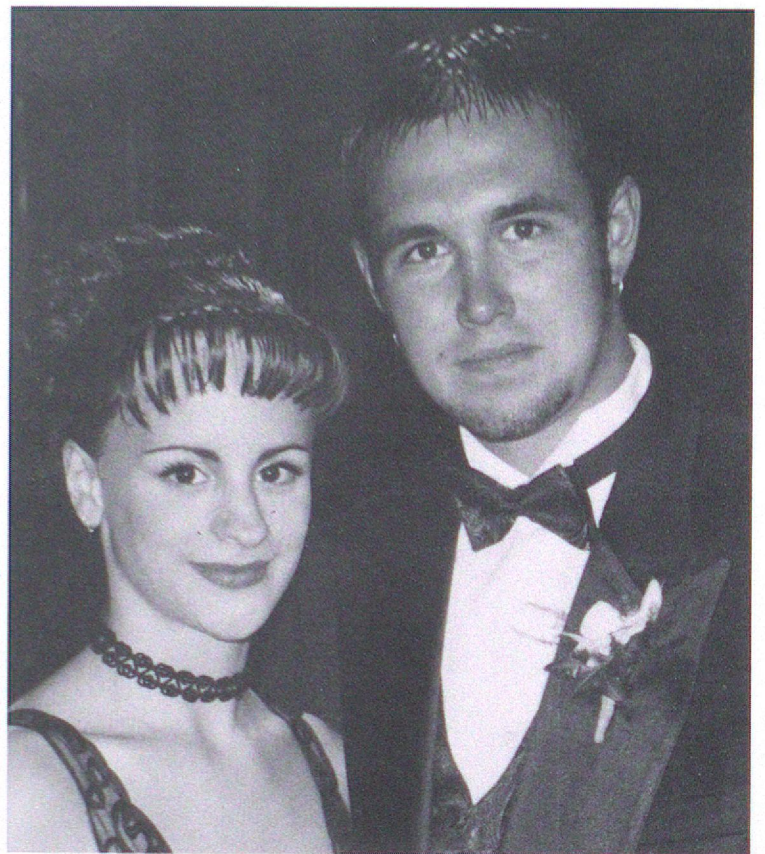

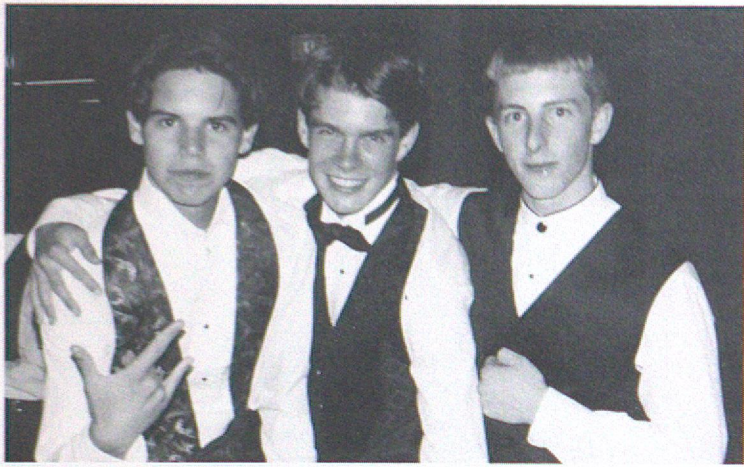

On Monday, June 24, 1996, Glenlawn hosted its graduation dinner and dance at the Winnipeg Convention Centre. The celebration lasted from 6:15 pm to 4:00 am. It was a great night filled with excitement and sadness as the Glenlawn graduation class of 1996 and the staff celebrated together one last time. The occasion will be remembered by all who were in attendance. Brett Maletic was master of ceremonies and speeches were made by Mrs. Seguire of the St. Vital School Board, our president Tammy Toews, superintendent Norbert Philippe, and our principal, Mrs. Bulow. Graduates Shannon Bracken and Erin Muir did a toast to the parents, Krista Hanson and Kyle McEachern took care of the toast (or roast) to the teachers while Mr. Humphrey and Mrs. Nordheim did likewise to the students. A special thanks to Mr. Humphrey and the grad committee for organizing this fantastic evening. Best wishes to the graduates.
